A GENERAL CONTRACT PROVISIONS

A1. Interpretation

- a. The defined terms in the Contract shall be as set out in Schedule 1.
- b. Unless the context otherwise requires:
 - (1) The singular includes the plural and vice versa, and the masculine includes the feminine and vice versa.
 - (2) The words “include”, “includes”, “including” and “included” are to be construed as if they were immediately followed by the words “without limitation”, except where explicitly stated otherwise.
 - (3) The expression “person” means any individual, firm, body corporate, unincorporated association or partnership, government, state or agency of a state or joint venture.
 - (4) References to any statute, enactment, order, regulation, or other similar instrument shall be construed as a reference to the statute, enactment, order, regulation, or instrument as amended, supplemented, replaced or consolidated by any subsequent statute, enactment, order, regulation, or instrument.
 - (5) The heading to any Contract provision shall not affect the interpretation of that provision.
 - (6) Any decision, act or thing which the Authority is required or authorised to take or do under the Contract may be taken or done only by the person (or their nominated deputy) authorised in Schedule 3 (Contract Data Sheet) to take or do that decision, act, or thing on behalf of the Authority.
 - (7) Unless excluded within the terms of the Contract or required by law, references to submission of documents in writing shall include electronic submission.

A2. Amendments to Contract

- a. All amendments to this Contract shall be serially numbered, in writing, issued only by the Authority's Representative (Commercial), and agreed by both Parties.
- b. Where the Authority or the Contractor wishes to introduce a change which is not Minor or which is likely to involve a change to the Contract Price, the provisions of Schedule 4 (Change Process) shall apply. The Contractor shall not carry out any work until any necessary change to the Contract Price has been agreed and a written amendment in accordance with clause A2.a above has been issued.

A3. Variations to Specification

- a. The Authority's Representative may, by Notice (following consultation with the Contractor as necessary), alter the Specification as from a date agreed by both Parties and to the extent specified by the Authority, provided that any such variations shall be limited to the extent that they do not alter the fit, form, function or characteristics of the Contractor Deliverables to be supplied under the Contract. The Contractor shall ensure that the Contractor Deliverables take account of any such variations. Such variations shall not require formal amendment of the Contract in accordance with the process set out in condition A2 (Amendments to Contract) and shall be implemented upon receipt, or at the date specified in the Authority's Notice, unless otherwise specified.

- b. Any variations that cause a change to:
- (1) fit, form, function or characteristics of the Contractor Deliverables;
 - (2) the cost;
 - (3) Delivery Dates;
 - (4) the period required for the production or completion; or
 - (5) other work caused by the alteration.

shall be the subject to condition A2 (Amendments to Contract). Each amendment under condition A2 shall be classed as a formal change.

A4. Precedence

a. If there is any inconsistency between the different provisions of the Contract the inconsistency shall be resolved according to the following descending order of precedence:

- (1) Sections A - H (and J - L, if sections J - L are included in this Contract) of the Conditions of the Contract shall be given equal precedence with Schedule 1 (Definitions of Contract) and Schedule 3 (Contract Data Sheet);
- (2) Schedule 2 (Schedule of Requirements) and, where included, Schedule entitled "Acceptance Procedure";
- (3) the remaining Schedules; and
- (4) any other documents expressly referred to in the Contract.

b. If either Party becomes aware of any inconsistency, within or between the documents referred to in clause A4.a such Party shall notify the other Party forthwith and the Parties will seek to resolve that inconsistency on the basis of the order of precedence set out in clause A4.a. Where the Parties fail to reach agreement, and if either Party considers the inconsistency to be material to its rights and obligations under the Contract, then the matter will be referred to the dispute resolution procedure in accordance with condition A21 (Dispute Resolution).

A5. Severability

If any provision of the Contract is held to be invalid, illegal or unenforceable to any extent then:

- a. such provision shall (to the extent that it is invalid, illegal or unenforceable) be given no effect and shall be deemed not to be included in the Contract but without invalidating any of the remaining provisions of the Contract; and
- b. the Parties shall use all reasonable endeavours to replace the invalid, illegal or unenforceable provision by a valid, legal and enforceable substitute provision the effect of which is as close as possible to the intended effect of the invalid, illegal or unenforceable provision.

A6. Assignment of Contract

Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

A7. Waiver

- a. No act or omission of either Party shall by itself amount to a waiver of any right or remedy unless expressly stated by that Party in writing. In particular, no reasonable delay in exercising any right or remedy shall by itself constitute a waiver of that right or remedy.
- b. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy.

A8. Third Party Rights

Notwithstanding anything to the contrary elsewhere in the Contract, no right is granted to any person who is not a Party to the Contract to enforce any term of the Contract in its own right and the Parties to the Contract declare that they have no intention to grant any such right.

A9. Governing Law

- a. Subject to clause A9.b, the Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English Law, and subject to clause A9.b and condition A21 (Dispute Resolution) and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the English courts. Other jurisdictions may apply solely for the purpose of giving effect to this clause A9.a and for enforcement of any judgement, order or award given under English jurisdiction.

- b. If the Parties agree pursuant to the Contract that Scots Law should apply, then the following amendments shall apply to the Contract:

- (1) Clause A9.a shall be amended to read:

“The Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with Scots Law, and subject to condition A21 (Dispute Resolution) and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the Scottish courts. Other jurisdictions may apply solely for the purpose of giving effect to this clause A9.a and for enforcement of any judgement, order or award given under Scottish jurisdiction”;

- (2) Clause A21.b shall be amended to read:

“In the event that the dispute or claim is not resolved pursuant to clause A21.a the dispute shall be referred to arbitration. Unless otherwise agreed in writing by the Parties, the arbitration and this clause A21.b shall be governed by the Arbitration (Scotland) Act 2010. The seat of the arbitration shall be Scotland. For the purposes of the arbitration, for the avoidance of doubt, the tribunal shall have the power to make provisional awards pursuant to Rule 53 of the Scottish Arbitration Rules, as set out in Schedule 1 to the Arbitration (Scotland) Act 2010.”

- c. Where the Contractor is an Overseas Contractor, any dispute arising out of or in connection with the Contract shall be determined within the English jurisdiction and to the exclusion of all foreign jurisdictions. However, a foreign jurisdiction may apply solely for the purposes of giving full effect to this condition A9 and for the enforcement of any judgement order or award given under the English jurisdiction. Each Party irrevocably submits to the jurisdiction provided for under this condition.

- d. Each Party warrants to each other that entry into the Contract does not, and the performance of the Contract will not, violate or conflict with any provision of law, statute, rule, regulation, judgement, writ, injunction, decree or order applicable to it. Each Party also warrants that the Contract does not conflict with or result in a breach or termination of any

provision of, or constitute a default under any mortgage, contract or other liability, charge or encumbrance upon any of its properties or other assets.

e. The provisions of this condition A9 shall survive any termination of the Contract for any reason whatsoever and shall remain fully enforceable between the Parties notwithstanding such a termination.

f. Where the Contractor is an Overseas Contractor it irrevocably appoints the solicitors or other persons detailed in Schedule 3 (Contract Data Sheet) as its agents to accept on its behalf service of all process and other documents of whatever description to be served on the Contractor in connection with any litigation or arbitration within the English jurisdiction (or Scottish jurisdiction where the Parties agree pursuant to this Contract that Scots Law should apply) arising out of or relating to the Contract or any issue connected therewith.

A10. Entire Agreement

This Contract constitutes the entire agreement between the Parties relating to the subject matter of the Contract. The Contract supersedes, and neither Party has relied upon, any prior negotiations, representations and undertakings, whether written or oral, except that this condition shall not exclude liability in respect of any fraudulent misrepresentation.

A11. Disclosure of Information

a. Subject to clauses A11.d, A11.e, A11.h and A14 each Party:

- (1) shall treat in confidence all Information it receives from the other;
- (2) shall not disclose any of that Information to any third party without the prior written consent of the other Party, which consent shall not unreasonably be withheld, except that the Contractor may disclose Information in confidence, without prior consent, to such persons and to such extent as may be necessary for the performance of the Contract;
- (3) shall not use any of that Information otherwise than for the purpose of the Contract; and
- (4) shall not copy any of that Information except to the extent necessary for the purpose of exercising its rights of use and disclosure under the Contract.

b. The Contractor shall take all reasonable precautions necessary to ensure that all Information disclosed to the Contractor by or on behalf of the Authority under or in connection with the Contract:

- (1) is disclosed to its employees and Subcontractors, only to the extent necessary for the performance of the Contract; and
- (2) is treated in confidence by them and not disclosed except with the prior written consent of the Authority or used otherwise than for the purpose of performing work or having work performed for the Authority under the Contract or any subcontract.

c. The Contractor shall ensure that its employees are aware of the Contractor's arrangements for discharging the obligations at clauses A11.a and A11.b before receiving Information and shall take such steps as may be reasonably practical to enforce such arrangements.

d. Clauses A11.a and A11.b shall not apply to any Information to the extent that either Party:

- (1) exercises rights of use or disclosure granted otherwise than in consequence of, or under, the Contract;
- (2) has the right to use or disclose the Information in accordance with other Conditions of the Contract; or
- (3) can show:
 - (a) that the Information was or has become published or publicly available for use otherwise than in breach of any provision of the Contract or any other agreement between the Parties;
 - (b) that the Information was already known to it (without restrictions on disclosure or use) prior to receiving the Information under or in connection with the Contract;
 - (c) that the Information was received without restriction on further disclosure from a third party which lawfully acquired the Information without any restriction on disclosure; or
 - (d) from its records that the same Information was derived independently of that received under or in connection with the Contract;

provided that the relationship to any other Information is not revealed.

e. Neither Party shall be in breach of this condition where it can show that any disclosure of Information was made solely and to the extent necessary to comply with a statutory, judicial or parliamentary obligation. Where such a disclosure is made, the Party making the disclosure shall ensure that the recipient of the Information is made aware of and asked to respect its confidentiality. Such disclosure shall in no way diminish the obligations of the Parties under this condition.

f. The Authority may disclose the Information:

- (1) on a confidential basis to any central government body for any proper purpose of the Authority or of the relevant central government body, which shall include: disclosure to the Cabinet Office and / or HM Treasury for the purpose of ensuring effective cross-Government procurement processes, including value for money and related purposes;

- (6) on a confidential basis to a proposed body in connection with any assignment, novation or disposal of any of its rights, obligations or liabilities under the Contract;

and for the purposes of the foregoing, references to disclosure on a confidential basis shall mean disclosure subject to a confidentiality agreement or arrangement containing terms no less stringent than those placed on the Authority under this condition.

g. Before sharing any Information in accordance with sub-clause A11.f above, the Authority may redact the Information. Any decision to redact information made by the Authority shall be final.

h. The Authority shall not be in breach of the Contract where disclosure of Information is made solely and to the extent necessary to comply with the Freedom of Information Act 2000 (the "Act") or the Environmental Information Regulations 2004 (the "Regulations"). To the extent permitted by the time for compliance under the Act or the Regulations, the Authority shall consult the Contractor where the Authority is considering the disclosure of Information under the Act or the Regulations and, in any event, shall provide prior notification to the Contractor of any decision to disclose the Information. The Contractor acknowledges and accepts that its representations on disclosure during consultation may not be determinative and that the decision whether to disclose Information in order to comply with the Act or the Regulations is a matter in which the Authority shall exercise its own discretion, subject always to the provisions of the Act or the Regulations.

i. Nothing in this condition shall affect the Parties' obligations of confidentiality where Information is disclosed orally in confidence.

A12. Publicity and Communications with the Media

The Contractor shall not, and shall ensure that any employee or Subcontractor shall not, communicate with representatives of the press, television, radio or other media on any matter concerning the Contract unless the Authority has given its prior written consent.

c. The Authority may consult with the Contractor before redacting any Information from the Transparency Information in accordance with clause A14.b. The Contractor acknowledges and accepts that its representations on redactions during consultation may not be determinative and that the decision whether to redact Information is a matter in which the Authority shall exercise its own discretion, subject always to the provisions of the Freedom of Information Act 2000 or the Environmental Information Regulations 2004.

d. For the avoidance of doubt, nothing in this condition A14 shall affect the Contractor's rights at law.

A15. Equality

A17. Subcontracting

a. Subcontracting any part of the Contract shall not relieve the Contractor of any obligation, duty or liability attributable to the Contractor under the Contract.

b. The Contractor shall ensure, to the extent that they are applicable, that the Conditions of the Contract are reflected in any subcontracts for any part of the Contractor Deliverables.

c. In all circumstances the Contractor shall ensure that all subcontracts in relation to this Contract include:

(1) a requirement that either party to the subcontract may release to the Authority any of those parts of the subcontract documentation as are necessary to demonstrate the Contractor's compliance with the provisions of the Contract and that any such release shall not amount to a breach of any provision of confidentiality contained within the subcontract; and

(2) a term which requires payment to be made to the Subcontractor within a specified period not exceeding thirty (30) calendar days from receipt of a valid and undisputed invoice as defined by the subcontract requirements.

d. The Contractor shall not be required to submit any notice which is unlawful or is in breach of either any pre-existing non-disclosure agreement or any regulations governing the change of Control of the Contractor in the UK or other jurisdictions. The Authority's Representative shall consider the potential change of Control and advise the Contractor in writing of any concerns that the Authority may have.

b. Each notice of change of Control shall be taken to apply to all contracts with the Authority.

c. The Authority may, acting reasonably, terminate the Contract by giving written notice to the Contractor within six (6) months of the Authority being notified or becoming aware that the Contractor has undergone a change of Control where the Contractor has failed to address the Authority's concerns to the Authority's satisfaction in accordance with clause A18.a, or has failed to supply or withheld the Information required under clause A18.a.

d. If the Authority exercises its right to terminate in accordance with clause F1.a.(4) the Contractor shall be entitled to request the Authority to consider making a payment to represent any commitments, liabilities or expenditure which are reasonable and properly chargeable by the Contractor in connection with the Contract and which would otherwise represent an unavoidable loss by the Contractor by reason of the termination of the Contract.
