This Agreement is not an exclusive arrangement and nothing in this Agreement shall operate to prevent the Authority from engaging any other organisations or persons to provide services similar to or the same as the Services.
- 2.3 Clause 3 sets out the procedure by which the Parties may enter into a Call-Off Contract. Each Call-Off Contract shall be a binding agreement on the Parties and shall incorporate the terms and conditions of this Agreement.

- 3.2.1 the Service Provider shall promptly confirm receipt of such Request Form;
 - 3.2.2 the Service Provider shall respond to the Request Form by completing a Proposal an offer capable of acceptance, or by notifying the Authority in writing that it does not intend to submit a Proposal. The Service Provider shall so respond to the Authority

by the date specified in the Request Form or, if no such date is specified, within 10 Business Days of receiving the Request Form, or by such other date as may be agreed with the Call-Off Co-ordinator. A Proposal must remain valid for at least 90 Business Days from the date it is submitted to the Authority;

- 3.2.3 after receipt of an acceptable Proposal, the Authority will forward to the Service Provider two copies of the Call-Off Contract. The Call-Off Co-ordinator will arrange for both copies of the Call-Off Contracts to be signed by the Authority and will send a completed signed Call-Off Contract to the Service Provider.

 - 3.3.2 the Service Provider shall respond to a Request Form by completing a Proposal as an offer capable of acceptance or by notifying the Authority in writing that it does not intend to submit a Proposal. The Service Provider shall respond to the Authority by the date specified in the Request Form or, if no such date is specified, within 10 Business Days of receiving the Request Form, or by such other date as may be agreed with the Call-Off Co-ordinator. A Proposal must remain valid for at least 90 Business Days from the date it is submitted to the Authority;
 - 3.3.3 the Authority will award the relevant Call-Off Contract to the Proposal that is the most economically advantageous with reference to the assessment criteria set out in the Request Form as they relate to the Service(s) in question.
- 3.4 Each Call-Off Contract shall be a binding agreement on the Parties and shall incorporate the terms and conditions of this Agreement, as may have been amended in such Call-Off Contract and such documentation shall together form a separate agreement between the parties.
- 3.5 A Request Form and anything prepared or discussed by the Authority shall constitute an invitation to treat and shall not constitute an offer capable of acceptance by the Service Provider. The Authority shall not be obliged to consider or accept any Proposal submitted by the Service Provider.

SCHEDULE 2 - SPECIAL CONDITIONS OF AGREEMENT

N/A

SCHEDULE 3 - SERVICES

The framework agreement is intended to cover the following scope of work:

TfL requires the services of Smartmedia and Smartmedia Ticketing System Security consultancies on an ad hoc basis to provide advice, guidance and research in order to assist the business with planning, risk assessment, development and performance for current and future projects relating to Smartmedia Technology, which embodies the specialist areas of Smartmedia Ticketing, Mobile Technology, Reader Technology and Smartmedia Transit System Security. Such technical consultancy services are required to assist with the development of technical aspects of TfL's ticketing system and will relate predominantly to the current Oyster, contactless payment card and ITSO systems but also to future developments for ticketing solutions.

Specifically, the proposed Framework agreement, as a minimum, may require a supplier to:

- Provide specialist advice and guidance in the context of TfL's wider business objectives.
- Have the flexibility to support TfL on an ad-hoc basis as issues arise, including providing a timely response to immediate threats, issues or challenges.
- Carry out research and analysis as directed by TfL.
- Develop and present reports and specifications.
- Work with TfL and its contractors to review and assess operational processes in order to maintain the integrity of TfL's data and systems.
- Provide technical assurance on ticketing system design and test strategy.

The selected suppliers must be in a position to provide technical knowledge and support from day one of the contract.

SCHEDULE 4 - RATES

This section provides an overview and explanation of TfL's commercial approach. Nothing within this section overrides the requirements included within the framework agreement. TfL will expect the service provider to propose the most suitable candidates for any consultancy assignment.

1. CHARGE OUT RATES

TfL requires all bidders to submit their **Maximum Charge-out Rates** per day for **Specific Job Roles** described in Table 4.0 below. The cost section will be scored competitively against the lowest bid. Scoring will be calculated by accumulating the rates per consultant grade in accordance with the percentage weighting given to each grade.

Table 4.0

Consultant Grade	Junior Consultant	Consultant	Senior Consultant	Associate	Director
Daily rate (£)	REDACTED	REDACTED	REDACTED	REDACTED	REDACTED

The Contract rates per day (unless stated otherwise in your response) shall be 8 hour day, excluding meal breaks. These rates will be fixed for 1 year from the contract award date. No travel, accommodation or other expenses will be paid by TfL.

2. UTILISATION DISCOUNT

Bidders must identify the percentages by which daily charge-out rates will be discounted for extended resource based commissions:

Number of days over the life of 4 year contract	Percentage Discount

60 – 89	REDACTED
90 – 119	REDACTED
120 – 179	REDACTED

Note that utilisation discounts will be applied to the total call off value.
