Revision of KPIs.
Refinement of KPIs to match practical ways of working established for this contract.
None
None
This Contract detailed above is varied as follows. Please see annex A to this variation for details: KPI 1 – removal of monthly reporting requirement to align with contract ways of working. KPI2 – Remove words 'brand compliance' as this was added in error. KPI5 – change to narrative to better reflect requirement. Changed to "100% of number of individual companies in the recruitment target is met". KPI8 – Change target in green column to 'one month' to align with narrative. KPI10A & B - Change "Event Manager" to "Contract Manager"

Financial variation:	Original Contract Value:	No financial variation
		taking place
	Additional cost due to variation:	None

N	New Contract value:	NA
---	---------------------	----

- 1. This Variation must be agreed and signed by both Parties to the Contract and shall only be effective from the date it is signed by the Client.
- 2. Words and expressions in this Variation shall have the meanings given to them in the Contract.
- 3. The Contract, including any previous Variations, shall remain effective and unaltered except as amended by this Variation.

Signed by an authorised signatory for and on behalf of the Client.

KPI 3	The production of all material	Ad Hoc	94%	95-99%	100%
Compliance	is to be compliant with DBT &	Physical	and		brand
to brand	GREAT brand as defined by	Inspection	below		complianc
	DBT and GREAT brand		95-99%		е
	guidelines.				

KPI 4 Uploading of data to Datahub, Events Hub and Asset Library	As part of event/project scope, after each event customer data and management information must be uploaded onto Data Hub in line with the agreed standard and timeline (on 15th day of each month entered on data hub) Customer Feedback Forms completed onsite at events, to be returned to DBT Insight & Evaluation team within 5 working days of event concluding. Management of events platform entry and enquiries to agreed standard and timeline. Approved assets to be uploaded within 5 working days. (Note - DBT's Insight & Evaluation team now determine the mechanisms for collecting feedback and may request that feedback be sent via email after the event, and this will impact response levels)	Post event summary	84% and lower	85-89%	90-100%
KPI 5 Recruitmen t against Event briefs	Recruitment target When requested, recruit/target/manage a mutually agreed number of individual companies per event, ensuring they meet preagreed criteria, such as being ready for export within the relevant market and sector.	Number of individual companies in the recruitment target is met	95% and lower	96%- 99%	100%

KPI 6 Delivery within agreed Charges	All events delivered within 5% of the final Charges agreed for an event.	Report from Events list. Calculation is an average of events closed within month	84% and lower	85-89%	90-100%
--------------------------------------	--------------------------------------------------------------------------	----------------------------------------------------------------------------------	---------------------	--------	---------

KPI 7 Timely & Accurate Invoicing	All event Charges to be finalised within 1 month of end date of activity. The "end date" is the day of the event when it covers a single day and the final day of an event when it is over several days.	Invoices will quote the correct PO, contract number, the Client Contact, and qualitative description of the work Invoices must be clearly itemised. Associated Reports should be clearly and explicitly linked to invoices to help financial tracking. Any invoices and/or reports that do not comply with the (accuracy) and/or are not on time will not be considered as having met the KPI target.	95% or less, are on time and fully accurat e	96-99% are on time and accurate	100% are on time and accurate
KPI 8 Delivery of Event Lessons Learned and Impact	Within 2 weeks of the event ending, agency to host a wash-up meeting with key stakeholders to discuss the event before compiling a comprehensive report that charts what worked well	Receipt of the report by the Event Manager.	Report is received anytime after 6 weeks of the	Report is received between 1 month and 6 weeks of the	Report is received within 1 month of the event.

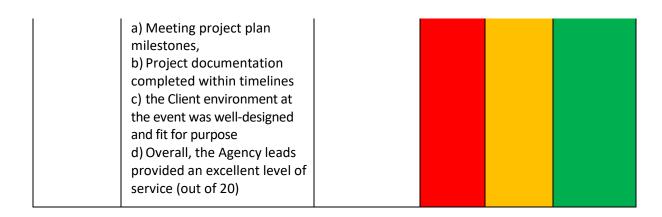

Reports	and what did not; how the event could be improved going forward i.e., recommendations and why; the impact of the event and immediate outcomes; their overall assessment on whether the event met its objectives and if it delivered value for money. In addition		event	event	
---------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	-------	-------	--

to the above, the report should also include: The Agency's own holistic and strategic view of the event which considers any social, economic issues, and comparable factors from the previous year's event. Value for Money (vfm) analysis of the event i.e., efficiency, sustainability, or budget savings etc. set against real outcomes -brief statement about what vfm outcomes there have been as well as suggestions for next time. Professional shot/photograph of final stand/pavilion, including CAD drawings (if applicable) Final attendee numbers for the whole event (reach) *Attendee numbers for DBT stands and/or associated activations, presentations etc. No. of meetings taken place (if applicable) No. of supported businesses/coexhibitors/trade mission companies List of exhibitors (if applicable) List of stakeholders/partner

s (if applicable)

- List of sponsors (if applicable
- Budget/income

	generated/sponsorshi ps 360-degree feedback on PET and Sector Leads pre and post event engagement and performance. The report to be submitted to the Client no later than 1 Month after the event has concluded. *The client acknowledges that the supplier may not be present at each and every event, in which cases they may not be able to verify the accuracy of footfall numbers. In these cases, it is expected that every effort will be taken to support DBT teams to capture footfall, which will then be captured in this report				
	will then be captured in this report.				
KPI 9 Quality rating given by Sector	Quality rating given by authority stakeholders (Sector Lead and Event Producer).	Post event debrief	2 average rating	3 average rating	4-5 average rating
Team and Events Team	The quality rating is the average score between 4 criteria. Each with a maximum of 5:				

KPI 10 Social Value: A - Monthly Reportin g	Submit monthly Social Values report to DBT as part of project meetings. Includes: • Reporting and sharing of carbon emission offsetting solutions. • Number of people hours allocated to Social Value against the 2,500 hours commitment per annum.	Receipt of the report by the Contract Manager	95% or less, are on time and fully accura te.	96-99% are on Time and accurat e	100% are on time and accurate
KPI 10 Social Value: B - Quarterly Reporting	Quarterly one-two page report to be produced within five (5) working days of the end of each quarter and presented ahead of the governance meetings focused on contract wide deliverables on Social Value and Sustainability via the Governance Executive Summary. Including: • Progress against achieving 50% reduction on operational emission by 2026 • Net-zero by 2050 as per the Carbon Reduction Plan.	Receipt of the report by the Contract Manager	95% or less, are on time and fully accura te.	96-99% are on time and accurate	100% are on time and accurate
10.Social Value: C – Post Event Reporting	At the post-event evaluations and wash up meetings, the agency is to provide an Event Impact Report within two weeks after the event to key stakeholders. • Identifying performance against social value commitments/ KPIs including energy consumption, transport, waste generation, water consumption, materials and product sourcing, recycling rates. • Evaluation on achievement versus KPIs and objectives.	Receipt of the report by the Event Manager	95% or less, are on time and fully accurat e	96-99% are on time and accurate .	100% are on time and accurate.
