Bidder Guidance notes for completion for Parts 1,2,3 and definitions for all sections

1. The “authority” means the named Contracting Authority or anyone acting on behalf of the Contracting Authority, that is seeking to invite suitable candidates to participate in this procurement process.
2. “You” / “Your” refers to the potential Supplier or Bidder completing this standard **Selection Questionnaire** i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (**as amended**) (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1.2 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. For Part 1 and Part 2 every organisation that is being relied on to meet the selection must complete and submit the self-declaration.
6. For answers to Part 3 - If you are bidding on behalf of a group, for example, a consortium, or you intend to use sub-contractors, you should complete all of the questions on behalf of the consortium and/ or any sub-contractors, providing one composite response and declaration.

The authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.

By submitting a response to this RFP I agreed and accept that the Contracting Authority reserves the right to change without notice the procedure for awarding the Contract, to reject any or all bids for the Contract, to stop the process and not award the Contract (in whole or in part) at any time without any liability on its part. By submitting a response to this RFP I agree and accept that nothing in this process is intended to form any express or implied contractual relationship between the Parties unless and until a Contract is awarded. The Contracting Authority is not liable for any costs resulting from cancellation of this process nor any costs incurred by Bidders taking part in this procurement process. PROJ1.3	<p><u>Staff to Deliver</u></p> <p>Please demonstrate your knowledge of the skills and expertise that are essential to the successful delivery of this project. Please provide your methodology as to how you will maintain your ability to deliver these through the lifetime of the project.</p>
Bidder guidance	<p>A range of different skills are required for this research. Contractors will be expected to apply their skills and expertise to this area and should clearly set out the skills and expertise provided by each team role of the proposed project team to meet the requirements. They should also explain how the team will work effectively together, across different disciplines, and how they could build on other related research efforts.</p> <p>Contractors should propose team roles of the project team, and include the tasks and responsibilities of each team role and how they will be managed. This should be clearly linked to the work programme, indicating the grade/seniority of staff and number of days allocated to specific tasks. Contractors should identify the role(s) who will be responsible for managing the project.</p> <p>Please also confirm how the applicable knowledge and skills that will be applied to this requirement will enable the successful delivery of the project.</p> <p>An attachment is allowed for this question</p> <p>This question is limited to 4 sides of A4.
