Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 20.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly stated to be a waiver. - 20.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any Customer to make any commitments on the other Party's behalf.
- 20.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 20.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

21 NOTICES

- 21.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 21.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause:

ANNEX 3 – STATEMENT OF REQUIREMENTS

2. Background

- 2.1. CCS are in the process of developing a new Framework Agreement that is seeking to replace 3 current Agreements that are reaching the end of their contractual periods. The new Agreement RM6360 Legal Panel for Government (LPFG) (the “New Agreement”) will provide a central commercial vehicle through which Central Government can purchase general legal advice, complex and financial legal services and rail and trade specific legal services.
- 2.2. The New Agreement will bring together the specialisms of the following CCS Agreements (hereafter referred to as the “Existing Agreements”);
 - 2.2.1. RM6179 Legal Services Panel;
 - 2.2.2. RM6204 Rail Legal Services; And
 - 2.2.3. RM6183 Trade Law Panel
- 2.3. Along with centralising these specialisms CCS intends to create a unified set of Terms and Conditions to account for all 3 constituent Agreements within the LPFG.
- 2.4. LPFG will be procured under the Public Contract Regulations. It will have a total potential value of £650 million and a duration of 3 years, plus a 1-year extension option. The New Agreement will have 5 Lots, set out in the following structure;
 - 2.4.1. Lot 1 - Core Legal Services
 - 2.4.2. Lot 2 - Major Projects and Complex Advice
 - 2.4.3. Lot 3 - Finance and High Risk
 - 2.4.4. Lot 4 (a) - Trade Law Negotiation
 - 2.4.5. Lot 4 (b) - Trade Law Disputes
 - 2.4.6. Lot 4 (c) - Investor State Disputes
 - 2.4.7. Lot 5 - Rail
- 2.5. All Existing Agreements utilise the Public Sector Contract (PSC) as their foundation, but all include Special Terms and bespoke Schedules. The New Agreement will seek to maintain the PSC as it's foundation, while incorporating the Special Terms and Bespoke Schedules (where appropriate and desired) from the Existing Agreements.

3. Requirement

- 3.1. Review the included Appendices, including the Contracts Requirement Template (CRT). The CRT contains information relating to the source of requested changes, a full description of the change as well as notes detailing the discussions so far between CCS Policy and the LPFG Category/Project Team.
 - 3.1.1. The Appendices include;
 - A. Appendix 1 - Contracts Requirement Template

OFFICIAL

- B. Appendix 2 - LPFG Comparison Table
C. Appendix 3 - Cap and Collar Approach
- 3.2. The allocated Lawyer should familiarise themselves with the PSC if they are currently unfamiliar. CCS Policy can provide guidance as to the drafting policies that exist for using the PSC.
- 3.3. Provide advice, guidance and drafting support on a number of key elements. These are detailed briefly below. This is not an exhaustive list but seeks to highlight some critical points from the details within the CRT;
- 3.3.1. **CRT General Drafting** – Within the CRT there are clearly identified items to be considered by the allocated legal support. Some of these items are identified below in more detail. CCS will require the allocated lawyer to conduct general drafting and provide advice against all items identified for legal review, whether they are identified below in this document or within the Appendices.
- 3.3.2. **General Drafting Support** - The allocated Lawyer will be expected to assist and advise on any elements of drafting that may be required following other parcels of work. This may, for example, include updating Definitions or correcting Schedule/Paragraph referencing as a result of any new drafting.
- 3.3.3. **Special Terms** – CCS is aware that the Existing Agreements contain either a number of Framework Special Terms or Special Schedules to incorporate market specific terms and conditions. CCS has conducted a comparison of these and has identified which of the elements of specific drafting need to be maintained in the New Agreement and how they apply – generally CCS is seeking to apply the market specific terms to the New Agreement as a whole. This comparison is attached to this Contract as Appendix 2. The allocated Lawyer should review this comparison document and identify the actions detailed within it. The allocated Lawyer will be required to advise as to the most efficient way of constructing the Special Terms into the New Agreement and conduct the associated drafting following this advice.
- 3.3.4. **Volume Discounts** - The New Agreement will seek to utilise two methods of Volume Discounts. Lots 1, 2, 3 and 5 require the methodology for Volume Discounting present in the Legal Services Panel Agreement. Lot 4 requires the methodology present within the Trade Law Panel. The allocated Lawyer will be required to assist in constructing a Framework Schedule 3 that accounts for both of these methodologies, ensuring that they work in a compliant fashion.
- 3.3.5. **Indexation** - The New Agreement requires a method through which Framework Prices can be increasing, during the duration of the Framework. The Category Team have proposed a “Cap and Collar” Threshold based Indexation method that is explained in detailed in Appendix 3. The Allocated Lawyer will be required to provide advice and drafting to include the proposed methodology across all Lots of the New Agreement.

- 3.3.6. **FOREX** - The Trade Law Panel Agreement includes an ability for Suppliers to provide prices in Pounds, US Dollars or Euros. This will need to be replicated in the New Agreement, specifically for Lot 4. It is initially proposed that this ability be limited to just Lot 4, but can be expanded to the other Lots should it be required to ensure fair treatment. The Allocated Lawyer will be required to work with CCS Policy and the Category Team to advise on whether this ability can be restricted to one Lot of the New Agreement. Subsequently, drafting support will be required to build the selected approach into the Terms and Conditions.
- 3.3.7. **Short Order Form** - The Category Team wish to utilise a Short/Standard Order Form. The intent is that this Order Form would remove the optionality of Schedules and present Buyers with a fixed Schedule Pack, through which to procure. This would be supported by a "Bespoke" Order Form, which would allow the Buyer to make decisions on the inclusion of specific Optional Schedule (how the PSC currently works). It is anticipated that this work will be completed internally, but the Allocate Lawyer may be required to assist, advise and support on drafting of this issue, should it be needed.
- 3.3.8. **Key Subcontractors** - The Existing Agreements include Joint Schedule 6 Key Subcontractors. A critical requirement of that Schedule details a Supplier needing to seek the consent of both the Buyer and CCS before including a new Key Subcontractor on any Call Off activity. It has been noted from feedback that the seeking of this consent can often slow down the process of a Project. CCS Policy and the Category Team wish to consider removing the requirement of seeking CCS Consent before selecting a new Key Subcontractor. The Allocated Lawyer will be required to advise what the potential risks and issues may be of conducting such a removal and provide drafting support on any selected solution.
- 3.3.9. **CQ Support** - CCS Policy and the Category Team may require support responding to complex Clarification Questions in relation to the drafting the allocated Lawyer will complete. It is requested that the allocated Lawyer indicate availability to act as this "2nd Line" support for CQs and, where appropriate, provide a quote for this activity (past experience indicates a value of between £5 - £8 thousand is allocated for this).
- 3.3.10. **Scoping Call and Quote** - A scoping call will take place with the allocated Lawyer following submission of this Commission. This call will be attended by the Lawyer, CCS Policy and the Category Team. The call will be used to respond to any initial queries the Lawyer may have about this commission and to clarify any outstanding details. Following this the allocated Lawyer will be expected to provide a timeline of activity and a quote, for approval by CCS Policy.
- 3.3.11. **Reporting, Relationship and Project Management** - There is an expectation of weekly meetings and WIP reports to ensure that the

project is progressing according to the agreed timeline and to monitor fees against budget. While the allocated Lawyer will be working closely with the Category Team, CCS Policy remains the Client. All instructions, especially where they are in excess or addition to the ones detailed within this Commission and its associated documents, need to be checked and approved by CCS Policy. The allocated Lawyer will be required to act proactively to highlight any potential risk that agreed timelines may not be met.

- 3.3.12. **Full handover of Terms and Conditions** - The allocated Lawyer will be required to take part in a final session following the completion of all drafting and advice requirements, to present results to CCS Policy and the Category Team. It is intended that this session will cover the key changes, any additional drafting and provide an avenue for any remaining questions CCS Policy of the Category Team may have.
