- 1.1 In this Call Off Contract, unless the context otherwise requires, capitalised expressions shall have the meanings set out in Call Off Schedule 1 (Definitions) or the relevant Call Off Schedule in which that capitalised expression appears.
- 1.2 If a capitalised expression does not have an interpretation in Call Off Schedule 1 (Definitions) or relevant Call Off Schedule, it shall have the meaning given to it in the Framework Agreement. If no meaning is given to it in the Framework Agreement, it shall, in the first instance, be interpreted in accordance with the common interpretation within the relevant market sector/industry where appropriate. Otherwise, it shall be interpreted in accordance with the dictionary meaning.
- 1.3 In this Call Off Contract, unless the context otherwise requires:
 - 1.3.1 the singular includes the plural and vice versa;
 - 1.3.2 reference to a gender includes the other gender and the neuter;
 - 1.3.3 references to a person include an individual, company, body corporate, corporation, unincorporated association, firm, partnership or other legal entity or Crown Body;
 - 1.3.4 a reference to any Law includes a reference to that Law as amended, extended, consolidated or re-enacted from time to time;
 - 1.3.5 the words "including", "other", "in particular", "for example" and similar words shall not limit the generality of the preceding words and shall be construed as if they were immediately followed by the words "without limitation";
 - 1.3.6 references to "writing" include typing, printing, lithography, photography, display on a screen, electronic and facsimile transmission and other modes of representing or reproducing words in a visible form, and expressions referring to writing shall be construed accordingly;
 - 1.3.7 references to "representations" shall be construed as references to present facts, to "warranties" as references to present and future facts and to "undertakings" as references to obligations under this Call Off Contract;
 - 1.3.8 references to "Clauses" and "Call Off Schedules" are, unless otherwise provided, references to the clauses and schedules of this Call Off Contract and references in any Call Off Schedule to parts, paragraphs, annexes and tables are, unless otherwise provided, references to the parts, paragraphs, annexes and tables of the Call Off Schedule in which these references appear; and
 - 1.3.9 the headings in this Call Off Contract are for ease of reference only and shall not affect the interpretation or construction of this Call Off Contract.
- 1.4 Subject to Clauses 1.4.4 and 1.6 (Definitions and Interpretation), in the event of and only to the extent of any conflict between the Order Form, the Call Off Terms and the provisions of the Framework Agreement, the conflict shall be resolved in accordance with the following order of precedence:

- 1.6 Where Framework Schedule 20 (Tender) contains provisions which are more favourable to the Customer in relation to this Call Off Contract, such provisions of the Tender shall prevail. The Customer shall in its absolute and sole discretion determine whether any provision in the Tender is more favourable to it in this context.

2. DUE DILIGENCE

2.1 The Supplier acknowledges that:

- 2.1.1 the Customer has delivered or made available to the Supplier all of the information and documents that the Supplier considers necessary or relevant for the performance of its obligations under this Call Off Contract;
- 2.1.2 it has made its own enquiries to satisfy itself as to the accuracy and adequacy of the Due Diligence Information;
- 2.1.3 it has satisfied itself (whether by inspection or having raised all relevant due diligence questions with the Customer before the Call Off Commencement Date) and has entered into this Call Off Contract in reliance on its own due diligence alone; and
- 2.1.4 it shall not be excused from the performance of any of its obligations under this Call Off Contract on the grounds of, nor shall the Supplier be entitled to recover any additional costs or charges, arising as a result of any:
 - (a) misinterpretation of the requirements of the Customer in the Order Form or elsewhere in this Call Off Contract; and/or
 - (b) failure by the Supplier to satisfy itself as to the accuracy and/or adequacy of the Due Diligence Information.

3. REPRESENTATIONS AND WARRANTIES

3.1 Each Party represents and warrants that:

- 3.1.1 it has full capacity and authority to enter into and to perform this Call Off Contract;
- 3.1.2 this Call Off Contract is executed by its duly authorised representative;
- 3.1.3 there are no actions, suits or proceedings or regulatory investigations before any court or administrative body or arbitration tribunal pending or, to its knowledge, threatened against it (or, in the case of the Supplier, any of its Affiliates) that might affect its ability to perform its obligations under this Call Off Contract; and
- 3.1.4 its obligations under this Call Off Contract constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms subject to applicable (as the case may be for each Party) bankruptcy, reorganisation, insolvency, moratorium or similar Laws affecting creditors' rights generally and subject, as to

enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or Law).

3.2 The Supplier represents and warrants that:

- 3.2.1 it is validly incorporated, organised and subsisting in accordance with the Laws of its place of incorporation;
- 3.2.2 it has all necessary consents (including, where its procedures so require, the consent of its Parent Company) and regulatory approvals to enter into this Call Off Contract;
- 3.2.3 its execution, delivery and performance of its obligations under this Call Off Contract does not and will not constitute a breach of any Law or obligation applicable to it and does not and will not cause or result in a Default under any agreement by which it is bound;
- 3.2.4 as at the Call Off Commencement Date, all written statements and representations in any written submissions made by the Supplier as part of the procurement process, including without limitation to the PQQ (if applicable), its Tender and any other documents submitted remain true and accurate except to the extent that such statements and representations have been superseded or varied by this Call Off Contract;
- 3.2.5 as at the Call Off Commencement Date, it has notified the Customer in writing of any Occasions of Tax Non-Compliance or any litigation that it is involved in connection with any Occasions of Tax Non Compliance;
- 3.2.6 it has and shall continue to have all necessary rights in and to the Third Party IPR, the Supplier Background IPRs and any other materials made available by the Supplier (and/or any Sub-Contractor) to the Customer which are necessary for the performance of the Supplier's obligations under this Call Off Contract including the receipt of the Services by the Customer;
- 3.2.7 it shall take all steps, in accordance with Good Industry Practice, to prevent the introduction, creation or propagation of any disruptive elements (including any virus, worms and/or Trojans, spyware or other malware) into systems, data, software or the Customer's Confidential Information (held in electronic form) owned by or under the control of, or used by, the Customer;
- 3.2.8 it is not subject to any contractual obligation, compliance with which is likely to have a material adverse effect on its ability to perform its obligations under this Call Off Contract;
- 3.2.9 it is not affected by an Insolvency Event and no proceedings or other steps have been taken and not discharged (nor, to the best of its knowledge, are threatened) for the winding up of the Supplier or for its dissolution or for the appointment of a receiver, administrative receiver, liquidator, manager, administrator or similar officer in relation to any of the Supplier's assets or revenue; and
- 3.2.10 for the Call Off Contract Period and for a period of twelve (12) months after the termination or expiry of this Call Off Contract, the Supplier shall not employ or offer employment to any staff of the Customer which have been associated with the provision of the Services without Approval or the prior written consent of the Customer which shall not be unreasonably withheld.

3.3 Each of the representations and warranties set out in Clauses 3.1 and 3.2 shall be construed as a separate representation and warranty and shall not be limited or restricted by reference to, or

inference from, the terms of any other representation, warranty or any undertaking in this Call Off Contract.

- 3.4 If at any time a Party becomes aware that a representation or warranty given by it under Clauses 3.1 and 3.2 has been breached, is untrue or is misleading, it shall immediately notify the other Party of the relevant occurrence in sufficient detail to enable the other Party to make an accurate assessment of the situation.
- 3.5 For the avoidance of doubt, the fact that any provision within this Call Off Contract is expressed as a warranty shall not preclude any right of termination the Customer may have in respect of breach of that provision by the Supplier which constitutes a material Default.

4. CALL OFF GUARANTEE

- 4.1 Where the Customer has stipulated in the Order Form or elsewhere in this Call Off Contract that the Call Off Contract shall be conditional upon receipt of a Call Off Guarantee, then, on or prior to the Call Off Commencement Date or on any other date specified by the Customer, the Supplier shall deliver to the Customer:

- 6.1.1 Where the Parties agreed in the Order Form (or elsewhere in this Call Off Contract) that an Implementation Plan (or parts thereof) shall be provided in draft by the Supplier prior to the commencement of the provision of the Services, the Supplier's draft must contain information at the level of detail necessary to manage the implementation stage effectively and as the Customer may require. The draft Implementation Plan shall take account of all dependencies known to, or which should reasonably be known to, the Supplier.
- 6.1.2 The Supplier shall submit the draft Implementation Plan to the Customer for Approval (such decision of the Customer to Approve or not shall not be unreasonably delayed or withheld) within such period as specified by the Customer in the Order Form (or elsewhere in this Call Off Contract).
- 6.1.3 The Supplier shall perform each of the Deliverables identified in the Implementation Plan by the applicable date assigned to that Deliverable in the Implementation Plan so

as to ensure that each Milestone identified in the Implementation Plan is Achieved on or before its Milestone Date.

- 6.1.4 The Supplier shall monitor its performance against the Implementation Plan and Milestones (if any) and any other requirements of the Customer as set out in this Call Off Contract and report to the Customer on such performance.

6.2 Control of Implementation Plan

- 6.2.1 Subject to Clause 6.2.2, the Supplier shall keep the Implementation Plan under review in accordance with the Customer's instructions and ensure that it is maintained and updated on a regular basis as may be necessary to reflect the then current state of the provision of the Services. The Customer shall have the right to require the Supplier to include any reasonable changes or provisions in each version of the Implementation Plan.

- 6.2.2 Changes to the Milestones (if any), Milestone Payments (if any) and Delay Payments (if any) shall only be made in accordance with the Variation Procedure and provided that the Supplier shall not attempt to postpone any of the Milestones using the Variation Procedure or otherwise (except in the event of a Customer Cause which affects the Supplier's ability to achieve a Milestone by the relevant Milestone Date).

- 6.2.3 Where so specified by the Customer in the Implementation Plan or elsewhere in this Call Off Contract, time in relation to compliance with a date, Milestone Date or period shall be of the essence and failure of the Supplier to comply with such date, Milestone Date or period shall be a material Default unless the Parties expressly agree otherwise.

6.3 Rectification of Delay in Implementation

- 6.3.1 If the Supplier becomes aware that there is, or there is reasonably likely to be, a Delay under this Call Off Contract:

(a) it shall:

- (iv) use all reasonable endeavours to eliminate or mitigate the consequences of any Delay or anticipated Delay; and

- (b) if the Delay or anticipated Delay relates to a Milestone in respect of which a Delay Payment has been specified in the Implementation Plan, Clause 6.4 (Delay Payments) shall apply.

6.4 Delay Payments

- 6.4.1 If Delay Payments have been included in the Implementation Plan and a Milestone has not been achieved by the relevant Milestone Date, the Supplier shall pay to the Customer such Delay Payments (calculated as set out by the Customer in the Implementation Plan) and the following provisions shall apply:

- (a) the Supplier acknowledges and agrees that any Delay Payment is a price adjustment and not an estimate of the Loss that may be suffered by the Customer as a result of the Supplier's failure to Achieve the corresponding Milestone;
- (b) Delay Payments shall be the Customer's exclusive financial remedy for the Supplier's failure to Achieve a corresponding Milestone by its Milestone Date except where:
 - (i) the Customer is otherwise entitled to or does terminate this Call Off Contract pursuant to Clause 42 (Customer Termination Rights) except Clause 42.6 (Termination Without Cause); or
 - (ii) the delay exceeds the number of days (the "**Delay Period Limit**") specified in Part A of Call Off Schedule 4: (Implementation Plan, Customer Responsibilities and Key Personnel) for the purposes of this sub-Clause, commencing on the relevant Milestone Date;
- (c) the Delay Payments will accrue on a daily basis from the relevant Milestone Date and shall continue to accrue until the date when the Milestone is Achieved (unless otherwise specified by the Customer in the Implementation Plan);
- (d) no payment or concession to the Supplier by the Customer or other act or omission of the Customer shall in any way affect the rights of the Customer to recover the Delay Payments or be deemed to be a waiver of the right of the Customer to recover any such damages unless such waiver complies with Clause 49 (Waiver and Cumulative Remedies) and refers specifically to a waiver of the Customer's rights to claim Delay Payments; and
- (e) the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 6.4.1 and Delay Payments shall not be subject to or count towards any limitation on liability set out in Clause 37 (Liability).

- (i) assign to the Customer, or if it is unable to do so, shall (to the extent it is legally able to do so) hold on trust for the sole benefit of the Customer, all warranties and indemnities provided by third parties or any Sub-Contractor in respect of any Deliverables and/or Services. Where any such warranties are held on trust, the Supplier shall enforce such warranties in accordance with any reasonable directions that the Customer may notify from time to time to the Supplier;
- (j) provide the Customer with such assistance as the Customer may reasonably require during the Call Off Contract Period in respect of the supply of the Services;
- (k) deliver the Services in a proportionate and efficient manner;

omission which is reasonably likely to diminish the trust that the public places in the Customer, regardless of whether or not such act or omission is related to the Supplier's obligations under this Call Off Contract; and

- (m) gather, collate and provide such information and co-operation as the Customer may reasonably request for the purposes of ascertaining the Supplier's compliance with its obligations under this Call Off Contract.

- 7.1.5 An obligation on the Supplier to do, or to refrain from doing, any act or thing shall include an obligation upon the Supplier to procure that all Sub-Contractors and Supplier Personnel also do, or refrain from doing, such act or thing.

41.5 The Parties shall at all times following the occurrence of a Force Majeure and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure.

 - (ii) to receive Delay Payments pursuant to Clause 6.4 (Delay Payments) to the extent that the Achievement of any Milestone is affected by the Force Majeure; and
 - (iii) to receive Service Credits or withhold and retain any of the Call Off Contract Charges as Compensation for Critical Service Level Failure pursuant to Clause 14 (Critical Service Level Failure) to the extent that a Service Level Failure or Critical Service Level Failure has been caused by the Force Majeure; and
- (b) the Supplier shall be entitled to receive payment of the Call Off Contract Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be provided in accordance with the terms of this Call Off Contract during the occurrence of the Force Majeure.

41.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract.

41.8 Relief from liability for the Affected Party under this Clause 41 shall end as soon as the Force Majeure no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract and shall not be dependent on the serving of notice under Clause 41.7.

CALL OFF SCHEDULE 2: SERVICES

1. INTRODUCTION

- 1.1 This Call Off Schedule specifies the:
 - 1.1.1 Services to be provided under this Call Off Contract, in Annex 1

Statement of Requirements

1. Executive Summary

The Care Quality Commission (CQC) seeks an external agency to monitor and evaluate its media coverage across national, regional and trade outlets covering print and online platforms. The contract that CQC intends to award will cover a period of two years, with the opportunity for this to be extended for an additional twelve months, subject to agreement by both parties.

This service is anticipated to commence on **1 January 2019** (subject to agreement of final contract between CQC and the incoming service provider).

Currently, CQC commissions an external supplier to provide this service. A full competitive tender exercise is now required as this contract is drawing to a close. There is a Government framework in place for this type of service – (Media Monitoring and Evaluation and Related Services – RM3708; Lot 1) – since June 2015, which CQC is required to adhere to.

As the regulator, CQC has a core purpose to make sure health and adult social care services provide people with safe, high-quality and compassionate care and to encourage improvement.

CQC publishes its findings and speaks out, openly and independently (both from Government and from the providers that it regulates) to enable this and to help people to make informed choices about their care.

The findings from its inspection reports, judgements and its regulatory actions involving NHS trusts, care homes, general practices and other services are of frequent interest to mainstream media, its stakeholders and the general public, as are CQC's broader analyses of national, regional and theme-based trends, and how the organisation operates within the wider health and social care landscape.

As such, CQC has a very high profile in national, regional and trade media and generates coverage on a daily basis. On average, around 1,000 articles mentioning CQC are monitored every month of which, around 230 are then analysed.

CQC's communications in mainstream media allows the organisation to demonstrate and deliver its purpose and to assess its effectiveness; and so, it is imperative that colleagues within the organisation can receive regular and timely updates of coverage generated, respond to such coverage when necessary, and to understand external perceptions about CQC, based on what is being reported in the media and what its audiences are exposed to.

The Requirement

The contract that CQC intends to award will cover a period of two years, with the opportunity for this to be extended for an additional twelve months subject to agreement by both parties.

Monitoring

CQC requires an external supplier to monitor its coverage from selected titles across national, regional and trade outlets covering print and online platforms, as required and based on a predefined list of keywords.

CQC's current search terms include the organisation's name and acronym, the names and job titles of its chief inspectors of adult social care, hospitals and of general practices, and the names of its chief executive and chairman.

CQC's key words, as well as both the titles that it requests to be monitored, are subject to change by CQC during the duration of the contract and any extensions, as part of ongoing efforts to ensure the service remains cost effective and of maximum value to its recipients.

The supplier will be required to monitor such coverage on an ongoing basis and report on it to CQC in a timely manner, which is envisaged as occurring early in the morning on a daily basis (before 5.00am), including weekends and public holidays, via email to an agreed internal distribution list and in presentable formats, accessible from PC, blackberry, iPhone, iPad and other portable devices.

For this service, CQC requires expert readers with an excellent knowledge of the health and social care environment, particularly as CQC may request for individual summaries to be provided on coverage from notable titles (e.g. a sentence or two, which summarises the coverage and where CQC has been referenced).

In the alerts, print and online coverage should be categories under National, Trade and Regional headings (with Regional subcategorised into North, South, London and Central). Coverage should be delivered on email and also available online to recipients who should have individual login details, for up to 28 days from delivery, in accordance to the terms of NLA media access and the Copyright Licensing Agency.

The supplier will be required to provide CQC with a dedicated account manager, including for technical support in response to any issues or amendments, as required. As part of the service provision, there should be opportunities to review and revise the monitoring brief (including usage), as required to ensure it remains fit for purpose and within allocated budgets.

Social media monitoring is not within the scope of what is being procured. Broadcast media monitoring (e.g. of TV and radio stations and programmes across national and regional outlets) is

not required at the moment, however there may be ad hoc requests for this requirement in the future. The requirement will be included in the contract and discussions will take place with the successful supplier. If so, would require this to be monitored in the same way with full transcripts available upon request

Analysis

With regards to evaluation requirement, CQC seeks the same supplier to analyse key coverage for metrics including but not limited to:

- favourability;
- message delivery;
- prominence;
- reach;
- volume;
- opportunities to see;
- spokespeople;
- names of journalists;
- names of outlets; and
- audience data, including age, gender and socio-demographics

Coverage should be analysed in a timely manner from its publication, which is envisaged to be within 48 hours of the publication of the coverage. It should be undertaken by a person or team with in-depth knowledge of the health and social care environment.

The titles and keywords that are to be evaluated will be a selection of the coverage that is monitored, rather than all of it. Typically, CQC expects to focus its analysis on key and influential national and trade media titles.

The analysis should be readily available and accessible online for CQC to use for its own purposes, although there should be the option for CQC to request the chosen supplier to conduct specific pieces of analysis, if required. Users should have individual login details and training and support on the evaluation function should be provided to CQC when needed. As part of the service provision,

there should be a dedicated account manager and opportunities for CQC to review and revise the evaluation brief to ensure it remains fit for purpose and within allocated budgets. The requirements set out by NLA media access and Copyright Licensing Agency must be adhered to at all times.

Social media monitoring is not within the scope of what is being procured. Broadcast media monitoring (e.g. of TV and radio stations and programmes across national and regional outlets) is not required at the moment, however there may be ad hoc requests for this requirement in the future. The requirement will be included in the contract and discussions will take place with the successful supplier. If so, would require this to be monitored in the same way with full transcripts available upon request

Worked example: 98% (e.g. Service Level Performance Measure requirement for Service Level Performance Criterion of accurate and timely billing to Customer) - 75% (e.g. actual performance achieved against this Service Level Performance Criterion in a Service Period) = 23% of the Call Off Contract Charges payable to the Customer as Service Credits to be deducted from the next Valid Invoice payable by the Customer]
