- 41.15 This Clause 41 sets out the entire financial liability of the Supplier with regard to the infringement of any Intellectual Property Rights as a result of the provision of the Services and/or the provision of the Deliverables hereunder. CONTROL OF THE CONTRACT

43. TRANSFER AND SUB-CONTRACTING

- 43.1 The Supplier shall not assign, novate, sub-contract or in any other way dispose of the Contract or any part of it without prior Approval. Sub-contracting any part of the Contract shall not relieve the Supplier of any obligation or duty attributable to the Supplier under the Contract.
- 43.2 The Supplier shall be responsible for the acts and omissions of its sub-contractors as though they are it's the actions and or omissions of its own Staff.
- 43.3 Where the Customer has consented to the placing of sub-contracts, copies of each sub-contract shall, at the request of the Customer, be sent by the Supplier to the Customer as soon as reasonably practicable.

44. WAIVER

- 44.1 The failure of either Party to insist upon strict performance of any provision of the Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Contract.
- 44.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with Clause 8 (Notices).
- 44.3 A waiver of any right or remedy arising from a breach of the Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Contract.

45. VARIATION

- 45.1 Subject to the provisions of this Clause 45.1, the Customer may request a variation to Goods and/or Services ordered provided that such variation does not amount to a material change to the Order. Such a change is hereinafter called a "Variation".
- 45.2 The Customer may request a Variation by completing and sending the Call-Off Terms and Conditions Variation form attached at Appendix 4 ("**the Variation Form**") to the Supplier giving sufficient information for the Supplier to assess the extent of the Variation and any additional cost that may be incurred. The Supplier shall respond to a request for a Variation within the time limits specified in the Variation Form. Such time limits shall be reasonable having regard to the nature of the Order.
- 45.3 In the event that the Supplier is unable to provide the Variation to the Goods and/or Services or where the Parties are unable to agree a change to the Contract Price, the Customer may:
- 45.3.1 agree to allow the Supplier to continue to perform their obligations under the Contract without the Variation; or
- 45.3.2 terminate the Contract with immediate effect, except where the Supplier has already delivered part or all of the Order in accordance with the Order Form or where the Supplier can show evidence of substantial work being carried out to fulfil the Order, and in such a case the Parties shall attempt to agree upon a resolution to the matter. Where a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution Procedure detailed at Clause 66.
- 45.3.3 If the Parties agree the Variation and any variation in the Contract Price, the Supplier shall carry out such Variation and be bound by the same provisions so far as is applicable, as though such Variation was stated in the Contract.

46. SEVERABILITY

- 46.1 If any provision of the Contract is held invalid, illegal or unenforceable for any reason, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

- 46.2 In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of the Contract, the Customer and the Supplier shall immediately commence good faith negotiations to remedy such invalidity.

47. REMEDIES IN THE EVENT OF DEFECTIVE GOODS

- 47.1 Without prejudice to any other right or remedy which the Customer may have, if any Goods are not supplied in accordance with, or the Supplier fails to comply with any of the terms of the Contract, the Customer shall be entitled to avail itself of any one or more of the following remedies at its discretion, whether or not any part of the Goods have been accepted by the Customer:

- 47.1.1 to rescind the Contract;
- 47.1.2 to reject the Goods (in whole or in part) and return them to the Supplier at the risk and cost of the Supplier on the basis that a full refund for the Goods so returned shall be paid forthwith by the Supplier;

- 47.1.4 to refuse to accept any further deliveries of the Goods but without any liability to the Customer;
- 47.1.5 to carry out at the Supplier's expense any work necessary to make the Goods comply with the Contract; and
- 47.1.6 to claim such damages as may have been sustained in consequence of the Supplier's breach or breaches of the Contract.

48. REMEDIES IN THE EVENT OF INADEQUATE PERFORMANCE OF THE SERVICES

- 48.1 Where a complaint is received about the standard of Services or about the manner in which any Services have been supplied or work has been performed or about the materials or procedures used or about any other matter connected with the performance of the Supplier's obligations under the Contract, then the Customer shall take all reasonable steps to investigate the complaint. The Customer may, in its sole discretion, uphold the complaint, or take further action in accordance with Clause 57 (Termination) of the Contract.
- 48.2 In the event that the Customer is of the reasonable opinion that there has been a material breach of the Contract by the Supplier, then the Customer may, without prejudice to its rights under Clause 57 (Termination), do any of the following:
- 48.2.1 without terminating the Contract, itself supply or procure the supply of all or part of the Services until such time as the Supplier shall have demonstrated to the reasonable satisfaction of the Customer that the Supplier will once more be able to supply all or such part of the Services in accordance with the Contract;
 - 48.2.2 without terminating the whole of the Contract, terminate the Contract in respect of part of the Services only (whereupon a corresponding reduction in the Contract Price shall be made) and thereafter itself supply or procure a third party to supply such part of the Services;
 - 48.2.3 terminate, in accordance with Clause 57 (Termination), the whole of the Contract; and/or
 - 48.2.4 charge the Supplier for and the Supplier shall pay any costs reasonably incurred by the Customer (including any reasonable administration costs) in respect of the supply of any part of the Services by the Customer or a third party to the extent that such costs exceed the payment which would otherwise have been payable to the Supplier for such part of the

Services and provided that the Customer uses its reasonable endeavours to mitigate any additional expenditure in obtaining replacement Services.

48.3 If the Supplier fails to supply any of the Services in accordance with the provisions of the Contract and such failure is capable of remedy, then the Customer shall instruct the Supplier to remedy the failure and the Supplier shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within ten (10) Working Days of the Customer's instructions or such other period of time as the Customer may direct.

48.4 In the event that the Supplier

48.4.1 fails to comply with Clause 48.3 above and the failure is materially adverse to the interests of the Customer or prevents the Customer from discharging a statutory duty; or

48.4.2 persistently fails to comply with Clause 48.3 above

the Customer may terminate the Contract with immediate effect by giving the Supplier notice in writing.

49. LIQUIDATED DAMAGES

49.1 If the Supplier fails to deliver the Goods and/or Services by the date(s) agreed/specified in the Order Form or (where an extension of time has been agreed by the Parties) the revised date for delivery (as the context requires, the "Agreed Delivery Date"):

49.1.1 the Supplier shall pay the Customer a sum by way of liquidated damages for each day between the Agreed Delivery Date and the date on which the Goods and/or Services are delivered equal to 0.5% of the Contract Price for the relevant Goods and/or Services, up to a maximum amount of 2.5% of the Contract Price for the relevant Goods and/or Services ("Liquidated Damages Threshold"). Subject to Clause 49.3, during the period in which liquidated damages are payable under this Clause 49.1 ("Liquidated Damages Period") the liquidated damages payable in accordance with this Clause shall be the Customer's only remedy for any loss or damage suffered or incurred by the Customer in relation to the failure by the Supplier to deliver the Goods and/or Services by the Agreed Delivery Date.

49.2 if the sums payable by the Supplier pursuant to Clause 49.1 meet or exceed the Liquidated Damages Threshold, the Customer shall be entitled to:

49.2.1 claim any remedy available to it (whether under the Contract or otherwise) for loss or damage incurred or suffered over and above the Liquidated Damages Threshold; and

49.2.2 without prejudice to Clause 49.1 the Customer shall be entitled to terminate the Contract with immediate effect by giving notice in writing to the Supplier.

49.3 The Supplier shall not be obliged to pay any sums pursuant to Clause 49.1 if and to the extent the failure by the Supplier to deliver the Goods and/or Services by the Agreed Delivery Date directly results from the Customer Default provided that the Supplier notifies the Customer immediately of such circumstances in sufficient detail to enable the Customer to remedy the situation. Except as set out in this Clause 49.2, no payment or concession to the Supplier by the Customer or other act or omission of the Customer shall in any way affect its rights to liquidated damages pursuant to Clause 49.1 or be deemed to be a waiver of the right of the Customer to recover any damages unless such waiver has been expressly made in writing by the Customer.

49.4 Notwithstanding Clause 49.1 the Supplier does not exclude responsibility for performing or re-performing the obligation or duty which gave rise to the relevant claim at its own cost in such manner as would (if possible) result in the same or substantively similar effect for the Customer, whether or not such performance or re-performance gives rise to additional costs for the Supplier and the cost of re-performance shall be borne solely by the Supplier and shall not be re-charged to the Customer whether by way of costs, reimbursement or otherwise.

49.5 Having given careful consideration to this matter, all monies payable by the Supplier under Clause 49.1 are considered by the Parties to be a genuine pre-estimate of the losses which the Customer will incur in relation to the Supplier's failure to deliver the Goods and/or Services by the Agreed Delivery Date it being impossible to quantify the actual aggregate losses sustainable by the Customer in terms of both loss of revenue as well as loss of reputation and prestige (the Parties acknowledging that hypothetically the losses sufferable by the Customer might be more or less than the agreed liquidated damages calculation); arrived at without any inequality of bargaining position as between the Parties as a true bargain between the Parties; fair, given the nature and circumstances of the Contract; neither excessive, extravagant, unconscionable or oppressive in all the circumstances; and as such these monies are payable as liquidated damages such that the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 49.4. The Parties' joint intention in agreeing a scheme of liquidated damages in such circumstances is to substantially reduce and, to the fullest extent possible in law, eliminate, the risk of a dispute and potential litigation in relation to such circumstances.

49.6 Each Party confirms that:

49.6.1 it has taken specific legal advice on the effect of this clause; and

49.6.2 based on such advice, it does not enter into the Contract in anticipation that, or with any expectation that this Clause will be unenforceable for any reason.

50. CUMULATIVE REMEDIES

50.1 Except as otherwise expressly provided by the Contract, all remedies available to either Party for breach of the Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

51. MONITORING OF CONTRACT PERFORMANCE

- 52.6 Nothing in the Contract shall impose any liability on the Customer in respect of any liability incurred by the Supplier to any other person, but this shall not be taken to exclude or limit any liability of the Customer to the Supplier that may arise by virtue of either a breach of the Contract or by negligence on the part of the Customer, or the Customer's employees, servants or agents.
- 52.7 The Supplier shall effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of risks which may be incurred by the Supplier, arising out of the Supplier's performance of its obligations under the Contract, including death or personal injury, loss of or damage to property or any other loss. Such insurance shall be maintained for the duration of the Contract Period and for a minimum of six (6) Years following the expiration or earlier termination of the Contract.

52.12 The provisions of any insurance or the amount of cover shall not relieve the Supplier of any liabilities under the Contract.  - 62.1.4 promptly provide all information concerning the provision of the Goods and/or Services which may reasonably be requested by the Customer for the purposes of adequately understanding the manner in which the Goods and/or Services have been provided or for the purpose of allowing the Customer or the Replacement Supplier to conduct due diligence.
- 62.2 If the Supplier fails to comply with Clause 62.1 the Client may recover possession thereof and the Supplier grants a licence to the Client or its appointed agents to enter (for the purposes of such recovery) any premises of the Supplier or its permitted suppliers or sub-contractors where any such items may be held.

- 62.3 Where the end of the Contract Period arises due to the Supplier's Default, the Supplier shall provide all assistance under Clause 62.1 free of charge. Otherwise, the Customer shall pay the Supplier's reasonable costs of providing the assistance and the Supplier shall take all reasonable steps to mitigate such costs.
- 62.4 At the end of the Contract Period (howsoever arising) the licence granted pursuant to Clause 41 shall automatically terminate without the need to serve notice.

63. FORCE MAJEURE

- 63.1 Neither Party shall be liable to the other Party for any delay in performing, or failure to perform, its obligations under the Contract (other than a payment of money) to the extent that such delay or failure is a result of Force Majeure. Notwithstanding the foregoing, each Party shall use all reasonable endeavours to continue to perform its obligations under the Contract for the duration of such Force Majeure. However, if such Force Majeure prevents either Party from performing its material obligations under the Contract for a period in excess of six (6) Months, either Party may terminate the Contract with immediate effect by notice in writing.
- 63.2 Any failure or delay by the Supplier in performing its obligations under the Contract which results from any failure or delay by an agent or sub-contractor shall be regarded as due to Force Majeure only if that agent or sub-contractor is itself impeded by Force Majeure from complying with an obligation to the Supplier.
- 63.3 If either Party becomes aware of a Force Majeure event or occurrence which gives rise to or is likely to give rise to any such failure or delay on its part as described in Clause 63.1 it shall immediately notify the other by the most expeditious method then available and shall inform the other of the period during which it is estimated that such failure or delay shall continue.
- 63.4 It is expressly agreed that any failure by the Supplier to perform or any delay by the Supplier in performing its obligations under the Contract which results from any failure or delay in the performance of its obligations by any person, firm or company with which the Supplier shall have entered into any contract, supply arrangement or sub-contract or otherwise shall be regarded as a failure or delay due to Force Majeure only in the event that such person firm or company shall itself be prevented from or delayed in complying with its obligations under such contract, supply arrangement or sub-contract or otherwise as a result of circumstances of Force Majeure.
- 63.5 For the avoidance of doubt it is hereby expressly declared that the only events which shall afford relief from liability for failure or delay shall be any event qualifying for Force Majeure hereunder.
