3. Measures must be taken to safeguard classified information and assets in accordance with applicable national laws and regulations. Your attention is drawn to the requirements of the Security Conditions. You should take all reasonable steps to make sure that all individuals employed on any work in connection with the Contract that have access to classified information and assets are aware of the protective requirements and that such requirements will continue to apply after the completion or earlier termination of the contract.

4. Will you please confirm that:

a. This definition of the classified aspects of the referenced Contract has been brought to the attention of the person directly responsible for security of classified

material.

b. The definition is fully understood.

c. Measures can, and will, be taken to safeguard the classified aspects identified herein in accordance with applicable national laws and regulations. [The requirement and obligations set out above and in any contractual document can and will be met and that the classified information shall be protected in accordance with applicable national laws and regulations.]

5. If you have any difficulty either in interpreting this definition of the classified aspects or in safeguarding them, will you please let me know immediately.

6. Classified Information associated with this Contract must not be published or communicated to anyone without the approval of the MOD Contracting Authority.

7. Any access to classified information or assets on MOD premises that may be needed will be subject to MOD security regulations under the direction of the MOD Project Officer in accordance with DEFCON 76.

Yours faithfully,

*Signed Electronically*
