 - 9.5.3 promptly notify the Authority in the event that it undergoes a Change of Control.
- 9.6 Where this Framework Agreement places an obligation on the Provider to do, or refrain from doing, any act or thing, this will also mean that the Provider shall use reasonable endeavours to procure that all Sub-Contractors and Staff also do, or refrain from doing, such act or thing.
- 9.7 The Provider shall develop and maintain a disaster recovery plan in accordance with Schedule 8 for use in the case of a disaster or other event (or combination of events) that might result in the loss or partial loss of availability of Services and shall, in the case of a disaster arising, implement that plan in accordance with Schedule 8.

- 10.2 The Provider shall, during the Term of this Framework Agreement:

The Provider will use its best endeavours to recover such Confidential Information or data however it may be recorded. This obligation is in addition to the Provider's obligations under clauses 16.1 to 16.5. The Provider will co-operate with the Authority in any investigation that the Authority considers necessary to undertake as a result of any breach of security in relation to Confidential Information or data.

PERFORMANCE MANAGEMENT FRAMEWORK (INCLUDING KEY PERFORMANCE INDICATORS)

PERFORMANCE MANAGEMENT FRAMEWORK AGREEMENT (including Key Performance Indicators)

1 Performance Management

- 1.1 As part of the Authority's continuous drive to improve the performance of all contracts, this Performance Management Framework will be used to monitor, measure and control all aspects of the Provider's performance of contract responsibilities under the Call-Off Contract.
- 1.2 The purpose of this Performance Management Framework is to set out the obligations on the Provider, to outline how the Provider's performance will be evaluated and to detail the sanctions for performance failure. The Provider is responsible for the performance of any sub-contractors.
- 1.3 Key Performance Indicators (KPIs) are essential to align Provider performance with the requirements of the Contracting Body and to do so in a fair and practical way. KPIs must be realistic, achievable, and set to indicate where the service is failing if they are not achieved. Without the additional use of service credits, failure to meet KPIs will strain the relationship as delivery falls short of agreed performance standards. As a result, the only recourse would be to terminate the contract and seek an alternative Provider.
- 1.4 The use of a strong service credit regime accompanied by a proactive approach to correcting failures and addressing their cause improves the relationship and enables a partnership rather than a confrontational style of working. Its focus is on managing and improving service. It is not about taking cost out of the service.
- 1.5 KPIs are set out at Table A below. They will be monitored on a monthly, quarterly or annual basis as appropriate to the service and will form part of the contract performance review.
- 1.6 The Authority will be entitled to refine, vary or modify the KPIs, performance standards and service credits from time to time during the Contract Period through a variation to be agreed with the Provider using a Contract Change Note (CCN).
- 1.7 Where a KPI has a percentage measure, the Provider's performance will be rounded to the nearest whole number.

- 1.8 The Authority will produce a monthly and quarterly Performance Management report, to be sent to the Provider, detailing the Provider's performance against KPIs.
- 1.9 The Provider will maintain their own management reports, including Issues Log, which will include detail on periodic checks to ensure quality.
- 1.10 Any performance issues highlighted in the monthly reports will be addressed by the Provider, who will be required to provide an improvement plan to address all issues highlighted within a week of receipt of the report. Monthly performance management reports and KPI performance will be a key feature of Quarterly Contract Review meetings.
- 1.11 Where performance failure attributable to the Provider is identified in the Performance Management report and relates to the KPIs then the service credit regime may apply, at the sole discretion of the Authority.

2 Service Credits

- 2.1 The use of service credits is governed by the following principles:
- 2.2 Service credits sit within the wider service management approach being pursued by the Provider and the Contracting Body. Use of service credits does not preclude any other remedy for failure of performance available to the Contracting Body under the terms and conditions of the Call-Off Contract.
- 2.3 The service credit regime will be instigated on each occasion when there is a service failure (i.e. where a KPI is identified as having a 'Red status') within the performance monitoring period. Failure to meet a KPI may also give rise to a remediation plan.
 - KPIs with a service credit rating of 0 will have no associated service credit
 - KPIs with a service credit rating of 1 will have a service credit of 3% of the invoice amount for the monitoring period (the applicable quarterly period), applied for each KPI failure
 - KPIs with a service credit rating of 2 will have a service credit of 5% of the invoice amount for the monitoring period (the applicable quarterly period), applied for each KPI failure
 - The maximum annual service credit to be applied will be no more than 10% of the total annual contract value per Lot per Provider.
- 2.4 The Provider will provide the Authority with the information listed in the Specification and such other supporting information as the Authority may reasonably request in order to determine the proper application of any service credits due.
- 2.5 For services where the Provider is paid by the Authority, service credits will be paid to the Authority as a credit note to the next invoice.

- 2.6 For services where the Provider recovers costs directly, service credits will be paid to individual users of the service as a credit note to their next invoice. The Provider will propose how the service credit amounts will be applied to each user of the service.
- 2.7 The full, agreed service credit regime will operate from the initial delivery date until the end of the Contract Period. At the end of the first complete performance monitoring period, the Authority and the Provider will enter into good faith discussions to review the KPIs and assess their effectiveness. The KPIs may be adjusted to ensure that they are appropriate and achievable.

1.9 **Emergency Kill Rate** (applicable to Lot 1 only)

An additional price charged per animal for all species killed from an Order received for processing the same Working Day or out of Working Hours, including all costs associated therewith, provision of all facilities, disposal of normal waste from the kill, and all associated administrative costs.

This rate will be chargeable in addition to the **Kill Rate specified at Table 2.**

1.10 **(Loaded and Unloaded) Mileage Rates** (applicable to Lots 1 and 2)

The (loaded and unloaded) Mileage Rates will be the prices charged per mile

travelled as specified in the Order Form. They are to include, but not be limited to, the costs of the driver, driver's mate, all fuels, insurance, tolls, ferries and vehicle servicing costs as appropriate.

The length of the journey and total Mileage Rates payable will be calculated by the Contracting Body using a route planning tool (see Selection Methodology at Section 10 of the Specification of Requirement).

The Contracting Body will not accept any additional charges associated with the transportation of animals that are not included in the tendered Mileage Rates. Where restricted access to Notified Premises on which animals are located results in a number of smaller vehicles being required for the same pick up, the Provider shall seek written approval from the Contracting Body for multiple Mileage Rates to be chargeable for each vehicle used. An email may constitute written approval.

If the Provider uses multiple vehicles for collection of animals for their own convenience, the Contracting Body will not be liable to pay multiple Mileage Rates. Only Orders for which there is a recognisable need for multiple vehicles to be used will be granted the Authority's approval for multiple Mileage Rates to be chargeable.

For the avoidance of doubt, if the Provider sub-contracts any haulage activity, the location of the Provider's Base Location for that Region will be used in the calculation of all mileage. Any additional mileage between the Provider's Base Location and those of the sub-contractor shall not be chargeable to the Contracting Body.

Where multiple pick-ups of Carcases occur, the Loaded Mileage Rate shall be based on the total number of carcases carried after the final collection. Payment

made by the Contracting Body shall be for the journey from the first Notified Premises via other Notified Premises to the final drop-off location.

The Provider should endeavour to carry out multiple pick-ups using the lowest practical mileage.

1.11 Standard PME Rate (applicable to Lot 1 only)

This rate is only applicable to Service C within Lot 1. It covers the price(s) charged per PME facility for when the facility is required and will include all costs associated with the service provision. This includes the time for preparation of the Carcase by the Provider and use of the PME facility whilst the Contracting Body veterinarian is carrying out the PME. It does not include the time when the Carcase is left waiting for either preparation to begin, or for the PME to start once preparation has been completed.

The Hourly Rate is the price charged per one (1) hour, within the hours of 06:00 to 20:00 Monday to Sunday.

The Half Day Rate is the price charged for four (4) hours, within the hours of 06:00 to 20:00 Monday to Sunday. The half day rate will apply for the first four (4) hours that the facility is required and any additional hours will then be applied at the Hourly Rate. However, where the total number of hours spent results in the cost exceeding the Day Rate, the Day Rate shall apply.

The Day rate is the price charged for eight (8) or more hours, within the hours of 06:00 to 20:00 Monday to Sunday.

1.12 Extended PME Rate (applicable to Lot 1 only)

This rate is only applicable to Service D within Lot 1. It covers the price charged per animal when an extended post mortem is required and includes all costs associated with the service provision.

1.13 Hourly Rate and Day Rate (applicable to Lots 3 and 4 only)

The Hourly rate is the price charged per one (1) hour, within the hours of 06:00 to 20:00 Monday to Sunday. Where the total number of hours spent results in the cost exceeding the Day Rate, the Day Rate shall apply.

The Day rate is the price charged for one (1) day, whereby a day is considered for this Contract as a period of ten (10) hours, within the hours of 06:00 to 20:00 Monday to Sunday.

The Hourly Rate and Day Rate will only be chargeable from the time that the Provider arrives at the first location, up until the Provider leaves the final location.

The Hourly Rate and Day Rate will be the amount charged per Slaughterman required for Lot 3 and 4 Services.

Prices include all of the direct delivery costs including any ammunition or equipment, travel and subsistence and any other additional costs.

1.15 **Quarantine Fee (applicable to Lots 3 and 4 only)**

In an Outbreak or Incident, anybody entering an AP may be subject to a 'quarantine' period after the provision of the Services, meaning that they may not be allowed to have contact with susceptible live animals for a specified number of hours after entering an AP.

If the Provider's staff member has normal day to day employment obligations requiring direct contact with live susceptible animals, and the required quarantine

period (72/96 hours dependent on the disease and provision of suitable evidence by the Provider to confirm the impact of the quarantine on the staff member's normal obligations) prevents them from performing other usual work/tasks relating to their employment, a Quarantine Fee may be paid by the Authority or any other Contracting Body to the Provider for the required period of quarantine (subject to the type of disease).

The Quarantine Fee is calculated as 70% of a 10 hour day, up to a maximum of 4 days (28 hours).

FRAMEWORK AGREEMENT SCHEDULE 4

CALL-OFF PROCEDURE

GENERAL

1. This Schedule sets out the Selection Methodology that will be used to determine which Framework Provider(s) who have been appointed as potential providers of Services under the Framework Agreement will provide the Services in respect of a particular Call-Off Contract and the procedure for placing Orders.
2. The Selection Methodology used to determine which Framework Provider(s) will provide Services is:
 - 2.1. where Services fall within Lots 1 or 2, the Selection Methodology specified at paragraph 6 of this Schedule; and
 - 2.2. where Services fall within Lots 3 or 4, the Selection Methodology specified at paragraph 7 of this Schedule.
3. The procedure for placing Orders is:
 - 3.1. where Services fall within Lot 1, the order procedure specified at paragraph 8 of this Schedule;
 - 3.2. where Services fall within Lot 2, the order procedure specified at paragraph 9 of this Schedule;
 - 3.3. where Services fall within Lots 3 or 4, the order procedure specified at paragraph 10 of this Schedule.
4. The Authority or Contracting Body will be entitled to award a Call-Off Contract to one or more Framework Provider(s) to provide the Services which the Authority or Contracting Body requires.
5. The Authority and any other Contracting Body may place orders for Services in Lots 1, 3 and 4. Orders for Lot 2 Services (Carcase Collection Services) may only be placed by the Authority (or APHA acting for the Authority).

6. Selection Methodology for Lots 1 and 2

- 6.1. For Lots 1 and 2, where multiple Providers are appointed to the same Lot for a Geographical Region, the following selection methodology will be used to determine which Provider an Order is allocated to :
 - 6.1.1. For all Orders, the Contracting Body will identify the Notified Premises and its corresponding County Parish Holding (CPH) number if applicable. The

Contracting Body will also identify the Provider's approved Base Location for the relevant Geographical Region in which the Notified Premises is located.

- 6.1.2. Any distances required to allocate the Order will be taken from the centre point of the relevant CPH, any further locations as applicable and the location of each Provider's Base Location, and determined by shortest distance possible for the type of vehicle likely to be used for the collection of the particular species of animals. The Contracting Body reserves the right to vary the route planning tool it uses to determine distances from time to time as it sees fit
- 6.1.3. If a Provider has multiple approved Base Locations in the Region, then a calculation will be made for each applicable location, including any nominated and approved Sub Contractors.
- 6.1.4. A Contract Price for the Order will be calculated based on the Provider's applicable Mileage Rate, Kill Rate and PME rate (calculated using the prices submitted in the Pricing Schedule and as may be amended from time to time in accordance with the provisions of Schedule 3).
- 6.1.5. Orders will be allocated to the Provider that offers the Contracting Body the lowest Contract Price based on the calculation made.
- 6.1.6. Orders that contain multiple species will be allocated to the Provider that offers the Contracting Body the lowest Contract Price for the Order as a whole (i.e. all species within that specific Order for one farm), to enable all species to be dealt with under one Order and by one Provider.
- 6.1.7. Orders will then be processed for Lot 1 as per paragraphs 5.10 to 5.13 of the Specification of Requirements and for Lot 2 as per paragraph 6.14 of the Specification of Requirements.
- 6.1.8. In cases where the Provider with the lowest Contract Price does not have sufficient capacity to accept an Order, the Contracting Body will allocate to the next lowest Provider until an available Contractor is confirmed.
- 6.1.9. In cases where none of the Providers approved for the relevant Geographical Region have sufficient capacity to accept the Order, the Contracting Body reserves the right to allocate the Order to a Contractor approved for a neighbouring Geographical Region to ensure robust disease control and surveillance measures are maintained.

7. Selection Methodology for Lots 3 and 4

7.1 For Lots 3 and 4 only, the following Selection Methodology will apply.

7.2 The Contracting Body will apply the mechanisms detailed below (Mini-Competition or Direct Award), taking into account the type, nature and extent of the Outbreak or Incident.

7.2 There is no obligation on Contractors to respond to every Mini-Competition/Direct Award enquiry but the Authority reserves the right to remove a Contractor (a) from the Framework or (b) from appointment to a particular Geographical Region in the event that a Contractor respectively either consistently fails to deliver in line with the Framework Agreement response timeframes for responding to a Mini-Competition as specified at the point of Call-Off and/or repeatedly fails to demonstrate a capability to meet the requirements of the Framework Agreement.

7.3 The total Contract Period (including any extension) of any Call-Off Contract shall not exceed two years without the prior Approval of the Authority. Call-Off Contracts may include the provision of Services for one or more Contracting Bodies.

7.4 Mini-Competition

7.5 When a Contracting Body has a requirement for Lot 3 or 4 Services through the Framework Agreement a Call-Off Contract will be awarded via a Mini-Competition, save that in the case of an Incident or Outbreak the Contracting Body reserves the right to make a direct award in accordance with paragraph 7.15. A Mini-Competition will re-open competition to all Providers under the Framework Agreement in the relevant Lot and Geographical Region.

7.6 The Contracting Body will have the discretion, subject to the value, complexity or risk associated with the requirement, to procure the Services via a Mini-Competition either by issuing a Request for Quote (RFQ) or an Invitation to Tender (ITT) to all Providers who are capable of providing the proposed Services. As a guide complex, high value, repetitive, non-urgent and/or longer term requirements are likely to be issued in the form of an ITT; less complex, low value, single use and/or short term requirements are likely to be issued in the form of an RFQ.

7.7 Use of the Mini-Competition Procedure does not mean that the Specification of Requirements set out for this Framework Agreement can be changed, although a more precise statement of the requirements may be made in the Order Form (Annex 4 to the Specification of Requirements).

To award a Call-Off Contract via the Mini-Competition:

1. The Authority will identify the relevant Lot and Geographic Region, based on the type of Services required and location of the premises where those Services are required.

2. The Authority will shortlist all Providers within the Lot and Geographical Region who have the relevant capability (i.e., capability according to the species they can provide Services for). Capability will be assessed based on information provided in the Response.
 3. The Authority will issue an invitation (in the form of an ITT or RFQ) to take part to all shortlisted Providers either via Bravo, the Authority's e-tendering system or by email where the Contracting Body does not have access to an e-tendering system;
 4. The invitation to take part will specify a fixed time limit for submission of proposals. Such time limit shall be of sufficient duration to allow proposals to be submitted, taking into account factors such as the complexity of the Contracting Body's requirements and the time needed to compile and submit a proposal;
 5. The invitation will seek proposals for fulfilling the requirement, including for example:
 - i. costs to meet the specific requirements
 - ii. particular delivery timescales
 - iii. key personnel
 - iv. particular payment profiles
 - v. particular associated services (e.g. training)
 6. The invitation will also contain a copy of the draft Order Form (Annex 4 of the Specification of Requirements), completed with details of the required Services and other details of the proposed resultant Call-Off Contract completed as far as possible and indicating where information from the winning Provider's proposal will be needed as an input to complete the Order Form which will then be issued to the successful Provider.
- 7.8 When invited by the Contracting Body the Providers will, via the Bravo system or by email, either submit a written proposal or decline the invitation to take part in the re-opening of competition.
- 7.9 The Contracting Body reserves the right to discuss its outline scope of services simultaneously with all Providers and if necessary make modifications in its sole discretion to any outline scope of services before it issues its written ITT or RFQ for Call-Off Contracts.
- 7.10 All technical questions included as part of an ITT or RFQ will be of a nature to those contained within the Framework Agreement ITT, but more specific to the Contracting Body's requirements.
- 7.11 The Contracting Body will evaluate all the responses submitted for each specific Mini-Competition to determine which response is the most economically advantageous. Evaluation will be based on technical expertise and price.

Technical expertise will form 50-70% of the total score. Price will form 30-50% of the total score.

- 7.12 In evaluating price, the maximum score will be awarded to the cheapest price submitted by a Tenderer. The remaining Tenderers will receive marks on a pro rata basis from the cheapest to the most expensive price.

For example, if the weighting was 30% then the calculation used would be as follows:

Score = Lowest Tender Price/ Tenderer's Tender Price x 30% (Maximum available marks)

For example, if three Tenders are received and Tenderer A has quoted £3,000 as their total price, Tenderer B has quoted £5,000 and Tenderer C has quoted £6,000 then the calculation will be as follows:

Tenderer A Score = £3000/£3000 x 30% (Maximum available marks) = 30%

Tenderer B Score = £3000/£5000 x 30% (Maximum available marks) = 18%

Tenderer C Score = £3000/£6000 x 30% (Maximum available marks) = 15%

The Call-Off Contract will be awarded to the most economically advantageous tender.

- 7.13 The Contracting Body will notify all Providers invited to tender/quote of the outcome of that evaluation.

- 7.14 The Contracting Body reserves the right not to award a Call-Off Contract following a Mini-Competition.

7.15 Direct Award

In the event of an Outbreak or Incident a Contracting Body may adopt the following Direct Award Procedure:

1. The Contracting Body will identify the relevant Lot and Geographical Region, based on the type of Services required and location of the premises where provision of the Services are required.
2. The Contracting Body will shortlist all Providers from that Lot and Geographical Region with the relevant capability, as stated in their Response.
3. The Contracting Body will calculate a total price for each Provider using their best estimate of the Services required and the prices submitted as part of the Response. The Hourly Rates shall be used by the Contracting Body when

calculating the cost. All shortlisted Providers will be ranked according to the total price calculated.

4. The Provider at rank 1 (being the cheapest Price according to the Contracting Body's calculations above) will be contacted (usually by telephone) and asked to confirm that they are able to supply the Services in the timeframe specified by the Contracting Body. The Provider shall also be asked to confirm that it can provide Services for the price calculated by the Contracting Body (or lower).
5. If the Provider does not respond immediately or if it is not able to meet the requirement or provide the Services for the price quoted by the Contracting Body then the next Provider will be contacted, and so on.

8. Order procedure for Lot 1

- 8.1. If a Lot 1 Service is required a Provider will be selected in accordance with the Selection Methodology specified at paragraph 6 and, subject to paragraph 8.4, will receive an Order Form from the Contracting Body with a request to provide Services, normally providing a minimum of forty-eight (48) hours' notice, although less notice is possible in an Incident, Outbreak or Urgent welfare response.
- 8.2. The Order Form shall specify details of the Service required:
 - The date on which the PME will be undertaken (if appropriate);
 - The location, identity, species and number of animal(s);
 - Contact details of the Keeper;
 - Details of the processes required once the animal(s) have been culled (if appropriate);
 - Nominated PME facility;
 - Standard or Extended PME and related instructions;
 - Further information to allow adequate planning of the operation, for example if there are enhanced biosecurity requirements which the Provider will need to comply with; and
 - Details of the records that the Provider will need to keep and return to the Contracting Body.
- 8.3. Following receipt of an Order Form, the Provider shall:
 - 8.3.1. Notify the Contracting Body in writing, within one (1) Working Day, that it accepts the Order for Services by signing and returning the Order Form to the Authority, or;
 - 8.3.2. Notify the Contracting Body in writing that it declines to accept the Order for Services and specify the reason(s) for the decision no later than one (1) Working Day from date of receipt of the Order,

unless the Contracting Body specifies a shorter response time in an Incident, Outbreak or Urgent welfare situation, in which case the Provider shall respond

within such shorter time.

- 8.4. In the case of an Urgent request the Contracting Body on-call duty veterinarian will make arrangements with the Provider and Keeper verbally to place an Order. By accepting an Order verbally the Provider agrees to perform the Service in accordance with the terms and conditions of the Call-Off Contract. The verbal Order will be followed up with a written Order Form on the next Working Day.

9. Order procedure for Lot 2

- 9.1. Only the Authority may place orders for Lot 2 Services, other Contracting Bodies may not place orders for Lot 2 Services.
- 9.2. The arrangements for Lot 2 Services shall be made between the PME Provider acting on the instructions of the Authority, the Keeper and the Provider providing the Service, as detailed below:
 - 9.2.1. The Keeper's private veterinary surgeon (PVS) will call the PME Provider to discuss whether a post mortem is required. The PME Provider will then triage and decide whether the case is of surveillance value.
 - 9.2.2. If a Carcase is deemed of surveillance value the PME Provider will, using the Selection Methodology provided by the Authority, identify the most economically advantageous Provider for provision of the Service.
 - 9.2.3. The PME Provider will contact the Provider identified in accordance with the Selection Methodology, to place an Order and inform the Provider that a Carcase will need transferring to the PME Provider Site. This will usually be via telephone where the PME Provider will provide the Provider with details of the Notified Premises, veterinary practitioner, and Carcases being submitted. An estimated time of arrival at the PME Provider Site should be agreed at this point. If the arrival time does not meet the requirement of the PME Provider (to allow the Carcase to be of sufficient surveillance value), then the PME Provider reserves the right not to place the Order at this time and may contact the next Provider identified by the Selection Methodology.
 - 9.2.4. The Provider must confirm whether it accepts or declines an Order immediately. If a Provider fails to respond immediately the PME Provider may contact an alternative Provider.
- 9.3. By verbally accepting an Order placed by a PME Provider acting for the Authority the Provider agrees to perform the Service in accordance with the terms and conditions of the Call-Off Contract.

10. Order procedure for Lots 3 and 4

10.1. The Contracting Body shall notify the successful Provider(s) following the process set out at paragraph 7 of this Schedule and place a completed Order Form (in substantially the form as specified at Schedule 6) which:

- 10.1.1. states the Services and requirements;
- 10.1.2. identifies the Lot in which the award is made;
- 10.1.3. states the price payable for the Services and requirements in accordance with the Pricing Matrix applicable for the relevant Lot;
- 10.1.4. incorporates the Call-Off Terms and Conditions; and
- 10.1.5. includes any other requirements specified by a Contracting Body and any details as inputted by the Provider as part of the Call-Off Procedure.

10.2. Following receipt of an Order Form, the Provider shall:

- 10.2.1. if awarding via a Mini-competition in accordance with paragraph 7, notify the Contracting Body in writing that it accepts the order for Services by signing and returning the Order Form to the Contracting Body within three (3) calendar days or within the timeframe as otherwise instructed by the Contracting Body from date of receipt of the Order Form; or
- 10.2.2. if awarding via a direct award in accordance with paragraph 7, notify the Contracting Body that it accepts the order for Services in writing or via telephone followed by signing and returning the Order Form, within one (1) calendar day or within the timeframe as otherwise instructed by the Contracting Body from date of receipt of the Order Form.

- A1.2 If a capitalised expression does not have an interpretation in Schedule 1 to the Framework Agreement or the relevant schedule to the Framework Agreement, it shall have the meaning given to it in this Call-Off Contract. If no meaning is given to it in this Call-Off Contract, it shall in the first instance be interpreted in accordance with the common interpretation within the relevant market sector/industry where appropriate. Otherwise, it shall be interpreted in accordance with the dictionary meaning.
- A1.3 The interpretation and construction of this Call-Off Contract shall be subject to the following provisions:
- A1.3.1 words importing the singular meaning include where the context so admits the plural meaning and vice versa;
 - A1.3.2 words importing the masculine include the feminine and the neuter;
 - A1.3.3 reference to a clause is a reference to the whole of that clause unless stated otherwise;
 - A1.3.4 references to any statutory provision, enactment, order, regulation or other similar instrument shall be construed as a reference to the statutory provision, enactment, order, regulation or instrument (including any EU instrument) as amended, replaced, consolidated or re-enacted from time to time and shall include any orders, regulations, codes of practice, instruments or other subordinate legislation made under it;
 - A1.3.5 reference to any person shall include natural persons and partnerships, firms and other incorporated bodies and all other legal persons of whatever kind and however constituted and their successors and permitted assigns or transferees;
 - A1.3.6 the words “other”, “in particular”, “for example”, “including” and similar words, shall not limit the generality of the preceding words and shall be construed as if they were immediately followed by the words “without limitation”; and
 - A1.3.7 headings are included in the Call-Off Contract for ease of reference only and shall not affect the interpretation or construction of the Call-Off Contract.

A1.4 If there is any conflict between the provisions of this Call-Off Contract and the provisions of the Framework Agreement, the provisions of the Framework Agreement shall prevail over those of the Call-Off Contract save that:

A1.4.1 any special conditions or variations set out in the Order Form (provided that such conditions or such variations do not amount to a material change of the Framework Agreement within the meaning of the Public Contracts Regulations) forming part of the Call-Off Contract shall prevail over Framework Agreement; and

A1.4.2 subject to clause A1.5, the Call-Off Contract shall prevail over the Tender.

A2 Customer's Obligations

A2.1 Save as otherwise expressly provided, the obligations of the Customer under the Call-Off Contract are obligations of the Customer in its capacity as a contracting counterparty and nothing in the Call-Off Contract shall operate as an obligation upon, or in any other way fetter or constrain the Customer in any other capacity, nor shall the exercise by the Customer of its duties and powers in any other capacity lead to any liability under the Call-Off Contract (howsoever arising) on the part of the Customer to the Provider.

A3 Provider's Status

A3.1 At all times during the Contract Period the Provider shall be an independent contractor and nothing in the Call-Off Contract shall create a contract of employment, a relationship of agency or partnership or a joint venture between the Parties and accordingly neither Party shall be authorised to act in the name of, or on behalf of, or otherwise bind the other Party save as expressly permitted by the terms of the Call-Off Contract.

A3.2 The Provider shall not (and shall ensure that any other person engaged in relation to the Call-Off Contract shall not) say or do anything that might lead any other person to believe that the Provider is acting as the agent or employee of the Customer.

A3.3 Where the Provider is an individual:

A3.3.1 the Provider warrants and represents that he is providing Services as an independent contractor and nothing shall render him an employee, worker, agent or partner of the Customer and the Provider shall not hold himself out as such; and

A3.3.2 the Provider agrees that this Call-Off Contract constitutes a contract for the provision of services and not a contract of employment and accordingly, the Provider shall be fully responsible for and shall indemnify the Customer for and in respect of any income tax, National Insurance and social security contributions and any other liability, deduction, contribution, assessment or claim arising from or made in connection with the provision of the Services, where the recovery is not prohibited by Law. The Provider shall further indemnify the Customer

against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by the Customer in connection with or in consequence of any such liability, deduction, contribution, assessment or claim other than where the latter arise out of the Customer's negligence or wilful default.

A4 Contract Period

- A4.1 The Call-Off Contract shall take effect on the Commencement Date and shall expire automatically at midnight on the date set out in the Order Form, unless it is otherwise terminated in accordance with the provisions of the Call-Off Contract, or otherwise lawfully terminated, or extended under clause F8 (Extension of Contract Period). The total Contract Period (including any extension) of this Call-Off Contract shall not exceed two years without the prior Approval of the Authority.

A5 Notices

- A5.1 Subject to clause 40.3, where this Call-Off Contract states that a notice or communication between the Parties must be "written" or "in writing" it is not valid unless it is made by letter (sent by hand, first class post, recorded delivery or special delivery) or by email or by communication via Bravo. The address details for each Party shall be as stated in the Order Form.

- A5.2 If it is not returned as undelivered, a notice served:

A5.2.1 in a letter is deemed to have been received 2 Working Days after the day it was sent; and

A5.2.2 in an email or via Bravo is deemed to have been received 4 hours after the time it was sent provided it was sent on a Working Day, or on the next Working Day if not sent on a Working Day,

or when the other Party acknowledges receipt, whichever is the earlier.

- A5.3 Notices pursuant to clauses G3 (Force Majeure), I2 (Dispute Resolution) or to terminate this Call-Off Contract or any part of the Services are valid only if served in a letter by hand, recorded delivery or special delivery.

- A5.4 Either Party may change its address for service by serving a notice in accordance with this clause.

A6 Mistakes in Information

- A6.1 The Provider shall be responsible for the accuracy of all drawings, documentation and information supplied to the Customer by the Provider in connection with the supply of the Services and shall pay the Customer any extra costs occasioned by any discrepancies, errors or omissions therein.

A7 Conflicts of Interest

- A7.1 The Provider shall take appropriate steps to ensure that neither the Provider nor any Staff is placed in a position where, in the reasonable opinion of the Customer, there is or may be an actual conflict, or a potential conflict, between the pecuniary

or personal interests of the Provider and the duties owed to the Customer under the provisions of the Call-Off Contract. The Provider will notify the Customer without delay giving full particulars of any such conflict of interest which may arise.

Without prejudice to the generality of the foregoing, the Customer may in respect of the period under

review consider such items as (but not limited to): the Provider's performance in respect of the Services supplied under the Call-Off Contract; the Provider's contribution to innovation; whether the Services provide the Customer with best value for money; consideration of any changes which may need to be made to the Services; a review of future requirements in relation to the Services and progress against key milestones.

- F2.3 The Provider shall provide at its own cost any assistance reasonably required by the Customer to perform such Checkpoint Review including the provision of data and information.
- F2.4 The Customer may (at its absolute discretion) produce a report (a "**Checkpoint Review Report**") of the results of each Checkpoint Review stating any areas of exceptional performance and areas for improvement in the provision of the Services and where there is any shortfall in any aspect of performance reviewed as against the Customer's expectations and the Provider's obligations under this Call-Off Contract.
- F2.5 The Customer shall provide the Provider with a copy of the Checkpoint Review Report (if applicable) for any comments the Provider may have. The Customer shall consider such comments and at its absolute discretion produce a revised Checkpoint Review Report.
- F2.6 The Provider shall, within ten (10) Working Days of receipt of the Checkpoint Review Report (revised as appropriate) provide the Customer with a plan to address resolution of any shortcomings and implementation of improvements identified by the Checkpoint Review Report.
- F2.7 Actions required to resolve shortcomings and implement improvements (either as a consequence of the Provider's failure to meet its obligations under this Call-Off Contract identified by the Checkpoint Review Report, or those which result from the Provider's failure to meet the Customer's expectations notified to the Provider or of which the Provider ought reasonably to have been aware) shall be implemented at no extra charge to the Customer.

F3 Remedies in the event of inadequate performance or failure to perform

- F3.1 Where a complaint is received about the standard of Services or about the manner in which any Services have been supplied or work has been performed or about the materials or procedures used or about any other matter connected with the performance of the Provider's obligations under the Call-Off Contract, then the Customer shall notify the Provider, and where considered appropriate by the Customer, investigate the complaint. The Customer may, in its sole discretion, uphold the complaint and take further action in accordance with the Performance Management Framework at Appendix C to the Specification and/or clause H2 (Termination on Default) of the Call-Off Contract.
- F3.2 In the event that the Customer is of the reasonable opinion that there has been a material breach of the Call-Off Contract by the Provider, then the Customer may, without prejudice to its rights to terminate the Call-Off Contract under clause H2 (Termination on Default), do any of the following:

- F3.2.1 without terminating the Call-Off Contract, itself supply or procure the supply of all or part of the Services until such time as the Provider shall have demonstrated to the reasonable satisfaction of the Customer that the Provider will once more be able to supply all or such part of the Services in accordance with the Call-Off Contract;
 - F3.2.2 without terminating the whole of the Call-Off Contract, terminate the Call-Off Contract in respect of part of the Services only (whereupon a corresponding reduction in the Contract Price shall be made) and thereafter itself supply or procure a third party to supply such part of the Services;
 - F3.2.3 set off any liability of the Customer to the Provider, against any liability of the Customer to the Provider, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under this Call- Off Contract or another contract; and/or
 - F3.2.4 withhold or reduce payments to the Provider in accordance with the Performance Management Framework at Appendix C to the Specification.
- F3.3 Without prejudice to its right under clause C3 (Recovery of Sums Due), the Customer may charge the Provider for any costs reasonably incurred and any reasonable administration costs in respect of the supply of any part of the Services by the Customer or a third party to the extent that such costs exceed the payment which would otherwise have been payable to the Provider for such part of the Services.
- F3.4 Where in the opinion of the Customer the Provider has failed to supply all or any part of the Services in accordance with the Call-Off Contract, professional or industry practice which could reasonably be expected of a competent and suitably qualified person, or any legislative or regulatory requirement, the Customer may give the Provider written notice specifying the way in which its performance falls short of the requirements of the Call-Off Contract, or is otherwise unsatisfactory.
- F3.5 Where the Provider has been notified of a failure in accordance with Clause F3.4 the Customer may:
- F3.5.1 direct the Provider, to investigate, identify and remedy the failure within such time as may be specified by the Customer and to apply all such additional resources as are necessary to remedy that failure at no additional charge to the Customer within the specified timescale; and/or
 - F3.5.2 withhold or reduce payments to the Provider, in accordance with the Performance Management Framework at Appendix C to the Specification.
- F3.6 Where the Provider has been notified of a failure in accordance with Clause F3.4, the Provider shall:

- F3.6.1 use all reasonable endeavours to immediately minimise the impact of such failure(s) to the Customer and to prevent such failure(s) from recurring; and
 - F3.6.2 immediately provide the Customer with such information as the Customer may request regarding what measures are being taken to comply with the obligations in this clause and the progress of those measures until resolved to the satisfaction of the Customer.
- F3.7 If, having been notified of any failure, the Provider fails to remedy it in accordance with Clause F3.6 within the time specified by the Customer, the Customer may treat the continuing failure as a material breach of the Call-Off Contract and may terminate the Call-Off Contract in accordance with clause H2 (Termination on Default).

F4 Transfer and Sub-Contracting

- F4.1 Except where clauses F4.5 and F4.6 both apply, the Provider shall not transfer, charge, assign, sub-contract or in any other way dispose of the Call-Off Contract or any part of it without the prior Approval of the Customer. All such documents shall be evidenced in writing and shown to the Customer on request. Sub-contracting any part of the Call-Off Contract shall not relieve the Provider of any of its obligations or duties under the Call-Off Contract.
- F4.2 Any Sub-contractor arrangements shall be in accordance with the requirements of paragraph 4.7 to 4.11 of the Specification. Where appropriate, the Provider shall provide each Sub-Contractor with a copy of the Call-Off Contract and obtain written confirmation from them that they will provide the Services fully in accordance with the Call-Off Contract. The Provider shall be responsible for the acts and/or omissions of its Sub-Contractors as though they are its own.
- F4.3 The Provider shall ensure that all its Sub-Contractors and suppliers retain each record, item of data and document relating to the Services for a period of not less than six (6) years from the end of the term of the Call-Off Contract, and shall make them available to the Customer on request in accordance with the provisions of clause E8 (Audit). Should any Sub-Contractor or supplier refuse to permit the Customer to access the required records then the Customer shall have no obligation to pay any claim or invoice made by the Provider on the basis of such documents or work carried out by the Sub-Contractor or supplier.
- F4.4 Where the Customer has consented to the placing of Sub-Contracts, the Provider shall notify the Customer the name(s), contact details and legal representatives of the Sub-Contractor(s) and copies of each Sub-Contract shall, at the request of the Customer, be sent by the Provider to the Customer promptly on request.
- F4.5 If the Customer believes there are:
 - F4.5.1 compulsory grounds for excluding a Sub-Contractor pursuant to regulation 57 of the Public Contracts Regulations, the Provider shall replace or not appoint the Sub-Contractor; or
 - F4.5.2 non-compulsory grounds for excluding a Sub-Contractor pursuant to regulation 57 of the Public Contracts Regulations, the Customer may

require the Provider to replace or not appoint the Sub-Contractor and the Provider shall promptly comply with such requirement.

F4.6 Notwithstanding clause F4.1, the Provider may assign to a third party (“**the Assignee**”) the right to receive payment of the Contract Price or any part thereof due to the Provider under this Call-Off Contract (including any interest which the Customer incurs under clause C2 (Payment and VAT)). Any assignment under this clause F4.6 shall be subject to:

F4.5.1 reduction of any sums in respect of which the Customer exercises its right of recovery under clause C3 (Recovery of Sums Due);

F4.5.2 all related rights of the Customer under the Call-Off Contract in relation to the recovery of sums due but unpaid; and

F4.5.3 written notification received by the Customer under both clauses F4.7 and F4.8.

F4.7 In the event that the Provider assigns the right to receive the Contract Price under clause F4.6, the Provider or the Assignee shall notify the Customer in writing of the assignment and the date upon which the assignment becomes effective.

F4.8 The Provider shall ensure that the Assignee notifies the Customer of the Assignee’s contact information and bank account details to which the Customer shall make payment.

F4.9 The provisions of clause C2 (Payment and VAT) shall continue to apply in all other respects after the assignment and shall not be amended without Approval.

F4.10 Subject to clause F4.11, the Customer may assign, novate or otherwise dispose of its rights and obligations under the Call-Off Contract or any part thereof to:

F4.10.1 any Contracting Body; or

F4.10.2 any other body established by the Crown or under statute in order substantially to perform any of the functions that had previously been performed by the Customer; or

F4.10.3 any private sector body which substantially performs the functions of the Customer,

provided that any such assignment, novation or other disposal shall not unreasonably increase the burden of the Provider’s obligations under the Call-Off Contract.

F4.11 Any change in the legal status of the Customer such that it ceases to be a Contracting Body shall not, subject to clause F4.12, affect the validity of the Call-Off Contract. In such circumstances the Call-Off Contract shall bind and inure to the benefit of any successor body to the Customer.

F4.12 If the rights and obligations under the Call-Off Contract are assigned, novated or otherwise disposed of pursuant to clause F4.10 to a body which is not a Contracting Body or if there is a change in the legal status of the Customer such that it ceases

to be a Contracting Body (in the remainder of this clause both such bodies being referred to as the “**Transferee**”):

- F4.12.1 the rights of termination of the Customer in clauses H1 (Termination on Insolvency and Change of Control) and H2 (Termination on Default) shall be available to the Provider in the event of respectively, the bankruptcy or insolvency, or Default of the Transferee; and
 - F4.12.2 the Transferee shall only be able to assign, novate or otherwise dispose of its rights and obligations under the Call-Off Contract or any part thereof with the prior consent in writing of the Provider.
- F4.13 The Customer may disclose to any Transferee any Confidential Information of the Provider which relates to the performance of the Provider’s obligations under the Call-Off Contract. In such circumstances the Customer shall authorise the Transferee to use such Confidential Information only for purposes relating to the performance of the Provider’s obligations under the Call-Off Contract and for no other purpose and shall take all reasonable steps to ensure that the Transferee gives a confidentiality undertaking in relation to such Confidential Information.
- F4.14 Each Party shall at its own cost and expense carry out, or use all reasonable endeavours to ensure the carrying out of, whatever further actions (including the execution of further documents) the other Party reasonably requires from time to time for the purpose of giving that other Party the full benefit of the provisions of the Call-Off Contract.

F5 Waiver

- F5.1 The failure of either Party to insist upon strict performance of any provision of the Call-Off Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Call-Off Contract.
- F5.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with clause A5.2 (Notices).
- F5.3 A waiver of any right or remedy arising from a breach of the Call-Off Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Call-Off Contract.

F6 Variation

- F6.1 If, after the Commencement Date, the Customer’s requirements change, the Customer may request a Variation subject to the terms of this clause F6.
- F6.2 The Customer may request a Variation by notifying the Provider in writing of the Variation and giving the Provider sufficient information to assess the extent of the Variation and consider whether any change to the Contract Price is required in order to implement the Variation within a reasonable time limit specified by the Customer. If the Provider accepts the Variation it shall confirm it in writing.

F6.3 If the Provider is unable to accept the Variation or where the Parties are unable to agree a change to the Contract Price, the Customer may:

F6.3.1 allow the Provider to fulfil its obligations under the Call-Off Contract without the Variation; or

F6.3.2 terminate the Call-Off Contract immediately except where the Provider has already delivered all or part of the Services or where the Provider can show evidence of substantial work being carried out to fulfil the requirements of the Call-Off Contract; and in such case the Parties shall attempt to agree upon a resolution to the matter. If a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution procedure detailed in clause I2 (Dispute Resolution).

F6.4 No Variation will take effect unless and until it is recorded in a validly executed CCN.

F6.6 The provisions of this clause F6 may be varied in an emergency if it is not practicable to obtain the Approvals within the time necessary to make the Variation in order to address the emergency. In an emergency, Variations may be approved by a different representative of the Customer. However, the Customer's Contract Manager shall have the right to review such a Variation and require a CCN to be entered into on a retrospective basis which may itself vary the emergency Variation.

F7 Severability

F7.1 If any provision of the Call-Off Contract which is not of a fundamental nature is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions of the Call-Off Contract shall continue in full force and effect as if the Call-Off Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

F8 Extension of Contract Period

F8.1 The Customer may, by giving written notice to the Provider, extend the Call-Off Contract for a further period up to the date set out in the Order Form, provided that the maximum Contract Period does not exceed two (2) years. The provisions of the Call-Off Contract will apply throughout any such extended period.

F9 Remedies Cumulative

F9.1 Except as otherwise expressly provided by the Call-Off Contract, all remedies available to either Party for breach of the Call-Off Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

F10 Entire Agreement

F10.1 The Call-Off Contract constitutes the entire agreement between the Parties in respect of the matters dealt with therein. The Call-Off Contract supersedes all prior negotiations between the Parties and all representations and undertakings made by one Party to the other, whether written or oral, except that this clause shall not exclude liability in respect of any Fraud or fraudulent misrepresentation.

F11 Execution of the Call-Off Contract

F11.1 This Call-Off Contract shall be formed on acceptance by the Provider of the Order Form in accordance with clause 6.4 of the Framework Agreement. Any Order Form may be executed in counterparts, each of which when executed and delivered shall constitute an original but all counterparts together shall constitute one and the same instrument.

G2 Warranties and Representations

G2.1 The Provider warrants and represents for the duration of the Call-Off Contract that:

Any failure or delay by the Provider in performing its obligations under the Call-Off Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Provider.
- G3.2 The Affected Party shall as soon as reasonably practicable issue a notice which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect (a "**Force Majeure Notice**").

H DEFAULT, DISRUPTION AND TERMINATION

H1 Termination on Insolvency and Change of Control

H1.1 The Customer may terminate the Call-Off Contract with immediate effect by notice in writing and without compensation to the Provider where a situation arises in respect of the Provider pursuant to which the Authority has the right to terminate the Framework Agreement pursuant to clause 22 of the Framework Agreement.

H2.1.2 the material breach is not, in the opinion of the Customer, capable of remedy,

provided that, where it is not practicable for the Customer to issue a notice in writing for purposes of clause H2.1, notice may be given verbally and followed up in writing.

H2.2 For the purposes of clause H2.2, **material breach** means a breach (including an anticipatory breach) that is serious in the widest sense of having a serious effect on the benefit which the Customer would otherwise derive from:

- H3.1.1 by giving not less than twenty-four (24) hours' written notice to the Provider; or

- H5.2 Where the Call-Off Contract is terminated under clause H1, H2 or H4, no further payments shall be payable by the Customer to the Provider (for Services supplied by the Provider prior to termination and in accordance with the Call-Off Contract but where the payment has yet to be made by the Customer), until the Customer has established the final cost of making the other arrangements envisaged under this clause.
- H5.3 Where the Customer terminates the Call-Off Contract under clause H3, unless otherwise stated in the Specification at paragraph 5.33 to 5.36, no further payments shall be payable by the Customer to the Provider except for Services supplied by the Provider prior to termination and in accordance with the Call-Off Contract but where the payment has yet to be made by the Customer.
- H5.4 Save as otherwise expressly provided in the Call-Off Contract:
- H5.4.1 termination or expiry of the Call-Off Contract shall be without prejudice to any rights, remedies or obligations accrued under the Call-Off Contract prior to termination or expiration and nothing in the Call-Off Contract shall prejudice the right of either Party to recover any amount outstanding at such termination or expiry; and
 - H5.4.2 termination of the Call-Off Contract shall not affect the continuing rights, remedies or obligations of the Customer or the Provider under clauses C2 (Payment and VAT), C3 (Recovery of Sums Due), D1 (Prevention of Bribery), E2 (Data Protection), E4 (Confidential Information), E5 (Freedom of Information), E7 (Intellectual Property Rights), E8 (Audit), E9 (Official Secrets Acts and Finance Act), F9 (Remedies Cumulative), G1 (Liability, Indemnity and Insurance), H6 (Consequences of Expiry or Termination), H7 (Recovery upon Termination) and I1 (Governing Law and Jurisdiction).

The Provider shall comply with the Customer's request for information no later than fifteen (15) Working Days from the date that that request was made.

I DISPUTES AND LAW

I1 Governing Law and Jurisdiction

I1.1 Subject to the provisions of clause I2 (Dispute Resolution), the Call-Off Contract shall be governed by and interpreted in accordance with English Law and shall be subject to the jurisdiction of the Courts of England and Wales. The submission to such jurisdiction shall not (and shall not be construed so as to) limit the right of the Customer to take proceedings against the Provider in any other court of competent jurisdiction, nor shall the taking of proceedings in any other court of competent jurisdiction preclude the taking of proceedings in any other jurisdiction whether concurrently or not.

I2 Dispute Resolution

I2.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Call-Off Contract within twenty (20) Working Days of either Party notifying the other of the dispute and such efforts shall involve the escalation of the dispute to the finance director (or similar) of the Provider and the commercial director of the Customer.

- 12.2 Nothing in this dispute resolution procedure shall prevent the Customer from seeking from any court of competent jurisdiction an interim order restraining the Provider from doing any act or compelling the Provider to do any act.
- 12.3 If the dispute cannot be resolved by the Parties pursuant to clause 12.1 either Party may refer it to mediation pursuant to the procedure set out in clause 12.5.
- 12.4 The obligations of the Parties under the Call-Off Contract shall not cease, or be suspended or delayed by the reference of a dispute to mediation (or arbitration) and the Provider and the Staff shall comply fully with the requirements of the Call-Off Contract at all times.
- 12.5 The procedure for mediation and consequential provisions relating to mediation are as follows:
- 12.5.1 A neutral adviser or mediator (the “**Mediator**”) shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator within ten (10) Working Days after a request by one Party to the other or if the Mediator agreed upon is unable or unwilling to act, either Party shall within ten (10) Working Days from the date of the proposal to appoint a Mediator or within ten (10) Working Days of notice to either Party that he is unable or unwilling to act, apply to the Centre for Effective Dispute Resolution to appoint a Mediator.
- 12.5.2 The Parties shall within ten (10) Working Days of the appointment of the Mediator meet with him in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations. If considered appropriate, the Parties may at any stage seek assistance from the Centre for Effective Dispute Resolution to provide guidance on a suitable procedure.
- 12.5.3 Unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings.
- 12.5.4 If the Parties reach agreement on the resolution of the dispute, the agreement shall be recorded in writing and shall be binding on the Parties once it is signed by their duly authorised representatives.
- 12.5.5 Failing agreement, either of the Parties may invite the Mediator to provide a non-binding but informative written opinion. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties.
- 12.5.6 If the Parties fail to reach agreement within sixty (60) Working Days of the Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the courts unless the dispute is referred to arbitration pursuant to the procedures set out in clause 12.6.

- 12.6 Subject to clause 12.2, the Parties shall not institute court proceedings until the procedures set out in clauses 12.1 and 12.3 have been completed save that:
- 12.6.1 The Customer may at any time before court proceedings are commenced, serve a notice on the Provider requiring the dispute to be referred to and resolved by arbitration in accordance with clause 12.7.
 - 12.6.2 If the Provider intends to commence court proceedings, it shall serve written notice on the Customer of its intentions and the Customer shall have twenty-one (21) days following receipt of such notice to serve a reply on the Provider requiring the dispute to be referred to and resolved by arbitration in accordance with clause 12.7.
 - 12.6.3 The Provider may request by notice in writing to the Customer that any dispute be referred and resolved by arbitration in accordance with clause 12.7, to which the Customer may consent as it sees fit.
- 12.7 In the event that any arbitration proceedings are commenced pursuant to clause 12.6:
- 12.7.1 the arbitration shall be governed by the provisions of the Arbitration Act 1996;
 - 12.7.2 the Customer shall give a written notice of arbitration to the Provider (the “**Arbitration Notice**”) stating:
 - (a) that the dispute is referred to arbitration; and
 - (b) providing details of the issues to be resolved;
 - 12.7.5 the London Court of International Arbitration (“**LCIA**”) procedural rules in force at the date that the dispute was referred to arbitration in accordance with 12.7.2 shall be applied and are deemed to be incorporated by reference to the Call-Off Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
 - 12.7.6 the tribunal shall consist of a sole arbitrator to be agreed by the Parties;
 - 12.7.7 if the Parties fail to agree the appointment of the arbitrator within ten (10) days of the Arbitration Notice being issued by the Customer under clause 12.7.2 or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
 - 12.7.8 the arbitration proceedings shall take place in London and in the English language; and
