4<sup>th</sup> July 2024

**OFFICIAL SENSITIVE  
SUBJECT TO CONTRACT**

**ORT\_00105 NATIONAL ENFORCEMENT CAMERA SOLUTION (NECS) (the “Contract”)**

Dear Redacted

Further to my letter dated 11<sup>th</sup> March 2024, I am writing to inform you that National Highways can now proceed and intends to award a place on this Contract to your company for the Development and Approval of NECS Equipment with a value of £2,076,266.02.

Please note that no contract will exist until the form of agreement has been fully executed by both parties and dated. The Performance Bond you are obtaining from Bank Paribas will also need to be fully executed before the Contract can be completed.

**Contract Execution**

The form of Contract (which National Highways refers to as a Task Order) is attached. Please arrange for your authorised signatories to execute it in duplicate and return the signed documents to us via CCFT as soon as possible. Please do not date the Contract. We will execute the Contract in duplicate and then contact you to confirm it can be dated. Once this has happened we will return a signed and dated copy for you to keep.

**Performance Bond**

Prior to entering into the Contract you are required to obtain the completed Performance Bond. This requires execution (in counterparts) by yourselves, ourselves and Bank Paribas. Please provide evidence you and Bank Paribas have executed the bond via National Highways' e-Sourcing portal.

**Insurance**

Prior to entering into the contract, you are required to provide evidence that the insurances required in the Contract are in place. Please submit this evidence via our e-Sourcing portal.

**Publicity**

Until such time as we notify you, you must not publicise the contents of this letter or our intention to award the contract. All media enquiries should be directed to the relevant National Highways procurement officer via our e-Sourcing portal.

Yours sincerely,

**Redacted**
