SEL3.12	Cyber Essentials is mandatory for central government contracts advertised after 1 October 2014 which involve handling personal information and providing certain ICT products and services. It is mandatory for bidders to demonstrate that they meet the technical requirements prescribed by Cyber Essentials for those contracts featuring any of the characteristics set out below in bidders' guidance. Cyber Essentials is for all organisations, of all sizes, and in all sectors. This is not limited to companies in the private sector, but is also applicable to universities, charities, and public sector organisations. Further details are available at: https://www.cyberstreetwise.com/cyberessentials/
---------	---

Bidder guidance	Any of the following characteristics will necessitate the mandatory requirement for bidders to have an up to date Cyber Essentials Certificate: i) Where personal information of citizens, such as home addresses, bank details, or payment information is handled by a supplier. ii) Where personal information of Government employees, Ministers and Special Advisors such as payroll, travel booking or expenses information is handled by a supplier. iii) Where ICT systems and services are supplied which are designed to store, or process, data at the OFFICIAL level of the Government Protective Marking scheme. Bidders can answer Yes – the Cyber Essential Certificate is currently in place No – the Cyber Essential Certificate is not in place and we have no intention of having it in place for commencement of the contract Intend – the Cyber Essential Certificate is not in place and we intend to have it in place for commencement of the contract. A response of 'Yes' or 'Intend' will result in a pass and a response of 'No' will result in a fail against this question.

SEL3.13	General Data Protection Regulations (GDPR) The GDPR is mandatory requirement for all contracts or agreements both in the contracting authority and the private sectors that involves the transfer and processing of personal data and comes into force on the 25th May 2018. It is mandatory for bidders to demonstrate that they will be able to meet the technical requirements and obligations prescribed by the GDPR, even if the contract or agreement is concluded prior to it coming into force, so as the contract is future proofed and complies with all aspects with the GDPR, this is mutually beneficial to both parties and saves the Contracting Authority and the bidder the additional burden of amending the contract or agreement once the GDPR comes into force. All contracts or agreements that are awarded by the Contracting Authority (the data controller) shall contain terms and conditions that oblige the successful bidder and any bidder supply chain (data processor) to comply with the GDPR and indemnify the Contracting Authority (data controller).
----------------	--

	Further information and guidance relating to the GDPR is available from the Information Commissioners Office (ICO) at: https://ico.org.uk/
Bidder guidance	Bidders can answer Yes – We are able to demonstrate compliance as is required by the GDPR now No – We will not be compliant prior to any award and we have no intention of being compliant Intend – We are not compliant with the GDPR but we confirm that we will be compliant prior to commencement of the contract. A response of 'Yes' or 'Intend' will result in a pass and a response of 'No' will result in a fail against this question.

AW1.1	FORM OF BID I declare that to the best of my knowledge the answers submitted in this Mini Competition are correct. I understand that the information will be used in the process to assess my organisation's suitability to be invited to bid for the Contracting Authority's requirement and I am signing on behalf of my organisation. I understand that the Contracting Authority may reject this Mini Competition if there is a failure to answer all relevant questions fully or if I provide false/misleading information. I understand that the Government's transparency agenda requires that sourcing documents, including Mini Competition templates such as this, are published on a designated, publicly searchable web site, and, that the same applies to other sourcing documents issued by the Contracting Authority, including the Request for Quotation, and any contract entered into by the Contracting Authority with its preferred supplier once the procurement is complete. By submitting a response to this Mini Competition I agree that our participation may be made public. I understand that the answers given in this response will not be published on the web site (but may fall to be disclosed under Freedom of Information Act 2000 or Environmental Information Regulations 2004). By submitting a response to this Mini Competition I agree and accept the justification for the Contracting Authority's evaluation criteria. By submitting a response to this Mini Competition I agreed and accept that the Contracting Authority reserves the right to change without notice the procedure for awarding the Contract, to reject any or all bids for the Contract, to stop the process and not award the Contract (in whole or in part) at any time without any liability on its part. By submitting a response to this Mini Competition I agree and accept that nothing in this process is intended to form any express
-------	--

	or implied contractual relationship between the Parties unless and until a Contract is awarded. The Contracting Authority is not liable for any costs resulting from cancellation of this process nor any costs incurred by Bidders taking part in this procurement process. I understand that where sourcing documents issued by the Contracting Authority or contracts with its suppliers fail to be disclosed the Contracting Authority will redact them as it thinks necessary, having regard (inter alia) to the exemptions/exceptions in the FOIA or EIR.
