Re Building 270 Cold Store Container SR26092201

Dear [REDACTED]

Further to our conversations regarding the Building 270 cold store, please find attached description sheet.

To deliver & position 20 foot cold store, in a position accessible to hiab vehicle crane.
For the sum of £33,500.00
Supplier delivery £750.00 described as 2-3 weeks.

Transport new cold store from our premises to KT153NB, Building 270, set aside, lift out old unit onto our transport.
Lift new unit in old position, bring old unit back to our premises to be collected for certificated disposal. For the sum of £7,100.00.00

All for the sum of £41,350.00 + vat

DEFRA to:-

Resolve any blocked access / fire escape issues in sufficient time not to impede the progress of the work.

Sterilize unit & certificate safe.

Disconnect and remove any power supplies etc connected to the unit which may impede its removal.

Please note:-

New shipping containers are all one trip containers, which means the container has been used for one journey from the factory it was built in to the UK.
To keep the cost of moving the container to the UK to a minimum, the container will be fully loaded for the journey and then emptied once arriving to a UK port.

Continued

You may find;

- Minor scrapes or scratches externally
- Scuff marks on the floor or walls internally

These minor issue fall within our acceptable tolerances of quality, as these containers have spent 6 weeks on a ship and will have been picked up and stacked several times before being delivered to you.

These costs presume complete continuity of labour, full use of access, services, are subject to our standard terms conditions and VAT at the standard rate. All works to be undertaken during our normal working hours. Quote open for 30 days.

I trust that this information is of interest, should you require anything further please do not hesitate to contact me.

Regards
