CLARIFICATION QUESTIONS AND RESPONSES

The National Archives has received a number of clarification questions in relation to the above opportunity. Those questions, and their associated responses, can be found below.

Q1: *We hold ISO27001 certification and Cyber Essentials certification, but no Cyber Essentials Plus. Is our certification acceptable to tender for this opportunity?*

A1: Yes, those accreditations would be acceptable.

Q2: *Having scrutinized the tender prescriptions we are still not sure for the eligibility of a supplier based outside the UK. Could you please confirm this detail?*

A2: You are perfectly at liberty to apply, if you can satisfy the requirements laid out in the Invitation to Tender. There is no requirement for the appointed supplier to be UK-based, or any geographical requirement.
