1. INTRODUCTION

The NHSBSA is looking for a provider to work with the internal Learning and Organisation Development (L&OD) team to design and deliver a bespoke, dynamic learning and development programme for a maximum of 470 leaders and managers, together with the design of follow-up support to ensure learning outcomes are embedded, with a specific focus on leading in a hybrid and flexible work setting.

After a detailed phase of discovery and analysis conducted across the organisation by Our Way Ahead Programme (referred to as 'Programme'), an imminent need to intentionally design a hybrid working organisation has been identified, that effectively utilises workspaces, actively engages and supports colleagues and as a result, gains competitive advantage to recruit and retain talented colleagues. Considering the "hybrid way" as the future way of working at the NHSBSA, the first phase of delivery of the Programme identifies Developing Our Leaders and Managers as one of the four major projects.

The objective of the project is to develop and support the leaders and managers in the organisation so that they are well-equipped to lead and manage in a hybrid organisation. This can be achieved by designing the mindset or capabilities of leaders and managers around flexible working patterns; enabling the leaders/managers to redesign their working practices to lead and manage in the new world, as well as equipping them to maximise the time, work and purpose whilst being together. It would require a leadership/management learning and development programme to be delivered to a maximum of 470 staff members, who hold a leadership/management position within the organisation, followed by the design of support sessions with the cohort to enhance the learning outcomes.

The NHSBSA has a diverse leadership and management population, with leaders and managers covering a wide range of disciplines including supporting Primary Care services, services accessed by the general public (Citizen Services), NHS pension payments, supporting digital delivery for the NHS, supporting project and programme delivery for the NHS and other internal support services such as HR, Finance, Estates and IT.

The aim is to appoint a single provider who will work alongside the internal L&OD department to design and deliver a tailored, cost-effective and dynamic leadership/management learning and development programme to all leaders/managers who are currently supported by the small internal L&OD team. The programme will enable the leaders and managers to learn and develop, and to reflect on how to support themselves to lead/manage in a hybrid context, how to support their teams and colleagues to work and communicate effectively in a hybrid context and how to prioritise their work in a flexible working pattern.

The successful provider will be required to work with members of the internal L&OD department to agree the design of the learning and development intervention and support, and to tailor it to meet the specific business needs and fit with NHSBSA values and deliver the programme through virtual workshops via MS Teams or Zoom that are accessible for all colleagues.

2. BACKGROUND

The NHSBSA is an arm's length body of the Department of Health and Social Care which provides several support services to the NHS. The organisation is comprised of 3 core operational directorates and a range of enabling services. These include Prescription, Dental and Pension payments, and other transactions such as applications for medical exemption certificates and NHS Learning Support Fund submissions for student nurses. For more information about NHSBSA, please refer to the Instructions Document.

As a result of the pandemic, the NHSBSA was able to make the significant change of supporting more than three quarters of its people to work remotely and flexibly, to ensure the continued delivery of its critical services. This accelerated and prolonged shift in traditional working practices presented the NHSBSA with a unique learning opportunity around working methods and how they are expected to continue to change in the future. As a result, the Our Way Ahead Programme was set-up with the brief to consider future ways of working once pandemic lockdown restrictions eased. It was tasked to have a specific focus on how, when and where the NHSBSA's work is done in a post pandemic world.

In February 2021, the Programme was tasked with considering future ways of working at the NHSBSA, along with the associated cultural transformation needed to embed new practices and behaviours.

Over a period of 12 months, the Programme has been successful in carrying out a detailed phase of discovery, including engagement and analysis across the organisation, which has identified the need for an intentionally designed hybrid

organisation that effectively utilises workspaces, actively engages and supports colleagues and as a result gains competitive advantage to recruit and retain talented colleagues.

The Programme's purpose and principles were agreed by the Senior Responsible Owner (SRO) and Programme Board as:

Shake up the everyday thinking about how, when and where we do our great work through the following four principles:

- *Flexibility first to meet our business needs*
- *Agile and change ready to respond to an ever-adapting world*
- *Purposefully design workspaces to bring us together to connect, collaborate and learn*
- *Ensuring everyday feels like this is a great place work for everyone*

The Programme Vision is defined as:

A dynamic and collaborative organisation which has re-imagined its working practices to create the conditions that enable people to balance their flexibility with business needs.

Based on all the research and analysis carried out in the discovery phase, the Programme aims to deliver the following four initial projects, staggered for a period of approximately 22 months from November 2021.

- 1) Hybrid Ways of Working
- 2) Revisions to full colleague lifecycle - Policy, procedures, and people initiatives
- 3) Developing Our Leaders and Managers**
- 4) Estates and Technology - Purposefully design office space (Prototype, Test, Learn)

The chosen provider will be undertaking work as part of project 3 (Developing Our Leaders and Managers) and it is anticipated this project will commence in July 2022.

The Programme has identified the immediate need for leaders and managers to obtain support on how to lead/manage in a hybrid organisation. The focus would be to redesign their mindset or capabilities and redesign their working practices, as well as equip them to utilise and maximise the time, work and purpose of working together.

The internal L&OD department support the learning and development needs of the business, offering cross-organisation learning solutions for leaders and managers and other employees, dependent on business and directorate needs, as well as individual

personal development plans. Even during the pandemic period, the internal L&OD department has continued to develop a set of leadership and management training options for our leaders and managers community to support them at all levels and stages in their leadership/management journey.

The NHSBSA leadership and management team are offered the following types of support as standard on an ongoing basis, which is accessed by the leaders and managers population on a purely voluntary basis:

- Leadership Teams channel featuring hints, tips and techniques for leaders
- Monthly Manager's Download publication
- Monthly Leadership webinar

It is expected that the learning and development programme designed and delivered during the Developing Our Leaders and Manager project will integrate with the existing standard support provided but will be more formally structured and focused on the learning outcomes outlined below.

As identified by the Programme and L&OD department, to sustainably work and progress in a hybrid working pattern, our leaders and managers must be equipped to cope with new ways of working, including leading and managing whilst their team indulge in their preferred working pattern, communicating effectively with their teams and stakeholders, and re-prioritising efficiently in a flexible environment. The offer to support our leaders/managers in the form of group support and new learning options has been challenging due to lack of internal resources within the L&OD department.

The plan is to offer a learning and development programme and follow-up support, to enhance learning outcomes, to the entire leaders/managers population. This will require an external provider to design and develop the learning and development programme, with collaborative input and sign off being provided by the L&OD team, and to then deliver the learning and development programme, together with planning a subsequent support offering to ensure the continuation of learning, to the leaders and managers cohort. The overall proposal should be aligned to the principles of the Organisation Development department. Please refer to Appendix 1 (OD Infographic).

3. SCOPE

The scope of the Developing Our Leaders and Managers project within the Our Way Ahead Programme is to design, develop, deliver and assess a tactical activity aimed at developing and supporting the leaders and managers community within NHSBSA so that they are fully equipped to lead/manage in a hybrid organisation. The objective is to design the mindset and capabilities of leaders and managers on the flexible

working pattern; enable the organisation and our leaders/managers to redesign working practices effectively to lead/manage in the new hybrid world, as well as equip them to maximise the time, work and purpose of working together.

The project aim is to develop a tailored, dynamic and innovative learning and development programme, designed and agreed in collaboration with the L&OD team, which will be delivered to a maximum of 470 leaders and managers and should be accomplished within a period of 9-12 months from project commencement, consisting of 3 phases, as follows:

- Phase 1 – Design and deliver a full learning and development programme collaboratively with the L&OD team and Our Way Ahead Programme, which will include:
 - Design and delivery of a programme of learning and development for leaders and managers based on the NHSBSA principles and ways of working
 - Delivery of a “Train the Trainer” programme for internal NHSBSA staff (20 delegates in total) to enable continuous improvement and future roll outs of the learning and support programme
 - Obtaining feedback from delegates on the learning and development programme.
- Phase 2 – Designing a follow-up support plan to embed and enhance learning outcomes, to include:
 - Planning, designing and agreeing the nature of follow-up support to be provided to leaders and managers and preparation of associated materials for use in delivery of the proposed support sessions
 - Provision of “Train the Trainer” sessions for internal NHSBSA staff (20 delegates in total) to train them in the delivery of the recommended follow-up support for leaders and managers and to support them to put their learning, obtained during the learning and development programme delivered in Phase 1, into practice.
- Phase 3 – Evaluation of the learning and development programme and “Train the Trainer” sessions

The provider will be expected to provide a cost-effective solution against all the requirements in line with the NHSBSA’s budget of £80,000 to £100,000.

4. DETAILED REQUIREMENTS

The Project shall be designed to meet the outcomes specified in this Specification and the successful provider will be required to deliver against all of the following requirements:

4.1 Phase 1 - Design a tailored, dynamic and innovative programme of learning and development for leaders and managers, based upon the NHSBSA principles and ways of working and deliver the learning and development programme. As a minimum this phase must include:

4.1.1 Review relevant collateral provided by NHSBSA and have discussions with the L&OD team, and other NHSBSA teams as appropriate, to obtain sufficient information regarding the organisation, our people and the Our Way Ahead Programme to design the learning and development programme.

4.1.2 To design and develop a learning and development plan and training materials for the learning and development programme, which must be suitable for visually and orally impaired delegates, and should integrate with the existing support offered to NHSBSA staff by the L&OD team and other corporate functions including the Wellbeing and Inclusion Team and Corporate HR, and deliver the following outcomes:

- Delegates to feel more comfortable with hybrid working patterns, the impact that these changes can have on protected characteristic groups and individuals and feel more confident guiding their teams through this period of change.
- Delegates to have the knowledge to enable them to develop strategies for being productive and leading their team to be productive during this period of change.
- Delegates to have a greater understanding of change and what they can and cannot control.
- Delegates to have the knowledge to enable them to develop strategies for creating new, useful, meaningful, inclusive and flexible habits and routines that supports colleague wellbeing, for themselves and their team members.
- Delegates to have the knowledge to enable them to understand the concept of resilience and how to build and maintain their own and others.

4.1.3 The innovative learning and development programme should be designed to appeal to the NHSBSA's diverse leadership and management population (a maximum 470 delegates), and should be tailored to reflect our values, culture and people. The programme must be delivered virtually, and the supplier should determine how many sessions are required to deliver a programme which covers the topics outlined below at 4.1.4, but each session should not exceed half a day in length and 18 delegates in size. From our experience, the best results are achieved with cohorts made up of varying experience levels and staff members from across the eight different NHSBSA directorates.

4.1.4 The learning and development programme should cover topics such as:

- Leading/Managing in hybrid working pattern and being productive: As a result of covering this topic leaders/managers will feel confident and have knowledge of techniques to work effectively and productively, in a hybrid way, with their team.
- Understanding change and control: As a result of covering this topic leaders/managers will be aware of their own and their team's experiences of change, and how focusing on what they can control is a way to navigate change, e.g. using Stephen Covey's Circle of Concern and Circle of Influence model.
- Responding to now and remaining effective: As a result of covering this topic leaders/managers will feel confident in working with their current circumstances and navigating the changes as they happen, while remaining a leader/manager of an effective team.
- Creating new, useful, meaningful, flexible habits and routines that enable you to do what you need to: As a result of covering this topic leaders/managers will have techniques to establish new habits that support flexibility, personal wellbeing, inclusion, accessibility and effectiveness.
- Understanding, build and maintain your own resilience and others: As a result of covering this topic leaders/managers will have techniques for maintaining their own resilience and know how to support and build resilience capability in their team.
- Leading and managing home-based, office-based or workers with hybrid working pattern: As a result of covering this topic leaders/managers will feel confident working in new ways to support a variety of working patterns and styles and will understand the impact this may have on certain protected characteristic groups/individuals and how this can be effectively managed.
- Leading and managing under pressure: As a result of covering this topic leaders/managers will have techniques for supporting themselves and others when there are tight deadlines and pressures.
- Enabling people to perform efficiently within a hybrid team: As a result of covering this topic leaders/managers will have techniques and knowledge to support performance and development where their team are not always located together in the same working environment.
- Enabling leaders/ managers to support team members with different personality traits, preferences for communication, accessibility requirements, preferred ways of working, demonstrating emotional intelligence, authenticity and compassionate leadership traits.

4.1.5 Digital reflective resources will be prepared and made available to all delegates.

4.1.6 The provider should have a suitable mechanism for obtaining feedback from the delegates on the learning and development programme delivered, which also provides delegates with the ability to set objectives for future

learning and development/support sessions and helps to identify trends in opinions and learning experiences.

4.1.7 A “Train the Trainer” workshop will be designed for selected individuals from the L&OD team and NHSBSA directorates (20 delegates in total) which will equip them to replicate delivery of the learning and development programme delivered during Phase 1. (Please note, the Train the Trainer session delegates will have some facilitation experience, but their level of experience may be limited. Where delegates require any basic/beginner facilitation training prior to the Train the Trainer sessions, this training will be delivered by the NHSBSA L&OD Team rather than the supplier.)

4.1.8 The draft learning and development plan, training materials and digital resources prepared during Phase 1 will be presented to the NHSBSA L&OD team for discussion and agreement, prior to sign off by the Programme and L&OD team and delivery of the programme by the provider.

4.2 Phase 2 – The design of follow-up support to embed and enhance learning outcomes, including the following:

4.2.1 The preparation and agreement with the internal L&OD team of a plan for follow-up support sessions designed to embed and enhance the leadership and management teams’ learning outcomes (as set out above at 4.1.2), taking into account the feedback obtained by the provider during Phase 1, and materials associated with the delivery of these sessions.

4.2.2 The delivery of a “Train the Trainer” workshop for selected individuals from the L&OD Team and NHSBSA directorates (20 delegates in total) to equip them to replicate the follow up support designed and agreed with the L&OD Team (in accordance with the requirement at 4.2.1). (Please note, the Train the Trainer session delegates will have some facilitation experience, but their level of experience may be limited. Where delegates require any basic/beginner facilitation training prior to the Train the Trainer sessions, this training will be delivered by the NHSBSA L&OD Team rather than the supplier.)

4.2.3 Where the project budget permits, the provider may be asked to deliver some of the follow-up support sessions in accordance with the plans prepared (further to the requirement at 4.2.1) to the wider leadership and management population to assist the internal L&OD Team in the delivery of support. (Fees chargeable by the provider would be as submitted in the Pricing Schedule in the tab entitled Phase 2- Unit Prices.)

- 4.2.4 Please note that Phase 2 will follow on from successful completion and sign off by the NHSBSA of Phase 1 and should Phase 1 not be completed successfully the NHSBSA reserve the right not to progress to Phase 2.

4.3 Phase 3 - Evaluation of the learning and development programme

- 4.3.1 The development of a suitable evaluation process in collaboration with the L&OD Team to generate feedback that will allow NHSBSA to assess the learning and development programme and reviewing relevant data.
- 4.3.2 Provide tools to evaluate the 'Train the Trainer' sessions and the follow up support.
- 4.3.3 It is expected that the Kirkpatrick's model of evaluation will be used to offer an online or virtual evaluation process.
- 4.3.4 It is expected that any trends in opinions and learning experiences across the leadership and management team gathered during Phases 1 and 2 of the project will be fed into the evaluation during Phase 3.
- 4.3.5 The collation of evaluation data to allow the L&OD department and the Our Way Ahead Programme to be able to report the outcomes of the relevant phases of the project more widely within the NHSBSA.
- 4.3.6 Please note that the provider's involvement in Phase 3 is dependent upon successful completion and sign off by the NHSBSA of Phases 1 and 2.

4.4 General

- 4.4.1 The design of the learning and development programme, follow-up support and materials must be AA accessibility compliant (as defined by the W3C Web Content Accessibility Guidelines (WCAG) 2.1).
- 4.4.2 All materials produced by the provider during the project will be in a deliverable and accessible format, as determined as most appropriate by the provider.
- 4.4.3 The training deliverables should be device agnostic (i.e. should be accessible and fully functional via desktop and mobile devices regardless of platform).
- 4.4.4 For the avoidance of any doubt, any materials, documentation and any other content created by the provider as part of the project (the "Content") will be the property of NHSBSA, and will be branded accordingly, and NHSBSA will have full licence to use the Content.

02	Keep your promises. Small or large. People expect this.	05	Speak well of people in public and in private. There are no secrets that do not get shared.
03	Be good to be around, especially when things go wrong. This is when you get truly measured.	06	Be grateful. Say thank you. Recognise good work, excellent delivery and great behaviours. It matters.

- 3.3.7** The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

4. Pricing and payments

- 4.1** In exchange for the Deliverables, the Supplier must invoice the Buyer for the Charges in the Order Form.
- 4.2** CCS must invoice the Supplier for the Management Levy and the Supplier must pay it using the process in DPS Schedule 5 (Management Levy and Information).

4.3 All Charges and the Management Levy:

- (a) exclude VAT, which is payable on provision of a valid VAT invoice; and
- (b) include all costs connected with the Supply of Deliverables.

4.4 The Buyer must pay the Supplier the Charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds using the payment method and details stated in the Order Form.

4.5 A Supplier invoice is only valid if it:

- (a) includes all appropriate references including the Contract reference number and other details reasonably requested by the Buyer;
- (b) includes a detailed breakdown of Delivered Deliverables and Milestone(s) (if any); and
- (c) does not include any Management Levy (the Supplier must not charge the Buyer in any way for the Management Levy).

4.6 The Buyer must accept and process for payment an undisputed Electronic Invoice received from the Supplier.

4.7 The Buyer may retain or set-off payment of any amount owed to it by the Supplier if notice and reasons are provided.

4.8 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this does not happen, CCS or the Buyer can publish the details of the late payment or non-payment.

4.9 If CCS or the Buyer can get more favourable commercial terms for the supply at cost of any materials, goods or services used by the Supplier to provide the Deliverables, then CCS or the Buyer may require the Supplier to replace its existing commercial terms with the more favourable terms offered for the relevant items.

4.10 If CCS or the Buyer uses Clause 4.9 then the DPS Pricing (and where applicable, the Charges) must be reduced by an agreed amount by using the Variation Procedure.

4.11 The Supplier has no right of set-off, counterclaim, discount or abatement unless they are ordered to do so by a court.

5. The buyer's obligations to the supplier

5.1 If Supplier Non-Performance arises from an Authority Cause:

- (a) neither CCS or the Buyer can terminate a Contract under Clause 10.4.1;
- (b) the Supplier is entitled to reasonable and proven additional expenses and to relief from liability and Deduction under this Contract;
- (c) the Supplier is entitled to additional time needed to make the Delivery; and

(d) the Supplier cannot suspend the ongoing supply of Deliverables.

5.2 Clause 5.1 only applies if the Supplier:

- (a) gives notice to the Party responsible for the Authority Cause within 10 Working Days of becoming aware;
- (b) demonstrates that the Supplier Non-Performance would not have occurred but for the Authority Cause; and
- (c) mitigated the impact of the Authority Cause.

6. Record keeping and reporting

- 6.1 The Supplier must attend Progress Meetings with the Buyer and provide Progress Reports when specified in the Order Form.
- 6.2 The Supplier must keep and maintain full and accurate records and accounts on everything to do with the Contract:
- (a) during the Contract Period;
 - (b) for 7 years after the End Date; and
 - (c) in accordance with UK GDPR,
- including but not limited to the records and accounts stated in the definition of Audit in Joint Schedule 1.
- 6.3 The Relevant Authority or an Auditor can Audit the Supplier.
- 6.4 During an Audit, the Supplier must:
- (a) allow the Relevant Authority or any Auditor access to their premises to verify all contract accounts and records of everything to do with the Contract and provide copies for an Audit; and
 - (b) provide information to the Relevant Authority or to the Auditor and reasonable co-operation at their request.
- 6.5 Where the Audit of the Supplier is carried out by an Auditor, the Auditor shall be entitled to share any information obtained during the Audit with the Relevant Authority.
- 6.6 If the Supplier is not providing any of the Deliverables, or is unable to provide them, it must immediately:
- (a) tell the Relevant Authority and give reasons;
 - (b) propose corrective action; and
 - (c) provide a deadline for completing the corrective action.
- 6.7 The Supplier must provide CCS with a Self Audit Certificate supported by an audit report at the end of each Contract Year. The report must contain:

- (a) the methodology of the review;
- (b) the sampling techniques applied;
- (c) details of any issues; and
- (d) any remedial action taken.

6.8 The Self Audit Certificate must be completed and signed by an auditor or senior member of the Supplier's management team that is qualified in either a relevant audit or financial discipline.

7. Supplier staff

7.1 The Supplier Staff involved in the performance of each Contract must:

- (a) be appropriately trained and qualified;
- (b) be vetted using Good Industry Practice and the Security Policy; and
- (c) comply with all conduct requirements when on the Buyer's Premises.

7.2 Where a Buyer decides one of the Supplier's Staff is not suitable to work on a contract, the Supplier must replace them with a suitably qualified alternative.

7.3 If requested, the Supplier must replace any person whose acts or omissions have caused the Supplier to breach Clause 27.

7.4 The Supplier must provide a list of Supplier Staff needing to access the Buyer's Premises and say why access is required.

7.5 The Supplier indemnifies CCS and the Buyer against all claims brought by any person employed by the Supplier caused by an act or omission of the Supplier or any Supplier Staff.

8. Rights and protection

8.1 The Supplier warrants and represents that:

- (a) it has full capacity and authority to enter into and to perform each Contract;
- (b) each Contract is executed by its authorised representative;
- (c) it is a legally valid and existing organisation incorporated in the place it was formed;
- (d) there are no known legal or regulatory actions or investigations before any court, administrative body or arbitration tribunal pending or threatened against it or its Affiliates that might affect its ability to perform each Contract;
- (e) it maintains all necessary rights, authorisations, licences and consents to perform its obligations under each Contract;
- (f) it does not have any contractual obligations which are likely to have a material adverse effect on its ability to perform each Contract;
- (g) it is not impacted by an Insolvency Event; and
- (h) it will comply with each Order Contract.

8.2 The warranties and representations in Clauses 2.10 and 8.1 are repeated each time the Supplier provides

Deliverables under the Contract.

- 8.3 The Supplier indemnifies both CCS and every Buyer against each of the following:
- (a) wilful misconduct of the Supplier, Subcontractor and Supplier Staff that impacts the Contract; and
 - (b) non-payment by the Supplier of any Tax or National Insurance.
- 8.4 All claims indemnified under this Contract must use Clause 26.
- 8.5 The description of any provision of this Contract as a warranty does not prevent CCS or a Buyer from exercising any termination right that it may have for breach of that clause by the Supplier.
- 8.6 If the Supplier becomes aware of a representation or warranty that becomes untrue or misleading, it must immediately notify CCS and every Buyer.
- 8.7 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

9. Intellectual Property Rights (IPRs)

- 9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:
- (a) receive and use the Deliverables; and
 - (b) make use of the deliverables provided by a Replacement Supplier.
- 9.2 Any New IPR created under a Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations during the Contract Period.
- 9.3 Where a Party acquires ownership of IPRs incorrectly under this Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.
- 9.4 Neither Party has the right to use the other Party's IPRs, including any use of the other Party's names, logos or trademarks, except as provided in Clause 9 or otherwise agreed in writing.
- 9.5 If there is an IPR Claim, the Supplier indemnifies CCS and each Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result.
- 9.6 If an IPR Claim is made or anticipated the Supplier must at its own expense and the Buyer's sole option, either:
- (a) obtain for CCS and the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR;
 - or

- (b) replace or modify the relevant item with substitutes that do not infringe IPR without adversely affecting the functionality or performance of the Deliverables.

9.7 In spite of any other provisions of a Contract and for the avoidance of doubt, award of a Contract by the Buyer and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Supplier acknowledges that any authorisation by the Buyer under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific IPR involved.

10. Ending the contract or any subcontract

10.1 Contract Period

10.1.1 The Contract takes effect on the Start Date and ends on the End Date or earlier if required by Law.

10.1.2 The Relevant Authority can extend the Contract for the Extension Period by giving the Supplier no less than 3 Months' written notice before the Contract expires.

10.2 Ending the contract without a reason

10.2.1 CCS has the right to terminate the DPS Contract at any time without reason by giving the Supplier at least 30 days' notice.

10.2.2 Each Buyer has the right to terminate their Order Contract at any time without reason by giving the Supplier not less than 90 days' written notice.

10.3 Rectification plan process

10.3.1 If there is a Default, the Relevant Authority may, without limiting its other rights, request that the Supplier provide a Rectification Plan.

10.3.2 When the Relevant Authority receives a requested Rectification Plan it can either:

- (a) reject the Rectification Plan or revised Rectification Plan, giving reasons; or
- (b) accept the Rectification Plan or revised Rectification Plan (without limiting its rights) and the Supplier must immediately start work on the actions in the Rectification Plan at its own cost, unless agreed otherwise by the Parties.

10.3.3 Where the Rectification Plan or revised Rectification Plan is rejected, the Relevant Authority:

- (a) must give reasonable grounds for its decision; and
- (b) may request that the Supplier provides a revised Rectification Plan within 5 Working Days.

10.3.4 If the Relevant Authority rejects any Rectification Plan, including any revised Rectification Plan, the Relevant Authority does not have to request a revised Rectification Plan before exercising its right to terminate its Contract under Clause 10.4.3(a).

10.4 When CCS or the buyer can end a contract

10.4.1 If any of the following events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

- (a) there is a Supplier Insolvency Event;
- (b) there is a Default that is not corrected in line with an accepted Rectification Plan;
- (c) the Supplier does not provide a Rectification Plan within 10 days of the request;
- (d) there is any material Default of the Contract;
- (e) there is any material Default of any Joint Controller Agreement relating to any Contract;
- (f) there is a Default of Clauses 2.10, 9, 14, 15, 27, 32 or DPS Schedule 9 (Cyber Essentials) (where applicable) relating to any Contract;
- (g) there is a consistent repeated failure to meet the Performance Indicators in DPS Schedule 4 (DPS Management);
- (h) there is a Change of Control of the Supplier which is not pre-approved by the Relevant Authority in writing;
- (i) if the Relevant Authority discovers that the Supplier was in one of the situations in 57 (1) or 57(2) of the Regulations at the time the Contract was awarded; or
- (j) the Supplier or its Affiliates embarrass or bring CCS or the Buyer into disrepute or diminish the public trust in them.

10.4.2 CCS may terminate the DPS Contract if a Buyer terminates an Order Contract for any of the reasons listed in Clause 10.4.1.

10.4.3 If any of the following non-fault based events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

- (a) the Relevant Authority rejects a Rectification Plan;
- (b) there is a Variation which cannot be agreed using Clause 24 (Changing the contract) or resolved using Clause 34 (Resolving disputes);
- (c) if there is a declaration of ineffectiveness in respect of any Variation; or
- (d) any of the events in 73 (1) (a) or (c) of the Regulations happen.

10.5 When the supplier can end the contract

The Supplier can issue a Reminder Notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate an Order Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the annual Contract Value within 30 days of the date of the Reminder Notice.

10.6 What happens if the contract ends

10.6.1 Where a Party terminates a Contract under any of Clauses 10.2.1, 10.2.2, 10.4.1, 10.4.2, 10.4.3, 10.5 or 20.2 or a Contract expires all of the following apply:

- (a) The Buyer's payment obligations under the terminated Contract stop immediately.
- (b) Accumulated rights of the Parties are not affected.

- (c) The Supplier must promptly repay to the Buyer any and all Charges the Buyer has paid in advance in respect of Deliverables not provided by the Supplier as at the End Date.
- (d) The Supplier must promptly delete or return the Government Data except where required to retain copies by Law.
- (e) The Supplier must promptly return any of CCS or the Buyer's property provided under the terminated Contract.
- (f) The Supplier must, at no cost to CCS or the Buyer, co-operate fully in the handover and re-procurement (including to a Replacement Supplier).

10.6.2 In addition to the consequences of termination listed in Clause 10.6.1, where the Relevant Authority terminates a Contract under Clause 10.4.1 the Supplier is also responsible for the Relevant Authority's reasonable costs of procuring Replacement Deliverables for the rest of the Contract Period.

10.6.3 In addition to the consequences of termination listed in Clause 10.6.1, if either the Relevant Authority terminates a Contract under Clause 10.2.1 or 10.2.2 or a Supplier terminates an Order Contract under Clause 10.5:

- (a) the Buyer must promptly pay all outstanding Charges incurred to the Supplier; and
- (b) the Buyer must pay the Supplier reasonable committed and unavoidable Losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated.

10.6.4 In addition to the consequences of termination listed in Clause 10.6.1, where a Party terminates under Clause 20.2 each Party must cover its own Losses.

10.6.5 The following Clauses survive the termination or expiry of each Contract: 3.2.10, 4.2, 6, 7.5, 9, 11, 12.2, 14, 15, 16, 17, 18, 31.3, 34, 35 and any Clauses and Schedules which are expressly or by implication intended to continue.

10.7 Partially ending and suspending the contract

10.7.1 Where CCS has the right to terminate the DPS Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Order Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Order Contracts that have already been signed.

10.7.2 Where CCS has the right to terminate a DPS Contract it is entitled to terminate all or part of it.

10.7.3 Where the Buyer has the right to terminate an Order Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.7.4 The Relevant Authority can only partially terminate or suspend a Contract if the remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.7.5 The Parties must agree any necessary Variation required by Clause 10.7 using the Variation Procedure,

but the Supplier may not either:

- (a) reject the Variation; or
- (b) increase the Charges, except where the right to partial termination is under Clause 10.2.

10.7.6 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under Clause 10.7.

10.8 When subcontracts can be ended

At the Buyer's request, the Supplier must terminate any Subcontracts in any of the following events:

- (a) there is a Change of Control of a Subcontractor which is not pre-approved by the Relevant Authority in writing;
- (b) the acts or omissions of the Subcontractor have caused or materially contributed to a right of termination under Clause 10.4; or
- (c) a Subcontractor or its Affiliates embarrasses or brings into disrepute or diminishes the public trust in the Relevant Authority.

11. How much you can be held responsible for

11.1 Each Party's total aggregate liability in each Contract Year under this DPS Contract (whether in tort, contract or otherwise) is no more than £1,000,000.

11.2 Each Party's total aggregate liability in each Contract Year under each Order Contract (whether in tort, contract or otherwise) is no more than the greater of £5 million or 150% of the Estimated Yearly Charges unless specified in the Order Form.

11.3 No Party is liable to the other for:

- (a) any indirect Losses; or
- (b) Loss of profits, turnover, savings, business opportunities or damage to goodwill (in each case whether direct or indirect).

- (c) any liability that cannot be excluded or limited by Law;
- (d) its obligation to pay the required Management Levy or Default Management Levy.

11.5 In spite of Clauses 11.1 and 11.2, the Supplier does not limit or exclude its liability for any indemnity given under Clauses 7.5, 8.3(b), 9.5, 31.3 or Order Schedule 2 (Staff Transfer) of a Contract.

- 11.6 In spite of Clauses 11.1, 11.2 but subject to Clauses 11.3 and 11.4, the Supplier's aggregate liability in each and any Contract Year under each Contract under Clause 14.8 shall in no event exceed the Data Protection Liability Cap.
- 11.7 Each Party must use all reasonable endeavours to mitigate any Loss or damage which it suffers under or in connection with each Contract, including any indemnities.
- 11.8 When calculating the Supplier's liability under Clause 11.1 or 11.2 the following items will not be taken into consideration:
- (a) Deductions; and
 - (b) any items specified in Clauses 11.5 or 11.6.
- 11.9 If more than one Supplier is party to a Contract, each Supplier Party is jointly and severally liable for their obligations under that Contract.

12. Obeying the law

- 12.1 The Supplier must use reasonable endeavours to comply with the provisions of Joint Schedule 5 (Corporate Social Responsibility).
- 12.2 To the extent that it arises as a result of a Default by the Supplier, the Supplier indemnifies the Relevant Authority against any fine or penalty incurred by the Relevant Authority pursuant to Law and any costs incurred by the Relevant Authority in defending any proceedings which result in such fine or penalty.
- 12.3 The Supplier must appoint a Compliance Officer who must be responsible for ensuring that the Supplier complies with Law, Clause 12.1 and Clauses 27 to 32.

13. Insurance

The Supplier must, at its own cost, obtain and maintain the Required Insurances in Joint Schedule 3 (Insurance Requirements) and any Additional Insurances in the Order Form.

14. Data protection

- 14.1 The Supplier must process Personal Data and ensure that Supplier Staff process Personal Data only in accordance with Joint Schedule 11 (Processing Data).
- 14.2 The Supplier must not remove any ownership or security notices in or relating to the Government Data.
- 14.3 The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies every 6 Months.
- 14.4 The Supplier must ensure that any Supplier system holding any Government Data, including back-up data, is a secure system that complies with the Security Policy and any applicable Security Management Plan.

- 14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a Contract is corrupted, lost or sufficiently degraded, then the Supplier must notify the Relevant Authority and immediately suggest remedial action.
- 14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:
- (a) tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Relevant Authority receives notice, or the Supplier finds out about the issue, whichever is earlier; and/or
 - (b) restore the Government Data itself or using a third party.
- 14.7 The Supplier must pay each Party's reasonable costs of complying with Clause 14.6 unless CCS or the Buyer is at fault.
- 14.8 The Supplier:
- (a) must provide the Relevant Authority with all Government Data in an agreed open format within 10 Working Days of a written request;
 - (b) must have documented processes to guarantee prompt availability of Government Data if the Supplier stops trading;
 - (c) must securely destroy all Storage Media that has held Government Data at the end of life of that media using Good Industry Practice;
 - (d) securely erase all Government Data and any copies it holds when asked to do so by CCS or the Buyer unless required by Law to retain it; and
 - (e) indemnifies CCS and each Buyer against any and all Losses incurred if the Supplier breaches Clause 14 and any Data Protection Legislation.

15. What you must keep confidential

- 15.1 Each Party must:
- (a) keep all Confidential Information it receives confidential and secure;
 - (b) except as expressly set out in the Contract at Clauses 15.2 to 15.4 or elsewhere in the Contract, not disclose, use or exploit the Disclosing Party's Confidential Information without the Disclosing Party's prior written consent; and
 - (c) immediately notify the Disclosing Party if it suspects unauthorised access, copying, use or disclosure of the Confidential Information.
- 15.2 In spite of Clause 15.1, a Party may disclose Confidential Information which it receives from the Disclosing Party in any of the following instances:
- (a) where disclosure is required by applicable Law or by a court with the relevant jurisdiction if, to the extent not prohibited by Law, the Recipient Party notifies the Disclosing Party of the full circumstances, the affected Confidential Information and extent of the disclosure;

- (b) if the Recipient Party already had the information without obligation of confidentiality before it was disclosed by the Disclosing Party;
- (c) if the information was given to it by a third party without obligation of confidentiality;
- (d) if the information was in the public domain at the time of the disclosure;
- (e) if the information was independently developed without access to the Disclosing Party's Confidential Information;
- (f) on a confidential basis, to its auditors;
- (g) on a confidential basis, to its professional advisers on a need-to-know basis; or
- (h) to the Serious Fraud Office where the Recipient Party has reasonable grounds to believe that the Disclosing Party is involved in activity that may be a criminal offence under the Bribery Act 2010.

15.3 In spite of Clause 15.1, the Supplier may disclose Confidential Information on a confidential basis to Supplier Staff on a need-to-know basis to allow the Supplier to meet its obligations under the Contract. The Supplier Staff must enter into a direct confidentiality agreement with the Relevant Authority at its request.

15.4 In spite of Clause 15.1, CCS or the Buyer may disclose Confidential Information in any of the following cases:

- (a) on a confidential basis to the employees, agents, consultants and contractors of CCS or the Buyer;
- (b) on a confidential basis to any other Central Government Body, any successor body to a Central Government Body or any company that CCS or the Buyer transfers or proposes to transfer all or any part of its business to;
- (c) if CCS or the Buyer (acting reasonably) considers disclosure necessary or appropriate to carry out its public functions;
- (d) where requested by Parliament; or
- (e) under Clauses 4.7 and 16.

15.5 For the purposes of Clauses 15.2 to 15.4 references to disclosure on a confidential basis means disclosure under a confidentiality agreement or arrangement including terms as strict as those required in Clause 15.

15.6 Transparency Information is not Confidential Information.

15.7 The Supplier must not make any press announcement or publicise the Contracts or any part of them in any way, without the prior written consent of the Relevant Authority and must take all reasonable steps to ensure that Supplier Staff do not either.

16. When you can share information

16.1 The Supplier must tell the Relevant Authority within 48 hours if it receives a Request For Information.

16.2 Within five (5) Working Days of the Buyer's request the Supplier must give CCS and each Buyer full co-operation and information needed so the Buyer can:

- (a) publish the Transparency Information;
- (b) comply with any Freedom of Information Act (FOIA) request; and/or
- (c) comply with any Environmental Information Regulations (EIR) request.

16.3 The Relevant Authority may talk to the Supplier to help it decide whether to publish information under Clause 16. However, the extent, content and format of the disclosure is the Relevant Authority's decision in its absolute discretion.

17. Invalid parts of the contract

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it is valid or enforceable.

18. No other terms apply

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements, agreements and any course of dealings made between the Parties, whether written or oral, in relation to its subject matter. No other provisions apply.

19. Other people's rights in a contract

No third parties may use the Contracts (Rights of Third Parties) Act 1999 (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

20. Circumstances beyond your control

20.1 Any Party affected by a Force Majeure Event is excused from performing its obligations under a Contract while the inability to perform continues, if it both:

- (a) provides a Force Majeure Notice to the other Party; and
- (b) uses all reasonable measures practical to reduce the impact of the Force Majeure Event.

20.2 Either Party can partially or fully terminate the affected Contract if the provision of the Deliverables is materially affected by a Force Majeure Event which lasts for 90 days continuously.

21. Relationships created by the contract

No Contract creates a partnership, joint venture or employment relationship. The Supplier must represent themselves accordingly and ensure others do so.

22. Giving up contract rights

A partial or full waiver or relaxation of the terms of a Contract is only valid if it is stated to be a waiver in writing to the other Party.

23. Transferring responsibilities

- 23.1 The Supplier cannot assign, novate or transfer a Contract or any part of a Contract without the Relevant Authority's written consent.
- 23.2 The Relevant Authority can assign, novate or transfer its Contract or any part of it to any Central Government Body, public or private sector body which performs the functions of the Relevant Authority.
- 23.3 When CCS or the Buyer uses its rights under Clause 23.2 the Supplier must enter into a novation agreement in the form that CCS or the Buyer specifies.
- 23.4 The Supplier can terminate a Contract novated under Clause 23.2 to a private sector body that is experiencing an Insolvency Event.
- 23.5 The Supplier remains responsible for all acts and omissions of the Supplier Staff as if they were its own.
- 23.6 If CCS or the Buyer asks the Supplier for details about Subcontractors, the Supplier must provide details of Subcontractors at all levels of the supply chain including:
- (a) their name;
 - (b) the scope of their appointment; and
 - (c) the duration of their appointment.

24. Changing the contract

- 24.1 Either Party can request a Variation which is only effective if agreed in writing and signed by both Parties.
- 24.2 The Supplier must provide an Impact Assessment either:
- (a) with the Variation Form, where the Supplier requests the Variation; or
 - (b) within the time limits included in a Variation Form requested by CCS or the Buyer.
- 24.3 If the Variation cannot be agreed or resolved by the Parties, CCS or the Buyer can either:
- (a) agree that the Contract continues without the Variation; or
 - (b) terminate the affected Contract, unless in the case of an Order Contract, the Supplier has already provided part or all of the provision of the Deliverables, or where the Supplier can show evidence of substantial work being carried out to provide them; or
 - (c) refer the Dispute to be resolved using Clause 34 (Resolving Disputes).
- 24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.
- 24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the DPS Pricing or the Charges.

- 24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, DPS Pricing or a Contract and provide evidence:
- (a) that the Supplier has kept costs as low as possible, including in Subcontractor costs; and
 - (b) of how it has affected the Supplier's costs.
- 24.7 Any change in the DPS Pricing or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.
- 24.8 For 101(5) of the Regulations, if the Court declares any Variation ineffective, the Parties agree that their mutual rights and obligations will be regulated by the terms of the Contract as they existed immediately prior to that Variation and as if the Parties had never entered into that Variation.

25. How to communicate about the contract

- 25.1 All notices under the Contract must be in writing and are considered effective on the Working Day of delivery as long as they are delivered before 5:00pm on a Working Day. Otherwise the notice is effective on the next Working Day. An email is effective at 9:00am on the first Working Day after sending unless an error message is received.
- 25.2 Notices to CCS must be sent to the CCS Authorised Representative's address or email address indicated on the Platform.
- 25.3 Notices to the Buyer must be sent to the Buyer Authorised Representative's address or email address in the Order Form.
- 25.4 This Clause does not apply to the service of legal proceedings or any documents in any legal action, arbitration or dispute resolution.

26. Dealing with claims

- 26.1 If a Beneficiary is notified of a Claim then it must notify the Indemnifier as soon as reasonably practical and no later than 10 Working Days.
- 26.2 At the Indemnifier's cost the Beneficiary must both:
- (a) allow the Indemnifier to conduct all negotiations and proceedings to do with a Claim; and
 - (b) give the Indemnifier reasonable assistance with the claim if requested.
