

AW5.2 Price Schedule

SOURCING REFERENCE:	FM20018
SOURCING DOCUMENT TITLE:	Testing of Automotive Batteries
BIDDER NAME	[Bidder to add name]

Bidders are required to complete all red highlighted cells.

Please show a price for testing all 35 samples. Your price should include shipping of the test samples from/to BEIS, but you should show a breakdown of testing price and shipping price. The total price will be used as a basis for evaluation, however BEIS reserves the right with the winning bidder to arrange either part of or all of the shipping itself, in which case a suitable reduction in the bidder's shipping price would be expected.

Where bidders are not offering a discounted price please ensure that you copy your list price into the discounted cell.

For the avoidance of doubt the total compiled within cell **F17** will be used for the evaluation of this procurement.
