

Christmas Lighting Tender.

Ellesmere Town Council (ETC) provides the annual Christmas Lights display in Ellesmere, Shropshire with the aim of enhancing the town at Christmas time to make it a nicer environment for residents, shoppers, and tourists. This tender is to;

(a) Obtain quotations for the supply, installation, maintenance, anchor bolt testing, dismantling, storage, and testing of the Christmas Lights from November 2026 to January 2029.

(b) The purchase of a lighting display, annual storage, installation, maintenance, anchor bolt testing, dismantling, storage, and testing of the Christmas Light.

The current display consists of tree lights on the Promenade and 7 festoons which hang over the streets on catenary wires. The catenary wires are attached to the buildings using anchor bolts.

Before submitting tenders, it is recommended that a site visit is carried out which can be arranged by contacting Town Clerk, Joanne Butterworth on the following:

Tel: 01691 622689, e-mail: jo.butterworth@ellesmere-tc.gov.uk
