project ^{Redacted}
contract_ ^{Redacted}
NEPRO 2 - Provision of medical assessment and triage support for small boat arriving
Redacted
Redacted
Redacted

Description of Specialist Professional Services / deliverables required:

Border Force (BF) has a requirement for the provision of medical assessments and triage support for small boat arrivals at Tughaven (Dover Port) and on South Coast Beaches (Kent and Sussex Coastline).

This medical assessment and triage are to identify any health conditions that illegal migrants landing in the UK may be suffering from, to ensure that immediate medical intervention is administered as required, and to assess if specialist medical care is required.

Scope of the Contract

To provide attendance at the small boat arrivals at Tughaven and to assess the health and well being of those arriving, including a COVID assessment. This coverage is an on-call basis Redacted

, with attendance necessary within Redacted

They will be notified by telephone at least hours in advance of an Redacted Wher possible, this notice will be increased subject to the meteorological information available to BF.

The attendance must always be Redacted

Home Office will not be responsible for providing any of the equipment to be used by any medical professionals.

It is mandatory that all arrivals are attended with sufficient resource

Detailed Requirements

It is required that any medical supplier, provides the required Redacted and is available to be on Redacted The company must be able to attend any expected arrival within the time specified depending on Redacted and of receiving notice of migrants crossing the channel. This notification will be a phone call from Redacted

All migrants that arrive will be assessed upon disembarkation and then regularly during their time at any arrival point before being transferred to Home Office facilities. These assessments include identifying any arrivals that are symptomatic for COVID 19. Any individuals that arrive in a life critical situation will be taken to A&E by the medical supplier. The attendance of two vehicles ensures that assessments can be continued.

Medical practitioners supplied under this contract must be registered with the Health and Care Professions Council (HCPC). All vehicles and equipment must be maintained and of a professional standard and quality.

Acknowledgment re supervision and control of SPS Provider personnel

By signing this Work Order and agreeing to its terms, all parties confirm for the duration of the Services provided (subject to the contractual terms governing the services to be provided):

- 1. The Contracting Authority shall not do anything that would treat the SPS Provider as an employee of the Contracting Authority.
- 2. The Contracting Authority acknowledges that the SPS Provider is an independent contractor and therefore shall not supervise or control the work being carried out by personnel of the SPS Provider; instead the Contracting Authority shall monitor performance by ensuring BLOOM meets the performance standards set out in the Call Off Contract.
- 3. The SPS Provider is free to determine the personnel it uses to provide the services; provided that all personnel meet the standards specified by the Contracting Authority (including security clearances where applicable). The Contracting Authority shall have no right to specify that a particular worker of the SPS Provider provides the services.
- 4. The SPS Provider shall not assume any line management responsibility for any of the Contracting Authority's employees.
- 5. The SPS Provider shall use their own equipment to deliver the Services, except where the provision of equipment is necessary for security purposes.
- 6. The SPS Provider shall determine their own place and hours of work, except where the nature of the project naturally enforces restriction e.g. attending project meetings at client site during business hours.

If at any time, either party fails to comply with the above, then the Work Order will be considered as terminated. Additionally, specific attention is drawn to the warranties and indemnities in the SSA and the Call off Contract. If either the SPS Provider or the Contracting Authority breaches these provisions, the party in default may be liable for income tax or national insurance provisions.

DATA PROTECTION SCHEDULE

1. INTERPRETATION

In this Schedule:

'Data Controller'

Means the natural or legal person, public authority, agency or any other body which alone or jointly with others determines the purposes and means of the processing of personal data; where the purposes and means of processing are determined by EU or Member State laws, the controller (or the criteria for nominating the controller) may be designated by those laws.

'Data Loss Event' Means any event that results, or may result, in unauthorised

access to Personal Data held by the Contractor under this Contract, and/or actual or potential loss and/or destruction of

Personal Data in breach of this Contract

'Data Processing Schedule'This Schedule attached and incorporated into the Contract with

effect from 25th May 2018

'Data Processor' Means a natural or legal person, public authority, agency or any

other body which processes personal data on behalf of the controller whether as primary Processor and/or where it is engaged by a Data Processor as a Sub-Processor and the term "Data Processor" includes both a data Processor and a Data Sub-

Processor as the context so permits and/or requires.

'Data Protection Impact

Assessment'

Means an assessment by the Data Controller of the impact of the envisaged processing on the protection of Personal Data

"Data Protection Legislation" Means the General Data Protection Regulations ('GDPR'); the

Data Protection Act 2018 subject to Royal Assent and / or any other successor legislation to the GDPR or the Data Protection Act 1998; and, (iii) all applicable Law about the processing and

security of personal data and privacy

'Data Protection Officer' has the meaning given in the Data Protection Legislation?

'Data Sharing Agreement' Means a formal agreement that documents what data is being

shared and how the data can be used between the Parties

'Data Sharing Code of Practice' Means the code of practice issued by the Information

Commissioner in respect to the sharing of Personal Data.

'Data Subject Access Request' Means a request made by, or on behalf of, a Data Subject in

accordance with rights granted pursuant to the Data Protection

Legislation to access their Personal Data

'Data Subject' has the meaning given in the Data Protection Legislation.

'Personal Data' has the meaning given in the Data Protection Legislation.

'Protective Measures' has the meaning given in the Data Protection Legislation and

may include pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability, and resilience of systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the such measures adopted by it.

2. Data Protection

- 2.1 Any Data Processor shall (and shall procure that any of its Employees involved in the provision of the Services) comply with any requirements under the Data Protection Legislation.
- 2.2 In particular and without prejudice to the generality of clause 2.1 above, where SPS Provider is acting as Data Sub-Processor for Bloom and therefore consequently on behalf of the Relevant Authority within the meaning of the Data Protection Legislation for any data provided to Bloom and/or the SPS Provider then the following provisions shall apply:
 - 2.2.1 Annex 1 to this Data Processing Schedule shall apply and the only processing that the SPS Provider is authorised to do is listed in Annex 1 (as may be amended by Bloom acting on instructions of the Relevant Authority) and may not be determined by the SPS Provider.
 - 2.2.2 The SPS Provider shall notify Bloom immediately if it considers that any of the Relevant Authority's instructions infringe the Data Protection Legislation.
 - 2.2.3 The SPS Provider shall provide all reasonable assistance to Bloom and/or (if required by Bloom) directly to the Relevant Authority in the preparation of any Data Protection Impact Assessment prior to commencing any processing. Such assistance may include:
 - a) a systematic description of the envisaged processing operations and the purpose of the processing;
 - b) an assessment of the necessity and proportionality of the processing operations in relation to the Services;
 - c) an assessment of the risks to the rights and freedoms of Data Subjects; and
 - d) the measures envisaged to address the risks, including safeguards, security measures and mechanisms to ensure the protection of Personal Data.
 - 2.2.4 The SPS Provider shall, in relation to any Personal Data processed in connection with its obligations under these terms and conditions:
 - a) Process that Personal Data only in accordance with this Data Protection Schedule and Annex 1 unless the SPS Provider is required to do otherwise by Law and if it is so required, the SPS Provider shall promptly notify Bloom before processing the Personal Data unless prohibited by law;

- b) ensure that it has in place Protective Measures, which may be reviewed and approved at any time by the Relevant Authority or by Bloom on the Relevant Authority's instruction, as appropriate to protect the Personal Data having taken account of the:
 - i. nature of the data to be protected;
 - ii. harm that might result from a Data Loss Event;
 - iii. state of technological development; and
 - iv. cost of implementing any measures;
- c) ensure that the SPS Provider's Personnel do not process Personal Data except in accordance with this Agreement;
- d) ensure it takes all reasonable steps to ensure the reliability and integrity of any SPS Provider's personnel or staff who have access to the Personal Data and ensure that they:
 - i. are aware of and comply with the SPS Provider's duties under this clause:
 - ii. are subject to appropriate confidentiality undertakings with the SPS Provider or any Sub-processor of the SPS Provider;
 - iii. are informed of the confidential nature of the Personal Data and do not publish, disclose, or divulge any of the Personal Data to any third Party unless directed in writing to do so by the Data Controller or as otherwise permitted by this Agreement; and
 - iv. have undergone adequate training in the use, care, protection, and handling of Personal Data; and,
- e) not transfer Personal Data outside of the EU unless the prior written consent of the Data Controller has been obtained by Bloom and passed to the SPS Provider, and the following conditions are fulfilled:
 - i. the SPS Provider has provided appropriate safeguards in relation to the transfer (whether in accordance with GDPR Article 46 or Law Enforcement Directive Article 37) as determined by the Data Controller;
 - ii. the Data Subject has enforceable rights and effective legal remedies;
 - iii. the SPS Provider complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavours to assist the Data Controller in meeting its obligations); and
 - iv. the SPS Provider complies with any reasonable instructions of the Data Controller notified to it in advance by Bloom and/or the Data Controller with respect to the processing of the Personal Data.

- 2.2.5 At the written direction of the Data Controller communicated to the SPS Provider by Bloom, delete or return Personal Data (and any copies of it) to Bloom or the Data Controller on termination of the SSA unless the SPS Provider is required by law to retain the Personal Data.
- 2.2.6 The SPS Provider shall notify Bloom immediately such that Bloom is able to immediately notify the Data Controller if it:
 - receives a Data Subject Access Request (or purported Data Subject Access Request);
 - b) receives a request to rectify, block or erase any Personal Data;
 - c) receives any other request, complaint or communication relating to either Party's obligations under the Data Protection Legislation;
 - receives any communication from the Information Commissioner or any other regulatory authority in connection with Personal Data processed under this Contract
 - e) receives a request from any third party for disclosure of Personal Data where compliance with such request is required or purported to be required by Law; or
 - f) becomes aware of a Data Loss Event.
- 2.2.7 The SPS Provider's obligation to notify under clause 2.2.6 shall include the provision of further information via Bloom to the Data Controller in phases as details become available.
- 2.2.8 Taking into account the nature of the processing, the SPS Provider shall provide full assistance to Bloom and/or directly to the Data Controller in relation to either of their respective obligations under Data Protection Legislation and any complaint, communication or request made under such legislation (and insofar as possible within the timescales reasonably required by the Data Controller) including by promptly providing:
 - a) Bloom and, where instructed to do so, Data Controller, with full details and copies of the complaint, communication or request;
 - such assistance as is reasonably requested by Bloom or by the Data Controller acting via Bloom to enable the Data Controller to comply with a Data Subject Access Request within the relevant timescales set out in the Data Protection Legislation;
 - the Data Controller, at its request, with any Personal Data it holds in relation to a Data Subject which has been passed directly to the SPS Provider by the Relevant Authority by Bloom on behalf of the Relevant Authority;
 - d) assistance as requested by Bloom and/or by the Data Controller acting via Bloom, following any Data Loss Event; and

- e) assistance as requested by the Data Controller and/or Bloom with respect to any request from the Information Commissioner's Office, or any consultation with the Information Commissioner's Office.
- 2.2.9 The SPS Provider shall maintain complete and accurate records and information to demonstrate its compliance with this clause 2.4.
- 2.2.10 The SPS Provider shall allow for audits of its Data Processing activity by Bloom and/or the Data Controller or the Data Controller's designated auditor.
- 2.2.11 The SPS Provider shall designate a Data Protection Officer if required by the Data Protection Legislation.
- 2.2.12 Before allowing any Sub-processor to process any Personal Data the SPS Provider must:
 - notify Bloom and the Data Controller in writing of the intended Subprocessor and processing;
 - b) obtain the written consent of the Data Controller, obtained via Bloom;
 - enter into written terms with the Sub-processor which give effect to the terms set out in these terms between Bloom and SPS Provider such that they apply to the Sub-processor; and
 - d) provide the Data Controller with such information regarding the Subprocessor as the Data Controller and/or Bloom may reasonably require.
- 2.2.13 The SPS Provider shall remain fully liable for all acts or omissions of any its appointed Sub-processors.
- 2.2.14 The Data Controller may, at any time on not less than 30 working days' notice, require Bloom to revise any part of this clause 2 by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when incorporated by attachment).
- 2.2.15 Both Bloom and SPS Provider agree to take account of any guidance issued by the Information Commissioner's Office.
- 2.2.16 The Data Controller may on not less than 30 Working Days' notice to the Bloom require the amendment of these terms to ensure that it complies with any guidance issued by the Information Commissioner's Office.

ANNEX 1

- The Contractor shall comply with any further written instructions with respect to processing by the Data Controller.
- 2. Any such further instructions shall be incorporated into this Schedule and this Schedule may be amended at any time during the Term by agreement in writing between the Data Controller and the Contractor to ensure that the description and detail set out in this Schedule with regard to the processing of personal data reflects the arrangements between the Parties, is accurate and is compliant against the Data Protection Legislation.

No	Description	Details
1:	Subject matter of the processing	Redacted
2	Duration of the processing	
3	Nature and purposes of the processing	
4	Type of Personal Data	
5	Categories of Data Subject	
6	Plan for return and destruction of the data once the processing is complete UNLESS requirement under union or member state law to preserve that type of data	

ANNEX 2

- 1. This Annex lists the sub-processors that the Data Controller has authorised the Contractor to use in accordance with clause 18.3 of the Data Protection Schedule.
- 2. The Data Controller may, at any time and upon such notice as is reasonable in the circumstances, withdraw its approval in relation to any or all sub-processors listed within this Annex and upon such withdrawal the Contractor must immediately cease using that sub-processor.
- 3. If the Contractor wishes to propose a new sub-processor for approval, it must provide written notice to the Data Controller detailing the identity of the proposed sub-processor, the nature of the sub-processing and confirmation that a written contract in relation to the sub-processing is in place between the Contractor and the sub-processor. The Data Controller must not unreasonably refuse or delay approval.
- 4. The Data Controller may at any time and upon reasonable notice request copies of the contracts between the Contractor and its approved sub –processors in relation to the sub-processing.
