

| Item | TQ ref | TQ date | TQ Description | LQS response | Date |
|------|--------|------------|---|--|----------|
| 1 | 1 | 13.12.2023 | Will there be a possibility of an extension to the return date in the new year? | Regrettably we are unable to extend the tender period | 15.12.23 |
| 2 | 1 | 13.12.2023 | In respect to the MUGA please provide details of:- - Court Size (L&W) - Fence height - What age range will the users be - What is current ground condition / surface? | Please refer to drawing SPC-ONE-ZZ-XX-DR-L-1010 P01 | 15.12.23 |
| 3 | 1 | 13.12.2023 | Also the spec of fencing you mention seems to change 3 times – weldmesh, heavy duty, general purpose (all different) we could do with narrowing this down too | Please refer to the drawings contained within Section 5.0, stage 4 - Landscape Package | 15.12.23 |
| 4 | 2 | 05.12.23 | Could you kindly confirm if the existing design team is to be retained or novated | Please refer to Tender Addendum No.1; document ref SPC-ONE-XX-ZZ-AD-0002 P01 - Novation agreement. Please incorporate these novated design fees and any other design fee that you may require to complete the design of the project. | 15.12.23 |
| 5 | 3 | 04.12.23 | Could consideration please be given to extending the return date by two weeks? Our Christmas shutdown, will make this difficult for us to compose and submit a considered bid before the current return date of 12th January. | Regrettably we are unable to extend the tender period | 15.12.23 |
