SECTION 1

HOW TO TENDER

The Council's requirement

The Council is seeking tenders for the supply of two pieces of equipment for children in the age range of 8 – 14 years old. Following a recent consultation, we are looking for a climber, similar to the "Pirate Lair" net climber and a carousel, similar to the "Titan Carousel".

This new equipment is to be installed adjacent to the current play area in Kingsley Park and the design will be sympathetic to the environment of the area. The design should include the appropriate safety surfaces, a bench, bin, fencing and signage.

The timing of the installation is to be agreed between the Council and the tenderer, but it is anticipated that installation will take place later in 2023.

The tenderer should visit the site to assess the work required, the access and security of the site, and the topography and layout of the area, before the tender is submitted.

The tender price should take account of the specification under section 3 of this document and should include:

- a) The design of the play area, the supply of appropriate plans, drawings and explanations, and submission of any further information as required by the Council;
- b) Any ground preparation necessary;
- c) Supply and installation of all equipment, site furniture, fencing, and safety surfacing;
- d) Any hard or soft landscaping as agreed in the design;
- e) Reseeding and making good any ground in the surrounding area of the new safety surface and re-seeding and making good any damage caused to the ground by the movement of heavy equipment or otherwise;
- f) Delivery, staff welfare, security fencing and similar costs;
- g) An independent post installation safety check and report.

Evaluation

2. The Council will evaluate tenders by considering the following principal factors:

- a) compliance with tender documentation, and the suitability of the design;
- b) tender submission including price;
- c) references.

3. The Council does not bind itself to accept any tender, but every effort will be made to reach a decision on a preferred tenderer by 8 September 2023.

Canvassing etc

Whitchurch Town Council

4. Any tenderer who canvasses any member or officer of the Council, whether directly or indirectly, relating to the award of this contract will be disqualified.

- b) communicates to any person or business other than the Council the amount of the tender (unless the disclosure is made for insurance purposes, for example); or
- c) agrees with any other person or business that they will agree not to tender or as to the amount of any other tender to be submitted; or
- d) offers or pays any sum of money to any person to induce such a person to accept the tender then the tenderer shall be disqualified from tendering and may be subject to civil and criminal liability.

- b) Tenderers must also submit with their tender:
- (i) Information about their insurance cover.
