## Order Form Annex A

### Deliverables Commercial Parameters

References in Schedule to "Oracle" "we," "us," or "our" are references to Oracle Corporation UK Limited and references to "Customer", "You", "Your" are to the Buyer identified in the Order Form:

#### 1. Continuous Improvement / Change In Law

Subject to Section 1.2 of Call-Off Schedule 23, updates and enhancements to the Services and Deliverables that are made generally available by us to our customers at no additional charge to their ongoing recurring charges shall be similarly provided to the Buyer at no increase in the Charges. Where, (i) pursuant to Oracle's Continuous Improvement obligations set out in the Call Off Contract, Oracle proposes a Variation in the Services which is not within the scope of the preceding sentence, or (ii) where there is a change in Law which is not within the scope of the preceding sentence, additional Charges may apply, such additional Charges to be agreed between the Parties as part of the Variation Procedure.

#### 2. Protection of Your Personal Data

2.1. To the extent that Oracle may access Your Personal Data in the course of the provision of the Services You have ordered, Oracle will comply with the following:

- 2.1.1. the relevant Oracle privacy policies applicable to the Services, available at <http://www.oracle.com/us/legal/privacy/overview/index.html>;
- 2.1.2. the applicable administrative, physical, technical and other safeguards, and other applicable aspects of system and content management, described in the Oracle Global Customer Support Security Practices available at <https://www.oracle.com/us/support/library/customer-support-security-practices-069170.pdf> and in Oracle's Corporate Security Practices available at <https://www.oracle.com/assets/corporate-security-practices-4490843.pdf>; and
- 2.1.3. the applicable version of the Data Processing Agreement for Oracle Services (the "**Data Processing Agreement**"). The version of the Data Processing Agreement applicable to Your Order Form (a) is available at <https://www.oracle.com/a/ocom/docs/corporate/data-processing-agreement-062619.pdf> and is incorporated herein by reference, and (b) will remain in force during the Call Off Contract Period. In the event of any conflict between the terms of the Data Processing Agreement and the terms of the Service Specifications (including any applicable Oracle privacy policies), the terms of the Data Processing Agreement shall take precedence.

2.2. You are responsible for (a) any required notices, consents and/or authorisations related to Oracle's incidental processing of Your Personal Data as part of the Services, (b) any security vulnerabilities, and the consequences of such vulnerabilities, arising from Your Personal Data, including, without limitation, any viruses, Trojan horses, worms or other harmful programming routines contained in Your Personal Data, and (c) any use by You or Your authorised users of the Services in a manner that is inconsistent with the terms of the Call Off Contract.

2.3. Your Personal Data may not include any sensitive or special data that imposes or necessitates specific data security or data protection obligations on Oracle in addition to or different from those specified in the Service Specifications or in Paragraph 2.1 above.

#### 3. Standards and Accreditations

It is acknowledged by You that Oracle has in place its own Security Management Plan which has been prepared with Good Industry Practice and that this is sufficient to meet Your requirements and the requirements of the Call Off Contract in this respect. Compliance with the specific requirements of Your own Security Policy is not therefore required and would be impractical for a standard service offering. In relation to the provision of On Premise Technical Support services,

## Framework Schedule 6 (Order Form Template and Call-Off Schedules)

Cyber Essentials certification is not applicable. It is acknowledged by the Authority that the Oracle Global Customer Support Security Practices available at <https://www.oracle.com/us/support/library/customer-support-security-practices-069170.pdf> and Oracle's Corporate Security Practices available at <https://www.oracle.com/assets/corporate-security-practices-4490843.pdf> are regarded as providing sufficient protection equivalent to the Cyber Essentials scheme. If any additional Standards and Accreditations (including any of those mentioned in Framework Schedules 1 and 9 and Joint Schedule 5) are to apply to the provision of the Services under a Call Off Contract, these must (apart from those required by applicable Law) be explicitly set out in the applicable Call Off Order Form signed on behalf of the parties.

### 4. TUPE and Pension Provisions

Call-Off Schedule 2 shall be modified in accordance with this Paragraph 4. The Parties do not intend that any of Your employees and any other person who prior to the commencement of any Services provided the Services or services similar to the Services for or on behalf of You will become employees of the Supplier or any sub-contractor of the Supplier upon the commencement of any Services pursuant to the Employment Regulations. Furthermore, the Parties do not intend that any Supplier employees and/or any other person who provides the Services for or on behalf of the Supplier will become employees of You or any Replacement Sub-Contractor pursuant to the Employment Regulations upon termination of the Services (whether in whole or in part). Accordingly, Call-Off Schedule 2 Parts C and E are applicable. For the purposes of Part C paragraph 2 shall be deleted. For the purposes of Part E, no employees should be included on the Supplier's Final personnel List. Accordingly, the provisions of paragraphs 1.5 to 1.7 of Part E shall not apply. Where the Supplier is the incumbent supplier, Part D shall not apply. The Supplier shall continue to abide by its pension obligations towards its own staff.

### 5. Insurances

Joint Schedule 3 shall be modified in accordance with this Paragraph 5. It is assumed that no Additional Insurances are required. It is acknowledged and agreed that Oracle retains discretion as to which facts and circumstances related to third parties it decides to notify to insurers and paragraphs 2, 3, 6 and 7.1 of Joint Schedule 3 are modified accordingly. It is also agreed that Oracle's sole obligation with regard to confirming the existence of the insurances is to provide, following a request by You, confirmation of cover as issued by the broker / insurer in question. For the avoidance of doubt, Oracle is under no obligation to notify You or CCS of any claim affecting any of the insurances which is unrelated to You. Oracle is also under no obligation to notify You or CCS of any matter unrelated to You which might give rise to a claim under any of the insurances maintained by Oracle and paragraph 7.2 of Joint Schedule 3 is modified accordingly. It is accepted by You that not all Oracle insurances have an express 'indemnity to principals' provision.

8. Taking into account the nature of the Processing, the Processor shall provide the Controller with assistance in relation to either Party's obligations under Data Protection Legislation and any complaint, communication or request made under paragraph 6 of this Joint Schedule 11 (and insofar as possible within the timescales reasonably required by the Controller) including by immediately providing:
  - (a) the Controller with full details and copies of the complaint, communication or request;
  - (b) such assistance as is reasonably requested by the Controller to enable it to comply with a Data Subject Access Request within the relevant timescales set out in the Data Protection Legislation;
  - (c) the Controller, at its request, with any Personal Data it holds in relation to a Data Subject;
  - (d) assistance as requested by the Controller following any Personal Data Breach; and/or
  - (e) assistance as requested by the Controller with respect to any request from the Information Commissioner's Office, or any consultation by the Controller with the Information Commissioner's Office.
9. The Processor shall maintain complete and accurate records and information to demonstrate its compliance with this Joint Schedule 11. This requirement does not apply where the Processor employs fewer than 250 staff, unless:
  - (a) the Controller determines that the Processing is not occasional;
  - (b) the Controller determines the Processing includes special categories of data as referred to in Article 9(1) of the GDPR or Personal Data relating to criminal convictions and offences referred to in Article 10 of the GDPR; or
  - (c) the Controller determines that the Processing is likely to result in a risk to the rights and freedoms of Data Subjects.
10. The Processor shall allow for audits of its Data Processing activity by the Controller or the Controller's designated auditor.
11. The Parties shall designate a Data Protection Officer if required by the Data Protection Legislation.
12. Before allowing any Subprocessor to Process any Personal Data related to the Contract, the Processor must:
  - (a) notify the Controller in writing of the intended Subprocessor and Processing;
  - (b) obtain the written consent of the Controller;
  - (c) enter into a written agreement with the Subprocessor which give effect to the terms set out in this Joint Schedule 11 such that they apply to the Subprocessor; and
  - (d) provide the Controller with such information regarding the Subprocessor as the Controller may reasonably require.
13. The Processor shall remain fully liable for all acts or omissions of any of its Subprocessors.
14. The Relevant Authority may, at any time on not less than thirty (30) Working Days' notice, revise this Joint Schedule 11 by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when incorporated by attachment to the Contract).
15. The Parties agree to take account of any guidance issued by the Information Commissioner's Office. The Relevant Authority may on not less than 30 Working Days' notice to the Supplier amend the Contract to ensure that it complies with any guidance issued by the Information Commissioner's Office.

### Where the Parties are Joint Controllers of Personal Data

16. In the event that the Parties are Joint Controllers in respect of Personal Data under the Contract, the Parties shall implement paragraphs that are necessary to comply with GDPR Article 26 based on the terms set out in Annex 2 to this Joint Schedule 11 (Processing Data ).

### Independent Controllers of Personal Data

17. With respect to Personal Data provided by one Party to another Party for which each Party acts as Controller but which is not under the Joint Control of the Parties, each Party undertakes to comply with the applicable Data Protection Legislation in respect of their Processing of such Personal Data as Controller.
18. Each Party shall Process the Personal Data in compliance with its obligations under the Data Protection Legislation and not do anything to cause the other Party to be in breach of it.
19. Where a Party has provided Personal Data to the other Party in accordance with paragraph 7 of this Joint Schedule 11 above, the recipient of the Personal Data will provide all such relevant documents and information relating to its data protection policies and procedures as the other Party may reasonably require.
20. The Parties shall be responsible for their own compliance with Articles 13 and 14 GDPR in respect of the Processing of Personal Data for the purposes of the Contract.
21. The Parties shall only provide Personal Data to each other:
- (a) to the extent necessary to perform their respective obligations under the Contract;
  - (b) in compliance with the Data Protection Legislation (including by ensuring all required data privacy information has been given to affected Data Subjects to meet the requirements of Articles 13 and 14 of the GDPR); and
  - (c) where it has recorded it in Annex 1 (Processing Personal Data).
22. Taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of Processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons, each Party shall, with respect to its Processing of Personal Data as Independent Controller, implement and maintain appropriate technical and organisational measures to ensure a level of security appropriate to that risk, including, as appropriate, the measures referred to in Article 32(1)(a), (b), (c) and (d) of the GDPR, and the measures shall, at a minimum, comply with the requirements of the Data Protection Legislation, including Article 32 of the GDPR.
23. A Party Processing Personal Data for the purposes of the Contract shall maintain a record of its Processing activities in accordance with Article 30 GDPR and shall make the record available to the other Party upon reasonable request.
24. Where a Party receives a request by any Data Subject to exercise any of their rights under the Data Protection Legislation in relation to the Personal Data provided to it by the other Party pursuant to the Contract ("**Request Recipient**"):
- (a) the other Party shall provide any information and/or assistance as reasonably requested by the Request Recipient to help it respond to the request or correspondence, at the cost of the Request Recipient; or
  - (b) where the request or correspondence is directed to the other Party and/or relates to that other Party's Processing of the Personal Data, the Request Recipient will:

## **Joint Schedule 11 (Processing Data)**

- (i) promptly, and in any event within five (5) Working Days of receipt of the request or correspondence, inform the other Party that it has received the same and shall forward such request or correspondence to the other Party; and
  - (ii) provide any information and/or assistance as reasonably requested by the other Party to help it respond to the request or correspondence in the timeframes specified by Data Protection Legislation.
- 25. Each Party shall promptly notify the other Party upon it becoming aware of any Personal Data Breach relating to Personal Data provided by the other Party pursuant to the Contract and shall:
  - (a) do all such things as reasonably necessary to assist the other Party in mitigating the effects of the Personal Data Breach;
  - (b) implement any measures necessary to restore the security of any compromised Personal Data;
  - (c) work with the other Party to make any required notifications to the Information Commissioner's Office and affected Data Subjects in accordance with the Data Protection Legislation (including the timeframes set out therein); and
  - (d) not do anything which may damage the reputation of the other Party or that Party's relationship with the relevant Data Subjects, save as required by Law.
- 26. Personal Data provided by one Party to the other Party may be used exclusively to exercise rights and obligations under the Contract as specified in Annex 1 (Processing Personal Data).
- 27. Personal Data shall not be retained or processed for longer than is necessary to perform each Party's respective obligations under the Contract which is specified in Annex 1 (Processing Personal Data).
- 28. Notwithstanding the general application of paragraphs 2 to 15 of this Joint Schedule 11 to Personal Data, where the Supplier is required to exercise its regulatory and/or legal obligations in respect of Personal Data, it shall act as an Independent Controller of Personal Data in accordance with paragraphs 16 to 27 of this Joint Schedule 11.

**Annex 1 to Joint Schedule 11 (Processing Data)**

**Annex 1 - Processing Personal Data**

This Annex shall be completed by the Controller, who may take account of the view of the Processors, however the final decision as to the content of this Annex shall be with the Relevant Authority at its absolute discretion.

- 1.3 The Processor shall comply with any further written instructions with respect to Processing by the Controller in accordance with the Supplier Data Protection Agreement at: <https://www.oracle.com/corporate/contracts/cloud-services/contracts.html#data-processing>
- 1.4 Any such further instructions shall be incorporated into this Annex.

### **Call Off Schedule 1 (Transparency Reports)**

1. The Supplier recognises that the Buyer is subject to PPN 01/17 (Updates to transparency principles v1.1 (<https://www.gov.uk/government/publications/procurement-policy-note-0117-update-to-transparency-principles>)). The Supplier shall comply with the provisions of this Schedule in order to assist the Buyer with its compliance with its obligations under that PPN.
2. Without prejudice to the Supplier's reporting requirements set out in the Framework Contract, within three (3) Months of the Start Date the Supplier shall submit to the Buyer for Approval (such Approval not to be unreasonably withheld or delayed) draft Transparency Reports consistent with the content requirements and format set out in the Annex of this Schedule.
3. If the Buyer rejects any proposed Transparency Report submitted by the Supplier, the Supplier shall submit a revised version of the relevant report for further Approval within five (5) days of receipt of any notice of rejection, taking account of any recommendations for revision and improvement to the report provided by the Buyer. If the Parties fail to agree on a draft Transparency Report the Buyer shall determine what should be included. Any other disagreement in connection with Transparency Reports shall be treated as a Dispute.
4. The Supplier shall provide accurate and up-to-date versions of each Transparency Report to the Buyer at the frequency referred to in the Annex of this Schedule.

### Annex A to Call Off Schedule 1 (Transparency Reports)

#### Annex A - List of Transparency Reports

It is agreed that no transparency reports are required to be delivered by the Supplier as the Buyer will have access to relevant information through the My Oracle Support portal <https://support.oracle.com> (or a replacement service identified in the Supplier's Service Specifications) (the "**Portal**"). The Portal will provide service request reporting for Oracle Premier Support services that the Buyer purchased under its order.

The Buyer will also be able to use the Portal to access other information about the services. The types of information that are published are subject to change but, as at the date of this Order Form, include:

- **Service details** e.g. Customer Support Identifiers ("**CSIs**") associated with the Buyer's Portal login
- **Critical notifications** relating to a Buyer's licensed products e.g. critical patch updates, service request notification & certified configurations
- **Reports** relating to a Buyer's active support services e.g. subscribed CSIs, service requests, knowledge articles, recommended patches and community articles

For any Oracle Premier Support service, Supplier will provide familiarisation training in the use of the Portal, through the submission of a Service Request submitted by the Buyer.

Any services information provided by Supplier via the Portal or otherwise will be deemed to be confidential and may be commercially sensitive. Before disclosing any such information to a third party or making such information publicly available, the Buyer must consult with the Supplier and take into account the Supplier's representations relating to such disclosure. Except to the extent required by law, such information will not be published or disclosed without Supplier's prior written consent.

### Call-Off Schedule 20

#### Call-Off Specification for CCS Framework RM 6194

This Schedule sets out the characteristics of the Deliverables under this Call-Off Contract. References in Schedule to "**Oracle**" "**we**," "**us**," or "**our**" are references to Oracle Corporation UK Limited and references to "**Customer**", "**You**", "**Your**" are to the Buyer identified in the Order Form for the renewal of Technical Support (as defined below).

#### **A. TECHNICAL SUPPORT SERVICE SPECIFIC TERMS**

1. On Premise Software Technical Support consists of Supplier's annual technical support services as detailed in this Order Form ("**Technical Support**"). Technical Support (including first year and all subsequent years) is provided under Supplier's Technical Support Policies (as defined below) in effect at the time the technical support services are provided which You agree to be bound by and comply with. You agree to cooperate with the Supplier and provide the access, resources, materials, personnel, information and consents that the Supplier may require in order to perform the technical support services. The Technical Support Policies are subject to change at the Supplier's discretion. Supplier policy changes will not result in a material reduction in the level of technical support services provided for supported Programs during the period for which fees for Technical Support have been paid. You should review the policies prior to entering into the Order Form for the applicable technical support services.
2. In relation to the provision of Technical Support, Cyber Essentials certification is not applicable to the Call-Off Contract. It is acknowledged by the Authority that the Supplier's Technical Support Policies are regarded as providing sufficient protection equivalent to the Cyber Essentials scheme.
3. The Service Specifications for Technical Support are the Supplier's technical support policies current from time to time, which may be accessed at <http://www.oracle.com/us/support/policies/index.html> ("**Technical Support Policies**"). The Technical Support Policies are subject to change at the Supplier's discretion; however, the Supplier will not materially reduce the level of Services provided for supported Programs during the period for which fees for Technical Support have been paid.
4. Technical Support for any Program license within a license set must be purchased at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if it agrees to terminate that subset of licenses. The Technical Support fees for the remaining licenses will be priced in accordance with the Technical Support Policies in effect at the time of termination. The Supplier's license set definition is available in the current Technical Support Policies. If You decide not to purchase Technical Support, You may not update any unsupported Program licenses with new versions of the Program.
