7.8.4 An Affiliate and/or Sub-Contractor may provide to any part of the NHS goods or services that are the same type of goods or services as the Supplier is responsible for procuring and/or providing as part of the Services provided that:

- 16.1 Subject to any statutory requirement and Clause 16.2, the Supplier shall keep secure and maintain for the Contract Period and six (6) years afterwards, or such longer period as may be agreed between the Parties, full and accurate records of all matters relating to this Contract. With regard to the Parent Company Rebates:

- (a) the Parent Company Rebates shall not include any Supplier Levy which has been paid directly to the Authority's bank account and any rebates paid directly by a Supplier to a Customer; and
- (b) in addition and without prejudice to its rights of access and audit under Clause 16.4, the Authority shall be entitled to audit 2 categories of goods and/or services per quarter to confirm that the value of any Parent Company Rebates has been appropriately taken into account. The Supplier shall provide (and procure that each relevant member of the Parent Company provides) the Authority with any and all assistance, documentation, records and access to personnel as the Authority may reasonably require to conduct this audit, including compliance with its commitments under Clause 16.4. If the audit suggests that the Supplier has not been reporting all Parent Company Rebates, the Authority may conduct further audits at the cost of the Supplier (which for the avoidance of doubt shall not be recoverable in the Costs Payment unless such further audits demonstrate that the Supplier has been declaring all Parent Company Rebates) in order to confirm the extent of the issues.

16.3.5 The Supplier shall provide the Authority with the Open Book Data each Service Period within eight (8) Business Days of the end of the Service Period to which the Open Book Data relates, and shall respond to any reasonable Authority request to answer specific questions relating to the Open Book Data within five (5) Business Days of the date of such request.

- 16.5 The Supplier shall permit or procure permission for the Authority or the Auditor during normal business hours having given advance written notice of no less than five (5) Business Days, access to any premises and facilities, books and records reasonably required to audit the Supplier's compliance with its obligations under this Contract.

 - 16.6.2 notwithstanding Clause 16.6.1, the rights of the Authority to audit and inspect set out in this Clause 16.6 may be exercised at any time (and expressly more than once in any twelve (12) Months), if the Authority has concerns, such concerns being both reasonable and exercised in good faith, over the performance, service delivery, compliance with contractual obligations, or the costs of any such third party;
 - 16.6.3 where an audit and inspection has taken place under any of the preceding Sub-Clauses of this Clause 16.6, the Authority shall have the right to carry out a further follow up audit and inspection of such Sub-Contractor; and
 - 16.6.4 the Supplier shall cooperate with all audits and inspections and accompany the Authority or the Auditor if requested.
- 16.7 The Parties agree that they shall bear their own respective costs and expenses incurred in respect of compliance with their obligations under this Clause 16, unless the audit reveals a Default by the Supplier, in which case the Supplier shall reimburse the Authority for the Authority's reasonable costs incurred in relation to the audit.

17. CHANGE

- 17.1 Variation Procedure

- 17.1.1 Subject to the provisions of Clause 5.4.3, Clause 5.6.3, this Clause 17 and Schedule 3 (Contract Remuneration, Payment and Invoicing), either Party may request a variation to this Contract provided that such variation does not amount to a substantial modification or a material change of this Contract within the meaning of the Regulations and the Law. Such a change once implemented is hereinafter called a "**Variation**".
- 17.1.2 A Party may request a Variation by completing, signing and sending the Variation Form to the other Party giving sufficient information for the receiving Party to assess the extent of the proposed Variation and any additional cost that may be incurred.
- 17.1.3 Regardless of which Party requested the Variation, if required by the Authority, the Supplier shall carry out an impact assessment of the Variation on the Services (the "**Impact Assessment**"). The Impact Assessment shall be completed in good faith and shall include:
- (a) details of the impact of the proposed Variation on the Services and the Supplier's ability to meet its other obligations under this Contract;
 - (b) details of the cost of implementing the proposed Variation;
 - (c) details of the on-going costs required by the proposed Variation when implemented, including any increase or decrease in the Target Costs, any alteration in the resources and/or expenditure required by either Party and any alteration to the working practices of either Party;
 - (d) a timetable for the implementation, together with any proposals for the testing of the Variation; and
 - (e) such other information as the Authority may reasonably request in (or in response to) the Variation request.
- 17.1.4 Where the Authority anticipates that the cost of a proposed Variation (both the cost of implementing the Variation and the on-going costs) may exceed £10,000, the Supplier shall, where required by the Authority, initiate a more detailed assessment of the reasoning, works, scope, methodology, costs and costs benefit of the proposed Variation ("Business Case"). The Parties may agree to adjust the time limits specified in the Variation Form to allow for the preparation of the Impact Assessment or Business Case as applicable. Guidelines for creating the Business Case can be found on this link: https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/469317/green_book_guidance_public_sector_business_cases_2015_update.pdf.
- 17.1.5 Templates for the different Business Cases can be found on this link: https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/341053/Green_Book_guidance_public_sector_business_cases_using_the_Five_Case_Model_templates.odt
- 17.1.6 The receiving Party shall respond to the request within the time limits specified in the Variation Form. Such time limits shall be reasonable and ultimately at the discretion of the Authority having regard to the nature of

the Services and the proposed Variation and under no circumstances will be less than three (3) Business Days.

17.1.7 In the event that:

- (a) the Supplier acting reasonably is unable to agree to or provide the Variation and provides written confirmation of such (together with the reasons) within three (3) Business Days following preparation of the Impact Assessment; and/or
- (b) the Parties are unable to agree a change to the Cost Model that may be included in a request for a Variation or response to it as a consequence thereof,

the Authority may:

- (i) agree to continue this Contract without the Variation; and
- (ii) seek alternative methods for the provision of the proposed Variation (including, without limitation, approaching other potential suppliers and entering into separate contractual arrangements with a third party to deliver such requirements).

For the avoidance of doubt, the Supplier shall only be deemed to be acting reasonably for purposes of Clause 17.1.7 (a) if, following an Impact Assessment, the Supplier reasonably believes that any proposed Variation:

- (a) would materially and adversely affect the risks to the health and safety of any person;
- (b) would require the Services to be performed in a way that infringes any Law;
- (c) is technically impossible to implement provided that the Supplier can demonstrate to the Authority's reasonable satisfaction that: (i) this is the case; and (ii) no other part of this Contract states, warrants, represents or requires that the Supplier does have the technical capabilities required to implement the proposed Variation.

17.1.8 If the Parties agree the Variation in writing, the Supplier shall implement such Variation and be bound by the same provisions so far as is applicable, as though such Variation was stated in this Contract.

17.2 Legislative Change

17.2.1 Subject to Clauses 17.2.2 and 17.2.3, the Supplier shall neither be relieved of its obligations under this Contract nor, unless otherwise agreed between the Parties, be entitled to an increase in its Target Costs as the result of a change in Law (including, without limitation, a Specific Change in Law that was reasonably foreseeable as at the Commencement Date).

17.2.2 If a Specific Change in Law occurs or will occur during the Contract Period (other than one that was reasonably foreseeable as at the Commencement Date, as referred to in Clause 17.2.1), the Supplier shall:

- (a) notify the Authority as soon as reasonably practicable of the likely effects of that change including:

- (i) whether any Variation is required to the provision of the Services, the Supplier's Cost Model, or any other part of this Contract; and
 - (ii) whether any relief from compliance with the Supplier's obligations is required, including any obligation to Achieve an Implementation Milestone and/or to meet the Target Service Levels; and
- (b) provide to the Authority with evidence:
 - (i) why such Specific Change in Law could not have reasonably been foreseen by the Supplier as at the Commencement Date;
 - (ii) that the Supplier has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its Sub-Contractors;
 - (iii) as to how the Specific Change in Law has affected the cost of providing the Services; and
 - (iv) demonstrating any costs that have been avoided and/or minimised have been taken into account in relation to any proposed Variation to the Supplier's Cost Model.

17.2.3 Any change required to the provision of the Services, the Supplier's Cost Model or any other part of this Contract and/or any relief from the Supplier's obligations resulting from an unforeseeable (as at the Commencement Date) Specific Change in Law shall be implemented in accordance with the Variation Procedure.

E. PAYMENT, TAXATION AND VALUE FOR MONEY PROVISIONS

18. CONTRACT REMUNERATION AND PAYMENT

18.1 Contract Remuneration

- 18.1.1 In consideration of the Supplier carrying out its obligations under this Contract, including the provision of the Services, the Authority shall pay the undisputed Remuneration in accordance with the pricing and payment profile and the invoicing procedure in Schedule 3 (Remuneration, Payment and Invoicing).
- 18.1.2 Except as otherwise provided, each Party shall bear its own costs and expenses incurred in respect of compliance with its obligations under Clauses 16 (Records, Audit Access and Open Book Data), 28.5 (Freedom of information) and 28.6 (Protection of Personal Data).
- 18.1.3 If the Authority fails to pay any undisputed Remuneration properly invoiced under this Contract, the Supplier shall have the right to charge interest on the overdue amount at the applicable rate under the Late Payment of Commercial Debts (Interest) Act 1998, accruing on a daily basis from the due date up to the date of actual payment, whether before or after judgment. In relation to payments disputed in good faith, interest under this clause is payable only after the dispute is resolved, on sums

found or agreed to be due, from fourteen (14) calendar days after the dispute is resolved until payment.

18.2 Tax

18.2.1 The Remuneration is exclusive of VAT and any other taxes, levies, duties or similar governmental assessments, including use or withholding taxes, which shall be added at the prevailing rate as applicable and paid by the Authority following delivery of a Valid Invoice (unless the Authority provides the Supplier with a valid tax exemption certificate authorised by the Relevant Tax Authority).

18.2.2 The Supplier shall indemnify the Authority on a continuing basis against any liability, including any interest, penalties or costs incurred, which is levied, demanded or assessed on the Authority at any time (whether before or after the making of a demand pursuant to the indemnity hereunder) in respect of the Supplier's failure to account for or to pay any VAT and any other taxes, levies, duties or similar governmental assessments relating to payments made to the Supplier under this Contract. Any amounts due under Clause 18.2 (Tax) shall be paid in cleared funds by the Supplier to the Authority not less than five (5) Business Days before the date upon which the tax or other liability is payable by the Authority.

18.3 Retention and set off

18.3.1 The Authority may retain or set off any amount owed to it by the Supplier against any amount due to the Supplier under this Contract or under any other agreement between the Supplier and the Authority.

18.3.2 If the Authority wishes to exercise its right pursuant to Clause 18.3.1 it shall give notice to the Supplier within thirty (30) days of receipt of the relevant invoice, setting out the Authority's reasons for retaining or setting off the relevant amount. Such notice shall discharge the Authority's payment obligations in relation to the relevant amount pursuant to the relevant invoice and the relevant amount shall be deemed to have been paid by the Authority to the Supplier on the date of the relevant notice of retention or set-off given by the Authority to the Supplier in accordance with this Clause 18.3.2. For the avoidance of doubt, to the extent any invoice is paid by the Authority in this way by its due date (such due date to be determined in accordance with Clause 18.1.1 above), the Supplier shall not be entitled to charge interest on the relevant amount in accordance with Clause 18.1.3 above.

18.3.3 The Supplier shall make any payments due to the Authority without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Supplier has obtained a sealed court order requiring an amount equal to such deduction to be paid by the Authority to the Supplier.

18.4 Income tax and national insurance contributions

18.4.1 Where the Supplier or any Supplier Personnel are liable to be taxed in the UK or to pay national insurance contributions in respect of consideration received under this Contract, the Supplier:

- (a) shall, and shall procure that all Supplier Personnel shall, at all times comply with the Income Tax (Earnings and Pensions) Act 2003, IR35 and all other statutes, regulations, HM Revenue and Customs rules and policies relating to income tax, and the Social Security Contributions and Benefits Act 1992 and all other statutes, regulations and associated rules and guidance relating to national insurance contributions, in respect of that consideration; and
 - (b) shall indemnify the Authority against any income tax, national insurance and social security contributions and any other liability, deduction, contribution, assessment or related claim arising from or made (whether before or after the making of a demand pursuant to the indemnity hereunder) in connection with the provision of the Services by the Supplier or any Supplier Personnel.
- 18.4.2 In the event that any one of the Supplier Personnel is a Worker as defined in Schedule 1 (Definitions) who receives consideration relating to the Services, then, in addition to its obligations under Clause 18.4.1, the Supplier shall ensure that its contract with the Worker contains the following requirements:
 - (a) that the Authority may, at any time during the Contract Period, request that the Worker provides information which demonstrates how the Worker complies with the requirements of Clause 18.4.1, or why those requirements do not apply to it. In such case, the Authority may specify the information which the Worker must provide and the period within which that information must be provided;
 - (b) that the Worker's contract may be terminated at the Authority's request if:
 - (i) the Worker fails to provide the information requested by the Authority within the time specified by the Authority under Clause 18.4.2(a); and/or
 - (ii) the Worker provides information which the Authority considers is inadequate to demonstrate how the Worker complies with Clauses 18.4.1(a) or 18.4.1(b) or confirms that the Worker is not complying with those requirements; and
 - (c) that the Authority may supply any information it receives from the Worker to HMRC for the purpose of the collection and management of revenue for which they are responsible.

19. PROMOTING TAX COMPLIANCE

- 19.1 If, at any point during the Contract Period, an Occasion of Tax Non-Compliance occurs, the Supplier shall:
 - 19.1.1 notify the Authority in writing of such fact within five (5) Business Days of its occurrence; and
 - 19.1.2 promptly provide to the Authority:
 - (a) details of the steps that the Supplier is taking to address the Occasion of Tax Non-Compliance and to prevent the same from

recurring, together with any mitigating factors that it considers relevant; and

 - (iii) the steps which the Supplier proposes to take to rectify the Default (if applicable) and to prevent such Default from recurring, including timescales for such steps and for the rectification of the Default (where applicable).

32.2.2 The Supplier shall promptly provide to the Authority any further documentation, clarifications and/or amendments to the draft Rectification Plan that the Authority requires in order to: (i) assess the Supplier's root cause analysis; and/or (ii) approve the draft Rectification Plan. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined in accordance with Schedule 12 (Dispute Resolution Procedure). For the avoidance of doubt, an

Approval by the Authority of any Rectification Plan shall not relieve the Supplier of any continuing responsibility to achieve the Service Levels, or remedy any failure to do so, and no estoppels or waiver shall arise from any such Approval.

32.2.3 The Authority may chose not to Approve by rejecting the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

- (a) is insufficiently detailed to be capable of proper evaluation;
- (b) will take too long to complete;
- (c) will not prevent reoccurrence of the Default; and/or
- (d) will rectify the Default but in a manner which is unacceptable to the Authority.

32.2.4 The Authority shall notify the Supplier whether it Approves to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision.

32.2.5 If the Authority Approves the Rectification Plan, the Supplier shall implement the Rectification Plan.

Any failure by the Supplier to:

- 32.3.1 put forward a draft Rectification Plan in accordance with Clause 32.2.1(a);
- 32.3.2 obtain the Authority's Approval to such Rectification Plan in accordance with Clause 32.2.1(a);
- 32.3.3 comply with such Rectification Plan (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties as part of the Approved Rectification Plan); and/or
- 32.3.4 remedy the Default notwithstanding the implementation of such Rectification Plan in accordance with the timescales for implementation,

shall be deemed, for the purposes of Clause 35.1.1(d), a material Default of this Contract by the Supplier not remedied to the satisfaction of the Authority in accordance with the Rectification Plan Process.

32.4 Without prejudice to any other right or remedy of the Authority howsoever arising, where the Authority otherwise becomes entitled to the terminate this Contract in accordance with Clause 35.1.1(d), the Authority may by written notice:

- 32.4.1 suspend this Contract (whereupon the relevant provisions of Clause 38 (Partial Termination, Suspension and Partial Suspension) shall apply) and procure a third party to supply (in whole or in part) the Services pursuant to Clause 38.2; or
- 32.4.2 without terminating or suspending the whole of this Contract, terminate or suspend this Contract in respect of part of the provision of the Services only (whereupon the relevant provisions of Clause 38 (Partial Termination, Suspension and Partial Suspension) shall apply) and, in relation to any partial suspension, procure a third party to supply (in whole or in part) such Services pursuant to Clause 38.2.

32.5 Step-In rights

- 32.5.1 Without prejudice to any other right or remedy of the Authority howsoever arising, the Authority may exercise its step-in rights as set out in Schedule 17 (Step-In Rights).

33. SUPPLIER RELIEF DUE TO AUTHORITY CAUSE

33.1 If the Supplier has failed to:

- 33.1.1 achieve an Implementation Milestone by its Implementation Milestone Date;
- 33.1.2 provide the Services in accordance with the Service Levels; or
- 33.1.3 comply with its obligations under this Contract,

(each a “**Supplier Non-Performance**”),

and can demonstrate that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in Clause 13 (Supplier Notification of Authority Cause)):

- (a) the Supplier shall not be treated as being in breach of this Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;
- (b) the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance to terminate this Contract pursuant to Clause 35 (Authority Termination Rights) except Clause 35.7 (Termination without Cause);
- (c) where the Supplier Non-Performance constitutes the failure to Achieve an Implementation Milestone by its Implementation Milestone Date:
 - (i) the Implementation Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Authority Cause;
 - (ii) if the Authority, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Implementation Milestone Dates resulting from the Authority Cause; and/or
- (d) where the Supplier Non-Performance constitutes a Service Level Failure, the Supplier shall to the extent that the Supplier can demonstrate that the Service Level Failure was caused by the Authority Cause:
 - (i) be deemed to have met the relevant Service Level and associated Performance Criteria; and
 - (ii) the Supplier shall be entitled to invoice for the Remuneration for the provision of the relevant Services affected by the Authority Cause,

in each case, to the extent that the Supplier can demonstrate that the Service Level Failure was caused by the Authority Cause.

- 33.2 In order to claim any of the rights and/or relief referred to in Clause 33.1, the Supplier shall:
- 33.2.1 comply with its obligations under Clause 13 (Notification of Authority Cause); and
 - 33.2.2 within ten (10) Business Days of becoming aware that an Authority Cause has caused, or is likely to cause, a Supplier Non-Performance, give the Authority notice (a “**Relief Notice**”) setting out details of:
 - (a) the Supplier Non-Performance;
 - (b) the Authority Cause and its effect on the Supplier’s ability to meet its obligations under this Contract; and
 - (c) the relief claimed by the Supplier.
- 33.3 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier’s assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief, consulting with the Supplier where necessary.
- 33.4 Without prejudice to Clause 7.6 (Continuing obligation to provide the Services), if a Dispute arises as to:
- 33.4.1 whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or
 - 33.4.2 the nature and/or extent of the relief claimed by the Supplier,
- either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.
- 33.5 Any Variation that is required to the Implementation Plan or to the Remuneration pursuant to this Clause 33 shall be implemented in accordance with the Variation Procedure.

34. FORCE MAJEURE

- 34.1 Subject to the remainder of Clause 34 (and, in relation to the Supplier, subject to its compliance with any obligations in Clause 11 (Business Continuity and Disaster Recovery)), a Party may claim relief under Clause 34 from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier. For the avoidance of doubt and unless otherwise directed by the Authority, during a Force Majeure Event, the Supplier shall perform its obligations under the Contract to the fullest extent it is able to do so in order to minimise the impact of that Force Majeure Event on the performance of the Services to the fullest extent possible.
- 34.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the

obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.

34.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under Clause 34 to the extent that consequences of the relevant Force Majeure Event:

34.3.1 are capable of being mitigated by any of the provision of any Services including the BCDR Services, but the Supplier has failed to do so; and/or

34.3.2 should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract.

34.4 Subject to Clause 34.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.

34.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

34.6 Where, as a result of a Force Majeure Event:

34.6.1 an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:

(a) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure unless the provision of the Services is materially impacted by a Force Majeure Event which endures for a continuous period of more than ninety (90) days; and

(b) the Supplier shall not be liable for any Default and the Authority shall not be liable for any Authority Cause arising as a result of such failure;

34.6.2 the Supplier fails to perform its obligations in accordance with this Contract:

(a) the Authority shall not be entitled during the continuance of the Force Majeure Event to exercise its step-in rights under Clause 32.5 (Authority remedies for Default) and Schedule 17 (Step-in Rights) as a result of such failure; and

(b) the Supplier shall be entitled to receive payment of the Remuneration only to the extent that the Services (or part of the Services) continue to be provided in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.

34.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.

34.8 Relief from liability for the Affected Party under this Clause 34 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply

with its obligations under this Contract and shall not be dependent on the serving of notice under Clause 34.7.

K. TERMINATION AND EXIT MANAGEMENT

35. AUTHORITY TERMINATION RIGHTS

35.1 Termination on material Default

35.1.1 The Authority may terminate this Contract for material Default by issuing a Termination Notice to the Supplier where:

- (a) the Supplier commits a Critical Service Failure;
- (b) the representation and warranty given by the Supplier pursuant to Clause 3.2.5 (Representations and Warranties) is materially untrue or misleading and the Supplier fails to provide details of proposed mitigating factors which in the reasonable opinion of the Authority are acceptable;
- (c) the Supplier commits any material Default of this Contract which is not, in the reasonable opinion of the Authority, capable of remedy;
- (d) the Supplier commits a Default, including a material Default, which in the opinion of the Authority is remediable but the Supplier has not remedied such Default to the satisfaction of the Authority in accordance with the Rectification Plan Process; and/or
- (e) the Authority has received notice that the Supplier or any Sub-Contractor of the Supplier has, in the opinion of the Authority, NHS Pensions and/or the Minister for the Civil Service or the administrators of the CSP Schemes for the time being, failed in any material respect to comply with its obligations in relation to the NHS Pension Scheme (including those under any Direction Letter) and/or the CSP Schemes (including those under any Admission Agreement) as assumed pursuant to the provisions of the Annex to Schedule 11 (Pensions).

35.1.2 For the purpose of Clause 35.1.1, a material Default may be a single material Default or a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are remedied) which taken together constitute a material Default.

35.2 Termination in Relation to Financial Standing

35.2.1 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier where in the reasonable opinion of the Authority there is a material detrimental change in the financial standing and/or the credit rating of the Supplier which:

- (a) adversely impacts on the Supplier's ability to supply the Services under this Contract; or
- (b) could reasonably be expected to have an adverse impact on the Suppliers ability to supply the Services under this Contract.

35.3 Termination on Insolvency

- 35.3.1 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier where an Insolvency Event affecting the Supplier occurs.

35.4 Termination on Change of Control

- 35.4.1 The Supplier shall notify the Authority immediately in writing and as soon as the Supplier is aware (or ought reasonably to be aware) that it is anticipating, undergoing, undergoes or has undergone a Change of Control and provided such notification does not contravene any Law.

- 35.4.2 The Supplier shall ensure that any notification made pursuant to Clause 35.4.1 shall set out full details of the Change of Control including the circumstances suggesting and/or explaining the Change of Control.

- 35.4.3 The Authority may terminate this Contract under Clause 35.4 by issuing a Termination Notice to the Supplier within six (6) Months of:

- (a) being notified in writing that a Change of Control is anticipated or in contemplation or has occurred; or
- (b) where no notification has been made, the date that the Authority becomes aware that a Change of Control is anticipated or is in contemplation or has occurred,

but shall not be permitted to terminate where an Approval (such decision to approve shall not be unreasonably withheld or delayed) was granted prior to the Change of Control. For the avoidance of doubt, it shall be reasonable for the Authority to withhold an Approval relating to any Change of Control in circumstances where:

- (a) the Change of Control involves a Restricted Party;
- (b) is reasonably considered by the Authority as being incompatible with any Laws (applicable to the Supplier or the Authority); or
- (c) the Authority reasonably considers that such Change of Control would adversely impact on the Authority's supply chain risk profile in the areas or security or financial standing.

35.5 Termination for breach of Regulations

- 35.5.1 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier on the occurrence of any of the statutory provisos contained in Regulation 73 (1) (a) to (c).

35.6 Termination for multiple Defaults

- 35.6.1 The Authority may terminate this Contract by issuing a Termination Notice if the Supplier commits a Default of this Contract in circumstances where it has already been served with at least three (3) previous valid notices of Default within the last twelve (12) Months as a result of any previous Supplier Defaults (whether or not the Supplier has remedied such Defaults in accordance with a Rectification Plan).

35.7 Termination without cause

- 35.7.1 Subject to Clause 39.2, the Authority shall have the right to terminate this Contract at any time by issuing a Termination Notice to the Supplier giving at least three (3) Months' written notice.

35.8 Additional Authority termination rights

35.8.1 The Authority may also terminate this Contract pursuant to any other express termination rights provided as part of any of the provisions of this Contract.

36. SUPPLIER TERMINATION RIGHTS

36.1 Termination on Authority Cause for failure to pay

36.1.1 The Supplier may, by issuing a Termination Notice to the Authority, terminate this Contract if the Authority fails to pay an undisputed sum due to the Supplier under this Contract which in aggregate exceeds a sum in excess of one sixth ($\frac{1}{6}$) of the Supplier's Target Costs and such amount remains outstanding thirty (30) Business Days after the receipt by the Authority of a prior written notice of non-payment from the Supplier specifying:

- (a) the Authority's failure to pay; and
- (b) the correct overdue and undisputed sum; and
- (c) the reasons why the undisputed sum is due; and
- (d) the requirement on the Authority to remedy the failure to pay.

For the avoidance of doubt, a right of termination shall not apply where the failure to pay is due to the Authority exercising its rights under this Contract including Clause 18.3 (Retention and set off) or the sum is disputed by the Authority.

36.1.2 The Supplier shall not suspend the supply of the Services for failure of the Authority to pay disputed sums of money (whether in whole or in part).

37. TERMINATION BY EITHER PARTY

37.1 Termination for continuing Force Majeure Event

37.1.1 Either Party may, by issuing a Termination Notice to the other Party terminate this Contract if, in accordance with Clause 34.6.1(a) (Force Majeure).

38. PARTIAL TERMINATION, SUSPENSION AND PARTIAL SUSPENSION

38.1 Where the Authority has the right to terminate this Contract, the Authority shall be entitled, by giving notice to such effect, to terminate or suspend all or part of this Contract provided always that, if the Authority elects to terminate or suspend this Contract in part, the parts of this Contract not terminated or suspended can, in the Authority's reasonable opinion, operate effectively to deliver the intended purpose of the surviving parts of this Contract.

38.2 Any suspension of this Contract under Clause 38.1 shall be for such period as the Authority may specify and without prejudice to any right of termination which has already accrued, or subsequently accrues, to the Authority and, for the duration of such suspension, the Authority may procure a third party to supply (in whole or in part) the Services the subject of the suspension. Where the Authority exercises any such rights under this Clause 38.2, the Authority shall have the right to charge the Supplier for and the Supplier shall on demand pay any costs reasonably incurred by

the Authority (including any reasonable administration costs) in respect of the supply of any part of the Services by a third party and provided that the Authority uses its reasonable endeavours to mitigate any additional expenditure in obtaining Replacement Services.

38.3 The Parties shall seek to agree the effect of any Variation necessitated by a partial termination, suspension or partial suspension in accordance with the Variation Procedure, including the effect that the partial termination, suspension or partial suspension may have on the provision of any other Services and the Remuneration, provided that:

38.3.1 any adjustment to the Remuneration (if any) shall be calculated in accordance with the Cost Model and must be reasonable;

38.3.2 the Supplier shall not be entitled to:

- (a) an increase in the Remuneration in respect of the provision of the Services that have not been terminated if the partial termination arises due to the exercise of any of the Authority's termination rights under Clause 35 (Authority Termination Rights) except Clause 35.7 (Termination without cause); and
- (b) reject the Variation.

39. CONSEQUENCES OF EXPIRY OR TERMINATION

39.1 Consequences of termination under Clauses 35.1 (Termination on material Default) and 35.6 (Termination for multiple Defaults)

39.1.1 Without prejudice to any other right or remedy of the Authority (to include under this Contract or provided by Law) and subject to the Authority acting reasonably to mitigate such costs, where the Authority:

- (a) terminates (in whole or in part) this Contract under Clause 35.1 (Termination on material Default) and/or under Clause 35.6 (Termination for multiple Defaults); and
- (b) then makes other arrangements for the supply of the Services,

the Supplier shall in such circumstances, subject to the financial limits set out in Clause 30.2 (Financial limits), indemnify the Authority (whether before or after the making of a demand pursuant to the indemnity hereunder) in relation to the costs referred to in Clause 30.4.1(c) (Recoverable Losses), as may be incurred by the Authority for the remainder of what would have been the Initial Period or, if the Contract has been extended, the Extension Period, had the Contract not been terminated early in accordance with the one or more of the above Clauses.

39.2 Consequences of termination under Clauses 35.7 (Termination without cause) and 36.1 (Termination on Authority Cause for failure to pay)

39.2.1 Subject to Clause 39.2.2, where:

- (a) the Authority terminates (in whole or in part) this Contract under Clause 35.7 (Termination without cause), the Supplier may recover from the Authority any costs that it reasonably and properly incurs in winding down and concluding the provision of the Services; or
- (b) the Supplier terminates this Contract pursuant to Clause 36.1 (Termination on Authority Cause for failure to pay), the Authority

shall indemnify the Supplier against any reasonable and proven Losses which would otherwise represent an unavoidable loss by the Supplier by reason of the termination of this Contract,

in each case provided that the Supplier:

- (i) takes all reasonable steps to mitigate such costs or Losses; and
- (ii) submits to the Authority a fully itemised and costed list of such costs or Losses claimed together with supporting evidence as to expenditure and quantum of such costs and Losses (including such evidence as the Authority may require).

39.2.2 The Authority shall not be liable under Clause 39.2.1 to pay any sum which:

- (a) was claimable under insurance held by the Supplier, and the Supplier has failed to make a claim on its insurance, or has failed to make a claim in accordance with the procedural requirements of the insurance policy;
- (b) would have been claimable under insurance but for the Supplier's failure to comply with its obligation to insure under Clause 31 (Insurance); or
- (c) when added to any sums paid or due to the Supplier under this Contract, exceeds the total sum that would have been payable to the Supplier if this Contract had not been terminated.

39.3 Consequences of termination for other reasons: under Clause 37.1 (Termination for continuing Force Majeure Event)

39.3.1 The costs of termination incurred by the Parties shall lie where they fall if this Contract is terminated or partially terminated:

- (a) by either Party for a continuing Force Majeure Event pursuant to Clause 37.1 (Termination for continuing Force Majeure Event); or
- (b) by the Authority pursuant to:
 - (i) Clause 35.3 (Termination on Insolvency)
 - (ii) Clause 35.4 (Termination on Change of Control)

39.4 Consequences of termination or expiry for any reason

39.4.1 Save as otherwise expressly provided in this Contract:

- (a) termination or expiry of this Contract shall be without prejudice to any rights, remedies or obligations accrued under this Contract prior to termination or expiration and nothing in this Contract shall prejudice the right of either Party to recover any amount outstanding at the time of such termination or expiry; and
- (b) termination or expiry of this Contract shall not affect the continuing rights, remedies or obligations of the Authority or the Supplier under Clauses 16 (Records, Audit Access and Open Book Data), 27 (Intellectual Property Rights), 28.3 (Confidentiality), 28.5 (Freedom of information) 28.6 (Protection of Personal Data), 30 (Liability), 39 (Consequences of Expiry or Termination),

45 (Severance), 47 (Entire Agreement), 48 (Third Party Rights) 51 (Dispute Resolution) and 52 (Governing Law and Jurisdiction), and the provisions of Schedule 1 (Definitions), Schedule 3 (Remuneration, Payment and Invoicing), Schedule 10 (Exit Management), Schedule 11 (Staff Transfer), Schedule 12 (Dispute Resolution Procedure) and, without limitation to the foregoing, any other provision of this Contract which expressly or by implication is to be performed or observed notwithstanding termination or expiry shall survive the Expiry Date.

39.5.1 The Parties shall comply with the exit management provisions set out in Schedule 10 (Exit Management).

L. MISCELLANEOUS AND GOVERNING LAW

40. COMPLIANCE

- (b) the Authority's health and safety policy (as provided to the Supplier from time to time) whilst at the Authority Premises.

40.1.2 Each Party shall promptly notify the other of as soon as possible of any health and safety incidents or material health and safety hazards at the Authority Premises of which it becomes aware and which relate to or arise in connection with the performance of this Contract.

40.4 Environmental requirements

40.4.1 The Supplier shall, when working on the Sites, perform its obligations under this Contract in accordance with the Environmental Policy of the Authority.

40.4.2 The Authority shall provide a copy of its written Environmental Policy (if any) to the Supplier upon the Supplier's written request.

41. ASSIGNMENT AND NOVATION

41.1 Subject to Clause 41.2, neither the Supplier nor the Authority shall assign, novate, Sub-Contract or otherwise dispose of or create any trust in relation to any or all of its rights, obligations or liabilities under this Contract or any part of it without the prior written approval of the other Party.

41.2 The Authority may assign, novate or otherwise dispose of any or all of its rights, liabilities and obligations under this Contract or any part thereof to:

41.2.1 any other body established by the Crown or under statute in order substantially to perform any of the functions that had previously been performed by the Authority; or

41.2.2 any body (private sector or public sector) which takes over the responsibility for the operation of the Intelligent Client Co-Ordinator for the Department of Health's Future Operating Model Programme, as may be notified to the Supplier by the Authority from time to time; or

41.3 A change in the legal status of either the Authority or the Supplier shall not, subject to Clause 41.4, affect the validity of this Contract and this Contract shall be binding on any successor body to the Authority or the Supplier.

41.4 If the Authority assigns, novates or otherwise disposes of any of its rights, obligations or liabilities under this Contract to a private sector body in accordance with Clause 41.2.3 (the "**Transferee**" in the rest of this Clause) the right of termination of the Authority in Clause 35.3 (Termination on Insolvency) shall be available to the Supplier in the event of insolvency of the Transferee as if the references to Supplier in Clause 35.3 (Termination on Insolvency) and in the definition of Insolvency Event were references to the Transferee.

42. WAIVER AND CUMULATIVE REMEDIES

42.1 The rights and remedies under this Contract may be waived only by notice in accordance with Clause 50 (Notices) and in a manner that expressly states that a waiver is intended. A failure or delay by a Party in ascertaining or exercising a right or remedy provided under this Contract or by Law shall not constitute a waiver of

that right or remedy, nor shall it prevent or restrict the further exercise of that right or remedy.

- 42.2 Unless otherwise provided in this Contract, rights and remedies under this Contract are cumulative and do not exclude any rights or remedies provided by Law, in equity or otherwise.

43. RELATIONSHIP OF THE PARTIES

- 43.1 Except as expressly provided otherwise in this Contract, nothing in this Contract, nor any actions taken by the Parties pursuant to this Contract, shall create a partnership, joint venture or relationship of employer and employee or, except as provided in Schedule 15 (Agency Terms), principal and agent between the Parties, or authorise either Party to make representations or enter into any commitments for or on behalf of any other Party.

- 44.2 The Supplier shall not during the Contract Period:
- 44.2.1 commit a Prohibited Act; and/or

 - 44.3.3 if so required by the Authority, within twenty (20) Business Days of the Commencement Date, and annually thereafter, certify to the Authority in writing that the Supplier and all persons associated with it or its Sub-Contractors or other persons who are supplying the Services in connection with this Contract are compliant with the Relevant Requirements. The Supplier shall provide such supporting evidence of compliance as the Authority may reasonably request; and

- 44.6 If the Supplier breaches Clause 44.3, the Authority may:
 - 44.6.1 by notice require the Supplier to remove from performance of this Contract any Supplier Personnel whose acts or omissions have caused the Supplier's breach; or
 - 44.6.2 immediately terminate this Contract by issuing a Termination Notice.
- 44.7 Any notice served by the Authority under Clause 44.6 shall specify the nature of the Prohibited Act, the identity of the Party who the Authority believes has committed the Prohibited Act and the action that the Authority has elected to take (including, where relevant, the date on which this Contract shall terminate).
