- F4.1** Except where clauses F4.5 and F4.6 both apply, the Contractor shall not transfer, novate, charge, assign, sub-contract or in any other way dispose of the Contract or any part of it without Approval. All such documents shall be evidenced in writing and shown to the Authority on request. Sub-contracting any part of the Contract shall not relieve the Contractor of any of its obligations or duties under the Contract.
- F4.2** The Contractor shall be responsible for the acts and/or omissions of its Sub-Contractors as though they are its own. If it is appropriate, the Contractor shall provide each Sub-Contractor with a copy of the Contract and obtain written confirmation from them that they will provide the Goods and/or Services fully in accordance with the Contract.

F4.11 If the rights and obligations under the Contract are assigned, novated or otherwise disposed of pursuant to clause F4.9 to a body which is not a Contracting Authority or if there is a change in the legal status of the Authority such that it ceases to be a Contracting Authority (in the remainder of this clause both such bodies being referred to as the "Transferee"):

F4.12 The Authority may disclose to any Transferee any Confidential Information of the Contractor which relates to the performance of the Contractor's obligations under the Contract. In such circumstances the Authority shall authorise the Transferee to use such Confidential Information

only for purposes relating to the performance of the Contractor's obligations under the Contract and for no other purpose and shall take all reasonable steps to ensure that the Transferee gives a confidentiality undertaking in relation to such Confidential Information.

F4.13 Each Party shall at its own cost and expense carry out, or use all reasonable endeavours to ensure the carrying out of, whatever further actions (including the execution of further documents) the other Party reasonably requires from time to time for the purpose of giving that other Party the full benefit of the provisions of the Contract.

F4.14 The Authority shall be entitled to novate the Contract to any other body which substantially performs any of the functions that previously had been performed by the Authority.

F4.15 Provided that the Authority has given prior written consent, the Supplier shall be entitled to novate the Contract where:

## **F5 Waiver**

F5.1 The failure of either Party to insist upon strict performance of any provision of the Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Contract.

F5.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with clause A4 (Notices and Communications).

F5.3 A waiver of any right or remedy arising from a breach of the Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Contract.

## **F6 Variation**

F6.1 If, after the Commencement Date, the Authority's requirements change, the Authority may request a Variation subject to the terms of this clause F6.

F6.2 The Authority may request a Variation by notifying the Contractor in writing of the Variation and giving the Contractor sufficient information to assess the extent of the Variation and consider whether any change to the Price is required in order to implement the Variation within a reasonable time limit specified by the Authority. If the Contractor accepts the Variation it shall confirm it in writing.

F6.3 If the Contractor is unable to accept the Variation or where the Parties are unable to agree a change to the Price, the Authority may:

- (a) Allow the Contractor to fulfil its obligations under the Contract without the Variation to the Specification; or

If a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution procedure detailed in clause I2 (Dispute Resolution).

F6.4 Any Variation will not take effect unless recorded in a Change of Control Notice as attached hereto in Schedule 4 and approved in writing by the Authority.

F6.5 The provisions of clause F6.4 may be varied in an emergency if it is not practicable to obtain the Authorised Representative's approval within the time necessary to make the Variation in order to address the emergency. In an emergency, Variations may be approved by a different representative of the Authority. However, the Authorised Representative shall have the right to review such a Variation and require a Change of Control Notice to be entered into on a retrospective basis which may itself vary the emergency Variation.

## **F7 Severability**

F7.1 If any provision of the Contract which is not of a fundamental nature is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions of the Contract shall continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

## **F8 Remedies Cumulative**

F8.1 Except as expressly provided in the Contract all remedies available to either Party for breach of the Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

## **F9 Entire Agreement**

F9.1 The Contract constitutes the entire agreement between the Parties in respect of the matters dealt with therein. The Contract supersedes all prior negotiations between the Parties and all representations and undertakings made by one Party to the other, whether written or oral, except that this clause shall not exclude liability in respect of any fraudulent misrepresentation.

F9.2. In the event of, and only to the extent of, any conflict between the clauses of the Contract, any document referred to in those clauses and Schedules, the conflict shall be resolved in accordance with the following order of precedence:

Again the geographic split closely mirrors that of the UK as a whole. The partnership will deliver the objectives outlined by CQC in the following ways: engaging directly with the communities through native discussions on topics around care; tightly targeted display (which can use comments from the communities) towards user groups on Mumsnet of women who are pregnant or trying to conceive and/or have children under 3 years and on Gransnet by directly targeting our Health content and forums. It will also be achieved via a Q &amp; A on mumsnet with a CQC expert answering their questions and concerns. And insights will be gained from an offline survey from which we will create an infographic of results. Each of the Native discussions and the Q &amp; A will be promoted across the Mumsnet and Gransnet social channels of Face book and Twitter. Mument currently has 174K followers on FB and 140K on Twitter. Gransnet has 15K followers on FB and 17.5K on Twitter. The activity will be evaluated by the project Management team on an ongoing basis and we will feed back to CQC on a monthly basis (or more frequently if required) on how all elements are performing against benchmarks and will recommend and implement additional promotions if necessary.<i>lease insert your response here]</i></p>
