29 September 2011

Dear Skelly & Crouch LLP,

Ref: Quotation No. 400830303

SERVICE CABLE CONNECTION AT

Horniman Museum, Horniman Drive, 100 London Road, London, SE23 3PQ

I confirm the appointment made for us to carry out the installation or alteration of an electricity supply at the above location. Our staff will require access to the site as follows:

10 October 2011, between 8:00 am and 6:00 pm

12 October 2011, between 8:00 am and 6:00 pm

Your attention is drawn to the following points:

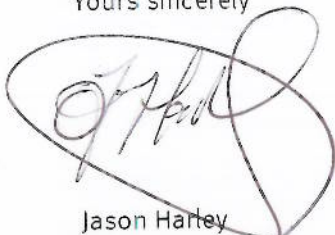

1. To ensure your supplier can connect your supply on the date of the appointment, please ensure that an installation certificate and, if necessary, an "Application of Supply" form have been submitted.

These forms need to be in your supplier's possession a minimum of 5 days prior to jointing works being carried out. A security deposit may be required.

2. All work that you carry out must be completed before the date(s) shown above otherwise the job(s) will be cancelled. Should the work be aborted on the day of your appointment, or you fail to inform us of cancellation a minimum of 5 working days before our works are due to commence, an abort fee will be charged. A new appointment can only be made once this fee is paid.

Please ensure that either you, or an authorised agent acting on your behalf, are in attendance as access to the premises will be required for the duration of the works. If you have any queries please do not hesitate to contact our Scheduling Unit.

Yours sincerely

Jason Harley
