Compliance Check

First, we will complete a mandatory evaluation to make sure that you have answered all questions and have completed the Attachment 4 - Price Schedule in line with our instructions. All bids passing the mandatory evaluation will be progressed to the Quality Evaluation.

Quality Evaluation

We will give your responses to the **QUALITY questionnaires** to the Contracting Authority's evaluation panel. Each evaluator will independently assess your responses to the quality questions using the response guidance and the evaluation criteria.

They will give a score and a reason for their score for each question they are assessing. The evaluators will enter the scores and reasons into the e-Sourcing suite.

If the evaluation panel wishes to clarify any areas of your bid, bid clarification questions will be issued via the e-Sourcing suite on an individual basis.

Consensus

Once the evaluators have independently assessed your answers to the questions we will arrange for the evaluators to meet. We will facilitate the

discussion.

At this meeting, the evaluators will discuss the quality of your answers and review their scores and reasons for that score. The discussion will continue until they reach a consensus regarding the score, and reason for that score, for each question.

These final scores will be used to calculate your technical score.

If the evaluation panel wishes to clarify any areas of your bid, bid clarification questions will be issued via the e-sourcing suite on an individual basis.

Quality Threshold

If you have not met the minimum acceptable score for each question, you will be excluded from the competition. We will tell you that you have been excluded from the procurement and why at award stage.

Evaluate Pricing

We will then evaluate your price and calculate your price score using the evaluation criteria specified.

If we wish clarify any areas of your bid, bid clarification questions will be issued via the e-Sourcing suite on an individual basis.

Final Score

Your quality score will be added to your price score, to create your final score.

Award

Awards will be made to the successful bidder, subject to contract.

We will notify successful and unsuccessful bidders providing feedback.
