Q9 If you could design your own park, what would you put in it?

Word Cloud

area assault balance **bars** basket basketball benches bike bridge bridges cafe castle **children**
climb climbing equipment **frame** frames good green gym
helter high house lots monkey nets obstacle older outdoor **park** pirate play
pool rope ropes **roundabout** ship skate skelter **slide** slides slides small
space spinning swimming swing **swings** track trampoline tunnels
variety wall water **wire** wobbly wooden **Zip** zipwire

Q10 Any other comments?

- 1 A keep fit area /outdoor gym would be good then everyone could use it not just the kids
- 2 Something for all children - 1 - 16years+
Can't wait. It's been a shame to not have the space filled at Sunnyside since the middle slide was removed.
- 3 Park facilities are not just for children.
Sunny side play area needs updating and making better and safer for those playing incase of trip or fall
- 4 A keep fit circuit alongside the park as in Watlington
Please put as many things in Sunnyside as there are at Crowmarsh but please don't get rid of the helter skelter.
- 5 Put more dog poo bins!
Seasaw, roundabout , please keep curly slide as in summer metal slides get very hot and cant play on,
Expand the size of park
- 6 Tunnels to climb through (all ages)
- 7 Would be nice if sunnyside had a zio wire.
I feel Benson Park is well behind with a refurb. When we have a massive development now in full swing and more and more people...it just doesn't cut it. It doesn't live up to local parks at all. So much for cala putting back into the community... I've yet to see anything beneficial to the village at all. If they had anything about them they would be paying for an all singing, all dancing park for the children of their overpriced houses to play on at least 😞
- 8 South stoke park is also great and lots of room and safe to play in.
- 9 Please consider all ages of children rather than just the younger ones
Please can you put a pump track in benson. Lots of my friends have never been on one and it's the best way of developing your bike skills.
- 10 Safety flooring

Q10 Any other comments?

16 I don't like the rubber ground at the Henley park and all the stuff there is for tiny
babies. I like the adventure park at Henley because it's all wood and is scary to climb. I
like playing with water and sand but most of all I like climbing trees, hiding in caves and
making up games with my friends

17 Slide

18 We live in Benson and use sunnyside a lot but my favourite is Crowmarsh Park as it has
a lot more to do.

19 A cricket area would also be great with cricket nets.

20 Grass not rubber surface. Wood and metal play equipment.

A cafe and enough seating / picnic benches for parents.

No dogs in the area at all.

21 Plenty of bins.

Sunnyside is for very small kids

Park isn't very clean and well kept

22 It's not painted regularly and when it is they didn't have signs and ruined my favourite
hoody

Excited to have a new park in Benson soon!

23 Thank you for asking people's opinions :-)

24 Please can you make Sunnyside better soon. I love the helter skelter slide but now the
bigger of the two castles has gone I don't have many things there that I want to play on

25 Sunnyside v accessible, needs a revamp 😊

26 Please make our park better!

27 Looking forward to seeing the new park soon.

There needs to be areas for mixed ages so teenagers don't hang around in the park.

28 Perhaps a skate park for the older ages. Or large play equipment

we do not need just a play park, we need to think of all children of all ages, a bike track
would be great for children to lean to ride their bikes, an astro turf all weather pitch
would be idea for football and hockey players. Decent equipment that is well thought
out including landscaping to make it interesting to play in, including cubby holes and
simple stuff that make a huge difference

29

Q10 Any other comments?

We are looking forward to a new playground!!

Will miss the helter skelter but time for a change :)

- 30 Would be great to have a wooden more natural playground rather than metal
We would really appreciate a concerted and enforced approach to the lazy car drivers
31 who think it fine to drive all over St Helens Ave play park without conscience.
32 Please don't get rid of the helter skelter
Picnic benches are a nice idea, lots of low level climbing etc and things that children can
do by themselves are always great so they can play when parents are looking after
33 more than one child!
I liked the tunnels in the thing that has been taken away from Sunnyside. This was ages
34 ago, I really hope something like that or better can be put back on soon
An area where little ones can play safely is the biggest thing - it feels very unsafe for
them at the current one and going to places like Henley where the flooring and
equipment is all designed for safety is a much nicer experience for them and they can
play and climb more.
- 35 Zip wires are also popular!
36 The new Crowmarsh park is really good
37 Make it fun for all our friends of all ages
38 use environmentally friendly materials
39 make it really big
40 any age allowed on everything
41 a 4g football pitch with fixed goals
we need things to play on for all ages of children please. we don't find sunnyside much
42 fun now as there isn't much to play on compared to other playgrounds
I like when playgrounds are kept clean and tidy and nothing is broken. I don't like when
teenagers hog the equipment so I cant play. I like having somewhere we can sit and
43 have a picnic

Q10 Any other comments?

favourite park ever is Pittville Park in Cheltenham. It has nets and wobble bridges and

44 big slides, an all weather surface

45 can the park be big please, not like a small park

46 toilets

47 a nandos and a cafe

48 KFC. bring your pet to school day

49 no dogs

50 make it for older kids

51 sunnyside is for babies

52 Please make the playground good for older children as well as little ones
