2. How to manage the insurance

- 2.1 Without limiting the other provisions of this Contract, the Supplier shall:

- the Buyer may in its sole discretion permit the Supplier (or any of its Sub-contractors) to compensate the NHSPS Eligible Employees in a manner that is Broadly Comparable or equivalent in cash terms, the Supplier (or Sub-contractor as relevant) having consulted with a view to reaching agreement with any recognised trade union or, in the absence of such body, the NHSPS Eligible Employees. The Supplier must meet (or must procure that the relevant Sub-contractor meets) the costs of the Buyer determining whether the level of compensation offered is reasonable in the circumstances.

9. Indemnities that a Supplier must give

- 9.1 The Supplier must indemnify and keep indemnified the CCS, the Buyer and any Replacement Supplier against all Losses arising out of any claim by any NHSPS Eligible Employee that the provision of (or failure to provide) Pension Benefits and NHS Premature Retirement Rights from the Relevant Transfer Date, or the level of such benefit provided, constitutes a breach of his or her employment rights.

- 10.2 The Supplier shall procure that each Sub-contractor provides indemnities to the Buyer, NHS Pensions and/or any Replacement Supplier and/or Replacement Sub-contractor that are identical to the indemnities set out in Paragraph 7 of this Annex B. Where a Sub-contractor fails to satisfy any claim made under such one or more indemnities, the Supplier will be liable for satisfying any such claim as if it had provided the indemnity itself.

Annex D3:

Local Government Pension Schemes (LGPS)

Note the LGPS unlike the CSPA & NHSPA is a funded scheme which has associated cost implications as follows:

There is not 1 LGPS but approx. 90 different Funds, each with their own separate Scheme Employer and Administering Authority, it is important to identify the correct one(s) and amend the definition of "Fund" accordingly.

It is important to check whether CCS and or the Buyer can actually participate in the LGPS. Where a government department is taking on services which were formerly the responsibility of a Local Authority it may be necessary to obtain secretary of state approval for participation in the LGPS, this is because the services are being provided to Gov. Dept. and not to a Local Authority.

Unlike New Fair Deal the 2007 Best Value pension direction does not provide a right to bulk transfer past service. Whilst typically before the 2007 direction LA did provide such a right, it is a significant additional cost and therefore bulk transfer wording has been excluded. If required take legal advice due to the exceptionally high costs which can result from a requirement to provide bulk transfers.]

Statement of Requirements

1.Executive Summary

The Care Quality Commission (CQC) and Healthwatch England (HWE) seeks an external supplier to monitor and evaluate its media coverage across national, regional, consumer and trade outlets covering print, broadcast and online platforms. The contract that CQC and HWE intends to award will cover a period of two years, with the option to extend for an additional twelve months, subject to agreement by both parties.

This service is scheduled to commence on 1st February 2022. Currently, CQC commissions an external supplier to provide this service however, this contract is drawing to a close and a new contract is necessary. A further competition via the Crown Commercial Service Framework (Media Monitoring and Associated Services RM6134) is the preferred route to market for this service.

As the independent regulator, CQC has a core purpose to make sure health and adult social care services provide people with safe, high-quality and compassionate care and to encourage improvement.

CQC publishes its findings and speaks out, openly and independently (both from Government and from the providers that it regulates) to enable this and to help people to make informed choices about their care.

The findings from its inspection reports, judgements and its regulatory actions involving NHS trusts, independent healthcare providers, care homes, general practices and other services are of frequent interest to mainstream media, its stakeholders and the general public, as are CQC's broader analyses of national, regional and theme-based trends, and how the organisation operates within the wider health and social care landscape.

As such, CQC has a very high profile in national, regional and trade media and generates coverage on a daily basis. The agreement currently in place covers an average of around 1,000 pieces of coverage mentioning CQC (this does not include broadcast) and approximately 300 pieces of coverage for HWE which is a combination of broadcast, print and online. which are monitored every month.

CQC's communications in mainstream media allows the organisation to demonstrate and deliver its purpose and to assess its effectiveness; and so, it is imperative that colleagues within the organisation can receive regular and timely updates of coverage generated, respond to such coverage when necessary, and to understand external perceptions about CQC, based on what is being reported in the media and what its audiences are exposed to.

As a publicly funded body, CQC is keen to ensure maximum value for money with its chosen supplier of this important service.

Healthwatch England is a statutory committee of the CQC established under the Health and Social Care Act 2012, which took effect in April 2013. Its role is to gather and champion the views of users of health and social care services, in order to identify improvements and influence providers' plans.

The Healthwatch network is made up of local Healthwatch groups, around 150, in each of England's local authority areas, and Healthwatch England, the national body.

The new contract will be shared with Healthwatch England. The agreement currently in place covers a monthly cost of up to 300 pieces of coverage.

The cuttings and clips tend to relate to the work, such as research, awareness campaigns, guidance as well as views of Healthwatch England and local Healthwatch.

Effective media monitoring and analysis is essential in supporting the statutory function of Healthwatch England and local Healthwatch, as well as the delivery of our strategy as it ensures we can:

- Monitor and protect the Healthwatch brand which local Healthwatch must legally use, which is owned by CQC and licenced to local Healthwatch.
- Identify emerging health and social care issues affecting the public, which may need to be investigated further by Healthwatch.
- Establish the impact of our strategic activity to encourage the public to share their experiences and ensure that services and the public are aware of the issues people raise.
- Respond and track inquiries from the media about our role, policy positions and evidence.

- be appropriately trained and qualified
 - be vetted using Good Industry Practice and the Security Policy

8.7 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

9. Intellectual Property Rights (IPRs)

9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:

- receive and use the Deliverables
- make use of the deliverables provided by a Replacement Supplier

9.2 Any New IPR created under a Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations during the Contract Period.

9.3 Where a Party acquires ownership of IPRs incorrectly under this Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.

9.4 Neither Party has the right to use the other Party's IPRs, including any use of the other Party's names, logos or trademarks, except as provided in Clause 9 or otherwise agreed in writing.

10.1 The Contract takes effect on the Start Date and ends on the End Date or earlier if required by Law.

10.2 The Relevant Authority can extend the Contract for the Extension Period by giving the Supplier no less than 3 Months' written notice before the Contract expires.

10.3 Ending the contract without a reason

- 10.3.2 Each Buyer has the right to terminate their Call-Off Contract at any time without reason or liability by giving the Supplier not less than 90 days' written notice and if it's terminated Clause 10.5.2 to 10.5.7 applies.

10.4 When CCS or the buyer can end a contract

- 10.4.1 If any of the following events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

 - the Court of Justice of the European Union uses Article 258 of the Treaty on the Functioning of the European Union (TFEU) to declare that the Contract should not have been awarded to the Supplier because of a serious breach of the TFEU or the Regulations
 - the Supplier or its Affiliates embarrass or bring CCS or the Buyer into disrepute or diminish the public trust in them
- 10.4.2 CCS may terminate the Framework Contract if a Buyer terminates a Call-Off Contract for any of the reasons listed in Clause 10.4.1.

10.4.3 If there is a Default, the Relevant Authority can, without limiting its other rights, request that the Supplier provide a Rectification Plan.

10.4.4 When the Relevant Authority receives a requested Rectification Plan it can either:

- reject the Rectification Plan or revised Rectification Plan, giving reasons
- accept the Rectification Plan or revised Rectification Plan (without limiting its rights) and the Supplier must immediately start work on the actions in the Rectification Plan at its own cost, unless agreed otherwise by the Parties

10.4.5 Where the Rectification Plan or revised Rectification Plan is rejected, the Relevant Authority:

- must give reasonable grounds for its decision
- may request that the Supplier provides a revised Rectification Plan within 5 Working Days

10.6.1 The Supplier can issue a Reminder Notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate a Call-Off Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the annual Contract Value within 30 days of the date of the Reminder Notice.

10.6.2 If a Supplier terminates a Call-Off Contract under Clause 10.6.1:

10.8 Partially ending and suspending the contract

10.8.1 Where CCS has the right to terminate the Framework Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Call-Off Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Call-Off Contracts that have already been signed.

10.8.2 Where CCS has the right to terminate a Framework Contract it is entitled to terminate all or part of it.

10.8.3 Where the Buyer has the right to terminate a Call-Off Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.8.4 The Relevant Authority can only partially terminate or suspend a Contract if the

remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.8.5 The Parties must agree any necessary Variation required by Clause 10.8 using the Variation Procedure, but the Supplier may not either:

- reject the Variation
- increase the Charges, except where the right to partial termination is under Clause 10.3

14.1 The Supplier must process Personal Data and ensure that Supplier Staff process Personal Data only in accordance with Joint Schedule 11 (Processing Data).

14.2 The Supplier must not remove any ownership or security notices in or relating to the Government Data.

14.3 The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies every 6 Months.

14.4 The Supplier must ensure that any Supplier system holding any Government Data, including back-up data, is a secure system that complies with the Security Policy and any applicable Security Management Plan.

14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a Contract is corrupted, lost or sufficiently degraded, then the Supplier must

notify the Relevant Authority and immediately suggest remedial action.

14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:

- tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Relevant Authority receives notice, or the Supplier finds out about the issue, whichever is earlier

17. Invalid parts of the contract

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it's valid or enforceable.

18. No other terms apply

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements and agreements whether written or oral. No other provisions apply.

19. Other people's rights in a contract

No third parties may use the Contracts (Rights of Third Parties) Act (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.

24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:

- that the Supplier has kept costs as low as possible, including in Subcontractor costs
- of how it has affected the Supplier's costs

24.7 Any change in the Framework Prices or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.

34.1 If there is a Dispute, the senior representatives of the Parties who have authority to settle the Dispute will, within 28 days of a written request from the other Party, meet in good faith to resolve the Dispute.

34.2 If the Dispute is not resolved at that meeting, the Parties can attempt to settle it by mediation using the Centre for Effective Dispute Resolution (CEDR) Model Mediation Procedure current at the time of the Dispute. If the Parties cannot agree on a mediator, the mediator will be nominated by CEDR. If either Party does not wish to use, or continue to use mediation, or mediation does not resolve the Dispute, the Dispute must be resolved using Clauses 34.3 to 34.5.

34.3 Unless the Relevant Authority refers the Dispute to arbitration using Clause 34.4, the Parties irrevocably agree that the courts of England and Wales have the exclusive jurisdiction to:

- determine the Dispute
- grant interim remedies
- grant any other provisional or protective relief

34.4 The Supplier agrees that the Relevant Authority has the exclusive right to refer any Dispute to be finally resolved by arbitration under the London Court of International Arbitration

Rules current at the time of the Dispute. There will be only one arbitrator. The seat or legal place of the arbitration will be London and the proceedings will be in English.

34.5 The Relevant Authority has the right to refer a Dispute to arbitration even if the Supplier has started or has attempted to start court proceedings under Clause 34.3, unless the Relevant Authority has agreed to the court proceedings or participated in them. Even if court proceedings have started, the Parties must do everything necessary to ensure that the court proceedings are stayed in favour of any arbitration proceedings if they are started under Clause 34.4.

34.6 The Supplier cannot suspend the performance of a Contract during any Dispute.
