Dear [REDACTED]

CMA UKRN annual fees 2022/23

Many thanks for your support with arranging payment of UKRN annual fee invoice for 2022/23 financial year. The annual fee is £50,000, with CMA fees for 2022/23 pro rata from 1 October 2022 through to 31 March 2023, totalling £25,000.

To confirm, as UKRN is not a legal entity, we require corporate services support from our members on rotation, currently CAA are our host. CAA provides IT provision, office space, HR resourcing and procurement/financial services, including collection of annual UKRN fees from our members.

I do hope that this clarifies our relationship with CAA. Please do advise if you require any further detail from us.

Yours sincerely

[REDACTED]
Director, UKRN
