

VIRTUAL MARKET ENGAGEMENT EVENT FOR THE PROVISION OF HARINGEY STREET OUTREACH SERVICE

Haringey Council (“the Council”) is in process of re-commissioning the provision of Haringey Street Outreach service.

This Street Outreach service will provide intensive trauma-informed outreach support to people aged 18 and over who are rough sleeping or at risk of rough sleeping in Haringey. The service will be flexible and responsive to the multiple needs of service users, people who may be at risk of offending, have substance use issues, mental health problems and/or have intersectional needs or have displayed anti-social behaviour.

The service will work alongside our homelessness hub Mulberry Junction and Health Inclusion team. The service will operate a flexible delivery model and provide support that offers people a personalised pathway away from homelessness, which builds on their strengths to prevent and reduce rough sleeping in the future.

The Council is committed to working with the marketplace to maximise the commissioning opportunities to be gained under this contract and therefore would like to invite interested providers to attend pre-tender Market Engagement Event.

This event will be held virtually via **Microsoft Teams** on:

Date: **Tuesday, 27th June 2023**

Time: **14:00 GMT**

The market engagement event will include a presentation of the Council’s commissioning intentions, overview of the anticipated requirements and the proposed procurement process. It will also offer potential service providers the opportunity to raise any questions or present any views prior to proceeding to the ‘Invitation to Tender’ phase of our commissioning programme. We therefore encourage Commercial, SMEs, Voluntary and Community Sector organisations, new and existing providers who delivers Housing Related Support Services to attend the event and provide feedback/share views.
