CALL-OFF DELIVERABLES

IBCA requires up to 50 Clinical Advisors to be within a pool of workers for IBCA, ready to make 'balance of probabilities' judgments based on the available clinical evidence, including historic and partial evidence (Clinical Advisors will not make decisions but will, with their clinical expertise, support the Claims Manager with who will be the ultimate decision maker)

IBCA Claims Manager will make a request to ProMedical as and when they require clinical advice, this request will be made via a Clinical Advisor Advice form. ProMedical will determine from the information provided by Claim Manager the type of Clinical expertise required to support/respond to the request. The Clinical Advisors will review the Clinical Advisor Advice form completed by Claims Managers and discuss them at a virtual session organised by ProMedical. Following the verbal advice provided within the session the Clinical Advisors will write up their advice and share it with the Claim Manager within an agreed SLA of 3 working days. On a monthly basis, IBCA will hold commercial review meetings with ProMedical.

* Types of clinicians required:

Haematologist - for dating infections

Hepatologist - for hep B and hep C

Gastroenterologist - for HIV

GP / generalist - to confirm additional conditions

In addition to the claims requirements, we will request training sessions on an ad-hoc basis with sufficient notice, these are likely to be on specific diseases and how they impact individuals.

In addition, we will request Clinical Advisors to act as panel members to review appeal cases. This process will be mapped out and discussed with ProMedical once finalised.

In addition, we may request Clinical Advisors to act as subject matter experts and support Service Design teams in the development of Services, guidance and support products.

As we recruit more Claims Managers and expand the service, we may need more hours and more Clinical Assessors available so we hope to have ongoing conversations with ProMedical about our changing / expanding service and figure out what can be done to support.

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

Annex D3: Local Government Pension Schemes (LGPS)

[Guidance: You should take specific legal advice on this Annex D3 and in particular the risk apportionment provisions contained herein.]

Please note that this Part D is drafted to reflect the requirements of New Fair Deal. Accordingly, where a contracting authority is a local authority (or other type of best value authority) then it will be subject to the requirements of the Best Value Authorities Staff Transfers (Pensions) Direction 2007 (or the Welsh Authorities Staff Transfers (Pensions) Direction 2012 if appropriate) and should take further specific legal advice to ensure compliance with those Directions.

Note the LGPS unlike the CSPA & NHSPA is a funded scheme which has associated cost implications as follows:

There is not 1 LGPS but approx. 90 different Funds, each with their own separate Scheme Employer and Administering Buyer, it is important to identify the correct one(s) and amend the definition of "Fund" accordingly.

It is important to check whether **LPP** and or the Buyer can actually participate in the LGPS. Where a government department is taking on services which were formerly the responsibility of a Local Authority it may be necessary to obtain secretary of state approval for participation in the LGPS, this is because the services are being provided to Gov. Dept. and not to a Local Authority.

Unlike New Fair Deal the 2007 Best Value pension direction does not provide a right to bulk transfer past service. Whilst typically before the 2007 direction LA did provide such a right, it is a significant additional cost and therefore bulk transfer wording has been excluded. If required take legal advice due to the exceptionally high costs which can result from a requirement to provide bulk transfers.]
