

The London Borough of Lambeth
An exciting business opportunity

**Expression of Interest to quote for;
Structural engineering consultancy services for a scheme in
Lambeth**

Lambeth Council is proud to offer a real opportunity for an experienced and suitably qualified consultant to provide services for the Housing Regeneration Team.

We are looking to appoint a structural engineering company to assist with the delivery of a new residential scheme of approximately 50 new homes in a dense urban development.

We require structural engineering consultancy services from the beginning of the pre-application stage up to and including planning submission. We anticipate that this appointment will be required for a 12-18 month period from April 2017. Quotes will be assessed based on value, experience and knowledge.

If you are interested and fulfill the requirements above, please email Zoe Chapman, Project Manager, at zchapman@lambeth.gov.uk. You will be sent the submission requirements in which you will be asked to set out your price, relevant experience and approach to delivering these services.

The deadline for responses is Tuesday 21st March 2017.
