## **CORE ASSESSMENT DOCUMENT**

## **CONTENTS**

- 1. Completion Guidelines**
- 2. General and Organisational Questions**
- 3. Economic, Legal and Financial Questions**
- 4. Safety, Health and Environmental Questions**

## **1. Completion Guidelines**

The questionnaire should be completed by a partner/director/senior manager/proposed client account manager or otherwise delegated authority subject to acceptance by the National Coal Mining Museum for England.

Please answer each question fully. The National Coal Mining Museum for England stresses the value and importance of substantiating answers with supporting documentation when requested.

The questionnaire should be completed accurately, if successful this document will form part of the contract.

The response and supporting documents must relate specifically to the tendering organisation's policy and arrangements.

Organisations currently providing services to the National Coal Mining Museum for England must provide full details as requested and not just refer to the National Coal Mining Museum for England.

Appendices in the form of attachments, either requested in the response to a specific question or included as supporting documentation, may be included in the General Attachment area of this questionnaire but where included must be clearly labelled and cross referenced to ensure the information supplied can be assessed in full.
