- (ii) the relevant Sub-Contractor or its Affiliates embarrassed the Authority or otherwise brought the Authority into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Authority, regardless of whether or not such act or omission is related to the Sub-Contractor's obligations in relation to the Services or otherwise; and/or

4. EFFICIENCY TRACKING PERFORMANCE MEASURES

- 4.1 The Supplier shall cooperate in good faith with the Authority to develop efficiency tracking performance measures for this Framework Agreement. This shall include but is not limited to:
- 4.1.1 tracking reductions in product volumes and product costs, in order to demonstrate that Contracting Authorities are consuming less and buying more smartly;
 - 4.1.2 developing additional KPIs to ensure that the Framework Agreement supports the emerging target operating model across central government (particularly in line with centralised sourcing and category management, procurement delivery centres and payment processing systems and shared service centres).
- 4.2 The list in paragraph 4.1 is not exhaustive and may be developed during the Framework Period.

- 5.2 In cases where the Authority Representative and the Supplier Representative fail to reach a solution within a reasonable period of time, the matter shall be dealt with in accordance with the procedure set out in Clause 48 (Dispute Resolution).

FRAMEWORK SCHEDULE 9: MANAGEMENT INFORMATION

- 2.2 The Authority may from time to time make changes to the MI Reporting Template including to the data required or format of the report and issue a replacement version of the MI Reporting Template to the Supplier. The Authority shall give notice in writing of any such change to the MI Reporting Template and shall specify the date from which the replacement MI Reporting Template must be used for future MI Reports which date shall be at least thirty (30) calendar days following the date of the notice.
- 2.3 If the MI Reporting Template is amended by the Authority at any time, then the Supplier agrees to provide all future MI Reports in accordance with the most recent MI Reporting Template issued by the Authority.
- 2.4 The Authority may provide the Supplier with supplemental guidance for completing the MI Reporting Template or submitting MI Reports from time to time which may for example indicate which fields are mandatory and which are optional. The Supplier agrees to complete the Monthly MI Report in accordance with any such guidance.
- 2.5 The Supplier may not make any amendment to the current MI Reporting Template without the prior Approval of the Authority.
- 2.6 The Authority shall have the right from time to time (on reasonable written notice) to amend the nature of the Management Information which the Supplier is required to supply to the Authority.

3. FREQUENCY AND COVERAGE

- 3.1 All MI Reports must be completed by the Supplier using the MI Reporting Template and returned to the Authority on or prior to the Reporting Date every Month during the Framework Period and thereafter, until all transactions relating to Call Off Agreements have permanently ceased.
- 3.2 The MI Report should be used (among other things) to report Orders received and transactions occurring during the Month to which the MI Report relates, regardless of when the work was actually completed. For example, if an invoice is raised for October but the work was actually completed in September, the Supplier must report the invoice in October's MI Report and not September's. Each Order received by the Supplier must be reported only once when the Order is received.

- 3.3 The Supplier must return the MI Report for each Month even where there are no transactions to report in the relevant Month (a "**Nil Return**").
- 3.4 The Supplier must inform the Authority of any errors or corrections to the Management Information:

The Supplier agrees to comply with any such instructions provided they do not materially increase the burden on the Supplier.

5. DEFECTIVE MANAGEMENT INFORMATION

- 5.1 The Supplier acknowledges that it is essential that the Authority receives timely and accurate Management Information pursuant to this Framework Agreement because Management Information is used by the Authority to inform strategic decision making and allows it to calculate the Management Charge.
- 5.2 Following an MI Failure the Authority may issue reminders to the Supplier or require the Supplier to rectify defects in the MI Report provided to the Authority. The Supplier shall rectify any deficient or incomplete MI Report as soon as possible and not more than five (5) Working Days following receipt of any such reminder.

Meetings

- 5.3 The Supplier agrees to attend meetings between the Parties in person to discuss the circumstances of any MI Failure(s) at the request of the Authority (without prejudice to any other rights the Authority may have). If the Authority requests such a meeting the Supplier shall propose measures to ensure that the MI Failures are rectified and do not occur in the future. The Parties shall document these measures and continue to monitor the Supplier's performance.

Admin Fees

- 5.4 If, in any rolling three (3) Month period, two (2) or more MI Failures occur, the Supplier acknowledges and agrees that the Authority shall have the right to invoice the Supplier Admin Fees and (subject to paragraph 5.5) in respect of any MI Failures as they arise in subsequent Months.
- 5.5 If, following activation of the Authority's right to charge Admin Fee(s) in respect of MI Failures pursuant to paragraph 5.4, the Supplier submits the Monthly MI Report for two (2) consecutive Months and no MI Failure occurs then the right to charge the Admin Fee(s) shall lapse. For the avoidance of doubt the Authority shall not be prevented from exercising such right again during the Framework Period if the conditions in paragraph 5.4 are met.

- 5.6 The Supplier acknowledges and agrees that the Admin Fees are a fair reflection of the additional costs incurred by the Authority as a result of the Supplier failing to supply Management Information as required by this Framework Agreement.
- 5.7 The Authority shall notify the Supplier if any Admin Fees arise pursuant to paragraph 5.4 above and shall be entitled to invoice the Supplier for such Admin Fees which shall be payable in accordance with Clause 20 (Management Charge) as a supplement to the Management Charge. 6. DEFAULT MANAGEMENT CHARGE

- 6.1 If:
- 6.1.1 Two (2) MI Failures occur in any rolling six (6) Month period;
 - 6.1.2 Two (2) consecutive MI Failures occur;
- then a "MI Default" shall be deemed to have occurred.
- 6.2 If an MI Default occurs the Authority shall (without prejudice to any other rights or remedies available to it under this Framework Agreement) be entitled to determine the level of Management Charge in accordance with paragraph 6.3, which the Supplier shall be required to pay to the Authority ("**Default Management Charge**") and/or to terminate this Framework Agreement.
- 6.3 The Default Management Charge shall be calculated as the higher of:
- 6.3.1 the average Management Charge paid or payable by the Supplier to the Authority based on any Management Information submitted in the six (6) Month period preceding the date on which the MI Default occurred or, if the MI Default occurred within less than six (6) Months from the commencement date of the first Call Off Agreement, in the whole period preceding the date on which the MI Default occurred; or
 - 6.3.2 the sum of five hundred pounds (£500).
- 6.4 If an MI Default occurs, the Authority shall be entitled to invoice the Supplier the Default Management Charge (less any Management Charge which the Supplier has already paid to the Authority in accordance with Clause 20 for any Months in which the Default Management Charge is payable) calculated in accordance with paragraph 6.3 above:
- 6.4.1 in arrears for those Months in which an MI Failure occurred; and
 - 6.4.2 on an ongoing Monthly basis,
- until all and any MI Failures have been rectified to the reasonable satisfaction of the Authority.
- 6.5 For the avoidance of doubt the Parties agree that:
- 6.5.1 the Default Management Charge shall be payable as though it was the Management Charge due in accordance with the provisions of Clause 20 of this Framework Agreement; and
 - 6.5.2 any rights or remedies available to Authority under this Framework Agreement in respect of the payment of the Management Charge

shall be available to the Authority also in respect of the payment of the Default Management Charge.

- 6.6 If the Supplier provides sufficient Management Information to rectify any MI Failures to the satisfaction of the Authority and the Management Information demonstrates that:
- 6.6.1 the Supplier has overpaid the Management Charges as a result of the application of the Default Management Charge then the Supplier shall be entitled to a refund of the overpayment, net of any Admin Fees where applicable; or
 - 6.6.2 the Supplier has underpaid the Management Charges during the period when a Default Management Charge was applied, then the Authority shall be entitled to immediate payment of the balance as a debt together with interest pursuant to Clause 20 (Management Charge).
