

**Schedule 2**  
**List Of Acronyms And Abbreviations**

MINISTRY OF DEFENCE

**AIR SUPPORT TO DEFENCE OPERATIONAL TRAINING  
(ASDOT)**

CONTRACT NO. UKMFTS/2017/03

**This is Schedule 2 (List of Acronyms and Abbreviations) referred to in the ASDOT Contract between the Secretary of State for Defence and *[Insert name of Contractor]*.**

**SCHEDULE 2**

**LIST OF ACRONYMS AND ABBREVIATIONS**

|            |   |
|------------|---|
| A3WG       | ASDOT Acceptance & Assurance Working Group          |
| AAA        | Ageing Aircraft Audit                               |
| AAES       | Aircraft Assisted Escape System                     |
| AAOS       | Air Traffic Management Approved Organisation Scheme |
| AAR        | Air to Air Refuelling                               |
| AAS        | Aircraft Armament Systems                           |
| AAW        | Anti-Air Warfare                                    |
| ABM        | Aerospace Battle Management                         |
| ABW        | Abbey Wood  |
| ACs        | Airborne Checks                                     |
| ACAS       | Airborne/Aircraft Collision Avoidance System        |
| ACMI       | Air Combat Manoeuvring Instrumentation              |
| ACMP       | Allied Configuration Management Policy              |
| ACOS       | Assistant Chief of Staff                            |
| ACP        | Allied Communication Publication                    |
| ACWP or AC | Actual Cost of Work Performed                       |
| AD         | Airworthiness Directive                             |
| ADH        | Aviation Duty Holder                                |
| ADS        | Aircraft Document Set                               |
| AE         | Aircraft Equipment                                  |
| AEA        | Aircrew Equipment Assembly                          |
| AERC       | Airborne Equipment Release Certificate              |
| AEW        | Airborne Early Warning                              |
| AF         | Air Force   |
| AGE        | Aerospace Ground Equipment                          |
| AIDU       | Aeronautical Documents Information Unit             |
| AIP        | Approval in Principle                               |
| AJP        | Allied Joint Publication                            |
| ALARP      | As Low as Reasonably Practicable                    |
| ALI        | Air Land Integration                                |
| ALTI       | Aviation Local Technical Instructions               |
| ALWRC      | Air Launched Weapon Release Certificate             |
| AM(s)      | Accountable Manager(s)                              |
| AM(MF)     | Accountable Manager (Military Flying)               |
| AMC        | Acceptable Means of Compliance                      |
| Amdt       | Amendment   |
| AMO        | Approved Maintenance Organisation                   |
| ANEP       | Allied Naval Engineering Organisation               |
| ANO        | Air Navigation Order                                |
| AO         | Aerodrome Operator                                  |
| AoR        | Area of Responsibility                              |
| APCMO      | Air Power Contribution to Maritime Operations       |
| APM        | Association for Project Management                  |
| APRM       | Annual Performance Review Meeting                   |
| APU        | Auxiliary Power Unit                                |
| AQAP       | Allied Quality Assurance Publication                |
| AR         | Airworthiness Review                                |
| ARMP       | Availability, Reliability and Maintainability Plan  |
| ASACS      | Aerospace Surveillance and Control System           |
| ASCMP      | Asset and Supply Chain Management Plan              |
