- 1.5.1. As a Local Authority, Corby Borough Council processes a considerable amount of information, including personal data about the customers it serves, to allow it to provide services effectively. The Council recognises that this information is important to their customers and that it has a responsibility to these customers regarding the information it holds about them. ### **2. PROCUREMENT APPROACH**

- 2.1. The following details outline the procurement approach to be adopted, throughout this process.
- 2.1.1. You may ask questions in writing via e-mail regarding the tender documents or the details of the goods or service required.
  - 2.1.2. Where questions raise an issue of general interest or clarification then the question and answer will be circulated to all Bidders. The identity of the originator will not be disclosed.
  - 2.1.3. Once the deadline for receipt of tenders has been reached, the Council will evaluate the written tenders. The Standard Selection Questionnaire will be assessed first, as Bidders who do not meet the Council's expectations may be excluded. Suppliers who self-certify that they meet the requirements for insurance, economic and financial standing, and technical and professional ability may be required to provide evidence of this if they are successful at contract award stage.
  - 2.1.4. The responses to the evaluation questions will then be scored and weighted as explained in Sections [3](#), [4](#) and [5](#) below. Bidders may be invited to a clarification meeting in order to clarify their proposals.
  - 2.1.5. This procurement is evaluated in two distinct stages, The Standard Selection Questionnaire and then, if Bidders pass this, the Tender submission. The Evaluation Panel will not consider details provided in the Standard Selection Questionnaire (e.g. relevant experience and contract examples) during their evaluation of the Tender submission. Likewise, the answer to one question will not be considered as a part of the answer of another question. All questions and answers are self-contained.
  - 2.1.6. Once the submitted bids have been evaluated, the Council reserves the right to hold clarification meetings with no fewer than the top two highest scoring Bidders. No new criteria will be introduced at these meetings, rather on the basis of these clarification meetings, the Council may choose to revise a Bidder's score for each response to an evaluation question, either up or down to reach a final score.
  - 2.1.7. The Council will then make its award decision, if appropriate.
  - 2.1.8. The procurement timetable is detailed in section 1.3 above, and the tender evaluation process is shown below.
  - 2.1.9. The process is subject to the completion of formal contract documents.

### **3. SCORING**

#### **3.1. Non-Price Scoring**

- 3.1.1. All responses to Quality Questions will be assessed against the Evaluation Criteria set out in Table B, below.
- 3.1.2. Each written tender will be scrutinised by a small panel, which may include, but not be limited to, Council officers, Councillors, technical advisors and/or stakeholders (such as members of user groups, focus groups and/or tenant/resident panels) and in particular each quality scoring criteria will be awarded points out of 10 according to Table B, below.

**Table B**

<b>Score</b>	<b>Criteria for awarding score</b>
0	No response is provided.
1	Response fails to answer the question asked and is inconsistent or in conflict with other responses provided.
2	Response answers some elements of the question, providing no detail and may be inconsistent or in conflict with other responses provided.
3	Response answers the majority of the question, but does not provide the required level of detail and may be inconsistent or in conflict with other responses provided.
4	Response answers the whole question, but does not provide the required level of detail and may be inconsistent or in conflict with other responses provided.
5	Response answers the whole question, providing a suitable level of detail.
6	Response answers the whole question, providing a suitable level of detail, taking account of some additional elements which may enhance the service being tendered.
7	Response answers the whole question, providing a considerable level of detail, taking account of some additional elements which may enhance the service being tendered.
8	Response answers the whole question, providing a considerable level of detail, paying significant attention to additional elements which may enhance the service being tendered.
9	Response answers the whole question and is tailored to the locality of the service being tendered (i.e. Corby), providing a considerable level of detail, paying significant attention to additional elements which may enhance the service being tendered.
10	Response answers the whole question and is tailored to the locality of the service being tendered (i.e. Corby), providing a considerable level of detail. The response also takes account of additional factors, (economic or demographic, for example) and identifies price and / or quality initiatives, which may affect or enhance the service being tendered, demonstrating innovation and creativity.

- 3.1.3. The weighting available for a score of 10 points is shown below in section [5](#), and a pro rata weighting will be applied to the score.
- 3.1.4. A bid may not be accepted that significantly fails to satisfy any specific criterion, even if it scores relatively well against all other criteria.

## IMPROVEMENT WORKS TO SHOPPING PARADES ACROSS CORBY CORBY BOROUGH COUNCIL INSTRUCTIONS TO BIDDERS

---

- 3.1.5. The score (0-10) as detailed in Table A, allocated to each Section Heading Percentage Quality Question submission will be calculated according to the following formula:
- a. A score of 5 represents 50% of scoring marks available.
  - b. As against question 1 (20%) this equates to:
    - i.  $50\% \times 20 = 10\%$  for that question
  - c. A score of 6 represents 60% of scoring marks available.
  - d. As against question 2 (15%) this equates to:
    - i.  $60\% \times 15 = 9\%$  for that question.
- 3.1.6. For the avoidance of doubt, there are no sub-criteria elements in the Quality Questions, which will be scored. The score allocated will be against the total answer submitted and factored against the maximum percentage awarded for that Question in accordance with the calculation formula.
- 3.1.7. Where a particular question may list “elements”, Bidders are informed that no such individual element will be scored, per se; instead the “elements” as listed are given for information only to assist Bidders to submit their most comprehensive response and therefore their most competitive bid in all the circumstances.

### 3.2. Price Scoring

- 3.2.1. The total price figure will be converted into points by applying the formula:
- a. Lowest price bid divided by Bidder's price multiplied by 100%
  - b. For example, if the Bidder's price is £100, and this is also the lowest price, the calculation is:
    - i.  $100 / 100 \times 100\% = 100\%$  of the available weighting
  - c. A bid of £200 would be calculated as:
    - i.  $100 / 200 \times 100\% = 50\%$  of the available weighting.
- 3.2.2. Please note that the lowest cost submission will receive the highest mark in the Price sub-heading, all other submissions will receive a pro-rata score based on that lowest price.

**IMPROVEMENT WORKS TO SHOPPING PARADES ACROSS CORBY

**4. CRITERIA FOR ASSESSING STANDARD SELECTION QUESTIONNAIRE**

- 4.1. The Public Contract Regulations 2015 came into force on 26 February 2015. Since this date, short-listing has been prohibited in all procurements carried out by local government that are advertised and are above £25,000 in value but below the EU Threshold for Goods and Services.
- 4.2. For contracts that are advertised between these two values, instead of a Pre-Qualification Questionnaire, Local Authorities must assess a Bidder's suitability to deliver the requirements as stated in the Specification / Contract. Those Bidders who satisfy the suitability assessment will have their tenders evaluated. Those who do not will be excluded from the process. **THOSE BIDDERS WHO FAIL ANY PASS/FAIL QUESTIONS, WILL NO LONGER BE CONSIDERED IN THE PROCUREMENT PROCESS.** The selection process is based on a template document issued by Central Government. Many of the suitability questions will be the same for every tender but some may be specific to the subject matter of the contract. Please see below for further details about the evaluation of the Standard Selection Questionnaire, set out in Table C, below.
