Unless otherwise specified, all software products will be delivered electronically and deemed accepted upon delivery of access to such software products (i.e. making such software products available for download).

The software products specified in this Legal Quotation shall be for Purchaser's internal use only, even if the installation location in the quote detail for a license specifies an entity that is different than the Purchaser, except as may be otherwise set forth in a separate signed written agreement identified in this Legal Quotation.

Unless this Legal Quotation identifies a separate governing written agreement, this Legal Quotation and the products and services will be solely governed by the following terms and conditions (copies of which can be obtained from your customer service representative):

- Licenses are governed by the applicable End User License Agreement including applicable Additional License Authorizations found at <https://www.rocketsoftware.com/company/trust/agreements>.
- Support is governed by the Business Support Agreement including applicable support addenda found at <https://www.rocketsoftware.com/company/trust/agreements>.

- Extended/Limited Extended Support: Where this Legal Quotation includes Extended/Limited Extended support, this service is provided in accordance with the terms and conditions set out in the Business Support Agreement and the Extended Support Addendum. Full product support lifecycle information is accessible on the Support Portal. Please note that the level of service is dependent on the stage of the product support lifecycle.
- Professional services are governed by the Professional Services Terms and Conditions found at <https://www.rocketsoftware.com/company/trust/agreements>. Payment of license, support, or any other fees (if any) will not be contingent upon performance or completion of services.
