II.1.5) Short description of the contract or purchase:

Parts of military vehicles. Babcock DSG Limited - acting on behalf of the UK Ministry of Defence ("the Authority") - has under consideration a 5 year Framework Agreement for the Supply of Military Vehicle Parts and Associated Items which includes - but is not limited to - the NATO Stock Numbers (NSNs) listed below. The Authority may add items of a similar nature to the Framework Agreement if required during the contract period. Babcock DSG Limited also reserve the right to extend the duration of the resultant Framework Agreement(s) by a further year, using a one year option.

The following is a sample of the 100+ NSN's which will be included in the ITT:

2520992343833
2520993009555
2530992581737
2540997350385
2540997950294
2590998821151

5220991255819
5305996239279
5930993965942
6160015243900

This requirement will be split into lots. Suppliers who progress to the Invitation to Tender Stage can bid for one lot, several lots or combination of lots. A framework agreement covering all lots or framework agreements for individual or combination of lots will be awarded based upon the lowest priced combination for all lots over the contract period.

Tenderers shall be provided with NSNs and - using the Item of Supply Information System (ISIS) - shall be required to source and price the items in scope for the requirement. The Manufacturer's Part Number (MPN) supplied must accurately reflect a valid reference to the NSN as listed on ISIS and the source of supply being from the corresponding NATO Commercial And Government Entity (NCAGE). As a guideline, 3:2 and 5:2 references are preferable, and 3:9 and 5:9 references are deemed as obsolete references unless written evidence can be provided to the contrary.

Expressions of Interest to participate in this requirement are to be submitted on Defence Contracts Online (DCO) by completing the Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed on DCO using the selection criteria given within the PQQ and within each question. Only those suppliers who provide all mandatory information and are not subject to a mandatory exclusion will be invited to tender.

The following code is required to access the PQQ - V7K89R9RD5.

II.1.6)Common Procurement Vocabulary:
35420000 - Parts of military vehicles.

II.1.7)Information about subcontracting:

The tenderer has to indicate in the tender any share of the contract it may intend to subcontract to third parties and any proposed subcontractor, as well as the subject-matter of the subcontracts for which they are proposed.

II.1.8)Division into lots: Yes

Tenders may be submitted for: All lots

II.1.9)Variants will be accepted: No

II.2)Quantity Or Scope Of The Contract

II.2.1)Total quantity or scope (including all lots, renewals and options):

Although the total value of the requirements over a 6 year period has an estimated value of between £4,500,000 - £10,000,000, no business whatsoever is guaranteed under any resulting framework agreement or contract that will be put in place in relation to this notice. No compensation etc. will be paid if a tender or resulting framework agreement is withdrawn for any reason. Bidders should take part in this process only on the basis that they fully understand and accept this position.

Estimated value excluding VAT:

Range between: 4,500,000 and 10,000,000

Currency: GBP

II.2.2)Options: Yes

If yes, description of these options: The duration of the resultant Framework Agreement(s) shall be for a period of 5 years. Babcock DSG Limited also reserve the right to extend the duration of the resultant Framework Agreement(s) by a further year, using a one year option.

II.2.3)Renewals: No

II.3)Duration Of The Contract Or Time-Limit For Completion

Section III: Legal, Economic, Financial And Technical Information

III.1)Conditions relating to the contract

III.1.1)Deposits and guarantees required:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

III.1.2)Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

III.1.3)Legal form to be taken by the group of economic operators to whom the contract is to be awarded:

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into contract.

III.1.4) Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information:

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

III.1.5) Information about security clearance

Candidates which do not yet hold security clearance may obtain such clearance until: Not Provided

III.2) Conditions For Participation

III.2.1) Economic and financial capacity:

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers.

The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of these criteria are at
<http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the Authority.

Information and formalities necessary for evaluating if the requirements are met:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

Criteria regarding the personal situation of subcontractors (that may lead to their rejection) including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if the requirements are met:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

III.2.2) Economic and financial standing:

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

(a) Appropriate statements from the economic operator's bankers or where appropriate, evidence of relevant professional risk indemnity insurance;

(b) The presentation of balance-sheets or extracts from the balance-sheets, where

publication of the balance-sheet is required under the law of the country in which the economic operator is established;

(c) where appropriate, a statement, covering the three previous financial years of the economic operator, of: (i) the overall turnover of the business of the economic operator; and (ii) where appropriate, the turnover in respect of the work, works, goods or services which are of a similar type to the subject matter of the contract.

Information and formalities necessary for evaluating if the requirements are met:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

Minimum level(s) of standards possibly required: (if applicable)

The maximum value of any framework agreement awarded could be up to £10,000,000 over a 6 year period. If the estimated annual contract value is greater than 40% of the supplier's turnover, the Authority reserves the right to exclude the supplier from being selected to tender except where the supplier provides, to the satisfaction of the Authority, evidence showing it has sufficient economic and financial capability, e.g. such evidence may include:

- (1) Any additional information proving it has sufficient economic and financial resources to deliver the requirement; and
- (2) State whether the supplier is willing to provide the Authority with an indemnity, guarantee or bank bond.
- (3) A financial assessment will be undertaken on the supplier's financial status.

An overall pass / fail judgement will be made after considering areas such as turnover, profit, net assets, liquidity, gearing and capacity. This assessment will include the Parent company where applicable. An independent financial assessment obtained from a reputable credit rating organisation will be utilised as part of this process.

Criteria regarding the economic and financial standing of subcontractors (that may lead to their rejection)

Information and formalities necessary for evaluating if the requirements are met:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

Minimum level(s) of standards possibly required: (if applicable)

As detailed above.

III.2.3) Technical and/or professional capacity:

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

(d) a statement of the technicians or technical services available to the economic operator to: (i) carry out the work under the contract, or (ii) be involved in the production of goods or the provision of services under the contract, particularly those responsible for quality control, whether or not they are independent of the economic operator;

(e) a statement of the economic operator's: (i) technical facilities; (ii) measures for ensuring quality; (iii) study and research facilities; and (iv) internal rules regarding intellectual property;

(f) a check carried out by the contracting authority or on its behalf by a competent official body of the member State in which the economic operator is established: (i) on the technical capacity of the economic operator; and (ii) if relevant, on the economic operator's study and research facilities and quality control measures;

(g) in the case of works contracts, services contracts or supply contracts also covering

siting and installation operations or services, the economic operator's educational and professional qualifications where the economic operator is an individual and: (i) if any, those of the economic operator's managerial staff; and (ii) those of one or more persons who would be responsible for providing the services or carrying out the work or works under the contract;

(h) the environmental management measures, that the economic operator is able to apply when performing the contract, but only where it is necessary for the performance of that contract;

(j) a description of the tools, material, technical equipment, staff numbers, know-how and sources of supply (with an indication of their geographical location when it is outside the territory of the EU) available to the economic operator to perform the contract, cope with any additional needs required by the contracting authority as a result of a crisis or carry out the maintenance, modernisation or adaptation of the goods covered by the contract;

(l) certification by official quality control institutes or agencies of recognised competence, attesting that the goods to be purchased or hired under the contract conform to standards and technical specifications (within the meaning of regulation 12(1)) identified by the contracting authority;

(m) in the case of contracts involving, entailing or containing classified information, evidence of the ability to process, store and transmit such information at the level of protection required by the contracting authority;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the relevant European standard; and (ii) from an independent accredited body established in any member State conforming to the European standards concerning accreditation and certification;

(o) any other evidence of conformity to quality management systems standards which are equivalent to the standards referred to in sub-paragraph (n)(i);

Information and formalities necessary for evaluating if the requirements are met:

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.

Minimum level(s) of standards possibly required: (if applicable)

As detailed within the Pre-Qualification Questionnaire (PQQ) associated with this Contract Notice.
