Description	Details
Subject matter of the processing	<p>This processing is to facilitate the delivery of a research project involving organisations from a number of difference countries, in which the aim is to also disseminate the outputs to a wide audience. The research is to investigate options for retrofitting heat pumps in large non-domestic buildings and will form an international collaborative research project under the umbrella of the International Energy Agency Technology Collaboration Programme on Heat Pumping Technologies.</p> <p>The processing is needed in order to ensure that the Contractor can effectively deliver the contract to provide the outputs of the proposed project. For example sharing contact details of project participants.</p> <p>The processing of names and business contact details of staff of both Contracting Authority and Contractor will be necessary to deliver the services exchanged during the course of the Contract, and to undertake Contract and performance management.</p> <p>The Contract itself will include the names and business contact details of staff of both the Contracting Authority and the Contractor involved in managing the Contract.</p> <p>The Supplier will need to confirm that they are UK GDPR or GDPR (if operating in the EEA) compliant when submitting a bid. The contractor will provide interviewees with a privacy notice before participating to ensure they understand the nature of the research, how their data will be used and stored.</p>

Duration of the processing	Processing will take place from the Start Date of the Contract. The Contract will end on 31st December 2024
Nature and purposes of the processing	<p>The nature of the processing will be collection, recording, organisation, structuring, storage, use, disclosure by transmission, dissemination or otherwise making available.</p> <p>Processing takes place for the purposes of research carried out within the specified project.</p> <p>The nature of processing will include the storage and use of names and business contact details of staff of both the Contracting Authority and the Supplier as necessary to deliver the services and to undertake the Contract and performance management. The Contract itself will include the names and business contact details of staff of both the Contracting Authority and the Supplier involved in managing the Contract.</p>
Type of Personal Data	<p>Names Business addresses Email addresses Telephone numbers Images</p> <p>Names, business telephone numbers and email addresses, office location and position of staff of both the Contracting Authority and the Supplier as necessary to deliver the services and to undertake the Contract and performance management. The Contract itself will include the names and business contact details of staff of both the Contracting Authority and the Supplier involved in managing the Contract</p>
Categories of Data Subject	<p>Staff of the participants in the research project.</p> <p>Staff of the Contracting Authority and the Supplier, including where those employees are named within the Contract itself or involved within the Contract management.</p>
<p>Plan for return and destruction of the data once the processing is complete</p> <p>UNLESS requirement under European Union or European member state law to preserve that type of data</p>	<p>The Personal Data will be retained by the Supplier until the end of the contract period, following which the Contractor will provide the Contracting Authority with a complete and uncorrupted version of the Personal Data in electronic form (or such other format as reasonably required by the Contracting Authority and erase from any computers, storage devices and storage media that are to be retained by the Supplier.</p> <p>Where Personal Data is contained within the Contract documentation, this will be retained in line with the Department's privacy notice found within the Procurement Documents.</p>
