- (2) **THOMAS TELFORD LIMITED** (company number 02556636) whose registered office is at 1-7 Great George Street, Westminster, London SW1P 3AA (**Publisher**); and
- (3) **The GREATER LONDON AUTHORITY** whose registered office is at City Hall, The Queen's Walk, London SE1 2AA (**Licensee**).

Preliminary

- (A) The Licensor is the owner of the rights in the Contracts.

The Licensor has agreed to licence the Copyright in the Contracts to the Licensee and its Subsidiary, and the Licensee and its Subsidiary wish to be granted a licence to use the Contracts on the terms set out in this agreement.

- (B) For the purpose of this Licence, the Publisher will act as the Licensor's agent in relation to the grant of the Licence to the Licensee and its Subsidiary as set out in this agreement.
- (C) The Licensee and its Subsidiary wish to work with and amend, enhance and/or modify the Contracts on the terms set out in this agreement.

1. Definitions and Interpretation

The definitions and interpretative provisions in Schedule 1 apply to this agreement.

2. Term

The Term will begin on the Commencement Date and will continue for a period of two years until 27 January 2023 unless and until terminated in accordance with this agreement.

3. Contracts

- 3.1 As soon as reasonably practicable following the signature of this agreement, the Publisher will supply the Contracts to the Licensee for the Term.
- 3.2 The parties acknowledge that the Licensee and its Subsidiary will be entitled to use, reproduce, amend, enhance and/or modify the Contracts for the Term.
- 3.3 The Licensee and its Subsidiary will securely store the Contracts in their original form in any word processing system and/or any storage device as appropriate and make any backup copies.

4. Intellectual Property

- 4.1 Subject to the terms of this agreement, the Licensor grants to the Licensee and its Subsidiary a non-exclusive, non-assignable licence in the Territory for the Term

to use, reproduce, amend, enhance and/or modify the Contracts or any part of the Contracts in return for the payment by the Licensee of the Fee.

- 4.2 Title to and ownership of all Copyright, database and all other intellectual property rights embodied by or otherwise incorporated in the Contracts will remain with the Licensor. Except as expressly provided in this agreement, nothing will be construed to grant to the Licensee any right, title or interest in or to the Contracts or any part of them.
- 4.3 The Licensor will indemnify and hold harmless the Licensee and its Subsidiary from and against all losses, liabilities, judgments, suits, actions, proceedings, damages and costs including legal fees resulting from or arising out of any claim brought by a third party against the Licensee and/or its Subsidiary alleging that the use of the Contracts by the Licensee or its Subsidiary infringes the intellectual property rights of a third party.
- 4.4 The provisions of clause 4.3 will not apply if any such claim arises by reason of any alteration or modification made to the Contracts by the Licensee and/or its Subsidiary. The Licensor and the Publisher will have the right to replace or modify all or any part of the Contracts in order to avoid any infringement without the Licensee's prior approval and on written notice as soon as is practicable to the Licensee.

For the avoidance of doubt, it is not required that such changes continue to be identified once the contract has been agreed and finalised, nor that the changes are identified in the contract which is awarded, executed and/or published by the Licensee and/or its Subsidiary. The Licensee shall include the following acknowledgment on the first page of the Amended Contract: "This amended contract is based on the NEC family of contracts, the copyright of which belongs to The Institution of Civil Engineers" or such similar acknowledgement.
- 5.3 It is acknowledged and accepted that there may be some contracts including framework contracts awarded prior to the signature date of this agreement which

do not comply with 5.2 insofar as changes to the original Contracts are/were not clearly identified by the Licensee or its Subsidiary.

- 5.4 The Licensee retains all rights to the Amended Contract and the Licensors shall have no title to the amendments made by the Licensee. The Licensors shall retain all rights in the original Contracts.
