

The Play Area

How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

I think the addition of a water play area would enhance the park. Something similar to Bakewell Park or Matlock park.

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.

Thank you for taking the time to fill out our survey. Your input is greatly appreciated and will help us to improve the town.

Dronfield Town Council

The Play Area

How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

It is becoming less & less attractive.
Broken equipment not being replaced
or repaired. The whole
play area needs re-vamping with more
poppy equipment (and exciting)
This particular play area has been
going for some years.
The tearoom has greatly improved
the facilities in the park.

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.

Dronfield Town Council

The Play Area

How would you rate the quality of the children's play area?

Very Poor

Excellent

generally very good

How do you think the children's play area could be improved?

* More 'baby' swings

* Maybe enclose the actual park with a fence

@ Water sprinklers work well at other parks we've visited.

* Zip wire

@ Playhouses.

* More benches. & also cafe opening hours could be better (ie open longer after school & throughout the whole weekend)

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.

Dronfield Town Council

The Play Area

How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

Its run down and broken. It needs a big face lift. More exciting climbing frames, big basket swing, zip wire, water park, skate park.

My boys love Millhouses park and we tend to go there when we have more time because of the variety of things to do. We only go to Cliffe Park when we have an hour or so as they get bored quite quickly.

If we are successful in this stage of the competition we will hold consultation events to help us get through to the second stage. If you would like to be involved please let us have your email address.

Cliffe Park - What to put in the gaps

Hi

Here are the answers to the question I posted on Cliffe Park Facebook page so far I have had a good response and have copied these down for you all to peruse

Cliffe Park

18 January at 19:36 ·

Noticed a big gap in the park? For health and safety reasons, the little slide and large swings have now been removed. We need your comments and suggestions on what you think is missing in Cliffe Park. Please leave your comments on what play facilities/equipment you would like to see in Cliffe Park below and we will pass it on to the Council panel to review
Thank you in anticipation

Clair Stokes Take the opportunity to provide for our older children in Dronfield and install skate/bmx park, dirt track or even climbing wall. There are no provisions for teens in Dronfield. I am from a small group setting up a youth club in Dronfield (Seighteen youth club) and we have held consultations with teens in Dronfield and would love to work with the council for developing areas that not only cater for babies toddlers and young children but our very large community of young adults. They are desperate for an area in Dronfield as they currently have little to no choice in Dronfield (car parks usually) or have to travel to Chesterfield or millhouses to use their facilities. We know there is money available for such a project, we just need the space!!!

Karen Kirner Yes, splash area like Bakewell or millhouses parks would be really nice.
Enclosed toddler area.

Some shaded seating/ eating area for sunny days....[See more](#)

Claire Whysall Some form of Water play. Similar to the splash pads at Bakewell & Matlock park like people have already suggested. This is what Dronfield is missing in the way of parks.

Like · Reply · Message · 19 January at 18:06

Laura Crookes A glory hole and needle exchange... maybe a safe area for prostitutes? Your Snowflake Health and safety executive will love that! Utter rubbish!!

I hope this is helpful with the application for the grant

I will try and help with anything if I can

I have questionnaires but it isnt very busy in the park due to the cold weather etc

I will let you have these as soon as possible

kInd regards

Victoria

Hi Victoria

Thank you for your help in getting people's views. It will help me to build what I hope will be a successful bid.

We are bidding to a private company for some of the money. If we are successful it means we can access more money to build a better park but unfortunately means we are tied into their dates for when we could start on site.

I will keep you informed on progress.

Best wishes

Lorna

Chloe Elizabeth Fletcher Water play like millhouses, enclosed toddler area, some bright and vibrant equipment for the lovely children and families of Dronfield to enjoy! I say every time I walk through there how bare and bleak the actual park looks now x

Like · Reply · Message · 10 · 18 January at 21:50

Esther Edwards Big swings need to come back please - albeit to meet h&s - my 16 yr old son with autism loves cliffe park because the swings are large enough. Just one with a seat or spiders web seat would be great for older children please. Also an accessible roundab...See more

Like · Reply · Message · 6 · 18 January at 22:32

Davinia Webb Enclosed park area, toddler play area and older play area , skate park area , water area, perhaps a layout like Millhouses park ?

Like · Reply · Message · 12 · 18 January at 21:35

Joanne Moulson Tyzack Splash pads for water play, swings suitable for disabled children, wheelchair accessible roundabout, sensory play. The potential for development is endless, it's a great space and used by many!

Like · Reply · Message · 4 · 18 January at 22:22

Annabelle Tongue Make it like Graves park has something for all ages zip wire, musical chimes, trampoline thing, diggers in the sand pit, spiders web swing, toddler frame with those speaking pipes, assault course like at millhouses or maybe a dome climbing frame like the one at sindlefigen x

Like · Reply · Message · 2 · 18 January at 22:42 · Edited

Sarah Chapman Definitely a dedicated area for younger children, including climbing frame. All weather surface would also be good to prevent the mud bath that it becomes in wet weather!Water play and skate park are also good ideas, perhaps also a natural play area? To be honest most of the current equipment is in poor condition which is a shame as I believe it used to be a really nice and popular park

Like · Reply · Message · 3 · 18 January at 21:59

Vanessa Ellis My 9 yo would love a skate park area similar to the one in Millhouses. It would be great for me too as we could then walk to the park instead of having to drive to Millhouses every time he wants to let off some energy.

Like · Reply · Message · 2 · 18 January at 23:48

Gillian Bullock Scotford No matter what you put in the Cliffe Park please make sure you put in ACCESSIBLE play equipment. It used to break my heart when we we took the children to the park when our children were younger and my two sons, who are disabled, couldn't join in 

Like · Reply · Message · 1 · 19 January at 08:00

Caroline Tongue More swings , toddler area , water part or at least more of what you've got .. more climbing apparatus , slides etc.. the park used to be lovely and is desperate for a revamp

Like · Reply · Message · 1 · 18 January at 22:03

Laura Scotford Water play, older swings, climbing wall, sunken trampoline, assault course... the possibilities are endless. Look at Graves/Millhouses like many have suggested. Maybe set up a consultation as suggested to ensure all needs are catered for.

Like · Reply · Message · 19 January at 06:30

Rachael Whitaker I agree there isn't much for the older child, having moved to Dronfield recently from the Millhouses area **this does let Dronfield down And a good park is the one thing we miss.** Skate or scooter area would be good and a zip wire maybe, the big slide is always popular. What about ground level trampolines like in graves park?

Like · Reply · Message · 19 January at 21:20

Lucie Bolsover Enclosed area, water area like Millhouses or Bakewell, basket swing, zip wire, diggers for the sand pit like at Graves park.

Like · Reply · Message · 1 · 18 January at 22:34
