Call-Off Schedule 20 (Call-Off Specification)

This Schedule sets out the characteristics of the Deliverables that the Supplier will be required to make to the Buyers under this Call-Off Contract

1 Background

- 1.1. On 12 May 2021 the Prime Minister announced a statutory public inquiry into the State's actions during the COVID 19 pandemic. The Inquiry is due to begin in spring 2022.
- 1.2. The draft Terms of Reference for the Inquiry were published on 10 March 2022. The Inquiry will examine issues of exceptional public interest, weight and complexity and will inevitably involve significant press interest. The draft Terms of Reference are very broad in scope, covering: preparedness; the public health response; the response in the health and care sector; and the economic response.
- 1.3. The Prime Minister has acknowledged the large amount of resources that will be involved in the months of preparation for the Inquiry and the potentially large amount of time which will be spent by people testifying in public.
- 1.4. As such, each Government Department is likely to be expected to contribute to the Inquiry, and a number of these have been working with GLD to prepare for the work required. GLD anticipates that it will need external law firms to provide additional resource and expertise to support the departments, and this Call Off Contract has been established between the Buyer and the Supplier to provide this support.

2. Purpose of the Call Off Contract

The Supplier shall provide legal support to the Buyer in addition to that provided by GLD, in its response to the Covid inquiry.

- 2.2. We envisage GLD, the Supplier and every firm appointed to support other government Departments collaboratively working together, in order to provide a seamless and cost effective service for clients. The scale of the Inquiry is likely to require a flexible and innovative approach, including the potential for firms working together in partnership where appropriate.

3. The general approach

- 3.1. GLD will provide the recognised legal representative (RLR) to the Inquiry as required under the Inquiries Act 2005 for each department.
- 3.2. The GLD RLR will be the point of contact for the Buyer and the Supplier.
- 3.3. The GLD RLR will procure any necessary e-disclosure system for the Buyer, and the Supplier will use this, where required, in provision of the Services and Deliverables.

- 3.4. The GLD RLR, as well as drawing on wider GLD support, will be able to instruct the Supplier to undertake specific tasks in support of their role as RLR in consultation with the Buyer. For example legal and strategic advice on specific issues, document review for disclosure, preparation of draft documents etc.
- 3.5. The GLD RLR will be responsible for the relationship with the Supplier, including but not limited to, checking the quality of work and the accuracy and reasonableness of invoices.
- 3.6. The GLD RLR will instruct any counsel required to represent the Buyer. Where the Supplier wishes to instruct additional counsel to assist with a task, for example disclosure, this instruction will be subject to the GLD RLR's prior approval and managed through them.
- 3.7. The GLD RLR will sign off, once the Buyer is content, all external communications with or related to the Inquiry.
- 3.8. The GLD RLR will advise the Buyer on the strategic approach, and will attend where necessary internal cross-government meetings, to ensure consistency of HMG approach.

4. Instructions

- 4.1. Where the Buyers Authorised Representative has a request for a "work package" of Services under this Call Off, they will send an email to the Supplier with the request. The Supplier and the Buyer will then agree the scope and detail of the Services, Deliverables and the timescales and fee estimate for the work. This agreement will be confirmed in writing between the Parties.
- 4.2. Where the Buyer requires
 - 4.2.1. Call Off Special Term 1 (Conflicts Waiver); and/or
 - 4.2.2. Call Off Schedule 9 (Security) Part A or B; and/or
 - 4.2.3. Call Off Schedule 26 (Non-Disclosure Agreement)to apply, this shall be set out in the agreement for those Services
- 4.3. In the event that the Buyer requires Services under Scottish Law, Call Off Schedule 19 (Scottish Law) will apply to that request under this Call Off Contract.
- 4.4. In the event that the Buyer requires Services under Northern Irish Law, Call Off Schedule 21 (Northern Irish Law) will apply to that request under this Call Off Contract.

5. Progress Reports and Progress Meetings

- 5.1. The content and format of any progress reports will be agreed by the parties, but are likely to include work completed but not yet invoiced, progress on current work packages, forecast spend against budget, forward look of activity, risks and issues arising.
- 5.2. In addition to meetings to discuss the provision of the Services, progress meetings may include meetings with other government Departments and their legal advisors in relation to the provision of advice to government for the Inquiry.
