A General Contract Provisions

A1. Interpretation

- a. The defined terms in the Contract shall be as set out in Schedule 1.
- b. Unless the context otherwise requires:
 - (1) The singular includes the plural and vice versa, and the masculine includes the feminine and vice versa.
 - (2) The words “include”, “includes”, “including” and “included” are to be construed as if they were immediately followed by the words “without limitation”, except where explicitly stated otherwise.
 - (3) The expression “person” means any individual, firm, body corporate, unincorporated association or partnership, government, state or agency of a state or joint venture.
 - (4) References to any statute, enactment, order, regulation, or other similar instrument shall be construed as a reference to the statute, enactment, order, regulation, or instrument as amended, supplemented, replaced or consolidated by any subsequent statute, enactment, order, regulation, or instrument.
 - (5) The heading to any Contract provision shall not affect the interpretation of that provision.
 - (6) Any decision, act or thing which the Authority is required or authorised to take or do under the Contract may be taken or done only by the person (or their nominated deputy) authorised in Schedule 3 (Contract Data Sheet) to take or do that decision, act, or thing on behalf of the Authority.
 - (7) Unless excluded within the terms of the Contract or required by law, references to submission of documents in writing shall include electronic submission.

A2. Amendments to Contract

- a. All amendments to this Contract shall be serially numbered, in writing, issued only by the Authority’s Representative (Commercial), and agreed by both Parties.
- b. Where the Authority or the Contractor wishes to introduce a change which is not Minor or which is likely to involve a change to the Contract Price, the provisions of Schedule 4 (Change Process) shall apply. The Contractor shall not carry out any work until any necessary change to the Contract Price has been agreed and a written amendment in accordance with clause A2.a above has been issued.

A3. Variations to Specification

- a. The Authority’s Representative may, by Notice (following consultation with the Contractor as necessary), alter the Specification as from a date agreed by both Parties and to the extent specified by the Authority, provided that any such variations shall be limited to the extent that they do not alter the fit, form, function or characteristics of the Contractor Deliverables to be supplied under the Contract. The Contractor shall ensure that the Contractor Deliverables take account of any such variations. Such variations shall not require formal amendment of the Contract in accordance with the process set out in condition A2 (Amendments to Contract) and shall be implemented upon receipt, or at the date specified in the Authority’s Notice, unless otherwise specified.
- b. Any variations that cause a change to:
 - (1) fit, form, function or characteristics of the Contractor Deliverables;

- (2) the cost;
- (3) Delivery Dates;

- (5) other work caused by the alteration,

- (2) Schedule 2 (Schedule of Requirements) and, where included, Schedule 8 (Acceptance Procedure);
- (3) the remaining Schedules; and
- (4) any other documents expressly referred to in the Contract.

b. If either Party becomes aware of any inconsistency, within or between the documents referred to in clause A4.a such Party shall notify the other Party forthwith and the Parties will seek to resolve that inconsistency on the basis of the order of precedence set out in clause A4.a. Where the Parties fail to reach agreement, and if either Party considers the inconsistency to be material to its rights and obligations under the Contract, then the matter will be referred to the dispute resolution procedure in accordance with condition A21 (Dispute Resolution).

A6. Assignment of Contract

Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

A7. Waiver

- a. No act or omission of either Party shall by itself amount to a waiver of any right or remedy unless expressly stated by that Party in writing. In particular, no reasonable delay in exercising any right or remedy shall by itself constitute a waiver of that right or remedy.
- b. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy

A8. Third Party Rights

Notwithstanding anything to the contrary elsewhere in the Contract, no right is granted to any person who is not a Party to the Contract to enforce any term of the Contract in its own right and

the Parties to the Contract declare that they have no intention to grant any such right.

A9. Governing Law

- a. Subject to clause A9.d, the Contract shall be considered as a contract made in England and subject to English Law.
- b. Subject to clause A9.d and A21 (Dispute Resolution) and without prejudice to the dispute resolution process set out therein, each Party submits and agrees to the exclusive jurisdiction of the Courts of England to resolve, and the laws of England to govern, any actions proceedings, controversy or claim of whatever nature arising out of or relating to the Contract or breach thereof.
- c. Subject to clause A.9.d any dispute arising out of or in connection with the Contract shall be determined within the English jurisdiction and to the exclusion of all other jurisdictions save that other jurisdictions may apply solely for the purpose of giving effect to this clause A9 and for the enforcement of any judgment, order or award given under English jurisdiction.

- e. Each Party warrants to each other that entry into the Contract does not, and the performance of the Contract will not, in any way violate or conflict with any provision of law, statute, rule, regulation, judgement, writ, injunction, decree or order applicable to it. Each Party also warrants that the Contract does not conflict with or result in a breach or termination of any provision of, or constitute a default under, any mortgage, contract or other liability, charge or encumbrance upon any of its properties or other assets.
- f. Each Party agrees with each other Party that the provisions of this clause A9 shall survive any termination of the Contract for any reason whatsoever and shall remain fully enforceable as between the Parties notwithstanding such a termination.
- g. Neither Party shall be in breach of this condition where it can show that any disclosure of Information was made solely and to the extent necessary to comply with a statutory, judicial or parliamentary obligation. Where such a disclosure is made, the Party making the disclosure shall ensure that the recipient of the Information is made aware of and asked to respect its confidentiality. If any claim or action relevant to such authorisation arises, it shall be promptly notified to the Authority. The Contractor is not authorised to enter into any substantive correspondence in such matter nor in any way to act on behalf of the Authority in any such claim or action. Any arrangement between the Contractor and Subcontractor to enable the Contractor to underwrite their indemnities to the Authority under this Condition is a matter between the Contractor and the Subcontractor.

g. Where the Contractor subcontracts work under the Contract, which is likely to be subject to foreign export control, the Contractor shall use reasonable endeavours to incorporate in each subcontract the terms set out in the relevant parts of SC3 Schedule "Export Licence". - l. Where the Parties agree the content of the Performance Reports, the Contractor shall submit the invoice for the subsequent quarterly period in accordance with Condition K19 (Payment Process) of this Contract with any appropriate deductions for the previous quarterly period applied, at the end of the quarter.
