NB: Those items of GFE marked with an asterisk (*) are subject currently to loan 141505 with Leonardo MW Ltd, and have been consumed under that agreement as of 14/02/2019. The agreement allows Leonardo MW Ltd to consume additional gyros in accordance with its terms. Upon replenishment, Leonardo MW Ltd are to inform the Authority of the serial numbers of the new gyros replacing those consumed, in order to update this Schedule 10.
