Estimate No. E160263
Re: Lodge Road Pavilion

8. Fitting to be carried out during normal working hours Monday to Friday 9am till 5pm
9. Lead times are based from signing off Cubicle Systems drawing specification agreement. The agreement is confirmation that all sizes and colours are correct on the products being supplied. Cubicle Systems manufacture from the drawings provided. Please note that install may not be able to be done on the date of delivery, please contact Cubicle Systems to be notified of date of install
10. If changes need to be made once drawings are signed off this will delay production and delivery times and may endure extra charges depending on the position in factory.
11. Delivery time scales can vary and the lead time given is based on the current production time Cubicle Systems are currently working to. In some case's we will be able to better the lead time given, please contact Cubicle Systems to see if we can adjust the lead time.
12. All orders are to be sent to sales@cubiclesystems.co.uk and include any relevant person(s) into the email trail. Cubicle Systems will always send an order confirmation to the sender of the purchase order within 24hours of receiving. Please contact Cubicle Systems after this period if you have not received an order confirmation. Cubicle Systems will not be held responsible for orders that are missed that are not sent to sales@cubiclesystems.co.uk. If you have not had any response once an order is sent within 24 hours please contact Cubicle Systems.
13. All purchase orders must include all the charges stated on the estimate raised including delivery, failure to do so will result in the purchase order not being processed untill the correct information is received. If some items are not required that are stated on the estimate please contact the team to get a revised estimate with the correct information/prices on.
14. O&M manuals are sent upon request, please email Sales@cubiclesystems.co.uk with the Estimate Number as reference to obtain the relevant documents.
15. Cubicle Systems can only deliver to curb side. Off-loading needs to be arranged by on-site staff. Most products are delivered on pallets and Forklift trucks are advised for offloading.
16. If in the event that damages are caused in transportation notification need to be made within 7 days of the delivery with photo evidence of the damage and the reference number to the project. When offloading, products need to be thoroughly checked before signing off the delivery note. A signature is confirmation that the product has been delivered in good condition. Any Financial claims or LAD's will not exceed 5% of the quote total

Estimate No. E160263
Re: Lodge Road Pavilion

17. This estimate is based upon information received; please check that our interpretation meets with your requirements.
18. Raw materials and packaging used in the manufacture and supply of Cubicle Systems Ltd washrooms are supplied wherever possible from sustainable resources. Cubicle Systems Ltd has an ongoing commitment towards improving the range and styles of washrooms manufactured by the company. We therefore reserve the right to make any changes necessary without prior notice.
19. Products are supplied subject to our Normal Terms and Conditions of Trading and remain the property of Cubicle Systems Ltd until paid in full.

DISCLAIMER - Acceptance of this estimate is based on the clear understanding that Cubicle Systems Ltd will make every effort to produce and deliver goods on or around the predicated delivery date. In the event that Cubicle Systems Ltd or its representative are unable to produce or deliver the goods, for whatever reason, whether notified of a delivery date or not, will not accept any claims by the purchaser, their clients or agents for the cost charges or penalties, incurred for whatever reason relating to late or part deliveries.

I trust the above is of interest and look forward to being of service in the near future. If you require any further information please do not hesitate to contact me.

Yours Sincerely

Chris Richards
