

## PROCUREMENT INFORMATION FOR SINGLE SOURCE FOR SUBSCRIPTION TO THE NATIONAL CHILD MORTALITY DATABASE

3\* Area: Home Command

2\* Area: Defence Children & Young People

Name of DO: Michelle Pearce

DO's Contact Details: [Michelle.Pearce109@mod.gov.uk](mailto:Michelle.Pearce109@mod.gov.uk) / 07913631145

### **Purpose**

The requirement is for subscription access to the Electronic Child Death Overview Panel System (eCDOP) which is an off the shelf solution to support the Child Death Overview Panel recording and reporting process. It will be used by Directorate Children & Young People (DCYP) to record all child deaths of overseas MOD personnel. The data inputted into the eCDOP feeds directly in to the National Child Mortality Database.

The contract need by date is *as soon as possible* and will run for 5 years initially.

There is currently no existing contract in place.

The requirement is recorded on;

- The FCW under reference [REDACTED]
- CP&F requisition number [REDACTED] (approved)

### **Procurement Route**

A Single Source Contract award to Quality Education Solutions (trading as QES) was approved by Siobhan Macmillan Commercial Sourcing Assistant Head on the 5<sup>th</sup> June 2020.

The requirement is below the threshold of PCR2015 so a Voluntary Transparency Notice (VTN) is not required.

### **Approvals**

The requirement has been approved by the Information Services Gateway Board (ISGB) on the 11<sup>th</sup> March 2020, Reference [REDACTED].

The Business Case was approved Financially for [REDACTED] by Mike Cooper on the 5<sup>th</sup> February 2020.

### **Cyber Security Certification**

The cyber security has been completed with a Risk Rating of N/A; RAR-YCZM3ZMU.

### **Standard Quality Assurance Contractual Requirements Checklist**

The Quality Checklist has been completed by Sid Jones on 11th June 2020.
