

Please check Drawing 412 Site
Sumo Survey Services
and 413 Services

Design Risks & Hazards: Please inspect the site and study all drawings before any work is carried out. There are services around and pipes in the ground. Any work on an existing property should have an asbestos survey. The site is located within a park with many visitors.

This drawing is copyright to Horne Architects Limited and any use of the information requires written permission. Do not scale for construction purposes from this drawing and all dimensions are to be checked on site and any discrepancies noted or corrected in the field. This drawing shall be used in conjunction with all relevant documents and engineering drawings and specifications.
