## **Schedule 1**

### **Key Provisions**

*Guidance: These Key Provisions enable the Authority to complete project specific details and to add any optional and/or extra provisions applicable to the relevant project.*

#### **Standard Key Provisions**

##### **1 Application of the Key Provisions**

- 1.1 The standard Key Provisions at Clauses 1 to 7 of this Schedule 1 shall apply to this Contract.
- 1.2 The optional Key Provisions at Clauses 8 to 31 of this Schedule 1 shall only apply to this Contract where they have been checked and information completed as applicable.
- 1.3 Extra Key Provisions shall only apply to this Contract where such provisions are set out at the end of this Schedule 1.

##### **2 Term**

- 2.1 This Contract shall commence on the Commencement Date and the Term of this Contract shall expire **[insert date]** years from **[the Actual Supply of Goods Commencement Date/the Actual Services Commencement Date]**. The Term may be extended in accordance with Clause 15.2 of Schedule 2 provided that the duration of this Contract shall be no longer than **[insert number of years]** years in total.

*Guidance: Insert the initial term in the second line and the maximum term including all extensions in the fourth line. Do remember that the initial term and maximum term must be consistent with the OJEU contract notice.*

*Note that the term runs from the date when either the supply of the Goods or the provision of the Services actually commences. You will need to decide which is the appropriate date – from when the Goods start to be delivered or the Services start to be provided. In most circumstances it will be the first in time of either of these.*

*The above approach has been adopted as it will mean that any delay in commencement of supply does not have the effect of shortening the contract term. However, it may be that for some projects you want the supply of Goods and provision of Services to start and/or end on a particular date or event. Where this is the case, this Key Provision can be amended accordingly.*

##### **3 Contract Managers**

- 3.1 The Contract Managers at the commencement of this Contract are:

- 3.1.1 for the Authority:

**[insert name and role]**

- 3.1.2 for the Supplier:

**[insert name and role].**

*Guidance: This Clause sets out the name of the contract manager for each party. Insert the name and role of the Authority's contract manager. At the tender stage you will not know who the Supplier is so Clause 3.1.2 cannot be completed until preparation of the final contract for signature.*

## **4 Names and addresses for notices**

4.1 Notices served under this Contract are to be delivered to:

4.1.1 for the Authority:

**[complete name and/or role and address]**

4.1.2 for the Supplier:

**[complete name and/or role and address].**

*Guidance: This Clause sets out the name of each party's recipient of notices from the other party and is relevant to the issuing of formal communications under the Contract. Insert the name and address of the Authority's recipient of notices. At the tender stage you will not know who the Supplier is so Clause 4.1.2 cannot be completed until preparation of the final contract for signature. You may prefer to insert the role of the recipient (e.g. Finance Director) rather than an actual name.*

## **5 Management levels for escalation and dispute resolution**

5.1 The management levels at which a Dispute may be dealt with as referred to as part of the Dispute Resolution Procedure are as follows:

<b>Level</b>	<b>Authority representative</b>	<b>Supplier representative</b>
1	<b>[Contract Manager]</b>	<b>[Contract Manager]</b>
<b>[2]</b>	<b>[insert role]</b>	<b>[insert role]</b>
<b>[3]</b>	<b>[insert role]</b>	<b>[insert role]</b>

*Guidance: The Dispute Resolution Procedure sets out an internal process for dealing with Disputes. In Clause 5.1 above you must insert the number of internal levels and the name and/or role of the person who will deal with a Dispute at each level. You may include as many levels as appropriate to the project. The purpose of having a number of levels is to ensure all internal avenues of resolution have been exhausted before a Dispute is dealt with by an external third party.*

*Under Authority representative insert the appropriate details. Also consider how many levels are appropriate to your individual project. At the tender stage you will not know who the Supplier is so the Supplier Representatives cannot be completed until preparation of the final contract for signature.*

## **6 Order of precedence**

6.1 Subject always to Clause 1.10 of Schedule 4, should there be a conflict between any other parts of this Contract the order of priority for construction purposes shall be:

- 6.1.1 the provisions on the front page of this NHS Contract for the Supply of Goods and the Provision of Services (Contract Version);
  - 6.1.2 Schedule 1: Key Provisions;
  - 6.1.3 Schedule 5: Specification and Tender Response Document (but only in respect of the Authority's requirements);
  - 6.1.4 Schedule 2: General Terms and Conditions;
  - 6.1.5 Schedule 6: Commercial Schedule;
  - 6.1.6 Schedule 3: Information Governance Provisions;
  - 6.1.7 Schedule 7: Staff Transfer;
  - 6.1.8 Schedule 4: Definitions and Interpretations;
  - 6.1.9 the order in which all subsequent schedules, if any, appear; and
  - 6.1.10 any other documentation forming part of the Contract in the date order in which such documentation was created with the more recent documentation taking precedence over older documentation to the extent only of any conflict.
- 6.2 For the avoidance of doubt, the Specification and Tender Response Document shall include, without limitation, the Authority's requirements in the form of its specification and other statements and requirements, the Supplier's responses, proposals and/or method statements to meet those requirements, and any clarifications to the Supplier's responses, proposals and/or method statements as included as part of Schedule 5. Should there be a conflict between these parts of the Specification and Tender Response Document, the order of priority for construction purposes shall be (1) the Authority's requirements; (2) any clarification to the Supplier's responses, proposals and/or method statements, and (3) the Supplier's responses, proposals and/or method statements.

*Guidance: Key Provision 6 addresses the order of precedence of various parts of the Contract for construction purposes. This should be carefully checked to confirm that it is appropriate for the particular Contract with any changes made accordingly.*

## **7 Application of TUPE at the commencement of the provision of Services**

- 7.1 [The Parties agree that at the commencement of the provision of Services by the Supplier, TUPE and the Cabinet Office Statement shall not apply so as to transfer the employment of any employees of the Authority or a Third Party to the Supplier and the provisions of Schedule 7 shall apply.] [The Parties agree that the commencement of the provision of the Services under this Contract shall give rise to a relevant transfer as defined in TUPE and the provisions of Schedule 7 shall apply to such transfer.]

Guidance: Key Provision 7 addresses whether any staff will transfer to the Supplier. There are alternative clauses and one of these needs to be adopted. If no staff will transfer on the commencement of the Services delete the second sentence in square brackets and remove the square brackets from the first sentence. If staff will transfer on the commencement of the Services delete the first sentence in square brackets and remove the square brackets from the second sentence. The notes at Schedule 7 then detail how to prepare that schedule accordingly.

## **Optional Key Provisions**

Guidance: These optional Key Provisions enable the Authority to:

(a) vary some of the default provisions in Schedule 2 as appropriate to the particular project (e.g. Key Provision 12 allows for the insurance levels and/or types to be varied from the default position set out in Clause 14 of Schedule 2); and

(b) add provisions relevant to a particular project that are not part of the default provisions in Schedule 2 (e.g. there is an option to add further Authority obligations).

If any of the optional Key Provisions apply, this must be indicated in the draft contract issued at the tender stage by checking the boxes, completing the text in square brackets as appropriate and adding any required schedules. If a clause does not apply, leave the relevant box blank.

### **8 Implementation phase ☐ (only applicable to the Contract if this box is checked and the Schedule inserted)**

8.1 Prior to commencement of delivery of Goods and/or provision of the Services, there is an implementation phase and therefore all references in Schedule 2 to the Implementation Plan shall apply and the Implementation Plan is set out in Schedule **[insert schedule number]**.

Guidance: For some projects there will be an implementation phase before delivery of the Goods and/or provision of the Services commences. If your project has an implementation phase check the box above and insert a Schedule number in this Clause and a corresponding numbered Schedule at the back of the Contract called "Implementation Plan". The actual plan will be inserted at contract signature although you may want to issue a provisional timetable with the tender documentation.

You must then refer to this Schedule in the Table of Schedules on the front page of this Contract.

### **9 Supply of Goods Commencement Date/Services Commencement Date (where the supply of Goods and/or provision of Services are to start at a date after the Commencement Date) ☐ (only applicable to the Contract if this box is checked and the dates are inserted in Clause 9.1 of this Schedule 1)**

9.1 The **[Supply of Goods Commencement Date shall be [insert date]/ Services Commencement Date shall be [insert date]]**. The Long Stop Date referred to in Clause 15.5.1 of Schedule 2 shall be **[insert date]**.

Guidance: If the supply of Goods and/or the provision of the Services is to start at a date after the date the Contract is signed, this must be stated in this Clause. This will apply, for example, if there is an implementation phase. If this applies, then check the box above and insert the date supply of the Goods and/or provision of the Services will commence.

Where supply of the Goods and/or provision of the Services commences after the date of the Contract, it is advisable to include a Long Stop Date. If the Supplier has not started to supply the

Goods and/or provide the Services by the Long Stop Date (which will be some weeks after the Supply of Goods Commencement Date/Services Commencement Date) it then entitles you to terminate the Contract (see Clause 15.5.1 of Schedule 2).

**10 Induction training for Services ☐ (only applicable to the Contract if this box is checked)**

10.1 The Supplier shall ensure that all Staff complete the Authority's induction training. All Staff shall complete the training prior to the Actual Services Commencement Date (or immediately following the Services Commencement Date where this date is the date of this Contract) and all new Staff appointed throughout the Term shall also complete the training. The Supplier shall further ensure that all Staff complete any extra training that the Authority makes available to its own staff and notifies the Supplier in writing that it is appropriate for the Staff.

*Guidance: If you require staff of the Supplier to undertake training provided by the NHS, check the box above. This may apply when the Services are provided on site and staff of the Supplier may require training in any site specific policies or procedures.*

**11 Quality assurance standards ☐ (only applicable to the Contract if this box is checked and the standards are listed)**

11.1 The following quality assurance standards shall apply, as appropriate, to the manufacture, supply and/or installation of the Goods and/or the provision of the Services: **[insert standards]**.

*Guidance: If you have any project specific quality assurance requirements, such as compliance with and maintenance of ISO 9001, check the box above and insert the requirements in the second line.*

**12 Different levels and/or types of insurance ☐ (only applicable to the Contract if this box is checked and the table sets out the requirements)**

12.1 The Supplier shall put in place and maintain in force the following insurances with the following minimum cover per claim:

Type of insurance required	Minimum cover
<b>[Employer's Liability]</b>	<b>[ ]</b>
<b>[Public Liability]</b>	<b>[ ]</b>
<b>[Product liability insurance]</b>	<b>[ ]</b>
<b>[Professional Indemnity]</b>	
<b>[Insert other types of insurance as appropriate]</b>	<b>[ ]</b>

*Guidance: This Clause relates to Clause 14 of Schedule 2. Clause 14.1 of Schedule 2 requires the Supplier to have in place a minimum level of cover per claim of the greater of five million pounds (£5,000,000) or any sum as required by law in respect of employer's liability, public liability, professional indemnity, and product liability insurance. If this default position is not appropriate in relation to the nature and risks of the particular project, you need to check the box above and insert in the table what different types and/or levels of insurance the Supplier must have in place.*

**13 Further Authority obligations ☐ (only applicable to the Contract if this box is checked and the Schedule inserted)**

**13.1** The Authority's Obligations are set out in Schedule **[insert schedule number]**.

*Guidance: For some procurements, for example large outsourcing projects, there will be specific responsibilities on and requirements of your own staff. These could include individuals working alongside the Supplier's staff to develop processes or to ensure the Supplier's staff have an understanding of current systems and processes. Alternatively, where prototypes or samples of any Goods are to be reviewed as part of the manufacturing process this may involve your own staff working alongside the supplier's staff to review and comment on such prototypes/samples. If there are specific responsibilities on your own staff it is important to include these in a Schedule. This will help to avoid arguments, if implementation of the Services or delivery of the Goods is late, as to who is responsible for any delay.*

*If there will be specific responsibilities on your staff check the box above and insert a Schedule number in this Clause and a numbered Schedule at the back of the Contract called "Authority's Obligations". The detailed obligations may need to be inserted at contract signature although you may want to outline these at the time of issue of the tender documentation.*

*You must then refer to this Schedule in the Table of Schedules on the front page of this Contract.*

**14 Assignment of Intellectual Property Rights in deliverables, materials and outputs of the Services ☐ (only applicable to the Contract if this box is checked)**

**14.1** The Supplier confirms and agrees that all Intellectual Property Rights in and to the deliverables, material and any other output developed by the Supplier as part of the Services in accordance with the Specification and Tender Response Document, shall be owned by the Authority. The Supplier hereby assigns with full title guarantee by way of present and future assignment all Intellectual Property Rights in and to such deliverables, material and other outputs. The Supplier shall ensure that all Staff assign any Intellectual Property Rights they may have in and to such deliverables, material and other outputs to the Supplier to give effect to Clause 14 of this Schedule 1 and that such Staff absolutely and irrevocably waive their moral rights in relation to such deliverables, material and other outputs. Clause 14 of this Schedule 1 shall continue notwithstanding the expiry or earlier termination of this Contract.

*Guidance: Schedule 2 is structured so that the Supplier owns any intellectual property rights in the output of the Services and the Authority is granted a licence of the necessary usage rights. For most projects this will be the approach that attracts the most suppliers to bid and provides best value for money.*

*In exceptional circumstances, it may be appropriate for your contracting authority to own the intellectual property rights in the outputs of the Services. For example, if the Supplier is developing a bespoke approach to service delivery based on your specification, you may wish to have the rights to*

commercially exploit the outputs of this work, and the price for the Services will reflect this position. If there will be intellectual property created as part of the Services and it is appropriate for you to own such rights, check the box above. This does not transfer to your contracting authority any intellectual property rights in the Goods.

**15 Inclusion of a Change Control Process ☐ (only applicable to the Contract if this box is checked and the Schedule inserted)**

- 15.1 Any changes to this Contract, including to the Goods and/or Services, may only be agreed in accordance with the Change Control Process set out in Schedule **[insert schedule number]**.

*Guidance: Clause 21 of Schedule 2 states that any changes to the Goods, Services or other parts of the Contract can only be implemented if agreed between the Authority and the Supplier. In large projects where complex changes may be required then a more detailed change control process might be appropriate. Where you require a detailed change control process, check the box above and insert a Schedule number in this Clause and a corresponding numbered Schedule at the back of the Contract called "Change Control Process".*

*You must then refer to this Schedule in the Table of Schedules on the front page of this Contract.*

**16 Authority step-in rights ☐ (only applicable to the Contract if this box is checked and the Schedule inserted)**

- 16.1 If the Supplier is unable to provide the Services then the Authority shall be entitled to exercise Step In Rights set out in Schedule **[insert schedule number]**.

*Guidance: Exceptionally, for certain types of business critical services, if the Supplier cannot provide the Services or fails to provide them to an acceptable standard, you may want the right to step into the position of the Supplier to provide the Services yourself or to appoint a third party to do so.*

*Before including this right in the Contract you need to consider if in practice it is possible to step into the shoes of the Supplier and provide the Services yourself or through a third party. If not, the inclusion of this right may attract a pricing premium from suppliers to account for the risk of step in being triggered, but with no corresponding benefit as the right is unlikely to be used.*

*Where step in rights are considered proportionate to the risks of critical service failure and are thought to be a realistic, practical and a value for money solution to mitigating these risks, check the box above and insert a Schedule number in this Clause and a numbered Schedule at the back of the Services Contract called "Step in Rights". This Schedule must include the rights required and set out how the step-in process will operate.*

*You must then refer to this Schedule in the Table of Schedules on the front page of this Contract.*

**17 Grant of lease or licence ☐ (only applicable to the Contract if this box is checked)**

- 17.1 Promptly following execution of this Contract, the Supplier shall enter into the **[lease/licence]**. Failure to comply with this Key Provision shall be an irremediable breach of this Contract.

*Guidance: Clause 4 of Schedule 2 allows for the Supplier to have general access to the Authority's premises and locations within such premises to provide the Services.*

*Depending on the type of services being provided, the Supplier may need to be granted rights to occupy certain premises and/or locations. If this is the case you will need to decide if this is by way of a lease or a licence (see Clause 4.4 of Schedule 2), check the box above and insert a Schedule number in this Clause and a numbered Schedule at the back of the Contract called "Form of [Lease/Licence]".*

*You must then refer to this Schedule in the Table of Schedules on the front page of this Contract.*

*The lease or licence should be issued with the tender documentation.*

**18 Guarantee ☐ (only applicable to the Contract if this box is checked)**

- 18.1 Promptly following the execution of this Contract, the Supplier shall, if it has not already delivered an executed deed of guarantee to the Authority, deliver the executed deed of guarantee to the Authority as required by the procurement process followed by the Authority. Failure to comply with this Key Provision shall be an irremediable breach of this Contract.

*Guidance: If you require that a third party guarantees the Supplier's performance, this must be in the tender documentation and you should check the box above. This Clause then protects your NHS body should signature of the guarantee be delayed.*

**19 Supplier as Data Processor ☐ (only applicable to the Contract if this box is checked)**

- 19.1 The Parties acknowledge that the Authority is the Controller and the Supplier is the Processor in respect of Personal Data Processed under this Contract and that paragraph 2.2 of Schedule 3 and the provisions of the Data Protection Protocol must be complied with by the Parties as a term of this Contract.

*Guidance: If the Supplier is processing personal data as part of the supply of the Goods and/or the provision of the Services and doing so on your behalf as a data processor you should check the above box and prepare a Data Protection Protocol based on the template that can be found at [\[insert link to template\]](#). The Data Protection Protocol should then be included as part of the Contract as an annex to Schedule 3.*

**20 Purchase Orders ☐ (only applicable to the Contract if this box is checked)**

- 20.1 The Authority shall issue a Purchase Order to the Supplier in respect of any Goods and/or Services to be supplied to the Authority under this Contract. The Supplier shall comply with the terms of such Purchase Order as a term of this Contract. For the avoidance of doubt, any actions or work undertaken by the Supplier under this Contract prior to the receipt of a Purchase Order covering the relevant Goods and/or Services shall be undertaken at the Supplier's risk and expense and the Supplier shall only be entitled to invoice for Goods and/or Services covered by a valid Purchase Order.

*Guidance: If your financial systems and/or governance arrangements require you to issue a purchase order to the Supplier prior to the commencement of delivery of the Goods and/or Services as is good*

practice, then this Clause is needed to set out the timing and status of these purchase orders and the box above should be checked accordingly.

**21 Monthly payment profile ☐ (only applicable to the Contract if this box is checked)**

21.1 The payment profile for this Contract shall be monthly in arrears.

*Guidance: If the payment profile for invoicing purposes is to be monthly in arrears, this Clause should be included for the purposes of Clause 9.3 of Schedule 2 and the box above checked accordingly. Otherwise, the Supplier may invoice either at any point following the supply of the Goods and/or Services in compliance with the Contract or as set out in the Commercial Schedule at Schedule 6.*

**22 Termination for convenience ☐ (only applicable to the Contract if this box is checked and Clause 22.1 of this Schedule 1 is completed)**

22.1 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier at any time on **[one (1)/three (3)/six (6) months']** written notice. **[Such notice shall not be served within one (1) year of the [insert date]].**

22.2 **[Should the Authority terminate this Contract in accordance with Clause 22.1 of this Schedule 1, then the Authority shall pay to the Supplier the termination sum calculated in accordance with Schedule [insert schedule number]].**

*Guidance: This Clause entitles you, as the Authority, to terminate the Contract for no reason on a given period of notice (e.g. 1 month, 3 months or 6 months), as proportionate to the particular Goods or Services. Where it is important for NHS bodies to have this flexibility in contracts, for example when you are anticipating potential business change, this Clause can be used and the box above checked accordingly. The Clause should not be used as a matter of course, but exceptionally where the contracting authority considers that such flexibility is reasonable and proportionate in the given circumstances.*

*You can provide that this right commences after the Goods and/or Services have been supplied for twelve months or a longer period where this is considered reasonable to give the Supplier at least some certainty at the start of the Contract. The relevant part of the highlighted text can be retained or deleted accordingly.*

*For some contracts, particularly where there is an initial investment from the Supplier which will be recovered in monthly charges over the contract term, Suppliers will expect to be able to recover some costs should you terminate without cause. This is reasonable and if this is not included you may find that the price of the contract is higher than anticipated to offset this risk.*

*Where it is appropriate for the contracting authority to pay certain costs should you terminate without cause, you will need to include the highlighted text at Clause 22.2 above (and remove the brackets) referring to this and set out in Schedule 6 what these costs will cover and how these costs will be calculated. If for your project it would not be appropriate to pay such costs, delete Clause 22.2 from the Key Provisions, but retain Clause 22.1.*

**23 Pre-Acquisition Questionnaire ☐ (only applicable to the Contract if this box is checked)**

23.1 The Supplier warrants and undertakes that its responses to the Pre-Acquisition Questionnaire issued by the Authority are correct and will remain correct and binding

on the Supplier until no longer applicable notwithstanding any earlier expiry or termination of this Contract. The Supplier further warrants and undertakes to the Authority that it will inform the Authority in writing immediately upon becoming aware that the foregoing warranty and undertaking in this Clause 23.1 of this Schedule 1 has been breached or there is a risk that it may be breached. Should the Supplier be in breach of this warranty, the Supplier shall take all such actions necessary to put the Authority in such a position as if the Supplier had continued to comply fully with the warranty.

*Guidance: If you have asked suppliers to complete a Pre-Acquisition Questionnaire to provide information about the goods being considered for purchase, then this Clause is needed to ensure that the Supplier will be bound by any responses it provided in the Pre-Acquisition Questionnaire and the box above should be checked accordingly. If suppliers have not completed a Pre-Acquisition Questionnaire then this Clause is not required.*

**24 Time of the essence ☐ (only applicable to the Contract if this box is checked)**

24.1 Time is of the essence as to any delivery dates in respect of the Goods under this Contract and if the Supplier fails to meet any such delivery date this shall be deemed to be a breach incapable of remedy for the purposes of Clause 15.4(i) of Schedule 2.

*Guidance: This Clause can be used where, exceptionally, the delivery dates under the particular contract are critical and you require the right to terminate the Contract if such dates are not met. Where time of the essence is required, this clause should be checked.*

**25 Specific time periods for inspection ☐ (only applicable to the Contract if this box is checked and Clause 25.1 of this Schedule 1 is completed)**

25.1 For the purposes of Clause 3.2 of Schedule 2, the Authority shall visually inspect the Goods within **[insert time period during which any inspection must be carried out]** of the date of delivery of the relevant Goods.

*Guidance: If you are to visually inspect the Goods within a fixed period of time for the purposes of Clause 3.2 of Schedule 2 (e.g. to reflect market practice in certain industry sectors), this Clause should be checked and the time period inserted as indicated.*

**26 Specific time periods for rights and remedies under Clause 3.6 of Schedule 2 ☐ (only applicable to the Contract if this box is checked and Clause 26.1 of this Schedule 1 is completed)**

26.1 The Authority's rights and remedies under Clause 3.6 of Schedule 2 shall cease **[insert period – e.g. 12 months]** from the date of delivery of the relevant Goods.

*Guidance: If the Authority's rights under Clause 3.6 of Schedule 2 in relation to defective goods are to be limited to a fixed time period for the purposes of Clause 3.8 of Schedule 2 (e.g. to reflect market practice in certain industry sectors), this Clause should be checked and fixed time period should be inserted as indicated.*

**27 Right to terminate following a specified number of material breaches ☐ (only applicable to the Contract if this box is checked and Clause 27.1 of this Schedule 1 is completed)**

- 27.1 Either Party may terminate this Contract by issuing a Termination Notice to the other Party if such other Party commits a material breach of this Contract in circumstances where it is served with a valid Breach Notice having already been served with at least **[two (2)]** previous valid Breach Notices within the last twelve (12) calendar month rolling period as a result of any previous material breaches of this Contract which are capable of remedy (whether or not the Party in breach has remedied the breach in accordance with a Remedial Proposal). The twelve (12) month rolling period is the twelve (12) months immediately preceding the date of the **[third]** Breach Notice.

*Guidance: This Clause is aimed at providing a termination right where one of the Parties has committed a number of material breaches whether or not they have been remedied. The aim of this Clause is to avoid a situation where one Party can keep breaching the Contract so long as it rectifies each material breach, as this can lead to nagging poor performance and additional time and resources being incurred by the non-breaching Party to manage such breaches. The numbers in square brackets can be changed to suit the requirements of the particular contract. The square brackets should then be removed prior to issue.*

**28 Installation and Commissioning Services ☐ (only applicable to the Contract if this box is checked)**

- 28.1 The Supplier shall provide the Installation and Commissioning Services in accordance with the terms set out in Schedule 8.

*Guidance: This Clause should be checked where Installation and Commissioning Services are required in connection with the Goods being supplied (to include when Installation and Commissioning Services are required in connection with any Maintenance Services to be provided by the Supplier). Where this Clause is checked, it is important that the project specific requirements of the Installation and Commissioning Services, such as any relevant timescales and KPIs, are set out as part of the Specification and Tender Response Document.*

**29 Maintenance Services ☐ (only applicable to the Contract if this box is checked)**

- 29.1 The Supplier shall provide the Maintenance Services in accordance with the terms set out in Schedule 9.

*Guidance: This Clause should be checked where Maintenance Services are required in connection with the Goods being supplied. Where this Clause is checked, it is important that the project specific requirements of the Maintenance Services, such as any relevant timescales KPIs and service credit regime, are set out as part of the Specification and Tender Response Document. Where Installation and Commissioning Services are required in connection with any Maintenance Services to be provided by the Supplier, Clause 27 of this Schedule 1 should also be checked.*

**30 Expert Determination ☐ (only applicable to the Contract if this box is checked)**

- 30.1 Any Dispute between the Authority and the Supplier shall be dealt in accordance with the expert determination process as specified at Schedule 10.

- 30.2 For the avoidance of doubt, where this Clause 30 of this Schedule 1 is checked, all Disputes shall be dealt in accordance with Clause 30.1 of this Schedule 1 above and the entirety of Clause 22 of Schedule 2 shall be deemed not to apply and deleted in its entirety from this Contract.

*Guidance: This clause should be checked when the expert determination process at Schedule 10 is to be adopted in place of the dispute process set out at clause 22 of Schedule 2. Further guidance on the use of expert determination can be found at [\[INSERT LINK TO GUIDANCE NOTE\]](#).*

**31 Consigned Goods ☐ (only applicable to the Contract if this box is checked)**

- 31.1 Provided that such Consignment Request is consistent with the forecast requirement for the Goods (as set out in the Specification and Tender Response Document and/or as calculated in accordance with any relevant processes set out in this document and/or as otherwise agreed by the Parties in writing), the Supplier shall deliver the Consigned Goods in accordance with Clause 2 of Schedule 2 in response to a Consignment Request for their eventual purchase and use by the Authority in accordance with the terms set out in this Contract.
- 31.2 For the avoidance of doubt, Clause 3 of Schedule 2 shall apply to the inspection, rejection, return and recall of the Consigned Goods.
- 31.3 The Authority shall, or shall procure that its third party provider shall, maintain any storage facilities throughout the term of this Contract where the Consigned Goods are to be stored in such manner that such storage facilities remain suitable to store the Consigned Goods.
- 31.4 Prior to the Consigned Goods being taken into use by the Authority, the Authority shall ensure that:
- 31.4.1 the Consigned Goods are stored at the storage facilities in such a manner as to protect them from damage or deterioration;
  - 31.4.2 the Consigned Goods in its possession remain readily identifiable as the Supplier's property;
  - 31.4.3 any identifying marks or packaging on or relating to the Consigned Goods are not removed, defaced or obscured; and
  - 31.4.4 the Consigned Goods are kept in satisfactory condition in accordance with any reasonable and necessary instructions from the Supplier from time to time.
- 31.5 The Authority shall keep accurate stock records in relation to any Consigned Goods and shall provide the Supplier with a sales report ("**Sales Report**") each **[week/month/quarter/other agreed period]** detailing current stock levels and the Consigned Goods taken into use by the Authority. For the avoidance of doubt, a sale will take place at the point any Consigned Goods are taken into use by the Authority.

- 31.6 On receipt of the Sales Report, the Supplier may invoice the Authority the Contract Price for all of the Consigned Goods taken into use by the Authority (as set out in that Sales Report).
- 31.7 Each **[week/month/quarter/other agreed period]** the Authority shall take into use and purchase at the Contract Price at least the minimum quantity of Consigned Goods specified in the Specification and Tender Response Document for such period (if any) ("**Minimum Quantity**"). If the Supplier fails to supply the Authority with any Consigned Goods required by the Authority (including, without limitation, where the Authority obtains substitute goods from a third party as a result), the Minimum Quantity for the period in question shall be reduced by the quantity of the Consigned Goods that the Supplier fails to supply. Except to the extent that the Authority's failure to purchase the Minimum Quantity during any given period is caused by the Supplier's default or a Force Majeure Event, if the Authority purchases less than the Minimum Quantity for a given period, the Supplier may charge the Authority for any shortfall between:
- 31.7.1 the Contract Price of the Minimum Quantity in the relevant period; and
- 31.7.2 the Contract Price for Consigned Goods purchased by the Authority in that period.
- 31.8 The Authority (on a first in first out basis) may return to the Supplier any Consigned Goods that it is unable to use ("**Returned Goods**") by giving written notice to that effect ("**Returns Notice**"). Upon receipt of a Returns Notice, the Supplier shall collect the Returned Goods at the Supplier's risk and expense within ten (10) Business Days of the date of the Returns Notice. If the Supplier requests and the Authority accepts that the Returned Goods should be disposed of by the Authority rather than returned to the Supplier, the Authority may invoice the Supplier for the costs associated with the disposal of the Returned Goods and the Supplier shall pay any such costs.
- 31.9 Risk in respect of any Returned Goods shall pass to the Supplier on the earlier of: (a) collection by the Supplier; or (b) immediately following the expiry of ten (10) Business Days from the date of the Returns Notice related to such Returned Goods. If Returned Goods are not collected within ten (10) Business Days of the date of the relevant Returns Notice, the Authority may return the Returned Goods to the Supplier at the Supplier's risk and expense and/or charge the Supplier for the cost of storage from the expiry of ten (10) Business Days from the date of the relevant Returns Notice. The Authority may invoice the Supplier for such return expenses and/or storage costs and the Supplier shall pay any such expenses or costs.
- 31.10 The Consigned Goods shall at all times be subject to the direction and control of the Supplier, and the Supplier may (at the Supplier's risk and expense), upon (10) Business Days written notice to the Authority, collect (on a first in first out basis) any Consigned Goods that have not been taken into use by the Authority within **[insert period]** of their delivery to the Authority and/or which have a remaining shelf life of less than **[insert period]**.
- 31.11 The Authority acknowledges that it holds Consigned Goods in its possession as bailee for the Consignor until such time as ownership passes in accordance with Clause 2.8 of Schedule 2.

31.12 On the termination or expiry of this Contract for whatever reason, all Consigned Goods not taken into use by Authority as at the point of such termination or expiry shall be deemed Returned Goods. Such Returned Goods shall be deemed the subject of a Returns Notice that shall be deemed to have been received by the Supplier with a notice date the same as the date of the expiry or earlier termination of this Contract. Clauses 31.8 and 31.9 of this Schedule 1 shall then apply accordingly and this Clause, together with Clauses 31.8 and 31.9 of this Schedule 1, shall survive the expiry or earlier termination of this Contract for these purposes.

*Guidance: This Clause can be used where a stock of Goods is to be provided by the Supplier to the Authority on a consignment basis. This clause reflects a relatively straightforward approach to consignment stock. To the extent a different approach is required for your particular Contract, you should include appropriate Extra Key Provisions rather than checking this Clause.*

### **Extra Key Provisions**

*Guidance: Insert extra project specific Key Provisions (if any) as required. For example, you may have a project where the supplier is responsible for undertaking detailed pre-contract due diligence to verify any information provided by the Authority and/or any aspects of the Premises and Locations relevant to the provision of the Services. This will almost certainly require a project specific extra Key Provision to make clear the scope of the Supplier's due diligence responsibilities, any associated Supplier warranties and any consequent limitations / exclusions of the Authority's liability for information that it may have or may not have provided to the Supplier.*

*Where the detail of the issue will be dealt with in a Schedule, remember to cross reference the Schedule in the Key Provisions and refer to it in the Table of Schedules on the front page of this Contract. Also remember to draft and add to Schedule 4 any new definitions as required for any extra Key Provisions added.*

Without limitation to the foregoing provisions of this Clause 1.2 of this Schedule 2, the Supplier shall, if specified in the Key Provisions, carry out all implementation activities fully in accordance with the Implementation Plan. If the Implementation Plan is an outline plan, the Supplier shall, as part of implementation, develop the outline plan into a full plan and agree this with the Authority. Once this is agreed, the Supplier shall comply with the full Implementation Plan.**

### **1.3 The Supplier shall commence:**

- 1.3.1 supply of the Goods on the Supply of Goods Commencement Date; and
- 1.3.2 delivery of the Services on the Services Commencement Date.

### **1.4 The Supplier shall comply fully with its obligations set out in the Specification and Tender Response Document (to include, without limitation, the KPIs and all obligations in relation to the quality, performance characteristics, supply, delivery, installation, commissioning, maintenance and training in relation to the Goods and their use).**

### **1.5 Unless otherwise agreed by the Parties in writing, the Goods shall be new, consistent with any sample, and shall comply with any applicable specification set out in this Contract (to include, without limitation, the provisions of the Authority's requirements set out in the Specification and Tender Response Document and the Supplier's response to such requirements) and any applicable manufacturers' specifications.**

- 1.6 The Supplier shall ensure that all relevant consents, authorisations, licences and accreditations:
- 1.6.1 required to supply the Goods are in place prior to the delivery of any Goods to the Authority; and
  - 1.6.2 required to provide the Services are in place at the Actual Services Commencement Date and are maintained throughout the Term.
- 1.7 If there are any incidents that in any way relate to or involve the use of the Goods by the Authority, the Supplier shall cooperate fully with the Authority in relation to the Authority's application of the Policies on reporting and responding to all incidents, including serious incidents requiring investigation, and shall respond promptly to any reasonable and proportionate queries, questions and/or requests for information that the Authority may have in this context in relation to the Goods.
- 1.8 If there are any quality, performance and/or safety related reports, notices, alerts or other communications issued by the Supplier or any regulatory or other body in relation to the Goods, the Supplier shall promptly provide the Authority with a copy of any such reports, notices, alerts or other communications.
- 1.9 Upon receipt of any such reports, notices, alerts or other communications pursuant to Clause 1.8 of this Schedule 2, the Authority shall be entitled to request further information from the Supplier and/or a meeting with the Supplier, and the Supplier shall cooperate fully with any such request.

## **2 Delivery of the Goods and passing of risk and ownership in the Goods**

- 2.1 The Supplier shall deliver the Goods in accordance with any delivery timescales, delivery dates and delivery instructions (to include, without limitation, as to delivery location and delivery times) set out in the Specification and Tender Response Document, a Consignment Request, or a Purchase Order or as otherwise agreed with the Authority in writing.
- 2.2 Delivery shall be completed when the Goods have been unloaded at the location specified by the Authority and such delivery has been received by a duly authorised agent, employee or location representative of the Authority. The Authority shall procure that such duly authorised agent, employee or location representative of the Authority is at the delivery location at the agreed delivery date and times in order to accept such delivery. Any arrangement by which the Goods are collected by the Authority in return for a discount on the Contract Price shall be agreed by the Parties in writing (where due to an emergency such arrangements cannot be committed to writing prior to collection, the Parties shall confirm such arrangements in writing as soon as possible following collection). Where the Authority collects the Goods, collection is deemed delivery for the purposes of the Contract.
- 2.3 The Supplier shall ensure that a delivery note shall accompany each delivery of the Goods. Such delivery note shall contain the information specified in the Specification and Tender Response Document or as otherwise agreed with the Authority in writing. Where such information requirements as to the content of delivery notes are not specified or separately agreed, such delivery notes shall, as a minimum, contain the Authority's order number, the name and address of the Authority, a description and quantity of the Goods, and shall show separately any extra agreed charges for

containers and/or any other item not included in the Contract Price or, where no charge is made, whether the containers are required to be returned.

- 2.4 Part deliveries and/or deliveries outside of the agreed delivery times/dates may be refused unless the Authority has previously agreed in writing to accept such deliveries. Where delivery of the Goods is refused by the Authority in accordance with this Clause 2.4 of this Schedule 2, the Supplier shall be responsible for all risks, costs and expenses associated with the re-delivery of the Goods in accordance with the agreed delivery times/dates. Where the Authority accepts delivery more than five (5) days before the agreed delivery date, the Authority shall be entitled to charge the Supplier for the costs of insurance and storage of the Goods until the agreed date for delivery.
- 2.5 Unless otherwise set out in the Specification and Tender Response Document or agreed with the Authority in writing, the Supplier shall be responsible for carriage, insurance, transport, all relevant licences, all related costs, and all other costs associated with the delivery of the Goods to the delivery location and unloading of the Goods at that location. Without limitation to the foregoing provision of this Clause 2.5 of this Schedule 2, unless otherwise stated in the Specification and Tender Response Document or agreed with the Authority in writing, the Supplier shall be responsible for obtaining all export and import licences for the Goods and shall be responsible for any delays to the delivery time due to such licences not being available when required. In the case of any Goods supplied from outside the United Kingdom, the Supplier shall ensure that accurate information is provided to the Authority as to the country of origin of the Goods and shall be liable to the Authority for any extra duties or taxes for which the Authority may be accountable should the country of origin prove to be different from that set out in the Specification and Tender Response Document.
- 2.6 All third party carriers engaged to deliver the Goods shall at no time be an agent of the Authority and accordingly the Supplier shall be liable to the Authority for the acts and omissions of all third party carriers engaged to deliver the Goods to the Authority.
- 2.7 Risk in the Goods shall pass to the Authority when the Goods are delivered as specified in this Contract or, in the case of Goods which require installation by the Supplier, when that installation process is complete.
- 2.8 Ownership of the Goods shall pass to the Authority on the earlier of:
- 2.8.1 full payment for such Goods; or
  - 2.8.2 where the goods are consumables or are non-recoverable (e.g. used in clinical procedures), at the point such Goods are taken into use. For the avoidance of doubt, where ownership passes in accordance with this Clause 2.8.2 of this Schedule 2, then the full Contract Price for such Goods shall be recoverable by the Supplier from the Authority as a debt if there is non-payment of a valid undisputed invoice issued by the Supplier to the Authority in relation to such Goods.
- 2.9 All tools, equipment and materials of the Supplier required in the performance of the Supplier's obligations under this Contract shall be and remain at the sole risk of the Supplier, whether or not they are situated at a delivery location.

### **3 Inspection, rejection, return and recall of the Goods**

- 3.1 As relevant and proportionate to the Goods in question and subject to reasonable written notice, the Supplier shall permit any person authorised by the Authority, to inspect work being undertaken in relation to the Goods and/or the storage facilities used in the storage of the Goods at all reasonable times at the Supplier's premises or at the premises of any Sub-contractor or agent of the Supplier in order to confirm that the Goods are being manufactured and/or stored in accordance with Good Industry Practice and in compliance the requirements of this Contract and/or that stock holding and quality assurance processes are in accordance with the requirements of this Contract.
- 3.2 Without prejudice to the provisions of Clause 3.6 of this Schedule 2 and subject to Clause 3.7 of this Schedule 2, the Authority shall visually inspect the Goods within a reasonable time following delivery (or such other period as may be set out in the Key Provisions, if any) and may by written notice reject any Goods found to be damaged or otherwise not in accordance with the requirements of this Contract ("**Rejected Goods**"). The whole of any delivery may be rejected if a reasonable sample of the Goods taken indiscriminately from that delivery is found not to conform in all material respects to the requirements of the Contract.
- 3.3 Without prejudice to the provisions of Clause 3.5 of this Schedule 2, upon the rejection of any Goods in accordance with Clauses 3.2 and/or 3.6 of this Schedule 2, the Supplier shall at the Authority's written request:
- 3.3.1 collect the Rejected Goods at the Supplier's risk and expense within ten (10) Business Days of issue of written notice from the Authority rejecting the Goods; and
  - 3.3.2 without extra charge, promptly (and in any event within twenty (20) Business Days or such other time agreed by the Parties in writing acting reasonably) supply replacements for the Rejected Goods to the Authority subject to the Authority not cancelling its purchase obligations in accordance with Clause 3.5 of this Schedule 2.
- If the Supplier requests and the Authority accepts that the Rejected Goods should be disposed of by the Authority rather than returned to the Supplier, the Authority reserves the right to charge the Supplier for the costs associated with the disposal of the Rejected Goods and the Supplier shall promptly pay any such costs.
- 3.4 Risk and title in respect of any Rejected Goods shall pass to the Supplier on the earlier of: (a) collection by the Supplier in accordance with Clause 3.3 of this Schedule 2; or (b) immediately following the expiry of ten (10) Business Days from the Authority issuing written notification rejecting the Goods. If Rejected Goods are not collected within ten (10) Business Days of the Authority issuing written notification rejecting the Goods, the Authority may return the Rejected Goods at the Supplier's risk and expense and charge the Supplier for the cost of storage from the expiry of ten (10) Business Days from the date of notification of rejection.
- 3.5 Where the Authority rejects any Goods in accordance with Clauses 3.2 and/or 3.6 of this Schedule 2 and the Authority no longer requires replacement Goods, the Authority may by written notice cancel its purchase obligations in relation to such quantity of Rejected Goods. Should the Authority have paid for such Rejected Goods

the Supplier shall refund such payment to the Authority within thirty (30) days of the Authority cancelling such purchase obligations and informing the Supplier that the Authority does not require replacements for such Rejected Goods.

- 3.6 Without prejudice to any other provisions of this Contract or any other warranties or guarantees applicable to the Goods supplied and subject to Clause 3.7 of this Schedule 2, if at any time following the date of the delivery of any Goods, all or any part of such Goods are found to be defective or otherwise not in accordance with the requirements of this Contract ("**Defective Goods**"), the Supplier shall, at the Authority's discretion:
- 3.6.1 upon written request and without charge, promptly (and in any event within twenty (20) Business Days or such other time agreed by the Parties in writing acting reasonably) remedy the deficiency by repairing such Defective Goods; or
  - 3.6.2 upon written notice of rejection from the Authority, treat such Defective Goods as Rejected Goods in accordance with Clauses 3.2 to 3.5 of this Schedule 2.
- 3.7 The Supplier shall be relieved of its liabilities under Clauses 3.2 to 3.5 (inclusive) and/or Clause 3.6 of this Schedule 2 to the extent only that the Goods are damaged, there are defects in the Goods and/or the Goods fail to comply with the requirements of this Contract due, in each case, to any acts or omissions of the Authority.
- 3.8 The Authority's rights and remedies under Clause 3.6 of this Schedule 2 shall cease within a reasonable period of time from the date on which the Authority discovers or might reasonably be expected to discover that the Goods are Defective Goods or within such other period as may be set out in the Key Provisions, if any. For the avoidance of doubt, Goods not used before their expiry date shall in no event be considered Defective Goods following the date of expiry provided that at the point such Goods were delivered to the Authority they met any shelf life requirements set out in the Specification and Tender Response Document.
- 3.9 Where the Supplier is required by Law, Guidance, and/or Good Industry Practice to order a product recall ("**Requirement to Recall**") in respect of the Goods, the Supplier shall:
- 3.9.1 promptly (taking into consideration the potential impact of the continued use of the Goods on patients, service users and the Authority as well as compliance by the Supplier with any regulatory requirements) notify the Authority in writing of the recall together with the circumstances giving rise to the recall;
  - 3.9.2 from the date of the Requirement to Recall treat the Goods the subject of such recall as Defective Goods in accordance with Clause 3.6 of this Schedule 2;
  - 3.9.3 consult with the Authority as to the most efficient method of executing the recall of the Goods and use its reasonable endeavours to minimise the impact on the Authority of the recall; and

- 3.9.4 indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings suffered or incurred by the Authority as a result of such Requirement to Recall.

#### **4 Operation of the Services**

- 4.1 The Services shall be provided at such Authority premises and at such locations within those premises, as may be set out in the Specification and Tender Response Document or as otherwise agreed by the Parties in writing ("**Premises and Locations**").
- 4.2 Subject to the Supplier and its Staff complying with all relevant Policies applicable to such Premises and Locations, the Authority shall grant reasonable access to the Supplier and its Staff to such Premises and Locations to enable the Supplier to provide the Services.
- 4.3 Subject to Clause 4.4 of this Schedule 2, any access granted to the Supplier and its Staff under Clause 4.2 of this Schedule 2 shall be non-exclusive and revocable. Such access shall not be deemed to create any greater rights or interest than so granted (to include, without limitation, any relationship of landlord and tenant) in the Premises and Locations. The Supplier warrants that it shall carry out all such reasonable further acts to give effect to this Clause 4.3 of this Schedule 2.
- 4.4 Where, in order to provide the Services, the Supplier requires any greater rights to use or occupy any specific Premises and Locations over and above such reasonable access rights granted in accordance with Clause 4.2 and Clause 4.3 of this Schedule 2, such further rights shall be limited to any rights granted to the Supplier by the Authority in accordance with any licence and/or lease entered into by the Supplier in accordance with the Key Provisions.
- 4.5 Where it is provided for by a specific mechanism set out in the Specification and Tender Response Document, the Authority may increase, reduce or otherwise vary the Premises and Locations in accordance with such mechanism subject to the provisions of any licence or lease entered into by the Parties as referred to at Clause 4.4 of this Schedule 2. Where there is no such specific mechanism set out in the Specification and Tender Response Document, any variations to the Premises and Locations where the Services are to be provided shall be agreed by the Parties in accordance with Clause 21 of this Schedule 2. If agreement cannot be reached the matter shall be referred to, and resolved in accordance with, the Dispute Resolution Procedure.
- 4.6 Unless otherwise set out in the Specification and Tender Response Document or otherwise agreed by the Parties in writing, any equipment or other items provided by the Authority for use by the Supplier:
- 4.6.1 shall be provided at the Authority's sole discretion;
- 4.6.2 shall be inspected by the Supplier in order that the Supplier can confirm to its reasonable satisfaction that such equipment and/or item is fit for its intended use and shall not be used by the Supplier until it has satisfied itself of this;

- 4.6.3 must be returned to the Authority within any agreed timescales for such return or otherwise upon the request of the Authority; and
- 4.6.4 shall be used by the Supplier at the Supplier's risk and the Supplier shall upon written request by the Authority reimburse the Authority for any loss or damage relating to such equipment or other items caused by the Supplier (fair wear and tear exempted).
- 4.7 If the Services, or any part of them, are regulated by any regulatory body, the Supplier shall ensure that at the Actual Services Commencement Date it has in place all relevant registrations and shall maintain such registrations during the Term. The Supplier shall notify the Authority forthwith in writing of any changes to such registration or any other matter relating to its registration that would affect the delivery or the quality of Services.
- 4.8 The Supplier shall notify the Authority forthwith in writing:
  - 4.8.1 of any pending inspection of the Services, or any part of them, by a regulatory body immediately upon the Supplier becoming aware of such inspection; and
  - 4.8.2 of any failure of the Services, or any part of them, to meet the quality standards required by a regulatory body, promptly and in any event within two (2) Business Days of the Supplier becoming aware of any such failure. This shall include without limitation any informal feedback received during or following an inspection raising concerns of any nature regarding the provision of the Services.
- 4.9 Following any inspection of the Services, or any part of them, by a regulatory body, the Supplier shall provide the Authority with a copy of any report or other communication published or provided by the relevant regulatory body in relation to the provision of the Services.
- 4.10 Upon receipt of notice pursuant to Clause 4.8 of this Schedule 2 or any report or communication pursuant to Clause 4.9 of this Schedule 2, the Authority shall be entitled to request further information from the Supplier and/or a meeting with the Supplier, and the Supplier shall cooperate fully with any such request.
- 4.11 Where applicable, the Supplier shall implement and comply with the Policies on reporting and responding to all incidents and accidents, including serious incidents requiring investigation, shall complete the Authority's incident and accident forms in accordance with the Policies and provide reasonable support and information as requested by the Authority to help the Authority deal with any incident or accident relevant to the Services. The Supplier shall ensure that its Contract Manager informs the Authority's Contract Manager in writing forthwith upon (a) becoming aware that any serious incidents requiring investigation and/or notifiable accidents have occurred; or (b) the Supplier's Contract Manager having reasonable cause to believe any serious incidents and/or notifiable accidents requiring investigation have occurred. The Supplier shall ensure that its Contract Manager informs the Authority's Contract Manager in writing within forty eight (48) hours of all other incidents and/or accidents that have or may have an impact on the Services.

- 4.12 The Supplier shall, as reasonably required by the Authority, cooperate with any other service providers to the Authority and/or any other third parties as may be relevant in the provision of the Services.
- 4.13 To the extent relevant to the Services, the Supplier shall have in place and operate a complaints procedure which complies with the requirements of the Local Authority Social Services and National Health Service Complaints (England) Regulations 2009.
- 4.14 Each Party shall inform the other of all complaints from or on behalf of patients or other service users arising out of or in connection with the provision of the Services within twenty four (24) hours of receipt of each complaint and shall keep the other Party updated on the manner of resolution of any such complaints.
- 4.15 Should the Authority be of the view, acting reasonably, that the Supplier can no longer provide the Services, then without prejudice to the Authority's rights and remedies under this Contract, the Authority shall be entitled to exercise its Step In Rights if the Key Provisions refer to the Authority having such rights under this Contract.
- 4.16 The Supplier shall be relieved from its obligations under this Contract to provide the Services to the extent that it is prevented from complying with any such obligations due to any acts, omissions or defaults of the Authority. To qualify for such relief, the Supplier must notify the Authority promptly (and in any event within five (5) Business Days) in writing of the occurrence of such act, omission, or default of the Authority together with the potential impact on the Supplier's obligations.

- 13.3.5 loss of income due to an inability to provide health care services,
- in each case to the extent to which such costs, expenses and/or loss of income arise or result from the other Party's breach of contract, negligent act or omission, breach of statutory duty, and/or other liability under or in connection with this Contract.
- 13.4 Each Party shall at all times take all reasonable steps to minimise and mitigate any loss for which that Party is entitled to bring a claim against the other pursuant to this Contract.
- 13.5 If the total Contract Price paid or payable by the Authority to the Supplier over the Term:
- 13.5.1 is less than or equal to one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 shall be replaced with one million pounds (£1,000,000);
- 13.5.2 is less than or equal to three million pounds (£3,000,000) but greater than one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 shall be replaced with three million pounds (£3,000,000);
- 13.5.3 is equal to, exceeds or will exceed ten million pounds (£10,000,000), but is less than fifty million pounds (£50,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 shall be replaced with ten million pounds (£10,000,000) and the figure of one hundred and twenty five percent (125%) at Clause 13.2 of this Schedule 2 shall be deemed to have been deleted and replaced with one hundred and fifteen percent (115%); and

- 13.6 Clause 13 of this Schedule 2 shall survive the expiry of or earlier termination of this Contract for any reason.

## **14 Insurance**

- 14.1 Subject to Clauses 14.2 and 14.3 of this Schedule 2 and unless otherwise confirmed in writing by the Authority, as a minimum level of protection, the Supplier shall put in place and/or maintain in force at its own cost with a reputable commercial insurer, insurance arrangements in respect of employer's liability, public liability, product liability and professional indemnity in accordance with Good Industry Practice with the minimum cover per claim of the greater of five million pounds (£5,000,000) or any sum as required by Law unless otherwise agreed with the Authority in writing. These requirements shall not apply to the extent that the Supplier is a member and maintains membership of each of the indemnity schemes run by the NHS Litigation Authority.

- 14.2 Without limitation to any insurance arrangements as required by Law, the Supplier shall put in place and/or maintain the different types and/or levels of indemnity arrangements explicitly required by the Authority, if specified in the Key Provisions.
- 14.3 Provided that the Supplier maintains all indemnity arrangements required by Law, the Supplier may self insure in order to meet other relevant requirements referred to at Clauses 14.1 and 14.2 of this Schedule 2 on condition that such self insurance arrangements offer the appropriate levels of protection and are approved by the Authority in writing prior to the Commencement Date.
- 14.4 The amount of any indemnity cover and/or self insurance arrangements shall not relieve the Supplier of any liabilities under this Contract. It shall be the responsibility of the Supplier to determine the amount of indemnity and/or self insurance cover that will be adequate to enable it to satisfy its potential liabilities under this Contract. Accordingly, the Supplier shall be liable to make good any deficiency if the proceeds of any indemnity cover and/or self insurance arrangement is insufficient to cover the settlement of any claim.
- 14.5 The Supplier warrants that it shall not take any action or fail to take any reasonable action or (in so far as it is reasonable and within its power) permit or allow others to take or fail to take any action, as a result of which its insurance cover may be rendered void, voidable, unenforceable, or be suspended or impaired in whole or in part, or which may otherwise render any sum paid out under such insurances repayable in whole or in part.
- 14.6 The Supplier shall from time to time and in any event within five (5) Business Days of written demand provide documentary evidence to the Authority that insurance arrangements taken out by the Supplier pursuant to Clause 14 of this Schedule 2 and the Key Provisions are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.
- 14.7 Upon the expiry or earlier termination of this Contract, the Supplier shall ensure that any ongoing liability it has or may have arising out of this Contract shall continue to be the subject of appropriate indemnity arrangements for the period of twenty one (21) years from termination or expiry of this Contract or until such earlier date as that liability may reasonably be considered to have ceased to exist.

## **15 Term and termination**

- 15.1 This Contract shall commence on the Commencement Date and, unless terminated earlier in accordance with the terms of this Contract or the general law, shall continue until the end of the Term.
- 15.2 The Authority shall be entitled to extend the Term on one or more occasions by giving the Supplier written notice no less than three (3) months prior to the date on which this Contract would otherwise have expired, provided that the duration of this Contract shall be no longer than the total term specified in the Key Provisions.
- 15.3 In the case of a breach of any of the terms of this Contract by either Party that is capable of remedy (including, without limitation any breach of any KPI and, subject to Clause 9.7 of this Schedule 2, any breach of any payment obligations under this Contract), the non-breaching Party may, without prejudice to its other rights and remedies under this Contract, issue a Breach Notice and shall allow the Party in

breach the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Party in breach ("**Remedial Proposal**") before exercising any right to terminate this Contract in accordance with Clause 15.4(ii) of this Schedule 2. Such Remedial Proposal must be agreed with the non-breaching Party (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Party in breach in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved by the Parties in writing. Any failure by the Party in breach to:

- 15.3.1 put forward and agree a Remedial Proposal with the non-breaching Party in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the non-breaching Party may agree in writing) from written notification of the relevant default or breach from the non-breaching Party;
- 15.3.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or
- 15.3.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,

shall be deemed, for the purposes of Clause [15.4\(ii\)](#) of this Schedule 2, a material breach of this Contract by the Party in breach not remedied in accordance with an agreed Remedial Proposal.

- 15.4 Either Party may terminate this Contract by issuing a Termination Notice to the other Party if such other Party commits a material breach of any of the terms of this Contract which is:

- (i) not capable of remedy; or
- (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal.

- 15.5 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier if:

- 15.5.1 the Supplier does not commence supply of the Goods and/or delivery of the Services by any Long Stop Date;
- 15.5.2 the Supplier, or any third party guaranteeing the obligations of the Supplier under this Contract, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of,

- a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;
- 15.5.3 the Supplier undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority;
  - 15.5.4 the Supplier purports to assign, Sub-contract, novate, create a trust in or otherwise transfer or dispose of this Contract in breach of Clause 28.1 of this Schedule 2;
  - 15.5.5 the NHS Business Services Authority has notified the Authority that the Supplier or any Sub-contractor of the Supplier has, in the opinion of the NHS Business Services Authority, failed in any material respect to comply with its obligations in relation to the NHS Pension Scheme (including those under any Direction Letter) as assumed pursuant to the provisions of Part D of Schedule 7;
  - 15.5.6 pursuant to and in accordance with the Key Provisions and Clauses 15.6, 23.8; 25.2; 25.4 and 29.2 of this Schedule 2; or
  - 15.5.7 the warranty given by the Supplier pursuant to Clause 10.8 of this Schedule 2 is materially untrue, the Supplier commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance as required by Clause 10.8 of this Schedule 2, or the Supplier fails to provide details of proposed mitigating factors as required by Clause 10.8 of this Schedule 2 that in the reasonable opinion of the Authority are acceptable.
- 15.6 If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Contract and/or any material Sub-contractor of the Supplier when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Contract to the Supplier or the entering into a Sub-contract by the Supplier, the following process shall apply:
- 15.6.1 the Authority may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice;
  - 15.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 15.6 of this

Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and

- 15.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process shall entitle, but shall not compel, the Authority to terminate this Contract in accordance with Clause 15.4(i) of this Schedule 2.

In order that the Authority may act reasonably in exercising its discretion in accordance with Clause 15.6 of this Schedule 2, the Supplier shall provide the Authority with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.

- 15.7 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier where:

15.7.1 the Contract has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure;

15.7.2 the Authority has become aware that the Supplier should have been excluded under Regulation 57(1) or (2) of the Public Contracts Regulations 2015 from the procurement procedure leading to the award of this Contract;

15.7.3 the Contract should not have been awarded to the Supplier in view of a serious infringement of obligations under European law declared by the Court of Justice of the European Union under Article 258 of the Treaty on the Functioning of the EU; or

15.7.4 there has been a failure by the Supplier and/or one of its Sub-contractors to comply with legal obligations in the fields of environmental, social or labour Law. Where the failure to comply with legal obligations in the fields of environmental, social or labour Law is a failure by one of the Supplier's Sub-contractors, the Authority may request the replacement of such Sub-contractor and the Supplier shall comply with such request as an alternative to the Authority terminating this Contract under this Clause 15.7.4.

- 15.8 If the Authority novates this Contract to any body that is not a Contracting Authority, from the effective date of such novation, the rights of the Authority to terminate this Contract in accordance with Clause 15.5.2 to Clause 15.5.4 of this Schedule 2 shall be deemed mutual termination rights and the Supplier may terminate this Contract by issuing a Termination Notice to the entity assuming the position of the Authority if any of the circumstances referred to in such Clauses apply to the entity assuming the position of the Authority.

- 15.9 Within three (3) months of the Commencement Date the Supplier shall develop and agree an exit plan with the Authority consistent with the Exit Requirements, which shall ensure continuity of the Services on expiry or earlier termination of this Contract. The Supplier shall provide the Authority with the first draft of an exit plan

within one (1) month of the Commencement Date. The Parties shall review and, as appropriate, update the exit plan on each anniversary of the Commencement Date of this Contract. If the Parties cannot agree an exit plan in accordance with the timescales set out in this Clause 15.9 of this Schedule 2 (such agreement not to be unreasonably withheld or delayed), such failure to agree shall be deemed a Dispute, which shall be referred to and resolved in accordance with the Dispute Resolution Procedure.

## **16 Consequences of expiry or early termination of this Contract**

16.1 Subject to the provision set out in Clause 16.6 of this Schedule 2, upon expiry or earlier termination of this Contract, the Authority agrees to pay the Supplier for:

16.1.1 the Goods which have been supplied by the Supplier and not rejected by the Authority in accordance with this Contract prior to the expiry or earlier termination of this Contract; and

16.1.2 the Services which have been completed by the Supplier in accordance with this Contract prior to expiry or earlier termination of this Contract.

16.2.2 all data, excluding Personal Data, documents and records (whether stored electronically or otherwise) relating in whole or in part to the Services, including without limitation relating to patients or other service users, and all other items provided on loan or otherwise to the Supplier by the Authority shall be delivered by the Supplier to the Authority provided that the Supplier shall be entitled to keep copies to the extent that: (a) the content does not relate solely to this Contract; (b) the Supplier is required by Law and/or Guidance to keep copies; or (c) the Supplier was in possession of such data, documents and records prior to the Commencement Date; and

16.2.3 any Personal Data Processed by the Supplier on behalf of the Authority shall be returned to the Authority or destroyed in accordance with the relevant provisions of the Data Protection Protocol.

16.4 The Supplier shall cooperate fully with the Authority or, as the case may be, any replacement supplier during any re-procurement and handover period prior to and following the expiry or earlier termination of this Contract. This cooperation shall extend to providing access to all information relevant to the operation of this Contract, as reasonably required by the Authority to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements.

- 16.5 Immediately upon expiry or earlier termination of this Contract any licence or lease entered into in accordance with the Key Provisions shall automatically terminate.
- 16.6 If the Authority terminates the Contract in accordance with Clause 15.5.1 of this Schedule 2, the Authority shall be entitled to a refund of any sums paid under this Contract provided the Authority informs the Supplier in writing of its intention to claim such refund no later than thirty (30) days of the effective date of such termination. Should the Authority seek a refund in respect of Goods already delivered, the Authority shall return such Goods to the Supplier at the Supplier's written request and at the Supplier's cost and expense.
- 16.7 The expiry or earlier termination of this Contract for whatever reason shall not affect any rights or obligations of either Party which accrued prior to such expiry or earlier termination.
- 16.8 The expiry or earlier termination of this Contract shall not affect any obligations which expressly or by implication are intended to come into or continue in force on or after such expiry or earlier termination.

- 17.2 No later than twenty eight (28) days prior to the Subsequent Transfer Date, the Supplier shall or shall procure that any Sub-contractor shall provide a final list to the Successor and/or the Authority, as appropriate, containing the names of all the Subsequent Transferring Employees whom the Supplier or Sub-contractor expects will transfer to the Successor or the Authority and all employee liability information identified in regulation 11 of TUPE in relation to the Subsequent Transferring Employees.
- 17.3 If the Supplier shall, in the reasonable opinion of the Authority, deliberately not comply with its obligations under Clauses 17.1 and 17.2 of this Schedule 2, the Authority may withhold payment under Clause 9 of this Schedule 2.
- 17.4 The Supplier shall be liable to the Authority for, and shall indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings that arise or result from any deficiency or inaccuracy in the information which the Supplier is required to provide under Clauses 17.1 and 17.2 of this Schedule 2.
- 17.5 Subject to Clauses 17.6 and 17.7 of this Schedule 2, during the period of nine (9) months preceding the expiry of this Contract or after notice of termination of this Contract has been served by either Party, the Supplier shall not, and shall procure that any Sub-contractor shall not, without the prior written consent of the Authority, such consent not to be unreasonably withheld or delayed:

- 17.7 Where the obligations on the Supplier under Clause 17 of this Schedule 2 are subject to the Data Protection Legislation, the Supplier will, and shall procure that any Sub-contractor will, use its best endeavours to seek the consent of the Supplier Personnel to disclose any information covered under the Data Protection Legislation and utilise any other exemption or provision within the Data Protection Legislation which would allow such disclosure.
- 17.8 Having as appropriate gained permission from any Sub-contractor, the Supplier hereby permits the Authority to disclose information about the Supplier Personnel to any Interested Party provided that the Authority informs the Interested Party in writing of the confidential nature of the information.
- 17.9 The Parties agree that where a Successor or the Authority provides the Services or services which are fundamentally the same as the Services in the immediate or subsequent succession to the Supplier or Sub-contractor (in whole or in part) on expiry or early termination of this Contract (howsoever arising) TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions may apply in respect of the subsequent provision of the Services or services which are fundamentally the same as the Services. If TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions apply then Clause 17.11 to Clause 17.14 of this Schedule 2 and (where relevant) the provisions of Clause 1.15 of Part D of Schedule 7 shall apply.
- 17.10 If on the termination or at the end of the Contract TUPE does not apply, then all Employment Liabilities and any other liabilities in relation to the Supplier Personnel

shall remain with the Supplier or Sub-contractor as appropriate. The Supplier will, and shall procure that any Sub-contractor shall, indemnify and keep indemnified the Authority in relation to any Employment Liabilities arising out of or in connection with any allegation or claim raised by any Supplier Personnel.

- 17.13.1 the Supplier's or Sub-contractor's failure to perform and discharge its obligations under Clause 17.12 of this Schedule 2;

- 17.13.2 any act or omission by the Supplier or Sub-contractor in respect of the Subsequent Transferring Employees occurring on or before the Subsequent Transfer Date;
  - 17.13.3 any allegation or claim by any person who is not a Subsequent Transferring Employee but who alleges that their employment should transfer or has transferred to the Successor or the Authority, as appropriate;
  - 17.13.4 any emoluments payable to a person employed or engaged by the Supplier or Sub-contractor (including without limitation all wages, accrued holiday pay, bonuses, commissions, PAYE, national insurance contributions, pension contributions and other contributions) payable in respect of any period on or before the Subsequent Transfer Date;
  - 17.13.5 any allegation or claim by any of the Subsequent Transferring Employees on the grounds that the Successor or Authority, as appropriate, has failed to continue a benefit provided by the Supplier or Sub-contractor as a term of such Subsequent Transferring Employee's contract as at the Subsequent Transfer Date where it was not reasonably practicable for the Successor or Authority, as appropriate, to provide an identical benefit but where the Successor or Authority, as appropriate, has provided (or offered to provide where such benefit is not accepted by the Subsequent Transferring Employee) an alternative benefit which, taken as a whole, is no less favourable to such Subsequent Transferring Employee; and
  - 17.13.6 any act or omission of the Supplier or any Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Successor's or Authority's failure to comply with regulation 13(4) of TUPE.
- 17.14 The Supplier will, or shall procure that any Sub-contractor will, on request by the Authority provide a written and legally binding indemnity in the same terms as set out in Clause 17.13 of this Schedule 2 to any Successor in relation to any Employment Liabilities arising up to and including the Subsequent Transfer Date.

- 17.16 If any person who is not a Subsequent Transferring Employee claims or it is determined that their contract of employment has been transferred from the Supplier or any Sub-contractor to the Authority or Successor pursuant to TUPE or claims that their employment would have so transferred had they not resigned, then:
- 17.16.1 the Authority will, or shall procure that the Successor will, within seven (7) days of becoming aware of that fact, give notice in writing to the Supplier;

- 17.16.2 the Supplier may offer (or may procure that a Sub-contractor may offer) employment to such person within twenty eight (28) days of the notification by the Authority or Successor;
- 17.16.3 if such offer of employment is accepted, the Authority will, or shall procure that the Successor will, immediately release the person from their employment; and
- 17.16.4 if after the period in Clause 17.16.2 of this Schedule 2 has elapsed, no such offer of employment has been made or such offer has been made but not accepted, the Authority will, or shall procure that the Successor will (whichever is the provider of the Services or services of the same or similar nature to the Services), employ that person in accordance with its obligations and duties under TUPE and shall be responsible for all liabilities arising in respect of any such person after the Subsequent Transfer Date.

- 22.3 If any Dispute arises out of the Contract either Party may serve a notice on the other Party to commence formal resolution of the Dispute. The Parties shall first seek to resolve the Dispute by escalation in accordance with the management levels as set out in Clause 5 of the Key Provisions. In the event that the Parties fail to agree a mediator within five (5) Business Days following the exhaustion of all levels of the escalation procedure at Clause 22.3 of this Schedule 2, the mediator shall be nominated and confirmed by the Centre for Effective Dispute Resolution, London.
- 22.5 The mediation shall commence within twenty eight (28) days of the confirmation of the mediator in accordance with Clause 22.4 of this Schedule 2 or at such other time as may be agreed by the Parties in writing. Neither Party will terminate such mediation process until each Party has made its opening presentation and the mediator has met each Party separately for at least one hour or one Party has failed to participate in the mediation process. After this time, either Party may terminate the mediation process by notification to the other Party (such notification may be verbal provided that it is followed up by written confirmation). The Authority and the Supplier will cooperate with any person appointed as mediator providing them with such information and other assistance as they shall require and will pay their costs, as they shall determine, or in the absence of such determination such costs will be shared equally.

- 23.6 Subject to service of such notice, the Party affected by such circumstances shall have no liability for its failure to perform or for any delay in performance of its obligations affected by the Force Majeure Event only for so long as such circumstances continue and for such time after they cease as is necessary for that Party, using its best endeavours, to recommence its affected operations in order for it to perform its obligations.

**Part A ☐ No staff transfer to the Supplier under TUPE (only applicable to the Contract if this box is checked)**

  - 1.9.2 any act or omission of the Supplier or Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Authority's failure to comply with regulation 13 of TUPE;

- 1.2 The Supplier agrees, or shall ensure by written agreement that any Sub-contractor shall agree, to accept the Third Party Employees into its employment on the Transfer Date upon their then current terms and conditions of employment (and including (where relevant) the right to secure access or continued access to the NHS Pension Scheme or access or continued access to a Broadly Comparable pension scheme in accordance with Fair Deal for Staff Pensions (which shall be dealt with in accordance with Part D of this Schedule 7) and with full continuity of employment.

**Part D ☐ Provisions regarding pensions (only applicable to the Contract if this box is checked or Clause 1.2.4 of Part A of this Schedule 7 applies)**

*This Part D is designed to protect any Transferred Staff who before the transfer were either (a) employed by an NHS Body or other employer which participates automatically in the NHS Pension Scheme or (b) who transferred from the public sector under the old Fair Deal policy and who remain employed in connection with outsourced public services for more than 50% of their employed time with their new employer. These staff may have been through several changes of employer but they have been and remain continuously employed for more than 50% of their employed time in connection with the Services. These protected staff (who are often referred to as having 'Fair Deal' rights) are referred to in Part D as "Eligible Employees".*

*If the staff being transferred is thought not include any "Eligible Employees", Part D may not be relevant but should be included in case any such persons actually transfer. Note that staff recruited to work on the Services but who did not originate from an NHS Body or other employer which participates automatically in the NHS Pension Scheme, may be offered "access" to the NHS Pension Scheme by way of separate negotiation between the Authority, the Supplier and NHS Pensions. However, those staff do not enjoy the protection conferred by Fair Deal for Staff Pensions which Part D of this Schedule is intended to implement.*

*Further explanation of the provisions of Part D can be found in the Department of Health's Guidance on New Fair Deal, which can be accessed [here](#).*

NHS Terms and Conditions for the Supply of Goods and the Provision of Services (Contract Version) (January 2018)

**Broadly comparable pension benefits ☐ (Clause 1.4 of this Part D of Schedule 7 only applies to the Contract if this box is checked or Clause 1.2.4 of Part A of this Schedule 7 applies. For the avoidance of doubt, where this box is not checked, but the Part D box above is checked all of the provisions of this Part D of Schedule 7 shall apply to this Contract except Clause 1.4 of this Part D of Schedule 7)**

*Guidance: Clause 1.4 (Broadly Comparable Pension Benefits) will not be relevant to most contracts. In the vast majority of cases the Supplier and/or any relevant Sub-contractor(s) will either participate in the NHS Pension Scheme in respect of all Eligible Employees by securing a Direction Letter or be eligible to participate automatically in the scheme where they are an NHS Body by the time the Contract is entered into. Clause 1.4 will apply in the exceptional circumstances where the Authority permits the Supplier to enable relevant staff to have access or continued access to a Broadly Comparable pension scheme.*

## **1 Pension protection for Eligible Employees**

### **1.1 General**

- 1.1.1 The Supplier shall procure that, if relevant, each of its Sub-contractors shall comply with the provisions in this Schedule 7 as if references to the Supplier were to the Sub-contractor.

### **1.2 Membership of the NHS Pension Scheme**

- 1.2.1 In accordance with Fair Deal for Staff Pensions, the Supplier to which the employment of any Eligible Employee compulsorily transfers as a result of the award of this Contract, if not an NHS Body or other employer which participates automatically in the NHS Pension Scheme, shall on or before the Employee Transfer Date, each secure a Direction Letter to enable the Eligible Employees to retain either continuous active membership of or eligibility for, the NHS Pension Scheme, or as appropriate rejoin or secure eligibility for the NHS Pension Scheme for so long as they remain employed in connection with the delivery of the Services under this Contract.
- 1.2.2 The Supplier must supply to the Authority a complete copy of the Direction Letter as soon as reasonably practicable after the Employee Transfer Date.
- 1.2.3 The Supplier shall comply with the terms of the Direction Letter (including any terms which change as a result of changes in Law) for so long as it remains bound by the terms of the Direction Letter.
- 1.2.4 Where any Staff (including any Transferred Staff) omitted from the Direction Letter supplied in accordance with Part D of this Schedule 7 is subsequently found to be an Eligible Employee, the Supplier (or its Sub-contractor if relevant) will ensure that that person is treated as an Eligible Employee from the Employee Transfer Date so that their Pension Benefits and Premature Retirement Rights are not adversely affected.

- 1.2.5 The Supplier shall ensure that all data relating to the Eligible Employees and the NHS Pension Scheme is up to date and is provided to the Authority as requested from time to time.

1.3 Contributions payable

- 1.3.1 The Supplier shall pay to the NHS Pension Scheme all such amounts as are due under the Direction Letter and shall deduct and pay to the NHS Pension Scheme such employee contributions as are required by the NHS Pension Scheme.
- 1.3.2 Where during the Term the standard employer contribution rate which the Supplier is required to pay into the NHS Pension Scheme pursuant to the terms of its Direction Letter is increased to a rate which is over and above the rate which was applicable to the Supplier as at the date of this Contract and such rate increase results in an increased cost to the Supplier overall in relation to the provision of the Services ("**Cost Increase**"), the Supplier shall (subject to Clause 1.3.3 of Part D of this Schedule 7 and the provision of supporting information) be entitled to recharge a sum equal to the Cost Increase to the Authority. The Supplier shall only be entitled to recharge any Cost Increase to the Authority pursuant to this Clause 1.3.2 of Part D of this Schedule 7 in circumstances where the Cost Increase arises solely as a direct result of a general increase in the employer contribution rate applicable to all employers participating in the NHS Pension Scheme and not in circumstances where the employer contribution rate applicable to the Supplier is increased for any other reason, including as a result of any acts or omissions of the Supplier which give rise to any costs or additional charges (including interest) being charged to the Supplier which are over and above the minimum employer contributions payable by an employer in the NHS Pension Scheme (including as a result of a failure by the Supplier to comply with the terms of its Direction Letter or to meet its obligations to the NHS Pension Scheme).
- 1.3.3 The Supplier must supply all such information as the Authority may reasonably request from time to time in order to support any claim made by the Supplier pursuant to Clause 1.3.2 of Part D of this Schedule 7 in relation to a Cost Increase.
- 1.3.4 Where during the Term the standard employer contribution rate which the Supplier is required to pay in relation to the NHS Pension Scheme pursuant to the terms of its Direction Letter is decreased as part of a general reduction in the standard employer contribution rate applicable to all employers participating in the NHS Pension Scheme to a rate which is lower than that which was applicable as at the date of this Contract and such decrease results in a cost saving for the Supplier (a "**Cost Saving**"), the Authority shall be entitled to reduce the amounts payable to the Supplier under this Contract by an amount equal to the Cost Saving. The Authority shall be entitled to deduct any Cost Saving from sums otherwise payable by the Authority to the Supplier under this Contract.

#### 1.4 Broadly Comparable Pension Benefits

- 1.4.1 If the Authority in its sole discretion agrees that the Supplier or Sub-contractor need not provide the Eligible Employees with access to the NHS Pension Scheme, the Supplier must ensure that, with effect from the Employee Transfer Date until the day before the Subsequent Transfer Date, the Eligible Employees are offered access to a scheme under which the Pension Benefits are Broadly Comparable to those provided under the NHS Pension Scheme.
- 1.4.2 The Supplier must supply to the Authority details of its Broadly Comparable scheme and provide a full copy of the valid certificate of Broad Comparability covering all Eligible Employees, as soon as it is able to do so and in any event no later than twenty eight (28) days before the Employee Transfer Date.

#### 1.5 Transfer Option where Broadly Comparable Pension Benefits are provided

- 1.5.1 As soon as reasonably practicable and in any event no later than twenty (20) Business Days after the Employee Transfer Date, the Supplier must provide the Eligible Employees with the Transfer Option, where a Third Party offered, or the Supplier offers, a Broadly Comparable scheme.

#### 1.6 Calculation of Transfer Amount

- 1.6.1 The Authority shall use reasonable endeavours to procure that twenty (20) Business Days after the Transfer Option Deadline, the Transfer Amount is calculated by the Third Party's Actuary or the Authority's Actuary (as appropriate) on the following basis and notified to the Supplier along with any appropriate underlying methodology.
- 1.6.2 If the Third Party offers a Broadly Comparable scheme to Eligible Employees:
- (i) the part of the Transfer Amount which relates to benefits accrued in that Broadly Comparable scheme other than those in Clause 1.6.2(ii) of Part D of this Schedule 7 below must be aligned to the funding requirements of that scheme; and
  - (ii) the part of the Transfer Amount which relates to benefits accrued in the NHS Pension Scheme (having been previously bulk transferred into the Third Party's Broadly Comparable scheme), must be aligned to whichever of:
    - (A) the funding requirements of the Third Party's Broadly Comparable scheme; or
    - (B) the principles under which the Third Party's Broadly Comparable scheme received a bulk transfer payment from the NHS Pension Scheme (together with any shortfall payment),

gives the higher figure, provided that where the principles require the assumptions to be determined as at a particular date, that date shall be the Employee Transfer Date.

- 1.6.3 In the case of Transferring Employees or any Third Party Employees who have access to the NHS Pension Scheme (and who are classed as Eligible Employees), the Transfer Amount shall be calculated by the NHS Pension Scheme's Actuary on the basis applicable for bulk transfer terms from the NHS Pension Scheme set by the Department of Health from time to time.
- 1.6.4 Each Party shall promptly provide to the Actuary calculating or verifying the Transfer Amount any documentation and information which that Actuary may reasonably require.

## 1.7 Payment of Transfer Amount

Subject to:

- 1.7.1 the period for acceptance of the Transfer Option having expired; and
- 1.7.2 the Supplier having provided the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) with completed and signed forms of consent in a form acceptable to the Third Party's pension scheme (or NHS Pensions) from each Eligible Employee in respect of the Transfer Option; and
- 1.7.3 the calculation of the Transfer Amount in accordance with Clause 1.6 of Part D of this Schedule 7; and
- 1.7.4 the trustees or managers of the Supplier's (or any Sub-contractor's) Broadly Comparable scheme (or NHS Pensions, as appropriate) having confirmed in writing to the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) that they are ready, willing and able to receive the Transfer Amount and the bank details of where the Transfer Amount should be sent, and not having revoked that confirmation,

the Authority will use reasonable endeavours to procure that the Third Party's pension scheme (or the NHS Pension Scheme, as appropriate) shall, on or before the Payment Date, transfer to the Supplier's Broadly Comparable scheme (or NHS Pension Scheme) the Transfer Amount in cash, together with any cash or other assets which are referable to additional voluntary contributions (if any) paid by the Eligible Employees which do not give rise to salary-related benefits.

## 1.8 Credit for Transfer Amount

- 1.8.1 Subject to prior receipt of the Transfer Amount, by the trustees or managers of the Supplier's Broadly Comparable scheme (or NHS Pensions, as appropriate), the Supplier must procure that year-for-year day-for-day service credits are granted in the Supplier's (Broadly Comparable scheme (or NHS Pension Scheme), or an actuarial equivalent agreed by the Authority's Actuary (and NHS Pension Scheme

Actuary) in accordance with Fair Deal for Staff Pensions as a suitable reflection of the differences in benefit structure between the NHS Pension Scheme and the Supplier's pension scheme.

- 1.8.2 To the extent that the Transfer Amount is or shall be insufficient to provide benefits in the receiving scheme on the basis set out in Clause 1.8.1 above, the Supplier shall be liable to make a top-up payment into the receiving scheme such that benefits shall be provided by the receiving scheme on the basis set out in Clause 1.8.1. above.

1.9 Premature Retirement Rights

- 1.9.1 From the Employee Transfer Date until the day before the Subsequent Transfer Date, the Supplier must provide Premature Retirement Rights in respect of the Eligible Employees that are identical to the benefits they would have received had they remained employees of an NHS Body or other employer which participates automatically in the NHS Pension Scheme.

1.10 Breach and Cancellation of any Direction Letter(s) and Right of Set-Off

- 1.10.1 The Supplier agrees that it shall notify the Authority if it breaches the terms of the Direction Letter.   - 1.6.3 The Expert must be willing and able to complete the expert determination process within thirty (30) Business Days of the Date of Final Representations (as defined in paragraph 1.6.5 of this Schedule 10).
  - 1.6.4 The Expert shall act as an expert not as an arbitrator or legal advisor. There will be no formal hearing and the Expert shall regulate the procedure as he sees fit.
  - 1.6.5 The Parties shall each have the right to make written representations to the Expert and will, with reasonable promptness, provide the Expert with such assistance and documents as the Expert reasonably requires for the purpose of reaching a decision. Such representations must be made within twenty eight (28) Business Days of the Expert being appointed, or fourteen (14) Business Days after the last documents requested by the Expert have been provided to the Expert, whichever is the later (“**Date of Final Representations**”). Any documents provided to the Expert and any correspondence to or from the Expert, including email exchanges, shall be copied to the other Party simultaneously.
  - 1.6.6 The Expert shall have the power to open up, review and revise any certificate, opinion, requisition or notice and to determine all matters in Dispute (including his jurisdiction to determine matters that have been referred to him).
  - 1.6.7 The Expert may take such advice and assistance from professional advisers or other third parties as he reasonably considers appropriate to enable him to reach a determination of the Dispute and may issue orders that one or both of the Parties are to pay such third party costs, stating the proportion. For the avoidance of doubt, where the Expert is not Queen’s Counsel, and the Expert requires advice or assistance on matters of contractual interpretation and construction, the expert may take such advice and assistance from a third party Queen’s Counsel of their choosing under this paragraph 1.6.7 of this Schedule 10. The Parties will pay any such third party costs incurred pursuant to this paragraph 1.6.7 of this Schedule 10 in such proportions as the Expert shall order. In the absence of such order such third party costs will be paid equally.

- 1.6.8 The Expert shall provide the Parties with a written determination of the Dispute (the “**Expert’s Decision**”) within thirty (30) Business Days of the Date of Final Representations, which shall, in the absence of fraud or manifest error, be final and binding on the Parties.
- 1.6.9 The Expert’s Decision shall include reasons.
- 1.6.10 The Parties agree to implement the Expert’s Decision within five (5) Business Days of the Expert’s Decision being provided to them or as otherwise specified as part of the Expert’s Decision.
- 1.6.11 The Parties agree that the Expert shall be entitled to proceed to give his binding determination should one or both Parties fail to act in accordance with the procedural timetable set out above.
- 1.6.12 The Parties will pay the Expert’s costs in such proportions as the Expert shall determine. In the absence of such determination such costs will be shared equally.
- 1.6.13 The Parties agree to keep confidential all information arising out of or in connection with the expert determination, including details of the underlying Dispute, except where disclosure is required by Law.
- 1.7 Nothing in this Contract shall prevent:
  - 1.7.1 the Authority taking action in any court in relation to any death or personal injury arising or allegedly arising in connection with the provision of the Goods and/or Services; or
  - 1.7.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party (including Intellectual Property Rights) or which relates to the safety of patients and other service users or the security of Confidential Information, pending the resolution of the relevant Dispute in accordance with the Dispute Resolution Procedure.
- 1.8 Subject to paragraph 1.7 of this Schedule 10 neither Party may commence legal proceedings in relation to a Dispute until the dispute resolution procedures set out in this Schedule 10 have been exhausted. For the avoidance of doubt, either Party may commence legal proceedings to enforce the Expert’s Decision.
- 1.9 This Schedule 10 shall survive the expiry of or earlier termination of this Contract for any reason.
