

Reference	Received on	Question	Response
01	08/11/2021	Please advise if you would be willing to meet and discuss what you are looking for from your internal audit supplier/service?	As this is a competitive tender, no individual meetings/discussions are planned and as such all information is in the ITT. If there are specific questions these can be answered as clarifications.
02	08/11/2021	Regarding Q3.2, you have specified 2 pages + an org chart. Please advise if we can submit team CVs in addition to this (2 pages + CVs and org chart) or if CVs must be included within the 2 pages?	We're looking for a summary of experience / CV in the answer to the question (i.e. within the two pages). Supplemental information may be submitted as evidence, but will not be scored and is for information only.
