

Bampton Town Council

Tender Document

Installation of Pump Track & Associated Groundworks

Background

Bampton Town Council has been granted planning permission for the installation of a Pump Track and Associated Groundworks at the Millennium Green, Bampton. Consultation with the community has taken place with a large majority considering this to be an excellent scheme benefitting all ages and abilities. This will encourage exercise in the open air.

The Contract in Outline

Bampton Town Council is seeking quotations for the procurement and installation of a Pump Track (as shown on map Appendix A).

The procurement is subject to promised S106 funding to be topped off with grants yet to be applied for.

Groundworks to consist of terraced grass seating adjacent to the Pump Track.

The supply and installation of a timber youth shelter.

The supply and installation of 3 timber climbing logs and surrounding area of rubber cell safety matting.

The supply and installation of log seating.

The supply and installation of a gravel access pathway, with canalised pressure treated edging and steps.

Design and build a BMX/MTB/Skate asphalt surfaced pump track within a disused quarry 90m in length.

Details of Tender

The supplier will provide a detailed estimate/proposal of works.

Further Information

Further information can be obtained from the Town Clerk, Penny Clapham by telephone 07704 915211 or email clerk@bamptontowncouncil.gov.uk

In order to comply with the Local Government Transparency Code 2014, details of the winning contract may be published on the Council's website and minutes. The submission of a tender is deemed to be an acceptance of this requirement.
