INVITATION TO QUOTE

8th September 2019

Stanway Parish Council wishes to undertake the works detailed below and, under its financial regulations, is required to obtain three quotations for such works. If you wish to provide a quotation, please respond via email or by post to the address above.

Upgrade of (up to) 117 streetlights to LED, with structural modifications where required

The Parish Council is responsible for an aging stock of streetlights and wishes to upgrade them all to LED lighting (where required). In a number of cases, the structure of and/or fittings on the lamp posts may require upgrading as well to accommodate the new bulbs. Such costs should be incorporated in the quotation. **Please note that the provision of LED Retro-fit conversions will not be acceptable.**

An inventory of the Council's streetlights is attached and the Council is open to recommendations on the type or strength of lighting for specific areas, accepting that not all urban streets may have the same requirements. A balance is required between providing comfort and security to all users of the street and being conscious of the intrusion of lighting to residential properties during the night.

Depending on the overall cost, the Parish Council may choose to meet this expenditure from its current reserves or to extend the cost over an extended period, perhaps via a financial arrangement with the Public Works Loan Board at preferential rates. However, the Council is open to other financing arrangements, provided that they comply with local council legislation.

The current anticipated timetable for assessment, then selection and approval of the successful contract proposal is as follows:

Wednesday October 16th – SPC Community Assets Committee.

Assessment and recommendation of successful proposal to the Full Council (this is because the likely cost will exceed the Committee's expenditure authority and the Full Council's authority is required for any borrowing to finance the purchase of the replacement lighting)

Thursday 31st October – Full Council

Approval of the capital expenditure and any borrowing relating to the successful proposal, and the award of the contract. Please note that the Parish Council reserves the right to extend the timetable of or not to proceed with this project, should it decide so for any reason.

Please address your quotation and any enquiries to me, by post or email, as soon as is convenient, but no later than the indicated closing date.

Parish Clerk and RFO

Stanway Parish Council
