28.1 Without prejudice to the Authority's right to terminate at common law, the Contracting Authority may terminate this Agreement and the Contracting Authority or the Authority may terminate any current Call-Off Contract immediately upon giving notice to the Service Provider if:

28.1.1 in addition and without prejudice to Clauses 28.1.2 to 28.1.6 (inclusive), the Service Provider has committed any material or persistent breach of this Agreement (in the case of the Contracting Authority) or Call-Off Contract (in the case of the Contracting Authority and or the Authority) and in the case of such a breach that is capable of remedy fails to remedy that breach within 10 Business Days (or such other timeframe as specified in writing by the Authority) from the date of written notice to the Service Provider giving details of the breach and requiring it to be remedied; or

28.1.2 the Service Provider is subject to an Insolvency Event; or

28.2 Without prejudice to any of the Contracting Authority's and/or the Authority's other rights, powers or remedies (whether under this Agreement or otherwise) if the Service Provider is in breach of any of its warranties and/or obligations under Clause 8 and/or any of its other obligations in respect of the Services under this Agreement or Call-Off Contract, the Service Provider shall, if required to do so by the Contracting Authority's and/or Authority, promptly remedy and/or re-perform the Services or part of them at its own expense to ensure compliance with such warranties and/or obligations. Nothing in this Clause 28.2 shall prevent the Contracting Authority and/or Authority from procuring the provision of any Services or any remedial action in respect of any Services from an alternative service provider and, where the Contracting Authority and/or Authority so procures any Services or any remedial action, the Contracting Authority and/or Authority shall be entitled to recover from the Service Provider all additional cost, loss and expense incurred by the Contracting Authority and/or Authority and attributable to the Contracting Authority and/or Authority procuring such Services or remedial action from such alternative contractor.

- 28.3 Neither Party shall be deemed to be in breach of the relevant Call-Off Contract, or otherwise liable to the other Party in any manner whatsoever, for any failure or delay in performing its obligations under the relevant Call-Off Contract to the extent that such failure or delay is due to a Force Majeure Event. If a Force Majeure Event has continued for more than 8 weeks from the date on which that Force Majeure Event first arose and is having a material adverse effect on either Party's performance of its obligations under the relevant Call-Off Contract ("**the Affected Party**") then for as long as such Force Majeure Event continues and has that effect, the Party not affected by such Force Majeure Event ("**Innocent Party**") may terminate the Call-Off Contract immediately upon giving notice to the Affected Party. If the Call-Off Contract is terminated in accordance with this Clause 28.3 then without prejudice to any rights and liabilities which accrued prior to termination the Affected Party shall not be liable to the Innocent Party by reason of such termination.
- 28.4 Without prejudice to the Contracting Authority's right to terminate this Agreement or Contracting Authority and/or Authority to terminate the relevant Call-Off Contract under Clause 28.1 or to terminate at common law, the Authority may terminate this Agreement or the Contracting Authority and/or Authority relevant the Call-Off Contract at any time without cause subject to giving the Service Provider written notice of the period specified in Schedule 1, provided that this Clause 28.4 may be disapplied by notice to that effect in Schedule 1.
- 28.5 To the extent that the Contracting Authority has a right to terminate this Agreement or the Contracting Authority and/or Authority the relevant Call-Off Contract under this Clause 28 then, as an alternative to termination, the Authority may by giving notice to the Service Provider require the Service Provider to provide part only of the Services with effect from the date specified in the Authority's notice ("**Change Date**") whereupon the provision of the remainder of the Services will cease and the definition of "the Services" shall be construed accordingly. The Charges applicable with effect from the Change Date will be adjusted proportionately or if in the Contracting Authority's and/or the Authority's opinion a proportionate adjustment would not be reasonable in such manner as the Contracting Authority and/or Authority may determine.

29. Consequences of Termination or Expiry

- 29.1 Notwithstanding the provisions of Clause 25, wherever the Authority chooses to put out to tender for a replacement service provider some or all of the Services, the Service Provider shall disclose to tenderers such information concerning the Services as the Authority may require for the purposes of such tender and shall also comply with all requirements as are set out at Schedule 9. The Service Provider may impose upon any recipient of such information such obligations of confidentiality as it may require.

29.2 The termination or expiry of this Agreement shall not prejudice or affect any right, power or remedy which has accrued or shall accrue to either Party prior to or after such termination or expiry.

29.3 Upon expiry or termination of this Agreement or relevant Call-Off Contract (howsoever caused):

29.3.1 the Service Provider shall, at no further cost to the Authority:

29.3.1.1 take all such steps as shall be necessary to agree with the Authority a plan for the orderly handover of Services to the Authority (or its nominee), such that the Services can be carried on with the minimum of interruption and inconvenience to the Authority and to effect such handover; and

29.3.1.2 on receipt of the Authority's written instructions to do so (but not otherwise), arrange to remove all electronically held information by a mutually agreed date, including the purging of all disk-based information and the reformatting of all disks.
